Item 1.01 Entry into a Material Definitive Agreement.

On May 21, 2007, TOUSA, Inc. (the "Company") and certain of its subsidiaries entered into an amendment (the "Amendment") to its Amended and Restated Credit Agreement dated as of January 30, 2007, with Citicorp North America, Inc., as administrative agent (the "Credit Agreement"). Pursuant to the Amendment, the lenders under the Credit Agreement consented to sale of the Company's Dallas division and the release of liens thereon granted in connection with the Credit Agreement. On May 9, 2007, the Company entered into an agreement to sell its Dallas division for approximately \$55.7 million in cash. The transaction closing is subject to customary conditions, including completion of diligence by the buyer. The proceeds from the sale of the Dallas division are required to be used to repay outstanding amounts under the Credit Agreement.

In addition, the Amendment provides, among other things, that Section 7.2(i) of the Credit Agreement shall be amended by providing that for purposes of that Section only, for the period from March 31, 2007 through July 31, 2007, Adjusted Consolidated Tangible Net Worth of the Administrative Borrower and its Restricted Subsidiaries (as defined in the Credit Agreement) shall be calculated by adding back abandonment and related impairment charges taken during such period in accordance with generally accepted accounting principles with respect to abandonment and/or termination of option rights under land bank and purchase option arrangements to which the Company or any of its Restricted Subsidiaries (as defined in the Credit Agreement) is or was a party.

The Amendment is subject to closing conditions, including the delivery of certificates by the Company. The Amendment is attached as Exhibit 99.1 hereto and this description is qualified in its entirety by reference to Exhibit 99.1.
