PROSPECTUS SUMMARY

This prospectus covers the offer and sale by us of up to 1,319,198 shares of our common stock, par value \$0.01 per share, issued or to be issued upon the exercise of certain outstanding equity awards held by current and former employees and directors of IAC/InterActiveCorp, or IAC, HSN, Inc., Interval Leisure Group, Inc. and Tree.com, Inc. and certain former employees and a former director of Ticketmaster under the Amended and Restated Ticketmaster Entertainment, Inc. 2008 Stock and Annual Incentive Plan, or the Ticketmaster Plan. We assumed the Ticketmaster Plan in connection with the merger of Ticketmaster with our wholly owned subsidiary, which is referred to as the merger; the surviving entity in the merger, Ticketmaster Entertainment LLC, was merged with and into Live Nation Entertainment, Inc. on May 6, 2010, at which time its separate legal existence ceased.

RISK FACTORS

Investment in any securities offered pursuant to this prospectus involves risks. FORWARD-LOOKING STATEMENTS

This prospectus includes “forward-looking statements,” within the meaning of Section 27A of the Securities Act of 1933, as amended, or the Securities Act, and Section 21E of the Exchange Act, with respect to our financial condition, results of operations and business and our expectations or beliefs concerning future events. Forward-looking statements include, but are not limited to, statements about our financial position, business strategy, competitive position, potential growth opportunities, potential operating performance improvements, the effects of competition, the effects of future legislation or regulations and plans and objectives of our management for future operations. We have based our forward-looking statements on our beliefs and assumptions based on information available to us at the time the statements are made. Use of the words “may,” “should,” “continue,” “plan,” “potential,” “anticipate,” “believe,” “estimate,” “expect,” “intend,” “outlook,” “could,” “target,” “project,” “seek,” “predict” or variations of such words and similar expressions are intended to identify forward-looking statements but are not the exclusive means of identifying such statements.

Forward-looking statements are not guarantees of future performance and are subject to risks and uncertainties that could cause actual results to differ materially from those in such statements. Factors that could cause actual results to differ from those discussed in the forward-looking statements include, but are not limited to, those set forth herein or in our annual, quarterly and other reports we file with the Securities and Exchange Commission, or SEC. Based upon changing conditions, should any one or more of these risks or uncertainties materialize, or should any underlying assumptions prove incorrect, actual results may vary materially from those described in any forward-looking statements. All subsequent written and oral forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by the applicable cautionary statements. We do not intend to update these forward-looking statements, except as required by applicable law. In light of these risks, uncertainties and assumptions, the forward-looking events discussed in this prospectus might not occur.

USE OF PROCEEDS

We will receive proceeds from the sale of shares of common stock offered by this prospectus only to the extent that equity awards issued under the Ticketmaster Plan are exercised for shares of common stock covered by this prospectus and are paid for in cash. We currently have no specific plans for the use of the net proceeds received upon exercise of such awards. We anticipate that we will use the net proceeds received by us for general corporate purposes, including working capital.

PLAN OF DISTRIBUTION

The Ticketmaster Plan permits us to issue shares of our common stock, or the cash equivalent thereof, to our and our subsidiaries' eligible officers, employees, non-employee directors or consultants. Shares of our common stock being registered hereunder are issuable pursuant to outstanding stock options issued under the Ticketmaster Plan, which is further described below.

INFORMATION ABOUT THE TICKETMASTER PLAN

On January 25, 2010, pursuant to the terms of the Agreement and Plan of Merger dated as of February 10, 2009, or the merger agreement, Ticketmaster became our wholly owned subsidiary, and we assumed the Ticketmaster Plan.

Each outstanding option to purchase shares of Ticketmaster common stock, whether or not exercisable, was converted into an option to purchase Live Nation common stock on the same terms and conditions applicable to the corresponding Ticketmaster stock option immediately before the completion of the merger, except that (i) the number of shares of Live Nation common stock subject to each such converted option became equal to the product, rounded down to the nearest whole number of shares of Live Nation common stock, of (a) the number of shares of Ticketmaster common stock subject to the corresponding Ticketmaster stock option and (b) 1.4743728, which is referred to as the exchange ratio, and (ii) the per-share exercise price of the converted Ticketmaster stock options will equal the per share exercise price applicable to the corresponding Ticketmaster stock option divided by the exchange ratio, rounded up to the nearest whole cent.

Each outstanding award of Ticketmaster restricted stock and each outstanding award of Ticketmaster restricted stock units was converted, on the same terms and conditions applicable to the corresponding Ticketmaster restricted stock or Ticketmaster restricted stock units immediately before the completion of the merger, into the number of shares of Live Nation restricted stock or Live Nation restricted stock units, as applicable, equal to the product of (i) the number of shares of Ticketmaster common stock subject to such award and (ii) the exchange ratio, in each case rounding up or down to the nearest whole share of Live Nation common stock.

LEGAL MATTERS

The validity of the securities offered hereby will be passed upon by Eric Lassen in his capacity as our Senior Vice President and Deputy General Counsel.

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 14. Other Expenses of Issuance and Distribution.

The following is a statement of the expenses (all of which are estimated) to be incurred by the registrant in connection with a distribution of securities registered under this Registration Statement:

SEC registration fee	\$2,951
Accounting Fees and Expenses	\$15,000
Miscellaneous	\$5,000
Total	\$22,951

Item 15. Indemnification of Directors and Officers.

The following summary is qualified in its entirety by reference to the complete text of the statutes and agreements referred to below and to the registrant's amended and restated certificate of incorporation.

The registrant's certificate of incorporation provides that the registrant shall indemnify and hold harmless, to the fullest extent permitted by Section 145 of the Delaware General Corporation Law, or the DGCL, each person who was or is a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, because such person is or was a director or officer of the registrant or was serving at the request of the registrant as a director, officer, employee or agent of another enterprise, against all expense, liability and loss (including attorneys' fees, judgments, fines and amounts paid or to be paid in settlement, and ERISA excise taxes or penalties) actually and reasonably incurred by such person in connection therewith and such indemnification shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators; provided, however, that the registrant shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the registrant's board of directors.

Section 145 of the DGCL permits a corporation to indemnify any director or officer of the corporation against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with any action, suit or proceeding brought by reason of the fact that such person is or was a director or officer of the corporation, if such person acted in good faith and in a manner that he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, if he had no reason to believe his conduct was unlawful. In a derivative action (i.e., one brought by or on behalf of the corporation), however, indemnification may be made only for expenses, actually and reasonably incurred by any director or officer in connection with the defense or settlement of such action or suit, if such person acted in good faith and in a manner that he reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made if such person shall have been adjudged to be liable to the corporation, unless and only to the extent that the Delaware Court of Chancery or the court in which the action or suit was brought shall determine that the defendant is fairly and reasonably entitled to indemnity for such expenses despite such adjudication of liability.

The registrant has entered into indemnification agreements with its directors that will require the registrant, among other things, to indemnify them against certain liabilities that may arise by reason of their status or service as directors or officers to the fullest extent not prohibited by law. The registrant also maintains liability insurance at its expense, to protect itself and any director, officer, employee or agent of the registrant or another corporation, partnership, limited

liability company, joint venture, trust or other enterprise against any such expense, liability or loss, whether or not the registrant would have the power to indemnify such person against such expense, liability or loss under the DGCL.

Item 16. Exhibits.

See the attached Exhibit Index, which is incorporated herein by reference.

II-1

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is a part of this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of this registration statement or in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract or sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell

II-2

the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) The undersigned registrant hereby undertakes that:

(1) For purposes of determining liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(d) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling person of the registrant pursuant to Item 15, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
