Item 1.01. Entry Into a Material Definitive Agreement

United Property & Casualty Insurance Company (UPC), a wholly-owned subsidiary of United Insurance Holdings Corp. (the Company), has entered into a reimbursement contract for the 2011-2012 hurricane season, effective as of June 1, 2011, with the State Board of Administration of Florida, which administers the Florida Hurricane Catastrophe Fund (FHCF). The FHCF contract will reimburse UPC for covered property losses under its homeowners' insurance policies resulting from hurricanes that cause damage in the state of Florida through May 31, 2012.

Under this contract, the FHCF will provide \$335.3 million of aggregate coverage for covered losses in excess of \$117.5 million subject to 10% participation by UPC. For the first event, UPC retains the first \$10 million of loss and an affiliated reinsurer retains then next \$5 million of loss. UPC also participates in the \$10 million Limited Apportionment Company protection provided by the FHCF. The premium for the FHCF contract will be approximately \$30.2 million, payable in three installments in August, October and December 2011. The final attachment point, total coverage and cost will not be finalized until December 2011.

UPC purchases excess of loss type coverage from private reinsurers to cover its 10% participation requirement under the FHCF contract and to recoup losses incurred up to the FHCF attachment point. UPC bound such excess of loss coverage with private reinsurers effective June 1, 2011. As is typical in the industry, many of the material terms of the contract including total coverage and payment terms are not finalized until after the coverage is bound.
