(the "Company"), entered into a definitive Asset and Equity Purchase Agreement (the "Purchase Agreement") with Sullivan's Holding LLC, a Delaware limited liability company ("Buyer"), NOTE TO DRAFT: It appears that Sullivan's LLC is the contractual buyer, and not Romano's, which is an affiliate of Romano's Macaroni Grill. Pursuant to, and subject to the terms and conditions of, the Purchase Agreement, the Company will sell to the Buyer all of the outstanding equity interest of its Sullivan's Steakhouse business, including Sullivan's of Alaska, Inc., Sullivan's of Arizona, Inc., Sullivan's of Baltimore, Inc., California Sullivan's, Inc., Sullivan's of Delaware, Inc., Sullivan's of Illinois, Inc., Sullivan's of Indiana, Inc., Sullivan's of Kansas, Inc., Louisiana Steakhouse, Inc., Sullivan's Restaurants of Nebraska, Inc., Sullivan's of North Carolina, Inc., North Philadelphia Sullivan's, Inc., and Sullivan's Franchise Corporation (the "Sullivan's Subsidiaries") and certain other assets of the Company and its subsidiaries related to the Sullivan's Steakhouse restaurant business (the "Transaction"). The aggregate consideration payable by Buyer to the Company in the Transaction is \$32 million, subject to customary adjustments set forth in the Purchase Agreement for inventory, debt of the Sullivan's Subsidiaries and cash, which will be paid to the Company at the initial closing. The initial closing in respect of all of the Sullivan's Subsidiaries other than Sullivan's of North Carolina, Inc. and Sullivan's of Delaware, Inc. is expected to occur by the end of the Company's third quarter of 2018. Secondary closings in respect of Sullivan's of North Carolina, Inc. and Sullivan's of Delaware, Inc. are expected to occur by the end of the Company's first quarter of 2019.

The Purchase Agreement includes customary representations, warranties and covenants by the parties. The Transaction is subject to various closing conditions, including, but not limited to, the following: (i) no injunction or other orders preventing the consummation of the Transaction; (iii) the continuing accuracy of each party's representations and warranties and compliance by the parties with their respective covenants (subject to typical materiality qualifiers); (iv) no material adverse effect occurring with respect to the Sullivan's business; and (v) the satisfaction of certain other conditions.

Each party has agreed to indemnify the other for breaches of representations, warranties and covenants and for certain other matters, subject to certain exceptions and limitations.

The Purchase Agreement contains certain termination rights for both the Company and Buyer, including if (i) the initial closing does not occur by December 15, 2018; (ii) if the other party breaches any of its representations, warranties or covenants (subject to certain materiality thresholds and cure periods); and (iii) a legal restraint on the Transaction has become final and non-appealable.

The foregoing description of the Purchase Agreement and the transactions contemplated thereby is subject to and qualified in its entirety by reference to the full text of the Purchase Agreement, a copy of which is attached as Exhibit 2.1 hereto and the terms of which are incorporated herein by reference. No representation, warranty, covenant or agreement contained in the Purchase Agreement is, or should be construed as, a representation or warranty by any person other than the parties thereto, or covenant or agreement of the any person other than the parties thereto. The representations, warranties, covenants and agreements contained in the Purchase Agreement are solely for the benefit of the parties thereto, may represent an allocation of risk among the parties thereto, may be subject to standards of materiality that differ from those that are applicable to investors in the Company and may be qualified by disclosures between the parties thereto.
