PROXY STATEMENT FOR 2015

ANNUAL MEETING OF STOCKHOLDERS

INFORMATION CONCERNING SOLICITATION AND VOTING

The enclosed Proxy is solicited on behalf of the Board of Directors of BioLargo, Inc. (“BioLargo” or the “Company”), for use at the Annual Meeting of Stockholders to be held on Wednesday, June 24, 2015, at 10:00 a.m. local time (the “Annual Meeting”), and at any postponement or adjournment thereof. The Annual Meeting will be held at the Company’s office at 3500 W. Garry Avenue, Santa Ana, California 92704. The purposes of the Annual Meeting are set forth in the accompanying Notice of Annual Meeting of Stockholders.

As permitted by the rules adopted by the Securities and Exchange Commission, or SEC, we are making these proxy solicitation materials and the Annual Report for the fiscal year ended December 31, 2014, including the financial statements, available to our stockholders electronically via the Internet. A Notice of Internet Availability of Proxy Materials (the “Notice”) containing instructions on how to access our Proxy Statement and Annual Report for the fiscal year ended December 31, 2014 and how to vote will be mailed on or about May 6, 2015, to all stockholders entitled to vote at the meeting. Our principal executive offices are located at 3500 W. Garry Avenue, Santa Ana, California 92704. Our telephone number is (949) 643-9540. Our proxy materials are posted on the Internet at www.BioLargoReport.com.

GENERAL INFORMATION ABOUT THE MEETING

Who May Vote

You may vote if our records show that you own shares of BioLargo as of April 27, 2015. As of the close of business on April 27, 2015, we had a total of 83,322,039 shares of common stock issued and outstanding, which were held of record by approximately 620 stockholders, and beneficially by an additional approximately 1,600. As of April 27,

2015, we had no shares of preferred stock outstanding. You are entitled to one vote for each share that you own.

Voting Your Proxy

If a broker, bank or other nominee holds your shares, you will receive instructions from them that you must follow in order to have your shares voted. If a bank, broker or other nominee holds your shares and you wish to attend the meeting and vote in person, you must obtain a “legal proxy” from the record holder of the shares giving you the right to vote the shares.

If you hold your shares in your own name as a holder of record, you may instruct the proxy holders how to vote your common stock in one of the following ways:

- **Vote by Internet.** You may vote via the Internet by following the instructions provided in the Notice or, if you received printed materials, on your proxy card. The website for Internet voting is www.voteproxy.com and is also printed on the Notice and on your proxy card. Please have your Notice or proxy card in hand. Internet voting is available 24 hours per day until 11:59 p.m., Eastern Time, on June 23, 2015. You will receive a series of instructions that will allow you to vote your shares of common stock. You will also be given the opportunity to confirm that your instructions have been properly recorded. **IF YOU VOTE VIA THE INTERNET, YOU DO NOT NEED TO RETURN YOUR PROXY CARD.**
- **Vote by Mail.** If you would like to vote by mail, then please mark, sign and date your proxy card and return it promptly in the postage-paid envelope provided.

Of course, you may also choose to attend the meeting and vote your shares in person. The proxy holders will vote your shares in accordance with your instructions on the proxy card. If you sign and return a proxy card without giving specific voting instructions, your shares will be voted as recommended by our Board of Directors.

Matters to be Presented

We are not aware of any matters to be presented other than those described in this Proxy Statement. If any matters not described in the Proxy Statement are properly presented at the meeting, the proxy holders will use their own judgment to determine how to vote your shares. If the meeting is adjourned, the proxy holders can vote your shares on the new meeting date as well, unless you have revoked your proxy instructions.

Changing Your Vote

To revoke your proxy instructions if you are a holder of record, you must (i) advise our Corporate Secretary in writing before the proxy holders vote your shares, (ii) deliver later proxy instructions, or (iii) attend the meeting and vote your shares in person. If your shares are held by a bank, broker or other nominee, you must follow the instructions provided by the bank, broker or nominee.

Cost of This Proxy Solicitation

We will pay the cost of this proxy solicitation. We may, on request, reimburse brokerage firms and other nominees for their expenses in forwarding proxy materials to beneficial owners. In addition to soliciting proxies by mail, we expect that our directors, officers and employees may solicit proxies in person or by telephone or facsimile. None of these individuals will receive any additional or special compensation for doing this, although we will reimburse these individuals for their reasonable out-of-pocket expenses.

How Votes are Counted

The Annual Meeting will be held if a majority of the outstanding common stock entitled to vote is represented at the meeting. If you have returned valid proxy instructions or attend the meeting in person, your common stock will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters at the meeting.

Abstentions and Broker Non-Votes

Shares that are voted “WITHHELD” or “ABSTAIN” are treated as being present for purposes of determining the presence of a quorum and as entitled to vote on a particular subject matter at the Annual Meeting. If you hold your common stock through a bank, broker or other nominee, the broker may be prevented from voting shares held in your account on some proposals (a “broker non-vote”) unless you have given voting instructions to the bank, broker or nominee. Shares that are subject to a broker non-vote are counted for purposes of determining whether a quorum exists but not for purposes of determining whether a proposal has passed.

Our Voting Recommendations

When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. However, if no specific instructions are given, the shares will be voted in accordance with the following recommendations of our Board of Directors:

“FOR” the election of Dennis P. Calvert, Kenneth R. Code, Gary A. Cox, Dennis E. Marshall, Joseph L. Provenzano, Kent C. Roberts II, and John S. Runyan to the Board of Directors;

“FOR” the advisory vote on executive compensation.

“FOR” the proposal to ratify the appointment of Haskell & White LLP as our independent public accounting firm for the 2015 fiscal year.

Deadlines for Receipt of Stockholder Proposals

Stockholders may present proposals for action at a future meeting only if they comply with the requirements of the proxy rules established by the SEC and our bylaws. Stockholder proposals that are intended to be included in our Proxy Statement and form of Proxy relating to the meeting for our 2016 Annual Meeting of Stockholders under rules set forth in the Securities Exchange Act of 1934, as amended, or the Securities Exchange Act, must be received by us no later than December 31, 2015 to be considered for inclusion. All proposals should be addressed to the Corporate Secretary, BioLargo, Inc., 3500 W. Garry Avenue, Santa Ana, California 92704.

MATTER I

ELECTION OF DIRECTORS

The nominees listed below have been selected by the Board. All of the nominees are currently members of the Board. If elected, each nominee will serve until the annual meeting of stockholders to be held in 2016 (or action by written consent of stockholders in lieu thereof), or until his successor has been duly elected and qualified.

Composition of Board of Directors

Our bylaws provide that the Board shall consist of not less than two and not more than seven directors. The Board currently consists of seven members. The Board has fixed the size of the Board to be elected in 2014 at seven members. There are no family relationships among any of our current directors, the nominees for directors and our executive officers.

In the event that a nominee is unable or declines to serve as a director at the time of the Annual Meeting, the present Board will fill any such vacancy. As of the date of this Proxy Statement, the Board is not aware of any nominee who is unable or will decline to serve as a director.

The Board does not have a Nominating/Corporate Governance Committee primarily because capital constraints, the Company's early operational state, and the size of the current Board make constituting and administering such a committee excessively burdensome and costly. With respect to the nominees for election in 2015, every director of the Company participated in the decisions relating to the nomination of directors.

Director Independence

The Board has determined that each of Messrs. Cox, Marshall, Roberts and Runyan is independent as defined under applicable Nasdaq Stock Market, LLC (“Nasdaq”) listing standards. The Board has determined that none of Messrs. Calvert, Code or Provenzano is independent as defined under applicable Nasdaq listing standards. None of Messrs. Calvert, Code or Provenzano serves on any committees of the Board.

Meetings of the Board

The Board held four meetings during 2014. Each of the incumbent directors attended all of the meetings of the Board and committees on which the director served, except for two absences at the annual board meeting in June 2014. Each of our directors is encouraged to attend our Annual Meeting of Stockholders, when these are held, and to be available to answer any questions posed by stockholders to such director.

Communications with the Board

The following procedures have been established by the Board in order to facilitate communications between our stockholders and the Board:

Stockholders
may send
correspondence,

which should indicate that the sender is a Stockholder, to the Board or to any individual director, by mail to Corporate Secretary, BioLargo, Inc., 3500 W. Garry Avenue, Santa Ana, California 92704.

Our Corporate Secretary will be responsible for the first review and logging of this correspondence and will forward the communication to the director or directors to whom it is addressed unless it is a type of correspondence which the Board has identified as correspondence which may be retained in our files and not sent to directors. The Board has authorized the Corporate Secretary to retain and not send to directors communications that: (a) are advertising or promotional in nature (offering goods or

services),
(b) solely relate to complaints by clients with respect to ordinary course of business customer service and satisfaction issues or
(c) clearly are unrelated to our business, industry, management or Board or committee matters. These types of communications will be logged and filed but not circulated to directors. Except as set forth in the preceding sentence, the Corporate Secretary will not screen communications sent to directors.

•The log of stockholder correspondence will be available to members of the Board for inspection. At least once each year, the Corporate Secretary will provide to the Board a summary of the communications received from stockholders,

including the
communications
not sent to
directors in
accordance with
the procedures
set forth above.

Our stockholders may also communicate directly with the non-management directors as a group, by mail addressed to Dennis E. Marshall, c/o Corporate Secretary, BioLargo, Inc., 3500 W. Garry Avenue, Santa Ana, California 92704.

Our Audit Committee has established procedures for the receipt, retention and treatment of complaints regarding questionable accounting, internal controls, and financial improprieties or auditing matters. Any of our employees may confidentially communicate concerns about any of these matters by mail addressed to Audit Committee, c/o Corporate Secretary, BioLargo, Inc., 3500 W. Garry Avenue, Santa Ana, California 92704.

All of the reporting mechanisms are also posted on our corporate website, www.biologo.com. Upon receipt of a complaint or concern, a determination will be made whether it pertains to accounting, internal controls or auditing matters and, if it does, it will be handled in accordance with the procedures established by the Audit Committee.

Committees of the Board of Directors

The Board has established an Audit Committee and a Compensation Committee.

The Audit Committee meets with management and our independent registered public accounting firm to review the adequacy of internal controls and other financial reporting matters. Dennis E. Marshall served as Chairman of the Audit Committee during 2014 and continues to serve in that capacity. Gary A. Cox also serves on the Audit Committee. The Board has determined that Mr. Marshall qualifies as an “audit committee financial expert” as defined in Item 401(h) of Regulation S-K of the Securities Exchange Act of 1934, as amended. The Audit Committee met five times during 2014.

The Compensation Committee reviews the compensation for all of our officers and directors and affiliates. The Committee also administers our equity incentive option plan. Mr. Marshall served as Chairman of the Compensation Committee during 2013 and continues to serve in that capacity. Mr. Cox also serves on the Compensation Committee. The Compensation Committee met once during 2014.

The Board did not modify any action or recommendation made by the Compensation Committee with respect to executive compensation for the 2014 fiscal year. It is the opinion of the Compensation Committee that the executive compensation policies and plans provide the necessary total remuneration program to properly align their performance and the interests of our stockholders through the use of competitive and equitable executive compensation in a balanced and reasonable manner, for both the short and long term.

We do not have a Nominating/Corporate Governance Committee primarily because of capital constraints, our early operational state and the size of our current Board make constituting and administering such a committee excessively burdensome and costly. The traditional responsibilities of such a committee are handled by the Board as a whole. Candidates for director nominees are reviewed in the context of the current composition of the Board, the Company’s operating requirements and the long-term interests of its stockholders. In conducting this assessment, the Board considers skills, diversity, age, and such other factors as it deems appropriate given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability. The Board’s process for identifying and evaluating nominees for director, including nominees recommended by stockholders, involves compiling names of potentially eligible candidates, conducting background and reference checks, conducting interviews with the candidate and others (as schedules permit), meeting to consider and approve the final candidates and, as appropriate, preparing

an analysis with regard to particular recommended candidates. With respect to the nominees for election in 2014, each of our directors participated in the decisions relating to the nomination of directors.

The Board follows the written code of ethics that applies to its principal executive officers, principal financial officer, principal accounting officer or controller, or persons performing similar functions.

Board Leadership Structure

Mr. Calvert serves as both principal executive officer and Chairman of the Board. The Company does not have a lead independent director. Messrs. Cox, Marshall, Roberts and Runyan serve as independent directors who provide active and effective oversight of our strategic decisions. As of the date of this filing, the Company has determined that the leadership structure of the Board has permitted the Board to fulfill its duties effectively and efficiently and is appropriate given the size and scope of the Company and its financial condition.

The Board's Role in Risk Oversight

As a smaller company, our executive management team, consisting of Messrs. Calvert, Code and Provenzano, are also members of our Board. The Board, including our executive management members and independent directors, is responsible for overseeing our executive management team in the execution of its responsibilities and for assessing the Company's approach to risk management. The Board exercises these responsibilities on an ongoing basis as part of its meetings and through its committees. Each member of the management team has direct access to the other Board members, and the Board committees, so to ensure that all risk issues are frequently and openly communicated. The Board closely monitors the information it receives from management and provides oversight and guidance to our executive management team regarding the assessment and management of risk. For example, the Board regularly reviews the Company's critical strategic, operational, legal and financial risks with management to set the tone and direction for ensuring appropriate risk taking within the business.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, certain officers and persons holding 10% or more of the Company's Common stock to file reports regarding their ownership and regarding their acquisitions and dispositions of our Common stock with the SEC. Such persons are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To our knowledge, based solely upon review of Forms 3, 4, and 5 (and amendments thereto) and written representations provided to us by executive officers, directors and stockholders beneficially owning 10% or greater of the outstanding shares, we believe that such persons filed pursuant to the requirements of the SEC on a timely basis during the year ended December 31, 2014.

Equity Compensation Plans

On August 7, 2007, our Board adopted the BioLargo, Inc. 2007 Equity Incentive Plan (“2007 Plan”) as a means of providing our directors, key employees and consultants additional incentive to provide services. Both stock options and stock grants may be made under this plan. The Compensation Committee administers this plan. The plan allows grants of common shares or options to purchase common shares. As plan administrator, the Compensation Committee has sole discretion to set the price of the options. The Compensation Committee may at any time amend or terminate the plan.

Under this plan, as amended in 2011, 12,000,000 shares of our common stock are reserved for issuance under awards. Any shares that are represented by awards under the 2007 Plan that are forfeited, expire, or are canceled or settled in cash without delivery of shares, or that are forfeited back to us or reacquired by us after delivery for any reason, or that are tendered to us or withheld to pay the exercise price or related tax withholding obligations in connection with any award under the 2007 Plan, will again be available for awards under the 2007 Plan. Only shares actually issued under the 2007 Plan will reduce the share reserve. If we acquire another entity through a merger or similar transaction and issue replacement awards under the 2007 Plan to employees, officers and directors of the acquired entity, those awards, to the extent permitted under applicable laws and securities exchange rules, will not reduce the number of shares reserved for the 2007 Plan.

The 2007 Plan imposes additional maximum limitations, which limitations will be adjusted to take into account stock splits, reverse stock splits and other similar occurrences. The maximum number of shares that may be issued in connection with incentive stock options granted to any one person in any calendar year intended to qualify under Internal Revenue Code Section 422 is 160,000 shares. The maximum number of shares that may be subject to stock options or stock appreciation rights granted to any one person in any calendar year is 200,000 shares, except that this limit is 400,000 shares if the grant is made in the year of the recipient’s initial employment. The maximum number of shares that may be subject to restricted stock or restricted stock units granted to any one person in any calendar year is 200,000 shares. The maximum number shares that may be subject to awards granted to any one Participant in any calendar year of (i) performance shares, and/or performance units (the value of which is based on the Fair Market Value of a Shares), is 200,000 Shares; and (ii) of performance units (the value of which is not based on the Fair Market Value of a Share) that could result a payment of more than \$500,000.

Mr. Calvert was granted an option to purchase 7,733,259 shares of our Common stock pursuant to his employment (1) agreement entered into on April 30, 2007. The options granted to Mr. Calvert vested over three years in equal amounts on the anniversary of the option grant date.

The option exercise price of \$0.18 was below the \$0.37 closing price of our Common stock on the date of the employment agreement. In arriving at the option price, the Compensation Committee of our Board (the “Compensation Committee”) determined the pricing was appropriate based on a number of factors, including (i) that (2) the initial tranche of options does not vest until one year of the date of grant, (ii) with the quantity of the shares that would be issued, a block of shares that size could not be liquidated without affecting the market price of the shares, and (iii) the shares would be “restricted shares” and thereafter would be subject to the volume and manner of sale limitations applicable to affiliates under Rule 144 under the Securities Act of 1933.

(3) On December 28, 2007, the Compensation Committee granted options to Messrs. Calvert and Code under the 2007 Plan, which options vested over three years in equal amounts on the anniversary of the option grant date.

On April 27, 2009, in an effort to preserve cash and reduce outstanding payables to third parties, officers and board members, the Board offered an option to purchase Common stock in lieu of cash payment to reduce amounts owed. The options may be exercised at \$0.50 cents a share, an amount which was 20 cents a share above the 30 cents per share closing price of the Company’s Common stock on April 27, 2009, would be issued pursuant to the 2007 Plan, and would expire April 27, 2012. The expiration date of the options was extended to April 27, 2019 by the board (4) on February 1, 2012. The number of shares of Common stock purchasable pursuant to the option would be equal to three times the dollar amount reduced. Mr. Calvert and Mr. Code reduced the outstanding amount owed to each by \$20,000, and in exchange each received options to purchase 60,000 shares of Common stock. The options issued to Messrs. Calvert and Code are exercisable at \$0.55 per share, which is ten percent above the exercise price, per the terms of the 2007 Plan. Mr. Dargan, our Chief Financial Officer, reduced the outstanding amount owed to him by \$12,000, and in exchange received an option to purchase 36,000 shares of Common stock at \$0.50 per share.

On April 27, 2009, New Millennium agreed to accept as payment of \$230,658 of the outstanding \$380,658 in accrued but unpaid interest an option to purchase 691,974 shares of our Common stock, exercisable at \$0.55 cents (5) per share. This option was initially set to expire April 24, 2012, but was extended to April 24, 2019 by the board on February 1, 2012. The remaining \$150,000 unpaid interest was paid by the issuance of common stock in August 2010.

(6) In connection with the engagement agreement with our Chief Financial Officer, Charles K. Dargan II, we issued options to purchase Common stock which are fully vested and expire ten years from the date of issuance.

(7) On February 1, 2010, the Compensation Committee granted options to Messrs. Calvert, Code, Provenzano and Dargan under the 2007 Plan, which options are exercisable at \$0.575 per share, vest immediately and expire ten years from the option grant date.

(8) On August 4, 2010, in an effort to preserve our cash and reduce outstanding payables, the Board authorized converting outstanding payable amounts owed to Messrs. Provenzano and

Dargan into an option to purchase Common stock in lieu of cash payment. The option may be exercised at \$0.30 cents a share, was issued pursuant to our 2007 Equity Incentive Plan, and will expire five years from the date of issuance.

We issued an option to Mr. Provenzano to purchase 296,203 shares of our Common stock at \$0.30 per share in lieu of \$99,240 in unpaid salary obligations that were incurred in fiscal year 2009, and an option to Mr. Dargan to purchase 200,000 shares of our Common stock at \$0.30 per share in lieu of \$40,000 in unpaid obligations that were incurred in fiscal year 2009.

(9) On March 17, 2011, the Company's Compensation Committee issued options pursuant to the Company's 2007 Equity Incentive Plan to our Secretary and VP of Operations, consistent with management's recommendations to the committee. In total, options to purchase an aggregate 200,000 shares of the Company's common stock were issued, at an exercise price of \$0.41 per share, the closing price of the Company's common stock on the date of grant. Each option is fully vested upon issuance and expires ten years from the date of issuance. The fair value of these options totaled \$82,000.

(10) During 2012, Mr. Dargan, agreed to convert \$82,000 of accrued and unpaid salary into a stock option to purchase 410,000 shares of our common stock, at a conversion price of \$0.30, vest immediately and expire ten years from the option grant date.

(11) On July 17, 2013, we entered into an agreement to extend the engagement of Mr. Dargan, and issued him an option to purchase 300,000 shares common stock at \$0.30 per share, of which 125,000 shares vested upon issuance, and an additional 25,000 shares each month thereafter

(12) On June 23, 2014, we entered into an agreement to extend the engagement of Mr. Dargan, and issued him an option to purchase 300,000 shares common stock at \$0.63 per share, of which 100,000 shares vested upon issuance, and an additional 25,000 shares each month thereafter.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company has adopted a policy that all transactions between the Company and its executive officers, directors and other affiliates must be approved by a majority of the members of the Board and by a majority of the disinterested members of the Board, and must be on terms no less favorable to the Company than could be obtained from unaffiliated third parties.

REPORT OF COMPENSATION COMMITTEE

The following Report of the Compensation Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any of our other filings under the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act, except to the extent that we specifically incorporate this report. The Compensation Committee has furnished this report on executive compensation for the 2014 fiscal year.

Compensation Program and Philosophy

The Compensation Committee administers the Company’s executive compensation program. The Compensation Committee has the authority to review and determine the salaries and bonuses of the executive officers of the Company, including the Chief Executive Officer and the other Named Executive Officers, and to establish the general compensation policies for such individuals. The Compensation Committee also has the sole and exclusive authority to make discretionary option grants to all of the Company’s employees under the Company’s equity incentive plans.

The Compensation Committee operates under a written charter. The duties and responsibilities of a member of the Compensation Committee are in addition to his or her duties as a member of the Board. The charter reflects these various responsibilities, and the Committee is charged with periodically reviewing the charter. The Committee’s membership is determined by the Board and is composed entirely of independent directors. In addition, the Committee has the authority to engage the services of outside advisors, experts and others, including independent compensation consultants who do not advise the Company, to assist the Committee. Mr. Marshall has served as Chairman of the Compensation Committee since April 28, 2006. Mr. Cox also serves on the Compensation Committee. The Compensation Committee met once during the year ended December 31, 2014.

The Compensation Committee believes that the compensation programs for the Company’s executive officers should reflect the Company’s performance, support the short- and long-term strategic goals and values of the Company, reward individual contribution to the Company’s success and align the interests of the Company’s executive officers

with the interests of the Company's stockholders. The Company is engaged in a very competitive industry, and the Company's success depends upon its ability to attract and retain qualified executives through the competitive compensation packages it offers to such individuals. To that end, it is the view of the Board that the total compensation program for executive officers should consist of all or most of the following components:

- base salary
- Bonus
- equity-based compensation

The Committee does not rely solely on predetermined formulas or a limited set of criteria when it evaluates the performance of the Company's chief executive officer and the Company's other executive officers. Typically, our Chief Executive Officer makes compensation recommendations to the Committee with respect to the compensation of our officers, and the Committee may accept or adjust such recommendations in its discretion. In 2013, the Committee considered management's continuing achievement of its short- and long-term goals versus its strategic imperatives and re-evaluated the executive officer compensation.

Chief Executive Officer Compensation

On April 30, 2007, the Company entered into an employment agreement with Mr. Calvert, pursuant to which, since that time and throughout 2014, Mr. Calvert has served as the President and Chief Executive Officer. On December 28, 2012, we and Mr. Calvert amended his employment agreement such that his salary will remain at \$288,603, the level paid in April 2012, with no further automatic increases, his agreement would automatically renew for one year periods on April 30th of each year, but may be terminated "without cause" at any time upon 120 days' notice, and upon such termination he would not receive the severance originally provided for. All other terms in the 2007 agreement remain the same. Other provisions of Mr. Calvert's Employment Agreement are discussed elsewhere in this Proxy Statement. See "EXECUTIVE COMPENSATION – Employment Agreements – *Dennis P. Calvert*" above.

Chief Science Officer Compensation

On April 30, 2007, the Company entered an employment agreement with Mr. Code, pursuant to which, since that time and throughout 2013, Mr. Code has served as the Company's Chief Science Officer. On December 28, 2012, we and Mr. Code amended his employment agreement such that his salary will remain at \$288,603, the level paid in April 2012, with no further automatic increases, his agreement would automatically renew for one year periods on April 30th of each year, but may be terminated "without cause" at any time upon 120 days' notice, and upon such termination he would not receive the severance originally provided for. All other terms in the 2007 agreement remain the same. Other provisions of Mr. Code's employment agreement are discussed elsewhere in this Proxy Statement. See "EXECUTIVE COMPENSATION – Employment Agreements – *Kenneth R. Code*" above.

Other Executive Compensation

On February 1, 2008, the Company entered into an agreement with Mr. Dargan for his services as the Company's Chief Financial Officer. This agreement's initial term of one year has been extended each year, and Mr. Dargan served in such role pursuant to the agreement during 2014. See "EXECUTIVE COMPENSATION – Employment Agreements – *Charles K. Dargan, II*" above.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code disallows a tax deduction to publicly-held companies for compensation paid to certain of their executive officers, to the extent that compensation exceeds \$1 million per covered officer in any fiscal year. The limitation applies only to compensation which is not considered to be performance based. Non-performance based compensation paid to the Company's executive officers for the 2013 fiscal year did not exceed the \$1 million limit per officer, and the Compensation Committee does not anticipate that the non-performance based compensation to be paid to the Company's executive officers for the 2015 fiscal year will exceed that limit. Because it is unlikely that the cash non-performance based compensation payable to any of the Company's executive officers in the foreseeable future will approach the \$1 million limit, the Compensation Committee has decided at this time not to take any action to limit or restructure the elements of cash compensation payable to the Company's executive officers. The Compensation Committee will reconsider this decision should the individual cash non-performance based compensation of any executive officer ever approach the \$1 million level.

MATTER II

ADVISORY APPROVAL OF THE COMPANY'S EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Securities Exchange Act of 1934, we are requesting your advisory approval of the compensation of our named executive officers as disclosed in the “Executive Compensation” discussion and analysis, the compensation tables, and the narrative discussion set forth in this Proxy Statement. This non-binding advisory vote is commonly referred to as a “say on pay” vote. The next non-binding advisory vote on executive compensation will occur at our 2016 Annual Meeting of Stockholders. While this vote is advisory, and not binding on our company, it will provide information to our Compensation Committee (“Compensation Committee”) and management regarding investor sentiment about our executive compensation philosophy, policies and practices, which the Compensation Committee will consider when evaluating compensation for the remainder of 2015 and determining executive compensation for future years.

As described more fully in the Compensation Discussion and Analysis portion of this proxy, our executive compensation program has been designed to attract, motivate and retain individuals with the skills needed to formulate, implement and execute strategy to further the creation of stockholder value. In 2012, we amended the compensation arrangements with our two most highly compensated officers to freeze their salaries to April 2012 levels, remove potentially lucrative severance packages, and allow for their termination upon 120 days’ notice.

We encourage you to carefully review the “Executive Compensation” discussion beginning on page 9 of this Proxy Statement for additional details on our executive compensation, including our compensation philosophy and objectives, as well as the processes our Compensation Committee used to determine the structure and amounts of the compensation of our named executive officers.

We are asking you to indicate your support for the compensation of our named executive officers as described in this Proxy Statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, we are asking you to vote “FOR” the approval, on an advisory basis, of the following resolution at the Annual Meeting:

“RESOLVED, that the compensation paid to BioLargo, Inc.’s named executive officers, as disclosed pursuant to the Securities and Exchange Commission's compensation disclosure rules, including the “Executive Compensation” discussion and analysis, the compensation tables and the narrative discussion set forth in the Proxy Statement, is hereby approved.”

While the results of this advisory approval are not binding, the Compensation Committee will consider the outcome of the vote in deciding whether to take any action as a result of the vote and when making future compensation decisions for named executive officers.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

MATTER III

RATIFICATION OF SELECTION OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Haskell & White LLP audited our financial statements for the years ended December 31, 2013 and 2014. Our Audit Committee has again selected Haskell & White LLP as our independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2015. Haskell & White LLP has represented to us that it is independent with respect to the Company within the meaning of the published rules and regulations of the SEC.

Although ratification by stockholders is not required by law, the Board of Directors has determined that it is desirable to request ratification of this selection by the stockholders. Notwithstanding its selection, the Audit Committee of the Board of Directors, in its discretion, may appoint a new independent registered public accounting firm at any time during the year if the Board of Directors believes that such a change would be in the best interest of BioLargo and its stockholders. If the stockholders do not ratify the appointment of Haskell & White LLP, the Audit Committee of the Board of Directors may reconsider its selection.

The Board of Directors expects that representatives of Haskell & White LLP will be present at the Annual Meeting to respond to appropriate questions and to make a statement if they so desire.

Vote Required

If a quorum is present, the affirmative vote of a majority of the shares present and entitled to vote at the Annual Meeting will be required to ratify the appointment of Haskell & White LLP as our independent registered public accounting firm. Abstentions will have the effect of a vote “against” the ratification of Haskell & White LLP as our independent registered public accounting firm. Broker non-votes will have no effect on the outcome of the vote.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE RATIFICATION OF HASKELL & WHITE LLP AS OUR INDEPENDENT PUBLIC ACCOUNTING FIRM FOR THE 2015 FISCAL YEAR.

Principal Accountant Fees and Services

The following table summarizes the fees billed by Haskell & White, LLP, our principal accountant engaged to audit our financial statements for the years ended December 31, 2013 and 2014, for professional services rendered to the Company and its subsidiaries during 2013 and 2014.

Type of Fee	Amount Billed	
	Fiscal Year	Fiscal Year
	2013	2014
Audit Fees(1)	\$64,105	\$63,000
Audit-Related(2)	—	—
Total	\$64,105	\$63,000

This category consists of fees for the audit of our annual financial statements included in our annual report on Form 10-K and review of the financial statements included in the Company's quarterly reports on Form 10-Q. This (1) category also includes advice on audit and accounting matters that arose during, or as a result of, the audit or the review of interim financial statements, statutory audits required by non-U.S. jurisdictions and the preparation of an annual "management letter" on internal control matters.

Represents services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements for those fiscal years, aggregate fees charged for assurance and related services (2) that are reasonably related to the performance of the audit and are not reported as audit fees. These services include consultations regarding Sarbanes-Oxley Act requirements, various SEC filings and the implementation of new accounting requirements.

REPORT OF AUDIT COMMITTEE

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any of our other filings under the Securities Act or the Exchange Act, except to the extent that we specifically incorporate this report by reference therein, and shall not be deemed to be soliciting material or otherwise deemed filed under either such Act.

The Audit Committee is currently comprised of two independent directors, both of whom are independent under the rules of the SEC and Nasdaq. Mr. Marshall serves as Chairman of the Audit Committee. Mr. Cox also serves on the Audit Committee. The Board has determined that Mr. Marshall qualifies as an “audit committee financial expert” as defined in Item 401(h) of Regulation S-K of the Securities Exchange Act of 1934, as amended. The duties and responsibilities of a member of the Audit Committee are in addition to his or her duties as a member of the Board. The Audit Committee operates under a written charter, a copy of which is available on our corporate website, www.biolargo.com. The Audit Committee met five times during 2014.

The Audit Committee’s primary duties and responsibilities are to:

engage the Company’s independent registered public accounting firm,

monitor the independent registered public accounting firm’s independence, qualifications and performance,

pre-approve all audit and non-audit services,

monitor the integrity of the Company’s financial reporting process and internal control systems,

provide an open avenue of communication among the independent registered public accounting firm, financial and senior management of the Company and the Board, and

monitor the Company’s compliance with legal and regulatory requirements, contingent liabilities, risk assessment and risk management.

Management is responsible for the Company’s internal controls and the financial reporting process. The Company’s independent registered public accounting firm is responsible for performing an independent audit of the Company’s consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight

Board and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In carrying out these responsibilities, the Audit Committee monitored the Company's operational effectiveness regarding the progress and completion of the implementation of the Company's internal controls.

In overseeing the preparation of the Company's financial statements, the Audit Committee met with the Company's Chief Financial Officer and management, and held meetings with the Company's independent registered public accounting firm, both in the presence of management and privately, to review and discuss all financial statements prior to their issuance, the overall scope and plans for the preparation of the financial statements and respective audit, and the evaluation of the Company's internal controls and significant accounting issues. Management advised the Audit Committee that all financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee discussed the statements with both management and the Company's independent registered public accounting firm. In accordance with Section 204 of the Sarbanes-Oxley Act of 2002 and the Public Company Accounting Oversight Board ("PCAOB") Audit Standard No. 16 (Communications with Audit Committees), the Audit Committee has discussed with the Company's independent registered public accounting firm all matters required to be discussed under the Sarbanes-Oxley Act and the foregoing standards. In addition, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm its independence.
