**Item 1.01 Entry into a Material Definitive Agreement.**

On April 3, 2017, Digital Power Corporation (the “Company”) entered into subscription agreements with seven investors (the “Direct Offering”) for the sale of 360,000 shares of Common Stock at \$0.75 per share and warrants to purchase 180,000 shares of common stock at \$0.90 per share for the cancellation of debt in the aggregate amount of \$270,000. The Company expects to close the Direct Offering on or about April 5, 2017.

The Direct Offering is being made pursuant to a prospectus filed with the Company’s existing shelf registration statement on Form S-3 (File No. 333-215834), which was filed with the Securities and Exchange Commission (the “Commission”) on January 31, 2017 and declared effective by the Commission on February 8, 2017, and the prospectus supplement dated April 3, 2017.

The Warrants entitle the holders to purchase, in the aggregate, up to 180,000 shares of Common Stock at an exercise price of \$0.90 per share for a period of five years. The Warrants are exercisable upon the six month anniversary of the issuance date. The exercise price of the Warrants is subject to adjustment for stock splits, stock dividends, combinations or similar events. The Warrants may be exercised for cash or on a cashless basis if an effective registration statement is not available.

The Subscription Agreement contains customary representations, warranties and agreements by the Company and the investor signatories thereto, including closing conditions.

A copy of the opinion of Weintraub Tobin relating to the legality of the issuance and sale of the shares in the Direct Offering is attached as Exhibit 5.1 hereto. A copy of the form of Subscription Agreement and Warrant are filed herewith as Exhibits 10.1 and 4.1 are incorporated herein by reference. The foregoing descriptions of the Direct Offering by the Company and the documentation related thereto, including the form of the Subscription Agreement and Warrants do not purport to be complete and are qualified in its entirety by reference to such Exhibits.

The shares of Common Stock will be issued pursuant to the Company's previously filed and effective Registration Statement on Form S-3 (File No. 333-215834), the base prospectus dated February 8, 2017, filed as part of such Registration Statement, and the prospectus supplement dated March 3, 2017, filed by the Company with the SEC. This Report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy Shares, nor shall there be any sale of the Shares, in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
