Item 1.01. Entry into a Material Definitive Agreement

On November 7, 2018, BioTime, Inc. ("BioTime"), Asterias Biotherapeutics, Inc. ("Asterias") and Patrick Merger Sub, Inc., a newly formed wholly owned subsidiary of BioTime ("Merger Sub") entered into an Agreement and Plan of Merger (the "Merger Agreement"), pursuant to which Merger Sub will merge with and into Asterias (the "Merger") with Asterias as the surviving entity.

Merger Agreement

Pursuant to the terms of the Merger Agreement, at the effective time of the Merger (the "Effective Time"), by virtue of the Merger and without any action on the part of any Asterias stockholder, each share of common stock of Asterias, par value \$0.0001 per share ("Asterias Common Stock"), will be converted into the right to receive 0.71 voting common shares of BioTime (the "Exchange Ratio"), no par value per share ("BioTime Common Shares"). Outstanding options to purchase shares of Asterias Common Stock pursuant to Asterias' Amended and Restated 2013 Equity Incentive Plan will be cancelled and extinguished for no consideration and shall cease to exist after the Effective Time. Outstanding shares of Asterias Common Stock underlying Asterias restricted stock units pursuant to Asterias' Amended and Restated 2013 Equity Incentive Plan shall vest in full immediately prior to the Effective Time and will be cancelled and converted into the right to receive the Exchange Ratio in respect of each share of Asterias Common Stock underlying each Asterias restricted stock unit.

As of November 7, 2018, BioTime owned approximately 40% of outstanding Asterias Common Stock. Previously, Asterias was a majority-owned consolidated subsidiary of BioTime until May 2016 when BioTime deconsolidated Asterias financial statements and results of operations from those of BioTime under applicable generally accepted accounting principles due to the decrease in BioTime's percentage ownership in Asterias from 57.1% to 48.7% following a sale of common stock by Asterias in a public offering.

The Exchange Ratio was determined as a result of negotiations between a special committee of independent directors of the board of directors of Asterias and a special committee of independent directors of the board of directors of BioTime, with the assistance of separate financial and legal advisors to each special committee. The Merger Agreement, the Merger and the other transactions contemplated in the Merger Agreement have been recommended by the Asterias special committee and the BioTime special committee and unanimously approved by the respective disinterested members of the board of directors of Asterias and BioTime.

Pursuant to the terms of a "go-shop" provision in the Merger Agreement, between the date of the Merger Agreement and December 3, 2018 (the "Go-Shop Period"), Asterias and its representatives may solicit, discuss and negotiate alternative proposals from third parties for the acquisition of Asterias.

Following the expiration of the Go-Shop Period, Asterias will become subject to customary “no shop” restrictions on its and its representatives’ ability to solicit, discuss and negotiate alternative acquisition proposals from third parties (other than certain third parties that submit qualifying proposals during the Go-Shop Period for a limited time period), subject to exceptions for acquisition proposals that the Asterias board of directors and the Asterias special committee have determined constitutes or is reasonably expected to constitute a Superior Proposal (as defined in the Merger Agreement).

Each of Asterias and BioTime has made certain covenants in the Merger Agreement, including, among others: (a) to conduct their respective businesses in the ordinary course consistent with past practice during the interim period between the execution of the Merger Agreement and the consummation of the Merger; (b) not to engage in certain kinds of transactions during such period; (c) to convene and hold meetings of the stockholders and shareholders, respectively, of each of Asterias and BioTime to approve the transaction; and (d) that, subject to certain exceptions, the Boards of Directors of Asterias and BioTime will each recommend that their respective stockholders and shareholders approve the transaction. Pursuant to the Merger Agreement, Don M. Bailey, the Chairman of the Board of Asterias, will join the BioTime Board of Directors and Michael H. Mulroy, the President and Chief Executive Officer of Asterias, will remain on the Board of Directors of BioTime. Mr. Mulroy has served on the Board of Directors of BioTime since October 2014.

Consummation of the Merger is subject to certain conditions, including (a) the adoption of the Merger Agreement by the stockholders of Asterias and the approval by the shareholders of BioTime of the issuance of BioTime Common Shares; (b) absence of any applicable restraining order or injunction prohibiting the Merger; (c) the effectiveness of a registration statement on Form S-4; (d) the absence of material adverse effect with respect to each of Asterias and BioTime; (e) the accuracy of the representations and warranties of each party, subject to specified materiality thresholds; and (f) performance in all material respects by each party of its obligations under the Merger Agreement. The Merger Agreement also contains customary termination provisions and provides that, upon termination of the Merger Agreement, under specified circumstances, including termination by Asterias to enter into a Superior Proposal, Asterias or BioTime, as applicable, would be required to pay the other party a termination fee of \$2,000,000 if the merger is not consummated or, under specified circumstances, expense reimbursement of up to \$1,500,000, which will be credited against the termination fee.

The foregoing description of the Merger Agreement is only a summary, does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, a copy of which is filed as Exhibit 2.1 to this Current Report on Form 8-K (this “Current Report”) and incorporated herein by reference. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of the Merger Agreement and as of specified dates, were solely for the benefit of the parties to the Merger Agreement, and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the Merger Agreement. The representations and warranties have been made for the purpose of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties which are different from “materiality” as defined under applicable securities laws. Investors should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of BioTime, Asterias or Merger Sub. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the Effective Time, which subsequent information may or may not be fully reflected in public disclosures.

Item 8.01. Other Events.
