- (1) Each phantom unit represents the right to receive between one and three common units of the Issuer upon vesting.
- Represents the target number of common units that may be issued. The actual number of common units issuable upon vesting can range from 100% to 300% of this target and will be determined by multiplying the target award by the quotient of the fair market value of a common unit on the vesting date divided by \$16.50 and rounded to two significant figures. Upon vesting, the phantom units may be settled in common units of the Issuer or cash at the discretion of the Issuer.
- (3) The phantom units will generally vest, subject to the Reporting Person's continued service through such date, on the earlier of a change in control transactions or November 20, 2022.
