ITEM 8.01. OTHER EVENTS.

PolyOne Corporation (“PolyOne” or the “Company”) is retrospectively revising its historical financial statements to account for discontinued operations in connection with the Accounting Standards Codification (ASC) 205-20, “Presentation of Financial Statements - Discontinued Operations”, and our resegmentation in accordance with ASC 280-10-50 “Segment Reporting.” As previously disclosed, on May 30, 2013, PolyOne completed its divestiture of its vinyl dispersion, blending and suspension resin business (the “Resin Business”) pursuant to the Asset Purchase Agreement (the “Agreement”), by and between PolyOne and Mexichem Specialty Resins Inc. (“Mexichem”), a Delaware corporation and wholly owned subsidiary of Mexichem, S.A.B. de C.V., dated March 25, 2013. Pursuant to the Agreement, Mexichem paid PolyOne the purchase price of \$250.0 million, subject to a working capital adjustment.

As a result of the sale, PolyOne classified the operations of the Resin Business as a discontinued operation and revised its Global Color, Additives and Inks and Performance Products and Solutions reportable segments. In compliance with ASC 205-20, PolyOne has reported revenue, expenses, assets and liabilities associated with the Resin Business as a discontinued operation and held-for-sale for each of the periods presented in its Quarterly Reports on Form 10-Q for the quarterly periods ended March 31, 2013 and June 30, 2013. The Resin Business also has been removed from the Performance Products and Solutions segment. Additionally, PolyOne's Specialty Coatings business, which was previously included in the Performance Products and Solutions segment, is now included within the Global Color, Additives and Inks segment.

This exhibit to the company's Current Report on Form 8-K updates the following items in the Company's Annual Report on Form 10-K for the year ended December 31, 2012 (the “Form 10-K”) to reflect retrospectively the changes resulting from discontinued operations and resegmentation discussed above for all periods presented.
