PROXY STATEMENT

GENERAL INFORMATION

Information About Proxy Solicitation

This proxy statement is being furnished to holders of shares as of the record date of the common stock, \$0.01 par value per share, of Aceto Corporation, a New York corporation (the “Company”), in connection with the Company’s annual meeting to be held on Thursday, December 4, 2014 at 10:00 a.m., Eastern Standard Time, at the Company’s offices, 4 Tri Harbor Court, Port Washington, New York. As used in this proxy statement, “Aceto,” “we,” “us,” and “our” refer to the Company. We made this proxy statement available to you because our Board is soliciting your proxy to vote your shares at the annual meeting and at any adjournment. This proxy statement summarizes information that we are required to provide to you under the rules of the United States Securities and Exchange Commission (the “SEC”) and the NASDAQ Global Select Market, which information is designed to assist you in voting your shares. The purposes of the meeting and the matters to be acted on are stated in the accompanying notice of annual meeting of shareholders. At present, the Board knows of no other business that will come before the meeting.

This solicitation is made by the Company. We will bear the cost of soliciting proxies, including preparation, assembly, printing and mailing of the Proxy Statement. Proxies are being solicited by and on behalf of the Board. In addition to the use of the mails, proxies may be solicited by personal interview, telephone, telegram, facsimile and advertisement in periodicals and postings, in each case by our directors, officers and employees without additional compensation. Brokerage houses, nominees, fiduciaries and other custodians will be requested to forward solicitation materials to beneficial owners and will be reimbursed for their reasonable expenses incurred in so doing.

Information About Voting

Q: Why am I receiving these materials?

A: The Board has made these proxy materials available to you on the Internet or, upon your request, has delivered printed proxy materials to you, in connection with the Company’s annual meeting of shareholders, which will take place on December 4, 2014. As a shareholder, you are invited to attend the annual meeting and to vote on the items of business described in this proxy statement.

Q: What information is contained in these materials?

A: The information included in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, the compensation of directors and the most highly paid executive officers, and certain other required information. A copy of our Annual Report on Form 10-K for the fiscal year ended June 30, 2014 (the “Form 10-K”) is also included as part of the proxy materials.

Q: Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

A: In accordance with the “notice and access” rules adopted by the Securities and Exchange Commission (the “SEC”), we may furnish proxy materials, including this proxy statement and our Form 10-K to our shareholders by providing access to such documents on the Internet instead of mailing printed copies. Most shareholders will not receive printed copies of the proxy materials unless they request them. Instead, the Notice, which was mailed to most of our shareholders, will instruct you as to how you may access and review all of the proxy materials on the Internet. The Notice also instructs you as to how you may access and submit your proxy. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials in the Notice.

Q: How do I get electronic access to the proxy materials?

A: The Notice will provide you with instructions regarding how to access the Notice of Annual Meeting, this Proxy Statement, your proxy and Form 10-K. The proxy materials will be available on the Internet starting on October 17, 2014, as described in the Notice. You will not receive a printed copy of these proxy materials unless you request them in accordance with the instructions provided in the Notice.

Q: What items of business will be voted on at the annual meeting?

A: The following matters will be voted on at the annual meeting:

to elect seven directors to the Board to hold office for the following year and until their successors are elected;

to hold an advisory vote on executive compensation;

to ratify the appointment of BDO USA, LLP as the Company's independent registered public accounting firm for our fiscal year ending June 30, 2015; and

to transact any other business that may properly come before the meeting or any adjournment thereof.

Q: How does the Company's board of directors recommend that I vote?

A: The Board recommends that you vote:

FOR each of the nominees to the Board;

FOR approval, on a non-binding basis, of the Company's compensation of our named executive officers as described in the Compensation Discussion and Analysis section and the accompanying compensation tables and narrative disclosures contained in this proxy statement;

FOR the ratification of the appointment of the Company's independent registered public accounting firm.

Q: What shares can I vote?

A: You may vote all shares owned by you as of the close of business on October 7, 2014, the record date. These shares include: (1) shares held directly in your name as a shareholder of record; and (2) shares held for you, as the beneficial owner, through a broker or other nominee, such as a bank.

Q: Can I vote my shares by filling out and returning the Notice?

A: No. The Notice identifies the items to be voted on at the Annual Meeting, but you cannot vote by marking the Notice and returning it. The Notice provides instructions on how to vote by (i) Internet, (ii) requesting and returning a paper proxy card or voting instruction card, or (iii) submitting a ballot in person at the meeting.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Most shareholders of the Company hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

If your shares are registered directly in your name with the Company's transfer agent, American Stock Transfer & Trust Company, LLC, you are considered, with respect to those shares, the shareholder of record and the Notice is being sent directly to you by the Company. As the shareholder of record, you have the right to grant your proxy directly to the Board or to vote in person at the meeting.

If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in "street name," and the Notice is being forwarded to you by your broker or nominee. As the beneficial owner, you have the right to direct your broker or nominee how to vote and are also invited to attend the annual meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the meeting unless you obtain a "legal proxy" from the broker or nominee that holds your shares, giving you the right to vote the shares. If you do not provide voting instructions to your broker or nominee, your votes will be treated as a "broker non-vote."

Q: What is a "broker non-vote"?

A: Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the beneficial holders at least ten days before the meeting. If that happens, the nominees may vote those shares only on matters deemed "routine" by the New York Stock Exchange, such as the ratification of our independent accounting firm. Nominees cannot vote on non-routine matters unless they receive voting instructions from beneficial holders, resulting in so-called "broker non-votes."

Q: How can I attend the annual meeting?

A: You are entitled to attend the annual meeting only if you were a shareholder of the Company or joint holder as of the close of business on October 7, 2014, or you hold a valid proxy for the annual meeting. You should be prepared to present photo identification for admittance. If you are not a record holder but hold shares through a broker or nominee (that is, in "street name"), you should provide proof of beneficial ownership on the record date, such as your most recent account statement prior to October 7, 2014, a copy of the voting instruction card provided by your broker or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the other procedures outlined above upon request, you will not be admitted to the annual meeting. The annual meeting will begin promptly at 10:00 a.m. Eastern Standard Time. Check-in will begin at 9:00 a.m., and you should allow ample time for the check-in procedures.

Q: How can I vote my shares in person at the annual meeting?

A: You may vote in person at the annual meeting any shares that you hold as the shareholder of record. You may only vote in person shares held in street name if you obtain from the broker or nominee that holds your shares a "legal proxy" giving you the right to vote the shares.

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may without attending the meeting direct how your shares are to be voted. If you are a shareholder of record, you may vote by granting a proxy. If you hold shares in street name, you may vote by submitting voting instructions to your broker or nominee.

Q: Can I change my vote?

A: You may change your vote at any time prior to the vote at the annual meeting. For shares held directly in your name, you may accomplish this by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by revoking your proxy or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically revoke your proxy or vote at the annual meeting. For shares you hold beneficially, you may change your vote by submitting new voting instructions to your broker or nominee or, if you have obtained a “legal proxy” from your broker or nominee giving you the right to vote your shares, by attending the meeting and voting in person. You may also revoke your proxy by sending a written notice of revocation to Mr. Steven Rogers, General Counsel and Secretary, Aceto Corporation, 4 Tri Harbor Court, Port Washington, New York 11050.

Q: Who can help answer my questions?

A: If you have any questions about the annual meeting or how to vote or revoke your proxy, you should contact Mr. Steven Rogers, General Counsel and Secretary, by mail to Aceto Corporation, 4 Tri Harbor Court, Port Washington, New York 11050 or by phone at 516-627-6000. Also, if you need additional copies of this proxy statement or voting materials, you should contact Mr. Rogers.

Q: How are votes counted?

A: In the election of directors, you may vote FOR all of the seven nominees or you may direct your vote to be WITHHELD with respect to one or more of the seven nominees. In the advisory vote on executive compensation, you may vote FOR, AGAINST, or you may ABSTAIN from voting with respect to the approval of the compensation of the named executive officers as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables and any related material disclosed in this proxy statement. In the ratification of the Company’s independent registered public accounting firm, you may vote FOR ratification, AGAINST ratification or you may ABSTAIN from voting with respect to ratification. If you provide specific instructions, your shares will be voted as you instruct. If you sign your proxy card or voting instruction card or vote over the Internet with no further instructions, your shares will be voted in accordance with the recommendations of the Board FOR all of the Company’s nominees, FOR approval of the compensation of the named executive officers as described above, FOR ratification of the Company’s independent registered public accounting firm and, in the discretion of the proxy holders, and on any other matters that properly come before the meeting. If any other matters properly arise at the meeting, your proxy, together with the other proxies received, will be voted at the discretion of the proxy holders.

Q: What is a quorum and why is it necessary?

A: Conducting business at the meeting requires a quorum. The presence, either in person or by proxy, of the holders of one-third of the Company’s shares of common stock outstanding on October 7, 2014 is necessary to constitute a quorum. For the purposes of determining a quorum, shares held by brokers or nominees for whom we receive a signed or electronically transmitted proxy will be treated as present even if the broker or nominee does not have discretionary power to vote on a particular matter, or if instructions were never received from the beneficial owner. These shares are called “broker non-votes.” Abstentions will be counted as present for quorum purposes.

Q: What is the voting requirement to approve each of the proposals?

A: In the election of directors, the seven persons receiving the highest number of FOR votes at the annual meeting will be elected. Accordingly, votes withheld and broker non-votes do not have the effect of a vote for or against the election of any nominee. You do not have the right to cumulate your votes. For the advisory vote on executive compensation, for the ratification of the appointment of the Company's independent registered public accounting firm for our fiscal year ending June 30, 2015 and any other matters that might properly arise at the meeting, the affirmative "FOR" vote of a majority of the total votes cast on the proposal is required for approval. Accordingly, abstentions will have no effect on the advisory vote on executive compensation, or on the ratification of the appointment of the Company's independent registered public accounting firm and broker non-votes will have no effect on the advisory vote on executive compensation. A list of shareholders entitled to vote at the annual meeting will be available at the annual meeting for examination by any shareholder.

Q: What should I do if I receive more than one Notice?

A: You may receive more than one Notice if you are a shareholder of record and hold in a brokerage account, hold your shares in more than one brokerage account, or if you are a shareholder of record and your shares are registered in more than one name. Please complete and return a proxy card or voting instruction card for each Notice that you receive.

Q: Where can I find the voting results of the annual meeting?

A: Voting results will be announced at the annual meeting and are expected to be posted shortly after the meeting on our website at www.aceto.com. Voting results will also be reported in a Current Report on Form 8-K, which is expected to be filed with the SEC within four business days after the meeting.

Q: What are the dissenters' rights of appraisal?

A: Pursuant to the applicable provisions of the Business Corporation Law of the State of New York, there are no dissenters' rights of appraisal provided to the Company's shareholders in connection with the proposals described in this proxy statement.

Q: What happens if additional matters are presented at the annual meeting?

A: Other than the three items of business described in this proxy statement, we are not aware of any other business to be acted upon at the annual meeting. However, if you grant a proxy, the persons named as proxy holders, Salvatore Guccione, the Company's President and Chief Executive Officer and Douglas Roth, the Company's Chief Financial Officer and Assistant Secretary, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for any one or more other candidates nominated by the Board.

Q: What shares are entitled to be voted?

A: Each share of the Company's common stock issued and outstanding as of the close of business on October 7, 2014, the record date, is entitled to be voted on all items being voted on at the annual meeting, with each share being entitled to one vote. On the record date, 29,067,725 shares of the Company's common stock were issued and outstanding.

Q: Who will count the votes?

A: One or more inspectors of election will tabulate the votes.

Q: Is my vote confidential?

A: Proxy instructions, ballots, and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed, either within the Company or to anyone else, except: (1) as necessary to meet applicable legal requirements; (2) to allow for the tabulation of votes and certification of the vote; or (3) to facilitate a successful proxy solicitation.

Q: Who will bear the cost of soliciting votes for the annual meeting?

A: The Company is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. Certain of our directors, officers and employees, without any additional compensation, may also solicit your vote in person, by telephone or by electronic communication. On request, we will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to shareholders.

Q: May I propose actions for consideration at next year's annual meeting of shareholders?

A: You may submit proposals for consideration at future shareholder meetings. However, in order for a shareholder proposal to be considered for inclusion in the Company's proxy statement for the annual meeting next year, the written proposal must be received by the Secretary of the Company no later than June 18, 2015. Such proposals also will need to comply with SEC regulations under Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the "Exchange Act") regarding the inclusion of shareholder proposals in company-sponsored proxy materials.

No director or executive officer of the Company is related to any other director or executive officer. None of the Company's officers or directors holds any directorships in any other public company. A majority of our board

members are independent based on the definition of independence in Listing Rule 5605(a)(2) of The NASDAQ Stock Market.

Set forth below is the principal occupation and employment of the nominees, the business experience of each for at least the past five years and certain other information relating to the nominees.

Albert L. Eilender. Mr. Eilender has been the Chairman of the Board since October 2009. He joined the Board in 2000, was the lead independent director from 2005 to September 2009 and served as Chief Executive Officer of the Company from September 2010 to January 2013. He is the sole owner of Waterways Advisory Services, a firm specializing in advising companies on developing and evaluating options relative to mergers, acquisitions and strategic partnerships in the chemical industry. Mr. Eilender has not been active in the operations of this enterprise since October 2009. He has more than 35 years of diverse senior level experience in the specialty chemicals and pharmaceutical industry and has had direct financial responsibility, with significant experience in mergers, acquisitions and joint ventures, both domestically and internationally. He has also served on the boards of numerous industry trade associations during his career. We believe that Mr. Eilender's past 25 years of industry experience in executive management for operations within all three segments of Aceto's business, as well as operations in North America, Europe and Asia, coupled with his experience in the areas of business consultation and mergers and acquisitions, and his service on the Board since 2000, give him the qualifications and skills to serve as one of our directors. In addition, as a director of Aceto he has demonstrated leadership within the Board and the ability to work effectively with management to create unity of effort.

Salvatore Guccione. Mr. Guccione is the Chief Executive Officer, President and Chief Operating Officer of Aceto. Mr. Guccione joined Aceto's Board in May 2011 and in December 2011 was appointed President and Chief Operating Officer of the Company. In January 2013 he was also appointed Chief Executive Officer. Mr. Guccione was formerly an Operating Partner at Arsenal Capital Partners, a private equity investment firm based in New York. Prior to that, Mr. Guccione was the Chief Executive Officer and the Chief Financial Officer of WIL Research Laboratories from 2006 to 2009 and the Chief Financial Officer of International Specialty Products from 2004 to 2005. In addition, Mr. Guccione held various positions at Cambrex Corporation from 1995 to 2004, including Executive Vice President, Strategy and Chief Financial Officer. From 1987 to 1995, Mr. Guccione held various positions at International Specialty Products, including Vice President and General Manager, Personal Care and Director, Corporate Development. Mr. Guccione holds a Bachelor degree in Chemical Engineering from Lehigh University and an MBA in Finance from New York University's Stern School of Business. Mr. Guccione previously served on the board of directors of ReSearch Pharmaceutical Services, Inc., a privately held company, from November 2011 to September 2013. In addition, Mr. Guccione previously served on the boards of Royal Adhesives & Sealants Holdings and DG3 Holdings from 2010 to October 2011. We believe that Mr. Guccione's twenty-seven years of investing and operating experience in the specialty chemicals and healthcare industries as well as his experience in planning, building and managing several specialty chemical and pharmaceutical/FDA-regulated businesses, active pharmaceutical ingredients, pharmaceutical research services and biotechnology products/services, gives him the qualifications and skills to serve as one of our directors.

Hans C. Noetzli. Mr. Noetzli is the former Chairman of Schweizerhall, Inc., a wholly owned subsidiary of Schweizerhall Holding AG, Basel, Switzerland. Mr. Noetzli holds a degree in Business Administration. He has more than 30 years of experience in the fine chemicals industry. Prior to his role as Chairman of Schweizerhall, Inc., he served in many executive functions of the Alusuisse-Lonza Group, among them as Chief Executive Officer of Lonza Inc. for 16 years and he was a member of the executive committee of the worldwide Alusuisse-Lonza Group located in Zurich, Switzerland. Mr. Noetzli also served on the Board of the Chemical Manufacturing Association, the Swiss-American Chamber of Commerce, New York, as well as other industry associations. Currently, he is the Chairman of the Audit Committee of the Board of IRIX Pharmaceuticals, Inc., a privately owned developer and manufacturer of active pharmaceutical ingredients. In addition, Mr. Noetzli was a member of the Board of Synthetech, Inc., a fine chemicals company specializing in organic synthesis, biocatalysis and chiral technologies, from 2004 through 2010. We believe that Mr. Noetzli's extensive experience in the fine chemicals industry, and executive-level experience, as well as the valuable business knowledge he brings regarding the issues facing a board of directors and his service on the Board of the Company since 2002, give him the qualifications and skills to serve as one of our

directors. In addition, his broad international experience, coupled with his fluency in 3 languages, adds to the diversity of the Board.

William N. Britton. Mr. Britton is the sole owner of TD AIM, LLC, through which he is involved in a variety of activities surrounding financial consulting and private equity investing. Mr. Britton is also a Vice Chairman of P and E Capital, Inc., a management company involved in real estate. Previously, Mr. Britton was a Senior Vice President with JP Morgan Chase. He has over 30 years of commercial lending experience ranging from large syndicated financings with Fortune 500 companies to privately owned businesses, with significant experience in private equity related transactions, asset based lending arrangements, leasing and many other forms of secured lending. Mr. Britton is a former member of the Northeast Advisory Council of Opera Solutions, a private firm engaged in consulting. Mr. Britton is a former Vice President-Finance for the Boy Scouts of America (Manhattan Council) and is on the board of the Rutgers Business School. We believe that Mr. Britton's finance and business consultation and executive-level management experience, as well as his service on the Board of the Company since 2006, give him the qualifications and skills to serve as one of our directors.

Natasha Giordano. Ms. Giordano served as the Chief Executive Officer and a member of the board of directors of Healthcare Corporation of America (“HCCA”) through August 2014. Prior to that Ms. Giordano served as the Chief Executive Officer, President and Director of Xanodyne Pharmaceuticals, Inc. a branded specialty pharmaceutical company from May 2010 to August 2012 and Chief Operating Officer since 2009. Prior to that, she served as President, Americas for Cegedim Dendrite (formerly Dendrite International Inc.) from 2007 to 2008 and as Senior Vice President of the Global Customer Business Unit of Cegedim Dendrite from 2004 to 2007. She had been with Cegedim Dendrite since 2000 and served as Group President for Global Business Unit for major customers, and Vice President of Global Sales. Earlier in her career, she worked nine years with Parke-Davis then owned by Warner Lambert in several sales and marketing positions including Strategic Alliance management and Sales Integration. Ms. Giordano holds a Bachelor of Science degree in nursing from Wagner College in New York. We believe that Ms. Giordano’s twenty plus years of senior leadership positions in the healthcare and pharmaceutical industry brings to our Board a vast amount of practical experience in general management, strategy, marketing, sales development, and compliance, which give her the qualifications and skills to serve as one of our directors.

Alan G. Levin. Mr. Levin served as Executive Vice President and Chief Financial Officer of Endo Health Solutions Inc. (Endo) from June 2009 until September 2013. Prior to joining Endo, Mr. Levin worked with Texas Pacific Group, a leading private equity firm, and one of their start-up investments. Before that, he was Senior Vice President & Chief Financial Officer of Pfizer, Inc. where he worked for 20 years in a variety of executive positions of increasing responsibility, including Treasurer and Senior Vice President of Finance & Strategic Management for the company’s research and development organization. INFORMATION ABOUT THE COMPANY'S COMMITTEES

Board Leadership Structure and Role in Risk Oversight

Since January 2, 2013, Salvatore Guccione has served as our Chief Executive Officer, President and Chief Operating Officer. As Chief Executive Officer, Mr. Guccione assumes leadership for all aspects of Aceto Corporation's operations. He concentrates on strategic issues, long range planning, acquisition activity and day-to-day operations. Albert L. Eilender, the Chairman of the Board, concentrates on strategic issues while continuing to coordinate the Board's agenda and investor relations. This structure is designed to sharpen the focus on all aspects of the Company's business. Hans C. Noetzli is currently our lead independent director. In that role, Mr. Noetzli serves as a liaison between the Chairman of the Board and the independent directors of the Board.

The Board has an active role, directly and through the Board's committee structure, in the oversight of the Company's risk management efforts. The audit & risk committee assists the Board in performing its oversight responsibilities relating to the Company's processes and policies with respect to identifying, monitoring, assessing, reporting on, managing and controlling the Company's business and financial risk. The committee oversees, reviews, monitors and assesses (including through regular reports by, and discussions with, management), the Company's processes and policies for risk identification, risk assessment, reporting on risk, risk management and risk control (including with respect to risks arising from the Company's compensation policies and practices and in connection with the business and operations of its subsidiaries), and the steps that management has taken to identify, assess, monitor, report on, manage and control risks. The committee also discusses with management the balancing of risk versus reward for the Company and areas of specific risk identified by management and/or the committee.

Audit & Risk Committee

The audit & risk committee is currently comprised of Richard P. Randall (Chairman), William N. Britton and Alan G. Levin. The current audit & risk committee Chairman, Richard Randall, is not standing for re-election. Following the shareholders election of directors at the annual meeting, the Board will determine the composition of the committee and the audit & risk committee will elect a chairperson from among its members. The audit & risk committee recommends to the Board the approval of the Company's independent registered public accounting firm and reviews management actions in matters relating to audit functions. The committee reviews with the Company's independent registered public accounting firm the scope and results of its audit engagement and the Company's system of internal controls and procedures. The committee also reviews the effectiveness of procedures intended to prevent violations of laws. The committee also reviews, prior to publication, our quarterly earnings releases and reports to the SEC on Form 10-K and Form 10-Q. The report of the audit & risk committee for fiscal year 2014 can be found below.

The audit & risk committee, consistent with the Sarbanes-Oxley Act of 2002 and the rules adopted thereunder, also meets with management and the auditors prior to the filing of officers' certifications with the SEC to request information concerning, among other things, significant deficiencies in the design or operation of internal controls, if any.

The audit & risk committee assists the Board in performing its oversight responsibilities relating to the Company's processes and policies with respect to identifying, monitoring, assessing, reporting on, managing and controlling the Company's business and financial risk. The audit & risk committee discusses with the Company's Senior Risk Officer, and other members of management responsible for managing risk, areas of specific risk identified by management and/or the Committee.

The Board has determined that all audit & risk committee members are independent under applicable SEC regulations, and based on the definition of independence in Listing Rule 5605(a)(2) of The NASDAQ Stock Market. Our Board has determined that Mr. Randall qualifies as an “audit committee financial expert” as that term is used in SEC regulations. The audit & risk committee operates under a formal charter that governs its duties and conduct and is published on the Company’s corporate website – www.aceto.com.

The audit & risk committee has adopted a Non-Retaliation Policy and a Complaint Monitoring Procedure to enable confidential and anonymous reporting regarding financial irregularities, if any.

Nominating and Governance Committee

The nominating and governance committee is currently comprised of William N. Britton (Chairman), Hans C. Noetzli and Natasha Giordano, each of whom is an “independent director” based on the definition of independence in Listing Rule 5605(a)(2) of The NASDAQ Stock Market. The nominating and governance committee addresses Board organizational issues and reviews the Company’s corporate governance framework. In addition, the nominating and governance committee searches for persons qualified to serve on the Board and monitors, assesses and makes recommendations to the Board annually with respect to the leadership structure of the Board. While the nominating and governance committee does not have a formal policy on diversity for members of the Board, the nominating and governance committee considers diversity of background, experience and qualifications in evaluating prospective Board members. The committee will evaluate the suitability of potential nominees for membership on the Board, taking into consideration the Board’s current composition, including expertise, diversity, and balance of inside, outside and independent directors, and considering the qualifications and criteria established by the Board. In considering director candidates, the nominating and governance committee and the Board endeavor to establish a diversity of background and experience in a number of areas of core competency, including business judgment, management, accounting and finance, knowledge of the industries in which the Company operates, strategic vision, knowledge of international markets, and other areas relevant to the Company’s business.

The nominating and governance committee operates under a formal charter that governs its duties and conduct and is published on the Company’s corporate website – www.aceto.com.

No person shall be eligible for election as a director of the Company, unless nominated in accordance with the procedures set forth herein and in our By-laws, as amended.

As described above, the Company's By-laws contain provisions which address the process by which a shareholder may nominate an individual to stand for election to the Board at the Company's annual meeting of shareholders. The nominating and governance committee will consider and vote on any recommendations so submitted. In considering any person recommended by a shareholder, the committee will look for the same qualifications that it looks for in any other person that is considered for a position on the Board.

Any shareholder nominee recommended by the nominating and governance committee and proposed by the Board for election at the next annual meeting of shareholders will be included in the company's proxy statement for that annual meeting.

Compensation Committee

The compensation committee is currently comprised of Natasha Giordano (Chairperson), Hans C. Noetzli, and Richard P. Randall, each of whom is an "independent director" based on the definition of independence in Listing Rule 5605(a)(2) of The NASDAQ Stock Market. Mr. Randall will not be standing for reelection. Effective September 2014, Dr. Yarosh became a member of the compensation committee. The compensation committee conducts reviews of the compensation of the directors, Chief Executive Officer and other senior executive officers of the Company including evaluating and making recommendations to the Board concerning those officers' benefits, bonus, incentive compensation, severance, equity-based compensation, and other forms of compensation provided by the Company. The compensation committee meets as it determines, but not less frequently than annually. The compensation committee may delegate a portion of its authority to a subcommittee or subcommittees. The compensation committee has the exclusive authority to retain any compensation consultants to be used to assist the committee in the evaluation and determination of the Company's compensation for its Chief Executive Officer, other senior executive officers and directors.

The compensation committee operates under a formal charter that governs its duties and conduct. The charter is published on the Company's corporate website – www.aceto.com.

Compensation Consultant Role

Our compensation committee engaged Hay Group, Inc. (Hay Group), an executive compensation consulting firm, during the fiscal year ended June 30, 2014 to conduct compensation benchmarking for certain executive officers, other than the named executive officers. In addition, during the fiscal year ended June 30, 2013 Hay Group reviewed the design of our annual and long-term incentive plans to ensure that existing plans were effectively aligned and supported the strategic direction of our business. Additionally, during fiscal 2012, Hay Group was engaged to establish a peer group for executive compensation benchmarking. Hay Group utilized this new peer group to assess the competitiveness of our named executive officers' total direct compensation levels, as well as preliminary analyses regarding pay-for-performance test related to The Dodd–Frank Wall Street Reform and Consumer Protection Act. The results of these studies also assisted the compensation committee in the evaluation of Mr. Eilender's compensation package as Chairman, effective January 2013, when Mr. Guccione took on the role of Chief Executive Officer. The compensation committee intends to continue to engage a compensation consulting firm to perform executive and director compensation studies not less frequently than every three years in furtherance of insuring appropriate compensation for these groups.

While Hay Group provided data and advice regarding our compensation practices, it is our compensation committee that exercises autonomy when formulating and presenting recommendations to our Board regarding our compensation practices for our named executive officers. Our compensation committee has assessed Hay Group's independence pursuant to applicable SEC rules and concluded that no conflict of interest exists that would prevent Hay Group from independently representing the compensation committee.

Management's Role in Establishing Our Executive Compensation

Our Chief Executive Officer plays an important role in assisting our compensation committee in establishing the compensation for our executive officers. Key aspects of this role include:

suggesting to the compensation committee business performance targets and objectives;

evaluating employee performance; and

recommending salary and bonus levels and long-term incentive compensation.

During this process, the compensation committee may ask our Chief Executive Officer, Chairman of the Board and other executive officers to provide guidance to the compensation committee regarding background information for our strategic objectives, an evaluation of the performance of our executive officers, and compensation recommendations as to the executive officers. Members of the compensation committee met informally with our Chief Executive Officer and Chairman of the Board throughout the year to discuss compensation matters and compensation policies in order to obtain insight regarding the day-to-day performance of each of our executive officers.

The compensation committee operates under a formal charter that governs its duties and conduct. The charter is published on the Company's corporate website – www.aceto.com.

Board and Committee Meetings

During the Company's fiscal year ended June 30, 2014, the Board held eight meetings and acted by unanimous written consent four times. Each director attended at least 75% of the board's meetings and 75% of the meetings of the board committees on which he or she served.

At most scheduled meetings of the Board, the independent members of the Board meet separately in executive session without management being present. A lead independent director elected by the independent directors is responsible for chairing such executive sessions. Currently, the lead independent director is Hans C. Noetzli.

During the Company's fiscal year ended June 30, 2014, the compensation committee met four times, the audit & risk committee met five times and the nominating and governance committee met nine times.

Director Attendance at Annual Meetings

Our directors are encouraged, but not required, to attend the annual meeting of shareholders. All of our directors, with the exception of Dr. Yarosh, who was not appointed to the board of directors until July 2014, attended the 2013 annual meeting of shareholders.

Communications by our Shareholders to the Board

The Board recommends that shareholders direct to the Company's secretary any communications intended for the Board. Shareholders can send communications by e-mail to srogers@aceto.com, by facsimile to (516) 627-6093, or by mail to Steven Rogers, Senior Vice President, General Counsel and Corporate Secretary, Aceto Corporation, 4 Tri Harbor Court, Port Washington, New York 11050.

This centralized process will assist the Board in reviewing and responding to shareholder communications in an appropriate manner. If a shareholder wishes to direct any communication to a specific board member, the name of that board member should be noted in the communication. The Board has instructed the secretary to forward shareholder correspondence only to the intended recipients, but the Board has also instructed the secretary to review all shareholder correspondence and, in his discretion, not forward any items that he deems to be of a commercial or frivolous nature or otherwise inappropriate for the Board's consideration. Any such items may be forwarded elsewhere in the Company for review and possible response. The Company has adopted a Non-Retaliation Policy, or a whistleblower policy, which establishes procedures for submitting these types of concerns, either personally or

anonymously through a toll free telephone “hotline” operated by an independent party. A copy of our Non-Retaliation Policy is available on our website at www.aceto.com.

CORPORATE GOVERNANCE

The Company operates within a comprehensive plan of corporate governance for the purpose of defining responsibilities, setting high standards of professional and personal conduct and assuring compliance with those responsibilities and standards. In July 2002, Congress passed the Sarbanes-Oxley Act of 2002 which, among other things, establishes, or provides the basis, for, a number of corporate governance standards and disclosure requirements. In addition, the NASDAQ Stock Market has corporate governance and listing requirements. The Board has initiated numerous actions consistent with these rules and will continue to monitor developments in the area of corporate governance regularly.

Code of Business Conduct and Ethics

The Company has adopted a Code of Business Conduct and Ethics for all Aceto directors and employees that includes provisions ranging from restrictions on gifts to conflicts of interest. Disclosure Committee

The Company has formed a disclosure committee, comprised of senior management, including senior financial personnel, to formalize processes to ensure accurate and timely disclosure in Aceto's periodic reports filed with the United States Securities and Exchange Commission and to implement certain disclosure controls and procedures. The disclosure committee operates under a formal charter that governs its duties and conduct. The charter is published on the Company's corporate website – www.aceto.com.

Based solely on a review of such reports provided to the Company and written representations from such persons regarding the necessity to file such reports, the Company is not aware of any failures to file reports or report transactions in a timely manner during the Company's fiscal year ended June 30, 2014 except for a late Form 4 for one transaction for Mr. Levin, an independent board member, that was filed eight business days late.

COMPENSATION DISCUSSION AND ANALYSIS

Executive Summary

The primary objective of our compensation program is to provide competitive compensation and benefit plans that enable us to attract, motivate and retain highly qualified, experienced executives and reward them for performance that creates long-term shareholder value. We strive to reward our named executive officers fairly and competitively through a properly balanced mix of base salary, short-term and long-term incentives, benefits, career growth and development opportunities. We believe this mix drives company performance and assists with employee retention. Although the weighting of our compensation for our named executive officers favors salary and annual incentive, the compensation committee will continue to strive to enhance our long-term incentive compensation portion of executive compensation. Historically, our compensation program has provided a strong balance of retention and ownership with a direct linkage to the Company's operating and shareholder performance.

Our named executive officers for our fiscal year ended June 30, 2014 were the following individuals:

Salvatore Guccione, President and Chief Executive Officer
Douglas Roth, Senior Vice President and Chief Financial Officer
Albert L. Eilender, Chairman
Frank DeBenedittis, Senior Vice President, Corporate Business Development
Satish Srinivasan, President and Chief Operating Officer of Rising

Our Compensation Philosophy and Objectives

Our executive compensation program is designed to attract, retain, and motivate superior executive talent and to align their interests with those of our shareholders and support our growth and profitability. Consistent with those purposes, our compensation philosophy embodies the following principles:

- the compensation program should reward the achievement of our strategic initiatives and short-term and long-term operating and financial goals, and provide disincentives for underperformance;

- compensation should reflect differences in position and responsibility;

compensation should be comprised of a mix of cash and equity-based compensation that aligns the short-term and long-term interests of our executives with those of our shareholders; and

the compensation program should be understandable and transparent.

In structuring a compensation program that implements these principles, we have developed the following objectives for our executive compensation program:

overall compensation levels should be competitive and should be set at levels necessary to attract and retain talented leaders and motivate them to achieve superior results;

a portion of total compensation should be contingent on, and variable with achievement of objective corporate performance goals;

total compensation should be higher for individuals with greater responsibility and greater ability to influence achievement of our operating and financial goals and strategic initiatives;

the number of different elements in our compensation program should be limited, and those elements should be effectively communicated to and understood by executives and shareholders; and

compensation should be set at levels that promote a sense of equity among all employees and appropriate stewardship of corporate resources, while giving due regard to our industry and any premiums that may be necessary in order to attract top talent at the executive level.

Consideration of Last Year's "Say on Pay" Advisory Vote

At last year's annual meeting of shareholders, we held an advisory shareholder vote on executive compensation. More than 97% of the shares that voted approved our executive compensation described in last year's proxy statement. The compensation committee viewed the results of this vote as a strong indication that the Company's shareholders support the compensation policies and practices of the Company. Accordingly, the results of this vote did not affect the Company's executive compensation decisions and policies for our named executive officers during the fiscal year ended June 30, 2014.

Elements of Our Executive Compensation

Our executive compensation program has historically been comprised of base salary, performance-based annual cash incentives, long-term equity incentive awards and fringe benefits. These elements of compensation have been supplemented by benefit plans to which the Company contributes, including our 401(k) plan and our supplemental executive retirement plan, as well as life insurance premiums paid by the Company for employee life insurance policies. We look to the experience and judgment of our compensation committee to determine what it believes to be the appropriate mix of the compensation for each executive. In allocating compensation among the various elements, the compensation committee considers many factors including market data, Company performance, individual performance, the impact of the executive's position on the Company, individual past performance, experience in the position, any anticipated increase in the individual's responsibilities, internal pay equity for comparable positions, and succession planning and retention strategies.

With the adoption of the Aceto Corporation 2010 Equity Participation Plan (the "2010 Plan") in December 2010, our long-term incentive compensation component has been increased for our named executive officers, making a larger portion of their annual total direct compensation dependent on long-term stock appreciation and long-term company financial and operating performance. We have concluded that shifting some executive compensation to long-term incentive compensation will further align our named executive officers' goals and interests with those of our shareholders and encourage long-term retention and operational and financial success.

During the reviews with Hay Group, our compensation committee compared the compensation we have paid in recent years to our Chief Executive Officer, Chief Financial Officer and other most highly compensated executive officers to our peer group. The peer group was created in fiscal 2012 and modified during fiscal 2013 to include more generic pharmaceutical companies to reflect the Company's strategic direction. Our peer group companies were: Albany Molecular Research Inc., American Vanguard Corp., Balchem Corp., Cambrex Corp., Hawkins Inc., Impax

Laboratories Inc., Innophos Holdings, Innospec Inc., Lawson Products, Myers Industries Inc., Prestige Brand Holdings, Quaker Chemical Corp., Rogers Corp., and Usana Health Sciences Inc. These studies were utilized for benchmarking Aceto's executive officers. The compensation committee's benchmarking criteria for these purposes included comparisons of executive base salary compensation, performance awards, long term incentive compensation, total cash compensation (base salary plus annual performance awards), and total direct compensation (total cash compensation plus long-term incentive compensation) of our peer group. The consultant provided the compensation committee with general information regarding these criteria.

Base Salary

We provide our named executive officers with base salary to provide them with a fixed base amount of compensation for services rendered during a fiscal year. We believe this is consistent with competitive practices and will help assure our retention of qualified leadership in those positions. We intend to maintain base salaries at competitive levels in the marketplace for comparable executive ability and experience, taking into consideration changes from time to time in the consumer price index and whether competitive adjustments are necessary to promote retention. Consideration also is given in each case to the historical results achieved by each executive and the Company during each executive's tenure, to whether each executive is enhancing the team oriented nature of the executive group, the potential of each executive to achieve future success, and the scope of responsibilities and experience of each executive. In addition, evaluations are made regarding the competencies of each named executive officer that are considered essential to our success.

The compensation committee evaluated the historical performance of our executive officers and considered the compensation levels and programs within the peer group before it made its fiscal 2014 compensation recommendations to the full board. Hay Group completed an assessment during fiscal 2014 that reviewed the compensation program for certain executive officers. Specifically, Hay Group's assessment addressed the competitiveness of Aceto's select executive officers' pay levels relative to the general industry and life science markets. The results of this assessment suggest that Aceto's target total direct compensation competitiveness generally balances the general industry and life science markets. The base salaries were generally below general industry median levels but considered within the competitive range. In addition, Aceto's long-term incentive opportunity for certain executive officers is the most competitive pay element. The compensation committee recommended and the Board approved increases in base salaries of our executive officers in average ranges of 3.5% to 5% for fiscal 2015.

Annual Performance Awards

We grant annual performance awards to encourage achievement of goals established for our short-term and long-term financial and operating results, and to reward our named executive officers for consistent performance in assisting us in achieving those goals. Pre-determined annual performance measures were utilized in connection with our current fiscal year ended June 30, 2014.

For our fiscal year ended June 30, 2014, the annual performance award criteria for 80% of the awards payable under our Executive Award Plan established by our compensation committee, and approved by the Board, were based upon results obtained with respect to the following three financial factors: (1) company sales; (2) company net income; and (3) company earnings per share, except that with respect to Mr. Srinivasan who oversees our Rising segment, the performance-based objective bonus criteria also included results obtained with respect to sales and adjusted pre-tax income for the Rising business segment. For Messrs. Guccione, Roth, Eilender and DeBenedittis, the financial factors were weighted at 15% for company sales, 35% for company net income, 30% for company earnings per share and the individual performance goals (which are subjective in nature) included 20% weighting. For Mr. Srinivasan, his annual performance award was based upon the weighting of 25% of Rising sales, 35% of Rising's adjusted pre-tax income and 20% on consolidated earnings per share. Mr. Srinivasan's annual performance award also included individual performance goals that represented 20% of his award. The specific performance-related financial factors at the minimum, target and maximum levels for the fiscal year ended June 30, 2014 were:

Performance

Metric	Minimum	Target	Maximum	Actual Results
--------	---------	--------	---------	----------------

C o m p a n y

Sales \$ 383,609,000 \$ 511,478,000 \$ 639,348,000 \$ 500,566,000*

Company Net

Income \$ 19,706,000 \$ 26,275,000 \$ 32,844,000 \$ 31,062,000 *

C o m p a n y

Earnings Per

Share \$ 0.73 \$ 0.97 \$ 1.21 \$ 1.09 *

*Adjusted for operating results of fiscal 2014 acquisitions, as well as certain charges including acquisition related transaction costs, separation and relocation costs.

The annual award percentages at the minimum, target and maximum levels for the fiscal year ended June 30, 2014 for each of the named executive officers were as follows:

Executive Officer	Minimum	Target	Maximum
S a l v a t o r e Guccione	30% of base salary	60% of base salary	120% of base salary
Douglas Roth	20% of base salary	40% of base salary	80% of base salary
A l b e r t L . Eilender	25% of base salary	50% of base salary	100% of base salary
F r a n k DeBenedittis	17.5% of base salary	35% of base salary	70% of base salary
S a t i s h Srinivasan	20% of base salary	40% of base salary	80% of base salary

The following describes the performance-based bonus criteria for each named executive officer:

Salvatore Guccione, President and Chief Executive Officer. Mr. Guccione's 2014 annual performance award of \$404,330 was based upon company sales, company net income and earnings per share, excluding operating results of fiscal 2014 acquisitions, as well as certain charges including acquisition related transaction costs, separation and relocation costs. Mr. Guccione's annual performance award was affected by his achievement of certain individual performance goals including introducing Aceto's business development process within each business segment, as well as leading the merger and acquisition development process through industry and banking networks and presenting opportunities to the Company's Board. On April 30, 2014, Rising, a wholly owned subsidiary of Aceto, acquired 100% of the issued and outstanding membership interests of PACK Pharmaceuticals, LLC ("PACK"). PACK, a national marketer and distributor of generic prescription and over-the-counter pharmaceutical products, has headquarters in Buffalo Grove, Illinois, a suburb of Chicago, Illinois. Mr. Guccione received an additional \$150,000 special performance award for the successful completion of the PACK acquisition.

Douglas Roth, Chief Financial Officer. Mr. Roth's 2014 annual performance award of \$159,754 was based upon the result of the Company's performance including sales, net income and earnings per share, excluding operating results of fiscal 2014 acquisitions, as well as certain charges including acquisition related transaction costs, separation and relocation costs. In addition to the Company's financial performance, Mr. Roth's annual performance award was affected by his achievement of certain individual performance goals including the cost benefit analysis of certain restructuring of intellectual property within our European operations. Mr. Roth received an additional \$100,000 special performance award for the successful completion of the PACK acquisition.

Albert L. Eilender, Chairman. Mr. Eilender's 2014 annual performance award of \$254,014 was based upon company sales and company net income, earnings per share, excluding operating results of fiscal 2014 acquisitions, acquisition related transaction costs, separation and relocation costs. Mr. Eilender's individual performance goals included working with the new President of Rising as a mentor and advisor, as well as increasing corporate visibility with

current and potential shareholders and investors. Mr. Eilender received an additional \$175,000 special performance award for the successful completion of the PACK acquisition.

Frank DeBenedittis, Senior Vice President, Corporate Business Development. Mr. DeBenedittis's annual performance award of \$127,343 was based upon the result of the Company's performance including sales, net income and earnings per share, excluding operating results of fiscal 2014 acquisitions, acquisition related transaction costs, separation and relocation costs. In addition, the 2014 annual performance award was based upon individual performance goals tailored to Mr. DeBenedittis, including assistance to Rising during the transition of new management, as well as working with new Business Development personnel to develop new API opportunities.

Satish Srinivasan, President and Chief Operating Officer of Rising. Mr. Srinivasan's annual performance award of \$166,678 was based on Rising sales, Rising's adjusted pre-tax income and on Aceto's consolidated earnings per share excluding operating results of fiscal 2014 acquisitions, acquisition related transaction costs, separation and relocation costs. In addition, the 2014 annual performance award was based upon individual performance goals tailored to Mr. Srinivasan, including the hiring of senior level industry professionals and the development of a strategic growth plan. Mr. Srinivasan received an additional \$35,000 special performance award for the successful completion of the PACK acquisition.

The compensation committee recommended and the Board approved continued use of objective performance criteria to determine annual performance awards for the fiscal year ending June 30, 2015. The precise criteria that we will use to determine the annual performance award for our executive officers will vary depending on each officer's specific responsibilities. In all cases, annual performance awards paid to any one individual cannot exceed two times the individual's base salary.

Long-Term Incentive Compensation

Based upon the reviews by Hay Group in fiscal 2014 and in prior years, our compensation committee recommended that our compensation mix include a greater proportion of long-term incentive compensation. We continue to place increasing emphasis on compensation tied to the Company's long-term financial and operating performance. We believe that these incentives further align management's interest with the interests of our shareholders.

For fiscal 2014, our compensation committee recommended and the Board approved, a three year long term incentive compensation program pursuant to the 2010 Plan consisting of restricted stock and performance-vested restricted stock units for our executive officers. The restricted stock awards vest over three years. Performance-vested restricted stock units will cliff vest 100% at the end of the third year following the grant upon the attainment of pre-tax income and total shareholder return performance goals relative to the Russell 2000 Index. The number of shares subject to the 2014 long term incentive awards is set forth in the table entitled "2014 Grants of Plan-Based Awards."

Recoupment of Awards

Each performance award paid shall for a period of two years (or such longer period as the compensation committee may determine in its discretion) be subject, to forfeiture, cancelation and/or repayment to the Company if: (i) the payment of such award (or portion thereof) was predicated upon the achievement of certain financial results or other performance criteria; (ii) in the compensation committee's view, the participant either benefited from a calculation that later proves to be materially inaccurate, or engaged in one or more material acts of fraud or misconduct that caused or partially caused the need for a financial restatement by the Company; and (iii) in the compensation committee's view, a lesser payment (or no payment) of such award would have occurred based on a correct calculation or upon restated financial results or other performance criteria.

Other Compensation

Our U.S. executive officers may also participate in our 401(k) plan on the same terms as the rest of our eligible employees. We currently make a non-elective contribution on behalf of each of our participating employees equal to 3% of the participant's eligible compensation, including base salary and bonus, up to a maximum of \$255,000 of eligible compensation. We also have historically made discretionary contributions for each of our participating employees on an annual basis up to approximately 8% of the participant's eligible compensation. Our participating employees are fully vested in both their salary deferrals and non-elective contributions, but Company discretionary

contributions vest at the rate of 20% per year with 100% vesting after five years of participation.

We also maintain a supplemental executive retirement plan, commonly called a “SERP”. This plan is a non-qualified deferred compensation plan intended to provide executive officers with supplemental retirement benefits. Annual Company contributions to the SERP are fixed by the Board and vest at the rate of 20% per year of service over five consecutive years. In addition to Company contributions, participants can elect to defer some or all of their bonus compensation into their SERP account for the following year.

Perquisites

We allow certain of our executive officers to use a Company automobile as a perquisite to enhance our compensation package and make it more attractive relative to our competition. The financial value of the personal use of a Company automobile for each of these executive officers for our fiscal year ended June 30, 2014 is set forth in footnote six to the All Other Compensation column of the Summary Compensation Table contained in this proxy statement.

Stock Ownership Requirements

In order to further align management's interest with the interests of our shareholders, our compensation committee established, and the Board approved, stock ownership requirements for our Chief Executive Officer, our Chief Financial Officer and our three other most highly compensated executive officers. These stock ownership requirements provide that our Chief Executive Officer must own shares of our common stock valued at two and a half times his base salary and our Chief Financial Officer and our three other most highly compensated executive officers must own shares of our common stock valued at one and a quarter times their base salaries in each case by October 1, 2015. As of the record date, the named executive officers have either met the stock ownership requirements or are projected to meet the requirements. The stock ownership program also includes as a guideline, but not a requirement, that all our other executive officers own shares of our common stock valued at one half times base salary by such date. Shares of our restricted stock that are granted but not yet vested count toward these stock ownership guidelines.

The stock ownership program also includes as a guideline, but not a requirement, that all non-employee directors achieve a level of ownership of our common stock, including restricted stock granted but not yet vested, valued at three times the annual cash retainer by January 2017.

Tax and Accounting Implications of Executive Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, provides that compensation in excess of \$1 million paid to named executive officers (other than our Chief Financial Officer) is not deductible unless it satisfies the exception for qualified performance-based compensation under Section 162(m). Our compensation committee and Board generally consider all current compensation paid to our named executive officers (other than base salary) to be performance-based, even though certain elements of our compensation may not satisfy the more limited exception for qualified performance-based compensation under Section 162(m). However, stock options awarded to our named executive officers are designed to qualify as qualified performance-based compensation under Section 162(m), as is the portion of annual bonuses tied to the achievement of financial targets under our Executive Performance Award Plan, which was approved by our shareholders at the 2012 annual meeting. None of the compensation we paid during fiscal 2014 was rendered nondeductible by virtue of Section 162(m). While the compensation committee will continue to consider the impact of Section 162(m) on our compensation program, it reserves the right to pay nondeductible compensation in the future if it determines that it is appropriate to do so. It is our policy to review all compensation plans and policies against tax, accounting, and SEC regulations, including Section 162(m), Internal Revenue Code Section 409A, and generally accepted accounting principles.

COMPENSATION COMMITTEE REPORT

The compensation committee has reviewed and discussed with management the Compensation Discussion and Analysis included in this proxy statement. Based on that review and discussion, the compensation committee recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference in the Company's annual report on Form 10-K for its last completed fiscal year.

Deferred Compensation Plan

On March 14, 2005, the Board adopted the SERP. The SERP is a non-qualified deferred compensation plan intended to provide certain qualified executives with supplemental benefits beyond the Company's 401(k) plan, as well as to permit additional deferrals of a portion of their compensation. Substantially all compensation deferred under the SERP, as well as Company contributions, is held by the Company in a grantor trust, which is considered an asset of the Company. The assets held by the grantor trust are in life insurance policies. Effective July 1, 2013, the SERP was frozen and a new plan, entitled "Aceto Corporation 2013 Senior Executive Retirement Plan" was adopted by the Company's Board.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL

On December 26, 2013, an amendment to the Change in Control Agreement dated July 2, 2012 was entered into between Mr. Guccione and Aceto. The material terms of the amendment clarified that the payment due Mr. Guccione for a “change in control” would entitle him to a cash lump sum equal to two (2) times the sum of his base salary and (2) times the annual performance award for the fiscal year preceding the “change in control.” The amendment also specified that for a “qualifying termination” that is not a “change in control”, Mr. Guccione would be entitled to salary continuation, payable in accordance with the normal payroll practices of the Company.

In February 2012, the Company entered into an employment agreement with Mr. Guccione. If the Company shall terminate Mr. Guccione’s employment other than for cause or Mr. Guccione shall terminate his employment for good reason, regardless of whether such termination occurs during or after the term, the Company shall pay Mr. Guccione’s base salary, at the rate then in effect, for the 24 month period following the date of termination, as severance, subject to Mr. Guccione’s execution of a release.

On July 2, 2012, Aceto entered into change in control agreements with Messrs. Eilender, Roth and DeBenedittis. In addition, on July 2, 2012, Aceto entered into a change in control agreement with Salvatore Guccione, whose current employment agreement (see above) does not contain change in control severance protections. The new change in control agreements provide “double trigger” change in control severance protections, as summarized below, which means no amounts will become payable under the agreements unless a “change in control” of Aceto occurs and an executive’s employment is terminated by Aceto other than for “cause” or by the executive for “good reason” within a specified period following the change in control.

Each agreement will automatically terminate if the executive ceases to be an employee of Aceto for any reason prior to the occurrence of a “change in control” (as defined in the agreement). In addition, the Company can terminate each agreement on one year’s prior written notice; provided that, if a “change in control” of the Company occurs while the agreement is in effect, no such termination notice shall become effective until the second anniversary of the “change in control.”

If, during the two (2) year period following the occurrence of a “change in control,” an executive’s employment is terminated by the Company other than for “cause” (as defined in the agreement) or by the Executive for “good reason” (as defined in the agreement), the executive will be entitled to the following (in lieu of any payments under the Company’s severance policy):

- o a cash lump sum equal to two (2) times (or, in the case of Mr. DeBenedittis, 1.5 times) the sum of the executive’s base salary and annual performance award for the fiscal year preceding the “change in control,” and
- o continued participation in the Company’s group health plan, at the Company’s expense, for a period of two (2) years.

The executives are not entitled to be indemnified or “grossed-up” for any “golden parachute” excise taxes. Instead, each executive’s severance payments will be automatically reduced to the extent necessary to avoid the imposition of any such excise taxes.

Mr. Eilender and Mr. DeBenedittis are eligible to receive severance pay and benefits pursuant to the Aceto Severance Policy (the “Severance Policy”) in the event of an involuntarily termination of their employment. In the case of Messrs. Eilender and DeBenedittis, severance pay may be provided under the Severance Policy, in Aceto’s sole discretion, in an amount up to twelve (12) weeks of base salary plus two (2) additional weeks for each year of service with Aceto,

up to a maximum of fifty-two (52) weeks of base salary. In addition, under the Severance Policy, Mr. DeBenedittis would be eligible to receive up to ninety (90) days of continued coverage under the Aceto health plan (at active employee rates).

In April 2013, Aceto entered into an enhanced severance protection letter agreement with Mr. Roth. If, prior to a change in control, Mr. Roth's employment is terminated by the Company without cause (other than due to disability), the Company shall continue to pay Mr. Roth's base salary, at the rate then in effect, for the fifteen (15) month period following the date of termination as severance.

The following table shows the estimated amounts that would have been payable to the named executive officers upon the occurrence of the indicated event, had the applicable event occurred on June 30, 2014. The actual compensation and benefits the executive would receive at any subsequent date would likely vary from the amounts set forth below as a result of certain factors, such as a change in any additional benefits the officer may have accrued as of that time under applicable benefit or compensation plans.

Compensation Committee Interlocks and Insider Participation

None of the independent directors responsible for compensation matters has ever served as officer or employee of the Company or any of our subsidiaries. During the last fiscal year, none of our senior executives served on the Board or committee of any other entity whose officers served either on our Board or compensation committee. REPORT OF THE AUDIT & RISK COMMITTEE

The audit & risk committee acts under a written charter adopted by the audit & risk committee and approved by the Board. The audit & risk committee charter is available on the Company's corporate website-www.aceto.com.

The audit & risk committee is comprised of Richard P. Randall (Chairman), William N. Britton and Alan G. Levin. Each of these directors meets the independence and expertise requirements of the SEC and the NASDAQ Global Select Market. Subject to shareholder ratification at the annual meeting, the audit & risk committee appoints and retains the Company's independent registered public accounting firm, approves the scope of the audit plan, and reviews and approves the fees of the independent accounting firm. The audit & risk committee met regularly with the Company's independent accountants during the past fiscal year, both with and without management present, to review the scope and results of the audit engagement, the Company's system of internal controls and procedures, the effectiveness of procedures intended to prevent violations of laws and regulations, and the implementation of internal financial controls required by the Sarbanes-Oxley Act of 2002. In compliance with the SEC rules regarding auditor independence, and in accordance with the Company's Audit & Risk Committee Charter, the audit & risk committee reviewed all services performed by BDO USA, LLP for the Company within and outside the scope of the quarterly review and annual auditing functions.

The audit & risk committee also:

Met to discuss the quarterly unaudited and the annual audited financial statements with management and BDO USA, LLP prior to the statements being filed with the SEC;

Reviewed the Company's disclosures in the Management's Discussion and Analysis sections of such filings;

Reviewed management's program, schedule, progress and accomplishments for maintaining financial controls and procedures to assure compliance with Section 404 of the Sarbanes-Oxley Act of 2002;

Reviewed quarterly earnings releases prior to their publication;

Reviewed and approved in advance in accordance with the Company's Audit & Risk Committee Pre-Approval Policy all proposals and fees for any work to be performed by BDO USA, LLP;

Reviewed and made recommendations to the Board to revise the committee's charter as necessary in order to comply with newly enacted rules and regulations;

Monitored the Company's "whistleblower" program under which any complaints are forwarded directly to the Committee, to be reviewed in accordance with an established procedure for all such matters;

Reviewed the audit, tax and audit-related services the Company had received from BDO USA, LLP and determined that the providing of such services by BDO USA, LLP was compatible with the preservation of their independent status as our independent registered public accounting firm.

Reviewed the status and functioning of the Company's internal audit function.

Met to discuss with the Company's senior risk officer, and other members of management responsible for managing risk, as well as other members of the Board, areas of specific risk identified by management and/or the Committee.

The audit & risk committee also reviewed and discussed the audited financial statements for the fiscal year ended June 30, 2014 with management and discussed with BDO USA, LLP the matters required to be discussed pursuant to Public Company Accounting Oversight Board (PCAOB) Auditing Standard No. 16 (Communications with Audit Committees). In addition, the Committee has discussed various matters with BDO USA, LLP related to the Company's consolidated financial statements, including critical accounting policies and practices used, alternative treatments for material items that have been discussed with management, and other material written communications between BDO USA, LLP and management. The audit & risk committee also received during the past fiscal year the written disclosures and the letter from BDO USA, LLP required by applicable requirements of the PCAOB regarding BDO USA, LLP's communications with the audit & risk committee concerning independence and has discussed with BDO USA, LLP their independence. Based on their review and in reliance on the discussions referred to in this paragraph, the audit & risk committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the last fiscal year for filing with the SEC.

Respectfully submitted by the members of the audit & risk committee.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company has purchased inventory and incurred product development costs from a company that is partially owned by two former executive officers. In addition, Aceto purchases product development costs from an affiliate of this company that is partially owned by the two former executive officers. Payments to these two related companies approximated \$6,252,000, \$3,839,000 and \$3,082,000 in fiscals 2014, 2013 and 2012, respectively.

Pursuant to its charter, the Company's audit & risk committee shall review on an on-going basis for potential conflicts of interest, and approve if appropriate, all "Related Party Transactions" of the Company as required by the applicable NASDAQ listing rule. For purposes of the audit & risk committee charter, "Related Party Transactions" shall mean those transactions required to be disclosed pursuant to SEC Regulation S-K, Item 404.

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE SEVEN NOMINEES FOR DIRECTOR (PROPOSAL ONE).

PROPOSAL TWO

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables our shareholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules.

As previously described in detail in the "Compensation Discussion and Analysis", our executive compensation programs are designed to attract, retain, and motivate superior executive talent and to align their interests with those of our shareholders and support our growth and profitability. Please see the "Compensation Discussion and Analysis" beginning on page 20 and the Executive Compensation disclosure beginning on page 27 for additional details about our executive compensation programs and information about the fiscal year 2014 compensation of our named executive officers.

As required pursuant to section 14A of the Exchange Act, we are asking our shareholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives our shareholders the opportunity to express their views on the compensation of our named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. The say-on-pay vote is advisory, and therefore not binding on the Company, our compensation committee or the Board. Our Board and our Compensation Committee value the opinions of our shareholders and, to the extent there is any significant vote against the named executive officer compensation as disclosed in the proxy statement, we will consider our shareholders' concerns and the compensation committee will evaluate whether any actions are necessary to address those concerns. We currently intend to hold an advisory vote to approve executive compensation annually, consistent with the advisory vote of our shareholders at our 2011 annual meeting of shareholders. The next advisory vote to determine the frequency of such votes will occur no later than the 2017 annual meeting of shareholders.

THE BOARD RECOMMENDS THAT YOU APPROVE, ON A NON-BINDING, ADVISORY BASIS, THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THE COMPANY'S PROXY STATEMENT FOR THE 2014 ANNUAL MEETING OF SHAREHOLDERS PURSUANT TO THE COMPENSATION DISCLOSURE RULES OF THE SEC, INCLUDING THE COMPENSATION DISCUSSION AND ANALYSIS, THE COMPENSATION TABLES AND ANY RELATED MATERIAL DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL THREE

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Based on the recommendation of the Audit & Risk Committee, the Board has appointed BDO USA, LLP, an independent registered public accounting firm, to audit the financial statements of the Company for the year ending June 30, 2015. BDO USA, LLP has been the independent registered public accounting firm of the Company since 2005.

Although ratification by shareholders is not required by the Company's organizational documents or other applicable law, the Board has determined that requesting ratification by shareholders of its appointment of BDO USA, LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2015 is a matter of good corporate practice. If shareholders do not ratify the selection, the Board will reconsider whether or not to retain BDO USA, LLP, but may still retain them. Even if the selection is ratified, the Board, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

The Company anticipates that representatives of BDO USA, LLP will attend the annual meeting for the purpose of responding to appropriate questions. At the annual meeting, the representatives of BDO USA, LLP will be afforded an opportunity to make a statement if they so desire.

The aggregate fees for professional services rendered by BDO USA, LLP for the years ended June 30, 2014 and 2013 were:

	Fiscal 2014	Fiscal 2013
Audit fees	\$ 1,038,000	\$ 981,000
Audit related fees	137,000	-
Tax fees	297,000	172,000
Total fees	\$ 1,472,000	\$ 1,153,000

Audit fees are fees for the audit of the Company's annual financial statements included on Form 10-K, including the audits of internal control over financial reporting, reviews of the quarterly financial statements, statutory audits and assistance with and review of documents filed with the SEC.

Audit related fees consisted of fees for due diligence and accounting consultations in connection with the PACK acquisition.

Tax fees are fees for tax services, including tax compliance, tax advice and planning.

The audit & risk committee reviewed and approved in advance in accordance with the Company's Audit & Risk Committee Pre-Approval Policy all proposals and fees for any work to be performed by BDO USA, LLP.

THE BOARD RECOMMENDS THAT YOU VOTE FOR RATIFICATION OF THE APPOINTMENT OF BDO USA, LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE COMPANY'S FISCAL YEAR ENDING JUNE 30, 2015.
