**PROXY STATEMENT
2006 ANNUAL MEETING OF STOCKHOLDERS**

GENERAL INFORMATION

Why did I receive this Proxy Statement?

The Board of Directors of Jacuzzi Brands, Inc., a Delaware corporation (the Company, we or us) is soliciting proxies for the 2006 Annual Meeting of Stockholders (the Annual Meeting) to be held on Monday, February 6, 2006, and at any postponement or adjournment thereof. When we ask for your proxy, we must provide you with a Proxy Statement that contains certain information specified by law. This Proxy Statement summarizes the information you need to vote at the Annual Meeting.

We are mailing this Notice of Annual Meeting, Proxy Statement and the accompanying proxy card to stockholders on or about January 5, 2006. Our Annual Report on Form 10-K for the fiscal year ended October 1, 2005, including financial statements, is enclosed herewith. We will furnish any exhibit to our Annual Report on Form 10-K upon request by a stockholder directed to Jacuzzi Brands, Inc., 777 S. Flagler Drive, Suite 1100 West, West Palm Beach, Florida 33401, Attention: Secretary, for a fee limited to our reasonable expenses in furnishing such exhibits.

What will I vote on?

Two items:

election of two directors; and

ratification of the appointment of our independent registered public accounting firm for fiscal 2006

Will there be any other items of business on the agenda?

We do not expect any other items of business at the Annual Meeting. Nonetheless, if there is an unforeseen need, your proxy will give discretionary authority to the persons named on the proxy to vote on any other matters that may be brought before the Annual Meeting. These persons will use their best judgment in voting your proxy.

Who is entitled to vote?

Stockholders as of the close of business on December 23, 2005 (the Record Date), may vote at the Annual Meeting.

How many votes do I have?

You have one vote for each share of common stock you held on the Record Date.

How do I vote?

You can vote either *in person* at the Annual Meeting or *by proxy* without attending the Annual Meeting. We urge you to vote by proxy even if you plan to attend the Annual Meeting so we will know as soon as possible that enough votes will be present for us to hold the Annual Meeting. If you attend the Annual Meeting in person, you may vote and your earlier proxy will not be counted.

Table of Contents

How do I vote my shares in the Jacuzzi Brands, Inc. Retirement Savings & Investment Plan?

You may instruct the Trustee of the Jacuzzi Brands, Inc. Retirement Savings & Investment Plan (the 401(k) Plan) on how to vote your shares in the 401(k) Plan by the accompanying voting instruction card. Your card must be duly signed and received by January 31, 2006. The Trustee will vote the number of shares for which no instructions are received in the same proportion as those shares in the 401(k) Plan for which instructions have been received.

The total number of shares in the 401(k) Plan as of the Record Date represents approximately 1.35% of the shares of common stock outstanding on the Record Date. The powers of the proxy holders will be suspended if the person executing the proxy attends the Annual Meeting in person and so requests in writing. Attendance at the Annual Meeting will not, in itself, constitute revocation of a previously granted proxy.

If you also own shares outside of the 401(k) Plan, you must return both the proxy card and the voting instruction card as indicated on those cards.

Can I change my vote?

Yes. If you are a stockholder of record, you have the right to revoke your proxy at any time before the Annual Meeting by: (1) sending a notice to Jacuzzi Brands, Inc., 777 South Flagler Drive, Suite 1100 West, West Palm Beach, Florida 33401, Attention: Secretary, or (2) delivering a later dated proxy in writing. You may also revoke your proxy by voting in person at the Annual Meeting.

If you are a beneficial owner (that is, if your shares are held for you in street name by your bank, broker or other holder of record) please refer to the information forwarded by your bank, broker or other holder of record for procedures on revoking or changing your proxy.

What are the costs of soliciting these proxies and who will pay them?

We will pay all costs of soliciting these proxies. Officers and regular employees of ours may, but without compensation other than their regular compensation, solicit proxies by further mailing or personal conversations, or by telephone, email or facsimile. We will, upon request, reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of our common stock.

How many votes are required for the approval of each item?

Election of Directors The two nominees for director receiving a plurality of the votes cast at the Annual Meeting in person or by proxy will be elected. Abstentions and instructions to withhold authority to vote for one or more of the nominees will result in those nominees receiving fewer votes but will not count as votes against a nominee.

Ratification of Independent Registered Public Accounting Firm The affirmative vote of the holders of a majority of the votes cast is required to ratify the appointment of our independent registered public accounting firm for fiscal 2006. Abstentions will have the same effect as a vote against the ratification. Broker non-votes will not be counted as either for or against the ratification, but will reduce the number of shares needed for a majority decision.

What constitutes a quorum for the Annual Meeting?

A quorum is necessary to conduct business at the Annual Meeting. A quorum requires the presence at the Annual Meeting of a majority of the outstanding shares on the Record Date entitled to vote, in person or represented by proxy. You are part of the quorum if you have voted by proxy. As of the Record Date, 77,119,220 shares of our common stock were issued and outstanding.

Table of Contents

Are abstentions and broker non-votes part of the quorum? What are broker non-votes?

Abstentions, broker non-votes and votes withheld from director nominees count as shares present at the Annual Meeting for purposes of determining a quorum. However, abstentions and broker non-votes do not count in the voting results.

Broker non-votes. If your shares are held by a broker, the broker may require your instructions in order to vote your shares. If you give the broker instructions, your shares will be voted as you direct. If you do not give instructions, one of two things can happen depending on the type of proposal. For the election of directors, the broker may vote your shares in its discretion. For the approval of certain proposals, the broker may not vote your shares at all. When that happens, it is called a broker non-vote.

Who will count the vote?

Votes at the Annual Meeting will be counted by an independent inspector of election appointed by the Board.

What if I don't vote for some or all of the matters listed on my proxy card?

If you are a registered stockholder and you return a signed proxy card without indicating your vote for some or all of the matters, your shares will be voted as follows for any matter you did not vote on:

for the nominees to the Board listed on the proxy card; and

for the ratification of the appointment of our independent registered public accounting firm for fiscal 2006.

How do I submit a stockholder proposal for the 2007 Annual Meeting?

If you intend to present a proposal for action at our 2007 Annual Meeting of Stockholders and wish to have such proposal considered for inclusion in our proxy materials in reliance on Rule 14a-8 under the Exchange Act, you must submit the proposal in writing and we must receive it by September 6, 2006. Such proposals must also meet the other requirements of the rules of the Securities and Exchange Commission (the Commission) relating to stockholder proposals. Our By-Laws establish an advance notice procedure with regard to certain matters, including stockholder proposals and nominations of individuals for election to the Board.

The Nominating and Corporate Governance Committee will also consider nominations that comply with the procedures set forth below. In general, notice of a stockholder proposal or a director nomination for an annual meeting must be received by us 120 days or more before the date of the anniversary of our last annual meeting and must contain specified information and conform to certain requirements, as set forth in our By-Laws. Notice of a stockholder proposal or a director nomination for a special meeting must be received by us no later than the 15th day following the day on which notice of the date of a special meeting of stockholders was given. If the presiding officer at any stockholders meeting determines that a stockholder proposal or director nomination was not made in accordance with the By-Laws, we may disregard such proposal or nomination.

In addition, if you submit a proposal outside of Rule 14a-8 for the 2007 Annual Meeting of Stockholders, and the proposal fails to comply with the advance notice procedure prescribed by the By-Laws, then our proxy may confer discretionary authority on the persons being appointed as proxies on behalf of management to vote on the proposal. Proposals and nominations should be addressed to Jacuzzi Brands, Inc., 777 S. Flagler Drive, Suite 1100 West, West Palm Beach, Florida 33401, Attention: Secretary.

What is householding ?

We have adopted householding, a procedure under which beneficial owners who have the same address and last name will receive only one copy of our Annual Report and Proxy Statement unless one or

Table of Contents

more of these stockholders notifies us that they wish to continue receiving individual copies. This procedure reduces duplicate mailings and thus reduces our printing costs and postage fees. Stockholders who participate in householding will continue to receive separate proxy cards.

What if I want to receive a separate copy of the Proxy Statement?

We will promptly deliver, upon oral or written request, a separate copy of the Proxy Statement to any stockholders residing at an address to which only one copy was mailed. Additionally, stockholders residing at the same address and currently receiving only one copy of the Proxy Statement may request multiple copies of the Proxy Statement in the future. Either of these requests should be directed to Investor Relations by phone at (561) 514-3850, by mail to Jacuzzi Brands, Inc., 777 S. Flagler Drive, Suite 1100 West, West Palm Beach, Florida 33401 or by e-mail to ir@jacuzzibrands.com.

Where can I find the voting results?

We will publish the voting results in our Form 10-Q following the annual meeting. To view it online, go to our web site at www.jacuzzibrands.com, and click on the SEC Filings link.

What should I do if I want to attend the Annual Meeting?

All of our stockholders may attend the Annual Meeting. The Annual Meeting will be held at the Hilton Palm Beach Airport, 150 Australian Avenue, West Palm Beach, Florida 33406, and will begin promptly at 11:00 a.m. (EST). You may be asked to present photo identification before being admitted to the Annual Meeting. If you have questions about attending the Annual Meeting, you may call Investor Relations at (561) 514-3850.

Can a stockholder communicate directly with the Board? If so, how?

The Board provides a process for you to send communications to the Board or any of the directors. You may send written communications to the Board or any of the directors c/o Office of the General Counsel, Jacuzzi Brands, Inc., 777 S. Flagler Drive, Suite 1100 West, West Palm Beach, Florida 33401. All communications will be compiled by the Office of the General Counsel and submitted to the Board or the individual directors on a periodic basis.

Table of Contents

**ELECTION OF DIRECTORS
(Item A on Proxy Card)**

The Board of Directors is presently divided into three classes, with each class serving three years, subject to our retirement policy for directors. The term of office of directors in Class II expires at the Annual Meeting.

The Board has determined that Class II will consist of two directors, and proposes that Mr. Victor and Mr. Waldin, each of whom are currently serving as Class II directors, be elected to Class II for a term of three years until their successors are duly elected and qualified.

The Board has no reason to believe that any of the nominees will not serve if elected, but if any of them should become unavailable to serve as a director, and if the Board designates a substitute nominee, the persons named as proxies will vote for the substitute nominee designated by the Board.

Directors will be elected by a plurality of the votes cast at the Annual Meeting. If elected, Mr. Victor and Mr. Waldin's term will continue until the 2009 Annual Meeting and until their successors are duly elected and qualified. Mr. Victor and Mr. Waldin would be expected to serve their full terms.

From 1981 to 1994, she held various financial positions at PepsiCo, Inc., most recently as Vice President and Assistant Treasurer.

CORPORATE GOVERNANCE**Organization of the Board and its Committees**

Our common stock is listed on the New York Stock Exchange (the NYSE). The Commission has approved corporate governance rules adopted by the NYSE (the NYSE Rules) that require us to comply with certain corporate governance guidelines, including establishing certain standards for our various board committees. The Board has therefore adopted Corporate Governance Guidelines that give effect to the NYSE Rules and various other matters. Our Corporate Governance Guidelines are available on our website at www.jacuzzibrands.com and the information is available in print to any stockholder who requests it. Our Chief Executive Officer submitted his most recent annual certification to the NYSE under Section 303A.12 of the NYSE Listing Standards on March 14, 2005.

The NYSE Rules require that a majority of the directors be independent directors under the NYSE Rules regarding director independence. Generally, the NYSE Rules would prohibit a director from qualifying as an independent director if the director (or in some cases, members of the director's immediate family) has, or in the past three years has had, certain relationships or affiliations with us, our external or internal auditors, or other companies that do business with us. The Board has not adopted categorical standards in making its determination of independence and instead relies on the standards of independence set forth in the corporate governance standards of the NYSE. The Board has affirmatively determined that each of our directors, other than Mr. Clarke, are independent directors under the corporate governance standards of the NYSE.

The Board provides a process for stockholders to send communications to the Board or any of the directors. Stockholders may send written communications to the Board or any of the directors c/o Office of the General Counsel, Jacuzzi Brands, Inc., 777 S. Flagler Drive, Suite 1100 West, West Palm Beach, Florida 33401. All communications will be compiled by the Office of the General Counsel and submitted to the Board or the individual directors on a periodic basis.

To promote open discussion among the independent directors, we schedule regular executive sessions in which the independent directors meet without management participation. We rotate the presiding director for each executive session among the chairs of the various board committees. In order to communicate directly with the independent directors, stockholders should follow the procedures set forth in the above paragraph.

Table of Contents

In accordance with the Corporate Governance Guidelines, the Board has established four standing committees, a Nominating and Corporate Governance Committee (the NCG Committee), an Audit Committee, a Compensation Committee and a Finance Committee, each of which is briefly described below. The charters of the NCG Committee, the Audit Committee and the Compensation Committee are available on our website at www.jacuzzibrands.com.

Nominating & Corporate Governance Committee

The NCG Committee is responsible for recommending nominees for the Board and the committees of the Board and for advising the Board on corporate governance matters. Each member of the NCG Committee satisfies the independence requirements under the NYSE Rules. The NCG Committee will consider director nominee recommendations by stockholders provided the names of such nominees, accompanied by relevant biographical information, are properly submitted in accordance with our bylaws in writing to our Secretary in accordance with the manner described for stockholder nominations under *How do I submit a stockholder proposal for the 2007 Annual Meeting?* above.

In making its nominations, the NCG Committee identifies candidates who meet the current challenges and needs of the Board. Our Corporate Governance Guidelines provide that the NCG Committee shall determine whether it may be appropriate to add or remove individuals after considering issues of judgment, diversity, age, skills, background and experience. In making such decisions, the Board considers, among other things, an individual's business experience, industry experience, financial background and experiences and whether the individual meets the independence requirements of the NYSE Rules.

The NCG Committee uses multiple sources for identifying and evaluating nominees for directors including referrals from current directors, recommendations by stockholders and input from third party executive search firms. There are no differences in the manner in which the NCG Committee evaluates nominees for directors based on whether the nominee is recommended by a stockholder.

Audit Committee

We have an Audit Committee. Information regarding the functions performed by the Audit Committee is set forth in the *Report of the Audit Committee*. The Board determined that each of the Audit Committee members qualifies, and was designated, as an *audit committee financial expert* under applicable Commission regulations. In making such decision, the Board noted their familiarity with the experience of the Audit Committee members and that each had significant industry experience, had strong financial backgrounds and had been involved with (from a financial and other standpoint) a number of diverse companies of varying size and complexity and in various industries. Such experience included analysis and evaluation of financial statements. Also, each member was determined to have the ability to assess the application of generally accepted accounting principles as it relates to estimates, accruals and reserves, an understanding of internal controls and an understanding of audit committee functions.

Compensation Committee

The Compensation Committee sets the compensation of all executive officers and administers the incentive plans for executive officers (including the making of awards under such plans). Each member of the Compensation Committee satisfies the independence requirements under the NYSE Rules. Mr. Womack, one of the members of the Compensation Committee, receives payments under our Supplemental Retirement Plan and therefore recuses himself on issues that may involve Internal Revenue Code Section 162(m) rules.

Finance Committee

The Finance Committee has been authorized to oversee all of our financial activities, including financings, the evaluation of strategic alternatives for us and the conduct of the sales of certain of our assets and businesses.

Table of Contents**Code of Business Conduct and Ethics**

We have adopted a Code of Business Conduct and Ethics that applies to our officers, directors and employees. The Code is available on our website at www.jacuzzibrands.com and the information is available in print to any stockholder who requests it.

Membership and Meetings of the Board and Its Committees

In fiscal 2005, no director attended fewer than 87% percent of the aggregate of the total number of meetings of the Board and the Committees on which he or she served. All of our directors are encouraged to attend our Annual Meeting. Five of our directors were in attendance at our 2005 Annual Meeting of Stockholders. Current committee membership and the number of meetings of the full Board and each Committee held during fiscal 2005 are shown in the table below.

Compensation Of Directors

Directors who are also full-time employees of ours receive no additional compensation for their services as directors. Upon joining the Board, each non-employee director is entitled to an initial grant of 1,500 shares of our common stock and options to purchase 7,500 shares of common stock. In fiscal 2005, each non-employee director was also entitled to a retainer consisting of cash, our common stock, options to purchase our common stock, annual committee fees and meeting fees as set forth below.

Cash Retainer and Meeting Fees

Each non-employee director received an annual cash retainer of \$15,000 and was also entitled to a fee of \$1,500 payable in cash for each Board or committee meeting attended. Directors are permitted to defer all or a portion of their cash retainer or meeting fees in the form of restricted stock units (RSUs), under our Non-Employee Director Deferred Compensation Plan (the Deferred Compensation Plan) (as discussed below).

Stock Retainer

At the non-employee director's option, each non-employee director was entitled to an annual grant of either (i) \$30,000, payable in RSUs under the Deferred Compensation Plan or (ii) \$25,000, payable in shares of our common stock. In both cases, the number of RSUs or shares of common stock was calculated based on \$9.48 per share, the closing price of our common stock on the NYSE on October 4, 2004 (the first business day of fiscal 2005). Proportionate amounts of RSUs or common stock, as the case may be, are credited on the first business day of each fiscal quarter. For fiscal 2006, all non-employee directors have elected to defer 100% of their retainer fees that are payable in the form of RSUs under the Deferred Compensation Plan.

Table of Contents

An RSU is a unit of measurement equivalent to one share of common stock, but with none of the attendant rights of a stockholder of a share of our common stock until shares are ultimately distributed in payment of the deferred obligation (other than rights to additional unit equivalents for dividends and other distributions on the shares). Unless otherwise elected by the director pursuant to the terms of the Deferred Compensation Plan, any shares of common stock that are deferred in the form of RSUs under the Deferred Compensation Plan will be distributed in the form of common stock to a director in two installments: (i) 50% upon a director's termination of his or her directorship with us and (ii) 50% one year after termination of his or her directorship with us. Similarly, unless otherwise elected, any cash fees that are deferred in the form of RSUs will be distributed upon the termination of the director's directorship with us. All amounts that are deferred in the form of RSUs under the Deferred Compensation Plan will be distributed in the form of common stock. The Deferred Compensation Plan was amended during fiscal 2004 to permit the directors to elect the timing of their distribution of cash fees and common stock that are deferred in the form of RSUs to be distributed at any date which is in a future Plan Year. A change to such election is not effective until two years after such change is made and must be made in compliance with Internal Revenue Code Section 409A.

Options

Each non-employee director was entitled to an annual grant of options to purchase 3,750 shares of our common stock.

Annual Committee Fees

Each non-employee member of the various board committees was entitled to annual retainers as follows: \$8,000 for the Chairman of the Audit Committee and \$5,000 for each other member of the Audit Committee; \$5,000 for the Chairman of each other committee of the Board and \$3,000 for each other member of each such other committee.

Other Expenses

We reimburse all reasonable expenses incurred by both employee and non-employee directors in connection with such meetings and pay the premiums on directors' and officers' liability and travel accident insurance policies insuring both employee and non-employee directors.

Report of the Audit Committee

The Audit Committee oversees our accounting and financial reporting process and audits of our financial statements on behalf of the Board and consists of four directors, all of whom are independent within the meaning of the NYSE Rules. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements in the Annual Report including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Board has approved a written charter which governs the Audit Committee. The Audit Committee met nine times during fiscal 2005.

The Audit Committee discussed with our independent registered public accounting firm, who is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received in writing information concerning our registered public accounting firms' independence from management and us including the matters in the written disclosures and letter required by the Independence Standards Board Standard No. 1 and considered the compatibility of non-audit services with our registered public accounting firms' independence.

The Audit Committee discussed with our independent registered public accounting firm the overall scope and plans for their audit. The Audit Committee met with our independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of our internal controls and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended October 1, 2005 for filing with the Commission. The Audit Committee and the Board have also recommended, subject to stockholder ratification, the selection of Ernst & Young LLP as our independent registered public accounting firm for fiscal 2006.

Table of Contents**EXECUTIVE COMPENSATION****Compensation Committee Report on Executive Compensation*****Executive Officer Compensation***

Our executive compensation program is designed to promote corporate performance by aligning the executive's compensation with the creation of stockholder value. We believe that base compensation of our executive officers should be generally competitive with that provided by public companies of similar size. The Compensation Committee strongly believes that a considerable portion of the executive officers' compensation should be contingent upon our operating results. To this end, overall compensation strategies have been developed to tie executive compensation to the successful achievement of performance goals. The three components of the executive compensation program are base salary, annual incentives and equity grants. These components are designed to (i) attract and retain high caliber executive talent, (ii) recognize individual accountability and performance, (iii) align management compensation with the achievement of operational and strategic goals and (iv) reward executives for both short and long term value creation for stockholders.

Base Compensation

The minimum base compensation levels of our executive officers and certain other aspects of their compensation were originally established under employment agreements. On December 5, 2005, the Compensation Committee awarded certain executive officers merit increases in base salary effective January 1, 2006. Mr. Clarke declined to be considered for an increase, as he has done since 1995. The overall increase in base salary approved on such date for the group of executive officers, including Mr. Clarke, averaged 2.4%. The Compensation Committee believes the base salaries to be reasonable and appropriate.

Incentive Compensation

Under our 2005 Annual Performance Incentive Plan (the 2005 Annual Plan), the Compensation Committee selects the executive officers eligible for participation and determines the targets and associated levels (e.g. entry level, a mid-point and a maximum level) for awards under the plan. The bonus level achieved for each fiscal year under the 2005 Annual Plan is determined based on the pre-established performance targets determined by the Compensation Committee and actual achievement of the targets is then confirmed by the Compensation Committee, prior to any bonuses being awarded.

At a meeting on December 1, 2004, the Compensation Committee finalized the fiscal 2005 performance targets for the then-executive officers and individual incentive targets as a percentage of base pay ranging from 55% to 100% and set performance targets that included earnings per share and net sales. At such time, Mr. Marini served as President of our Zurn Industries, Inc. subsidiary, and his incentive targets included EBITDA, net sales, primary working capital and earnings per share. Specified minimum levels were set at threshold levels of performance with increased levels for above-target achievements that could have resulted in bonuses under the Annual Plan of up to 150% of the target bonus. On December 1, 2005, the Compensation Committee determined that the executive officers, other than Mr. Marini, qualified for no bonuses for fiscal year 2005, except Mr. Marini qualified for and was paid a bonus equal to 105% of his target. The Committee set performance targets for fiscal 2006 that included EBITDA, earnings per share and a computation based on primary working capital. The Committee intends to implement a system of incentive compensation based on creation of value measured against the cost of capital, commencing after fiscal 2006.

The former LTIP, which was coordinated with the Annual Plan through the end of fiscal 2003, has been terminated. Participants under the former LTIP will receive payments from their accounts in that plan in annual installments through 2007. Long term incentive awards for fiscal 2005 consisting of restricted stock were granted under the 2004 Stock Incentive Plan (the 2004 Plan) as discussed below.

Table of Contents***Section 162(m) of the Code***

The Compensation Committee generally has analyzed the particular type of benefit or award and the rationale for granting such benefit or award in deciding whether it will seek to qualify the benefit or award as performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code) and expects to continue to do so in the future. Amounts awarded to the Chief Executive Officer and our other executive officers under the Annual Plan, as well as the portion of such awards deferred under our former LTIP are based on performance factors determined by the Compensation Committee that are predominately intended to qualify such bonuses for the performance-based compensation exception of Section 162(m) of the Code. It is also intended that the stock options awarded under the 2004 Plan will qualify for the performance-based compensation exception of Section 162(m) of the Code; restricted stock is discussed below.

Restricted Stock

The Compensation Committee granted 630,114 shares of restricted stock in fiscal 2005. The majority of these shares were awarded to selected key executives under our Long-Term Equity Participants Plan (the LTEP) based upon a combination of (1) 30% of the annual bonus awarded to the executive and (2) a percentage of the executive's base pay. The Compensation Committee awarded the balance of these shares on the basis of qualitative factors. These awards, along with certain restricted stock awards in prior years, were not principally intended to and may not qualify as performance-based compensation under Section 162(m) of the Code.

Stock Options

In fiscal 2005, the Compensation Committee granted an aggregate of 134,524 options to purchase Common Stock with an exercise price equal to the fair market value of Common Stock on the date of grant. These options were granted to key employees other than executive officers. Management makes recommendations to the Compensation Committee, other than for the Chief Executive Officer, as to how many options will be granted to eligible executives of Jacuzzi Brands and our subsidiaries. The Compensation Committee sets the grant, if any, for the Chief Executive Officer.

Chief Executive Officer's Compensation

The compensation of the Chief Executive Officer is primarily based on the employment agreement entered into with him. The Chief Executive Officer has declined to accept any increase in his base compensation since the Demerger from Hanson PLC in 1995. The Compensation Committee believes that he has sufficient equity arrangements that have created the desired mutuality of interest between himself and the stockholders, as his ultimate reward from these equity arrangements is primarily based upon our success.

The following graph compares our five-year cumulative total stockholder return (including reinvestment of dividends) with the cumulative total return on the Standard & Poor's 500 Composite Stock Price Index (the S&P 500 Index) and our peer group index. Our Peer Group consists of American Standard Companies, Inc., Black & Decker Corp., Fortune Brands, Inc., Jacuzzi Brands, Inc., Masco Corp., Newell Rubbermaid Inc., Pentair Inc. and Watts Water Technologies Inc.

The graph assumes that \$100 was invested on September 30, 2000 in each of Jacuzzi Brands common stock, the S&P 500 Index and the Peer Group index, and that all dividends were reinvested into additional shares of the same class of equity securities at the frequency with which dividends are paid on such securities during the applicable fiscal year. The peer group weighs the returns of each constituent company according to its stock market capitalization at the beginning of each period for which a return is indicated.

Jacuzzi Brands Master Pension Plan

The Jacuzzi Brands Master Pension Plan (the Retirement Plan) provides pension benefits to our eligible employees, including our executive officers. Participants will become vested in their benefits under the Retirement Plan after completing five years of service. Normal retirement is the later of age 65 or five years of service; however, employees who retire earlier may receive a reduced benefit.

Table of Contents

Under the Retirement Plan, the annual retirement benefits of our corporate office employees, including our executive officers, calculated as a single life annuity, is (i) the sum of (a) 1.95% of an employee's Final Average Earnings plus (b) 0.65% of that portion of the employee's Final Average Earnings in excess of Covered Compensation, multiplied by the employee's years of Credited Service (up to a maximum of 25). If the Participant entered the Retirement Plan before December 31, 1992 (the Freeze Date) the benefit, if greater than (i) above will be, (ii) the product of (a) 2.67% of an employee's Final Average Earnings minus 2% of such employee's Social Security Benefit, multiplied by the number of years of Credited Service the employee would have been credited with through his or her Normal Retirement Date (up to a maximum of 25) and (b) a fraction, the numerator of which is the actual number of years of Credited Service through, and the denominator of which is the number of years of Credited Service the employee would have been credited with through his Normal Retirement Date (the Offset Formula). Credited service for all corporate office employees, including our executive officers, includes years of service under predecessor plans sponsored by Hanson and us. All defined terms have the same meanings as in the Retirement Plan or as stated herein.

The following table shows the estimated annual retirement benefits that would be payable under the Retirement Plan to our corporate office employees, including our executive officers, assuming retirement at age 65 on the basis of a straight-life annuity. The table also includes benefits payable under the SRP, an unfunded supplemental retirement plan applicable to our executive officers, which is described below.

Supplemental Retirement Plans

The Jacuzzi Brands Supplemental Retirement Plan (the SRP) is a non-qualified, unfunded, deferred compensation plan administered by the Compensation Committee. In general terms, the purpose of the SRP is to restore to certain of our executive officers any benefits in excess of the benefits accrued under the Retirement Plan that would have accrued under the Offset Formula without regard to the Freeze Date (up to a maximum of 25 years of Credited Service). In addition, the SRP provides for benefits in excess of the limitations on the amount of benefits accrued and compensation taken into account in any given year imposed by Sections 415 and 401(a)(17) of the Code, respectively, with respect to a qualified plan such as the Retirement Plan. Under the SRP, a participant's annual benefit is equal to 66²/₃% of his or her Average Final Compensation (bonuses and other awards are excluded) less 50% of his or her Primary Social Security Benefit, multiplied by the number of years of Credited Service (up to a maximum of 25) divided by 25, less the vested benefit under the Retirement Plan. Provisions relating to vesting, retirement and forms of payment are the same as the provision of the Retirement Plan, other than

the early retirement age, which is age 60 (and 5 years of Credited Service) for the SRP and age 55 (and 10 years of Vesting Service) for the Retirement Plan. Although Mr. Clarke had declined to be considered for increases in his base salary from the Demerger through calendar year 2004 under the terms of the SRP he was deemed to receive a salary increase for purposes of the SRP for each of the years equal to the average salary increase for our executive officers. As of the end of fiscal year 2004, the calculated amount of Mr. Clarke's Average Final Compensation under the SRP was \$1,188,301. Capitalized terms used in this paragraph have the meanings defined for them in the SRP or in the Retirement Plan, as applicable.

Mr. Marini participates in the Retirement Plan, as well as the Zurn Supplemental Pension Plan (Zurn SRP) and the Supplemental Executive Retirement Plan of Zurn Industries, Inc. (Zurn SUP). The Zurn SRP and Zurn SUP provide Mr. Marini with benefits in excess of the benefits accrued under the Retirement Plan, similar to the SRP described above. In addition, Mr. Marini's employment agreement provides Mr. Marini with a minimum retirement benefit. Pursuant to the employment agreement, if Mr. Marini's employment terminates no earlier than age 62, and so long as such termination is not for cause, Mr. Marini shall be provided a minimum monthly retirement benefit (Minimum Retirement Benefit) payable in the form of a joint and survivor annuity in an amount equal to \$20,000 per month with the survivor benefit equal to 60% of such amount. The Minimum Retirement Benefit is reduced by any monthly benefits accrued or payable under any qualified or non-qualified pension plans covering Mr. Marini during his employment with the Company and/or Zurn and/or the actuarial equivalent of such benefits, including the Retirement Plan, the Zurn SRP and the Zurn SUP.

Employment Agreements***Existing Employment Agreements***

The following is a summary of the existing employment agreements between us and each of the named executive officers. The employment agreements provide for each named executive to serve in the respective capacities indicated in the Summary Compensation Table above.

Mr. Clarke's term of employment will terminate at such time as Mr. Clarke and the Board mutually agree. The initial term of employment for Mr. Marini will expire at the end of a three-year term. The term of each of the agreements is subject to automatic extension for additional three-year terms in the case of Mr. Clarke's employment agreement, and additional one-year terms in the case of Messrs. Barre, Marini, Park and Puñal, unless either party gives at least ninety (90) days prior written notice of non-extension or the agreement is terminated earlier as discussed below.

The existing employment agreements specify the base salary in effect when signed by Messrs. Clarke, Barre, Marini, Park and Puñal (\$750,000, \$285,000, \$450,000, \$310,000 and \$155,000, respectively) provide for annual review of salaries by the Board or Compensation Committee and further provide that the base salaries may be increased from time to time but decreased only in limited circumstances. As provided in the employment agreements, each executive is eligible to receive an annual cash bonus, with a target bonus percentage equal to at least 100% of base salary for Mr. Clarke, 90% of base salary for Mr. Marini, 70% of base salary for Messrs. Barre and Park, and 55% of base salary for Mr. Puñal, pursuant to our annual incentive bonus plan or a successor plan (the Target Bonus). The employment agreements also entitle the executives to participate generally in all pension, retirement, savings, welfare and other employee benefit plans and arrangements and fringe benefits and perquisites maintained by us from time to time for senior executives of a comparable level.

The employment agreement for Mr. Clarke provides that if his employment with us is terminated by reason of death or disability (as defined in his employment agreement), Mr. Clarke or his legal representative will receive, in addition to accrued compensation (including, without limitation, any declared but unpaid bonus, any amount of base salary or deferred compensation accrued or earned but unpaid, any accrued but unused vacation pay and unreimbursed business expenses (the Accrued Amounts)), a prorated Target Bonus for the fiscal year of his death or disability, full accelerated vesting under all equity-based and long-term incentive plans, any other amounts or benefits owed to him under the then applicable employee benefit plans or policies of ours, which will be paid in accordance with such plans or policies,

Table of Contents

payment of base salary on a monthly basis for twelve (12) months and payment of spouse's and dependents' COBRA coverage premiums for no more than three (3) years, subject in the case of disability to offset against the base salary payment by the amount he would receive under any long-term disability program maintained by us. If his employment with us is terminated by him for good reason (as defined in his employment agreement), by us without cause (as defined in his employment agreement), by nonextension of the employment term by us, or by him for any or no reason within two (2) years after a change in control (as defined in his employment agreement), Mr. Clarke will receive the above benefits, except that instead of the continued salary he will receive a lump sum payment equal to three (3) times his base salary and highest annual bonus (or, following a change in control, his target bonus) plus three (3) years of the maximum Company 401(k) contribution. If he is terminated for cause, he voluntarily resigns or the Company retires him at or after his sixty-fifth birthday, he will only receive the Accrued Amounts and the benefits under the Clarke Transition Agreement described below.

The employment agreements with Messrs. Barre, Marini, Park and Puñal provide that upon a termination by reason of death or disability, the executives or their legal representatives will receive only the Accrued Amounts and any other amounts or benefits owed to them under the then applicable employee benefit plans, long-term incentive plans or equity plans and programs of ours, which will be paid in accordance with such plans and programs.

The employment agreements with Messrs. Barre, Marini, Park and Puñal provide that on a termination by the executive for good reason (as defined in the applicable employment agreement), by us without cause (as defined in the applicable employment agreement) or nonextension of the employment term by us, they will receive among other things (i) the Accrued Amounts and (ii) equal monthly payments of the executive's then monthly rate of base salary for twelve (12) months, in the case of Messrs. Barre, Park and Puñal, and twenty four (24) months, in the case of Mr. Marini. If their termination is within two (2) years after a change in control (as defined in the applicable employment agreement), they will instead receive, among other things, (i) the Accrued Amounts, (ii) lump sum payments equal to two (2) times base salary and target bonus, (iii) two (2) years of additional service and compensation credit for pension purposes, (iv) two (2) years of the maximum Company 401(k) contribution, and (v) payment of COBRA or health coverage premiums for two (2) years.

The employment agreements provide that if the named executive officers receive severance and other payments that exceed certain threshold amounts and result from a change in ownership (as defined in Section 280G(b)(2) of the Internal Revenue Code), they will receive additional amounts to cover the federal excise tax and any interest or penalties with respect thereto on a grossed-up basis.

Messrs. Barre, Marini, Park and Puñal are required to execute a release prior to receiving severance payments and they must comply with certain provisions relating to confidential information, non-competition and non-solicitation.

The employment agreements of each of the named executive officers also provide for indemnification for actions in their corporate capacity, directors' and officers' liability insurance and coverage in most instances for legal fees incurred in enforcing their rights under their respective employment agreements.

Clarke Transition Agreement

Under the terms of Mr. Clarke's original transition agreement, his term of employment was to expire on, and his existing employment agreement was to remain in effect until, the Retirement Date (October 2, 2005) following which he was to continue to serve as our Non-executive Chairman of the Board. On August 10, 2005, we amended the transition agreement so that the Retirement Date will be a mutually agreed upon later date between the parties instead of the October 2, 2005 date. From and after the Retirement Date, which has not yet been determined, his employment agreement will be superseded by the transition agreement.

Mr. Clarke's transition agreement provides that following the Retirement Date, as long as Mr. Clarke remains Chairman, (i) we will pay him a base annual salary of \$125,000, (ii) on October 1 of each year,

Table of Contents

we will grant him \$100,000 of restricted stock which will vest on the earliest of the date set forth in the restricted stock grant award, the date Mr. Clarke ceases to be chairman for any reason or a change in control (as defined in Mr. Clarke's existing employment agreement), (iii) as of the Retirement Date, Mr. Clarke's benefits under the Retirement Plan, the SRP and the 401(k) plan will be paid in accordance with the terms thereof; (iv) we will continue to provide Mr. Clarke (and his spouse and dependents, if applicable), with the same medical, health, vision, dental benefits, etc. (Welfare Benefits) during his lifetime, at our expense, as those provided to our other senior executives; (v) we will continue to make premium payments under our group life insurance policies, to the extent coverage is available, until the date on which Mr. Clarke ceases to be the Chairman for any reason whatsoever (the Separation Date); and (vi) for a period of twelve months following the Separation Date, we will reimburse Mr. Clarke for certain reasonable and necessary office expenses, in an amount not to exceed \$50,000 per year and continue to provide him with the services of an executive assistant, at our expense. We have also agreed to establish a special retirement arrangement (the SRA) that will provide Mr. Clarke with a monthly benefit for the remainder of his life in the amount of \$3,216 beginning on the six-month anniversary of the original October 2, 2005 Retirement Date. The amounts Mr. Clarke receives under the SRP will be adjusted as necessary so that the amounts he receives under the SRP and under the SRA are in the aggregate no greater than the amounts he would have received if he actually retired on October 2, 2005. Upon Mr. Clarke's death, the SRA will provide a monthly benefit to Mr. Clarke's spouse for the remainder of her life, subject to certain exceptions, along with the benefits that she would receive under the Retirement Plan and the SRP.

While Mr. Clarke serves as Chairman, any outstanding options or restricted stock granted by us to Mr. Clarke will continue to vest in accordance with their terms. Anything contained in the option agreements notwithstanding, all of such options will immediately become fully vested and non-forfeitable on the earlier of a change in control or the Separation Date to the same extent as though Mr. Clarke had attained age sixty-five (65). All of Mr. Clarke's options to purchase shares of our common stock will be exercisable until one year from the Retirement Date in accordance with the plan under which such options were issued.

During the term of the transition agreement and after the Retirement Date, for the period of the applicable statute of limitations with regard to any claim which may be asserted against him arising from his duties as an officer or director, Mr. Clarke will continue to retain his rights to indemnification by us, or through any D&O insurance policies purchased by us, to the maximum extent that Mr. Clarke would have been entitled to indemnification at any time during his employment by us. In the event of a change in control, we will buy a directors' and officers' liability policy tail providing comparable coverage covering Mr. Clarke as an officer or director of ours for a period of six (6) years from the effective date of the change in control, unless the acquiring company has purchased a tail policy providing comparable coverage for all of our present and former officers and directors.

Effective on the execution date of the transition agreement, Mr. Clarke's spousal death benefit under the Retirement Plan (to the extent permissible under the Retirement Plan) and the SRP will be the survivor benefit under a joint and one hundred percent (100%) lifetime survivor annuity with no actuarial adjustment to the lifetime benefit of Mr. Clarke.

Mr. Clarke's LTIP account balance as in effect for fiscal 2003, in the amount of \$236,273, will be paid to him in four (4) equal installments in accordance with the terms of the LTIP. For fiscal 2004 and 2005, the transition agreement provided that Mr. Clarke will be granted comparable amounts as he would have been allocated under the prior LTIP (\$225,000 and \$0, respectively) which will be paid to him in four (4) equal annual installments following the six month anniversary of the Separation Date.

For purposes of determining the amount of any compensation, or vesting of any benefit or other rights or options payable to or exercisable by Mr. Clarke hereunder, Mr. Clarke will be deemed and treated as though he had retired on July 2, 2006, at age sixty-five (65), under all company pension, welfare and benefit plans.

Table of Contents

Effective on the execution date of the transition agreement, if there is a change in control, prior to the date on which all amounts payable under the transition agreement have been made, such remaining amounts, together with any and all amounts due to Mr. Clarke under Mr. Clarke's existing employment agreement upon a change in control, will be paid in a lump sum within five (5) days after such change in control.

If Mr. Clarke dies prior to the Retirement Date, all payments and benefits due under the transition agreement will be paid to Mr. Clarke's beneficiary(ies) when otherwise due in accordance with the transition agreement.

Mr. Clarke is required to execute a release in connection with the execution of the transition agreement and he must comply with certain provisions relating to confidential information, non-competition and non-solicitation.

His term of employment was scheduled to expire at the end of the initial three-year term.

The employment agreement provided that upon a termination of employment by Mr. Devine for good reason (as defined in the employment agreement), by us without cause (as defined in the employment agreement) or nonextension of the employment term by us, he would generally be entitled to receive among other things (i) a lump sum amount equal to the sum of (A) two times his then current base salary plus (B) two times his highest bonus received in any of the three previously completed fiscal years prior to such termination; (ii) the Accrued Amounts; (iii) accelerated vesting of all equity compensation under any of our equity based compensation plans, programs or policies; (iv) any amounts or benefits owing to him under our then existing employee benefit plans which shall be determined and paid in accordance with the terms thereof; (v) two years of additional service and compensation credit for pension purposes under any of our defined benefit type qualified or nonqualified pension plans or arrangements; (vi) two years of the maximum annual company contribution then in effect under any type of qualified or nonqualified 401(k) plan; and (vii) two years of certain welfare benefits to the executive and his dependents by paying the applicable COBRA premium for Mr. Devine and his dependents, or by covering Mr. Devine and his dependents under substitute arrangements.

The employment agreement provided that Mr. Devine was required to execute a release prior to receiving severance payments and he must comply with certain provisions relating to confidential information, non-competition and non-solicitation.

The health and dental coverage provided to Mr. Devine will be credited towards any eligibility period Mr. Devine or his dependents may have under COBRA following the termination of employment. Mr. Devine's entitlement to benefits or payments under any of our benefit plans will continue to be governed by the terms of those plans.

The severance agreement states Mr. Devine must comply with certain provisions relating to confidential information, non-competition and non-solicitation as described in Mr. Devine's Employment Agreement, dated April 21, 2003.

Hennemuth Employment Agreement

We entered into an employment agreement with Robert G. Hennemuth on December 24, 2004 (the Hennemuth Employment Agreement). As discussed below, on September 16, 2005, we entered into a Separation Agreement with him. As provided in the employment agreement, Mr. Hennemuth's term of employment was scheduled to be for a one-year term.

Mr. Hennemuth's participation under any of the Company's benefit programs such as health, dental, life and LTD, ceased at the end of his employment. The Company will pay Mr. Hennemuth's continued coverage premium under COBRA for twelve (12) months from the Hennemuth Termination Date. It is agreed and understood that the Company's obligation to pay Mr. Hennemuth's premium under COBRA will immediately end at the time Mr. Hennemuth obtains full-time employment with any employer. Mr. Hennemuth's entitlement to benefits or payments under any of the Company's benefit plans will continue to be governed by the terms of those plans and as required by law.
