Notes Offering

On July 31, 2017, Cliffs Natural Resources Inc. (the "Company") announced that it had priced its previously announced private offering of \$575 million aggregate principal amount of additional senior guaranteed notes (the "Notes"). The Notes will bear interest at an annual rate of 5.75%. The Notes will constitute an additional issuance of the Company's 5.75% senior guaranteed notes due March 1, 2025, \$500 million aggregate principal amount of which have been previously issued. The Company expects to close the offering of the Notes on August 7, 2017, subject to the satisfaction of customary closing conditions.

The Company intends to use the net proceeds from the offering of the Notes, along with cash on hand, to repurchase and/or redeem all of its outstanding 8.250% senior secured notes due 2020 (the "Senior Secured Notes"), including tender or redemption premiums with respect to such repurchase and/or redemption, and to pay related transaction costs.

This announcement was contained in a press release, a copy of which is filed as Exhibit 99.1 hereto and is incorporated herein by reference.

This Current Report on Form 8-K does not constitute an offer to purchase, nor a solicitation of an offer to sell, the Notes or any other securities. The Notes will not be and have not been registered under the Securities Act of 1933, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements.

Conditional Notice of Redemption

On August 1, 2017, the Company will issue a conditional notice of redemption to holders of its Senior Secured Notes for all of the Senior Secured Notes outstanding following the settlement of the previously announced tender offer, at a redemption price equal to the sum of (i) 100.000% of the principal amount thereof and (ii) the Applicable Premium (as defined in the indenture under which the Senior Secured Notes were issued) as of, and accrued and unpaid interest to, but excluding, the redemption date. Assuming the condition is satisfied, the redemption date is expected to be August 31, 2017.

This Current Report on Form 8-K does not constitute an offer to purchase, or a notice of redemption with respect to the Senior Secured Notes or any other securities.
