This prospectus supplement relates to the resale by the selling securityholders listed below of 8 1/4% Convertible Senior Notes due 2006 of Freeport-McMoRan Copper & Gold Inc. and its wholly owned subsidiary, FCX Investment Ltd., and the shares of class B common stock of Freeport-McMoRan Copper & Gold Inc. issuable upon the conversion of the notes. You should read this prospectus supplement together with the prospectus dated March 12, 2002, and the prospectus supplements No. 1 dated April 15, 2002, and No. 2 dated April 29, 2002, which are to be delivered with this prospectus supplement.

The table below (1) sets forth additional and updated information with respect to the principal amount of notes owned by each selling securityholder, and the shares of common stock into which such notes are convertible, that may be offered under the prospectus and the prospectus supplements by the selling securityholders; and (2) supplements and, to the extent inconsistent with, amends both the table appearing in the section entitled "Selling Securityholders" beginning on page 43 of the prospectus and the tables set forth in the prospectus supplements. The information is based on information provided by or on behalf of the selling securityholders. The selling securityholders identified below may have sold, transferred or otherwise disposed of all or a portion of their notes or common stock since the date on which they provided the information regarding their notes or common stock in transactions exempt from the registration requirements of the Securities Act of 1933. Because the selling securityholders may offer all or some portion of the notes or the common stock to be offered by them, we cannot estimate the amount of any sales.
