Item 1.01 Entry into a Material Definitive Agreement.

On July 9, 2013, we entered into a credit agreement for the financing of the third Oasis-class ship. This agreement makes available to Royal Caribbean Cruises Ltd. an unsecured term loan in an amount up to approximately €892 million. Compagnie Française d'Assurance pour le Commerce Extérieur ("COFACE"), the export credit agency of France, has agreed to guarantee to the lenders 100% of the financing.

The loan, once funded, will amortize semi-annually and will mature twelve years following the delivery of the ship, which is scheduled to occur in the second quarter of 2016. At our election prior to the ship delivery, interest on the loan is expected to accrue either (1) at a fixed rate of 2.60% (inclusive of the applicable margin), or (2) at a floating rate equal to EURIBOR plus 1.15%. The credit agreement contains customary events of default and prepayment events for, among other things, non-payment, breach of covenants, default on certain other indebtedness, certain large judgments and a change of control of the Company.

Certain of the lenders participating in the facility, and affiliates of those parties, provide banking, investment banking and other financial services to us from time to time for which they have received, and will in the future receive, customary fees.

The foregoing description of the provisions of the credit agreement is summary in nature and is qualified in its entirety by reference to the full and complete terms of the credit agreement, a copy of which is filed herewith as Exhibit 10.1 and incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The disclosure required by this item is included in Item 1.01 of this Current Report on Form 8-K and is incorporated herein by reference.
