PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

AMENDMENT OF PRIOR REGISTRATION STATEMENT

The Registrant's Form S-8 Registration Statement filed with the Securities and Exchange Commission (the "Commission") on November 30, 1994 (Registration No. 33-86840) (the "1994 Registration Statement") is hereby amended to provide that up to 101,808 shares of common stock (as adjusted for two stock splits of the Registrant) previously registered for issuance under the Registrant's Employees' Stock Purchase Program (the "Program") on the 1994 Registration Statement may now be issued under the Registrant's 2002 Employee Stock Purchase Plan, subject to the terms and conditions of that plan. Section 4 of the 2002 Employee Stock Purchase Plan provides that any shares not issued under the Program as of June 30, 2002, up to an aggregate maximum of 956,699 shares, will no longer be available for grant and issuance under the Program but will be available for issuance under the 2002 Employee Stock Purchase Plan.

694,298 shares were originally registered for issuance under the Program on the 1994 Registration Statement. After adjustment for each of the Registrant's three-for-two stock splits, effective as of May 15, 2001 and June 1, 1998, respectively, the number of shares registered for issuance under the Program on the 1994 Registration Statement automatically increased to 1,562,170 shares. Of this amount, 101,808 shares remained available for issuance under the Program as of June 30, 2002 and may now be issued under the 2002 Employee Stock Purchase Plan.

The contents of the 1994 Registration Statement referred to above are otherwise incorporated by reference into this Post-Effective Amendment No. 1 to such Registration Statement, except as described herein. Required consents and signatures are included in this Post-Effective Amendment No. 1.
