PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of CNE Group, Inc., a Delaware corporation (the "Company"), of proxies for use in voting at the Annual Meeting of Stockholders to be held at 200 West 57th Street, Suite 800, New York, New York 10019, on Friday, June 18, 2003 at 10:00 a.m. and any adjournment or postponement thereof, for the purposes set forth in the attached Notice of Annual Meeting. The approximate date on which this Proxy Statement and the accompanying proxy will be mailed to stockholders is May 18, 2004. The Company's Form 10-KSB (without exhibits) for the fiscal year ending December 31, 2003, including financial statements, is being mailed to stockholders along with this Proxy Statement. The shares represented by the proxies received, properly dated and executed and not revoked, will be voted at the Annual Meeting. A proxy may be revoked in writing

Edgar Filing: CNE GROUP INC - Form DEF 14A

at any time before it is exercised by filing with the Secretary of the Company at its principal office, 200 West 57th Street, Suite 507, New York, New York 10019, an instrument of revocation or a duly executed proxy bearing a later date. A proxy may also be revoked by attendance at the meeting and election to vote in person.

On the matters coming before the Annual Meeting, shares for which proxies are received will be voted in accordance with choices specified by the stockholders by means of the ballot on the proxy. If no choice is specified, each share will be voted FOR the election of the three (3) nominees for Director listed in this Proxy Statement and FOR approval of Proposals No. 2 and No. 3 described in the attached notice and in this Proxy Statement.

The close of business on May 10, 2004 has been fixed as the record date for determining the stockholders entitled to notice of and to vote at the Annual Meeting and any adjournment or postponement thereof. As of the close of business on such date, the Company had 10,640,915 shares of Common Stock, \$0.00001 par value, outstanding.

A majority of the outstanding shares of Common Stock of the Company will constitute a quorum for the transaction of business at the Annual Meeting, but if a quorum is not present, in person or by proxy, the meeting may be adjourned from time to time until a quorum is obtained. Each share of Common Stock is entitled to one vote on all matters. No other class of securities will be entitled to vote at the meeting. There are no cumulative voting rights.

The three nominees for a term of three years receiving the highest number of votes cast by the holders of common stock represented and voting at the meeting will be elected as the Company's directors for their respective terms. The affirmative vote of at least a majority of the shares represented and voting at the annual meeting at which a quorum is present (which shares voting affirmatively also constitute at least a majority of the required quorum) is necessary for approval of Proposals No. 2 and No. 3.

The expense of printing and mailing proxy materials will be borne by the Company. In addition to the solicitation of proxies by mail, solicitation may be made by certain directors, officers and other employees of the Company by personal interview, telephone, facsimile, e-mail or telegraph. No additional compensation will be paid for such solicitation. Copies of solicitation material will be furnished to brokerage houses, fiduciaries and custodians to forward to beneficial owners of Common Stock held in their names. The Company will reimburse those persons for their reasonable expenses in forwarding solicitation material to such beneficial owners. The Company's transfer agent will tabulate the votes.

If you are the beneficial owner of shares held in "street name" by a broker, the broker, as the record holder of the shares, is required to vote those shares in accordance with your instructions. If you do not give instructions to the broker, the broker will nevertheless be entitled to vote the shares with respect to "discretionary" items but will not be permitted to vote the shares with respect to "non-discretionary" items (in which case, the shares will be treated as "broker non-votes").

While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, the Company believes that abstentions should be counted for purposes of determining both: (i) the presence or absence of a quorum for the transaction of business; and (ii) the total number of votes cast with respect to a proposal (other than the election of directors). In the absence of controlling precedent to the contrary, the Company intends to treat

Edgar Filing: CNE GROUP INC - Form DEF 14A

abstentions in this manner. Accordingly, abstentions will have the same effect as a vote against the proposal (other than the election of directors).

Under current Delaware case law, while broker non-votes (i.e. the votes of shares held of record by brokers as to which the underlying beneficial owners have given no voting instructions) should be counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes should not be counted for purposes of determining the number of votes cast with respect to the particular proposal on which the broker has expressly not voted. The Company intends to treat broker non-votes in this manner. Thus, a broker non-vote will make a quorum more readily obtainable, but the broker non-vote will not otherwise affect the outcome of the voting on a proposal.

The principal function of the Audit Committee is to serve as an independent and objective party to assist the Board of Directors in monitoring the integrity of the financial statements of the Company, the compliance by the Company with legal and regulatory requirements, and the independence and performance of the Company's auditors.

They will consider shareholder recommendations for director nominees that are properly received in accordance with our Bylaws and the applicable rules and regulations of the Securities and Exchange Commission.

Audit Committee Report

The Audit Committee of the Board of Directors is currently composed of three independent directors and operates under a written charter prepared and adopted by the Board of Directors. The Audit Committee recommends to the Board of Directors, subject to stockholders' ratification, the selection of the Company's independent accountants.

Management is responsible for the Company's internal controls and financial reporting process. The Company's independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America, and for expressing an opinion on the conformity of the financial statements to accounting principles generally accepted in the United States of America. The Audit Committee's responsibility, as the representative of the Board of Directors, is to monitor and oversee the processes.

In this context, the Audit Committee met and held discussions with management and Rosen Seymour Shapss Martin & Company LLP ("RSSM"). Management represented to the Audit Committee that the Company's audited financial statements were prepared in accordance with accounting principles generally accepted within the United States of America, and the Audit Committee has reviewed and discussed the audited financial statements with management and RSSM. In addition, the Committee has discussed with RSSM the matters required to be discussed by Statement on Auditing Standards No. 61 Communication with Audit Committees. The Audit Committee also has received the written disclosures and letter from RSSM required by Independence Standards Board Standard No. 1 Independence Discussions with Audit Committees, and has discussed with RSSM its independence from the Company.

Based on reviews, discussions and other matters referred to in the preceding paragraph, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2003.

1999 Stock Option Plan. This Plan was terminated on April 23, 2003. On March 14, 2003, the recipients of all outstanding awards under the Plan waived their rights to such awards.

2003 Stock Incentive Plan. The Stockholders approved the 2003 Stock Incentive Plan (the "2003 Plan"), which provides, among other matters, for incentive and non-qualified stock options to purchase 5,000,000 shares of Common Stock. The

Edgar Filing: CNE GROUP INC - Form DEF 14A

purpose of the 2003 Plan is to provide incentives to officers, key employees, directors, independent contractors and agents whose performance will contribute to the long-term success and growth of the Company, to strengthen the ability of the Company to attract and retain officers, key employees, directors, independent contractors and agents of high competence, to increase the identity of interests of such people with those of the Company's stockholders and to help build loyalty to the Company through recognition and the opportunity for stock ownership. The 2003 Plan is administered by the Incentive Compensation Committee of the Board.

The 2003 Plan permits the granting of both incentive stock options and non-qualified stock options. Generally, the option price of both incentive stock options and non-qualified stock options must be at least equal to 100% of the fair market value of the shares on the date of grant. The maximum term of each option is ten years. For any participant who owns shares possessing

11

more than 10% of the voting rights of the Company's outstanding shares of Common Stock, the exercise price of any incentive stock option must be at least equal to 110% of the fair market value of the shares subject to such option on the date of grant and the term of the option may not be longer than five years. Options become exercisable at such time or times as the Board may determine at the time it grants options.

Under the 2003 Plan, incentive stock options may be granted only to officers and employees and non-qualified stock options may be granted to officers, employees as well as directors, independent contractors and agents.

The 2003 Plan may be amended, terminated or modified by the Board at any time, except that the Board may not, without approval by a vote of the stockholders of the Company (i) increase the maximum number of shares for which options may be granted under the 2003 Plan, (ii) change the persons eligible to participate in the 2003 Plan, or (iii) materially increase the benefits accruing to participants under the 2003 Plan. No such termination, modification or amendment may affect the rights of an optionee under an outstanding option or the grantee of an award.

On April 30, 2003, incentive stock options to purchase 1,987,500 shares of the Company's common stock were granted by the Incentive Compensation Committee of the Board of Directors to five officers (1,800,000) and one employee (187,500) of the Company at a weighted average exercise price of \$1.32 per share. On November 4, 2003, incentive stock options to purchase 950,000 shares of the Company's common stock were granted by the Incentive Compensation Committee of the Board of Directors to three officers of the Company at a weighted average exercise price of \$1.09 per share. On January 21 2004, incentive stock options to purchase 601,000 shares of the Company's common stock were granted by the Incentive Compensation Committee of the Board of Directors to one officer and 18 employees of the Company at a weighted average exercise price of \$0.50 per share. On April 30, 2003 (435,000), November 4, 2003 (220,000), November 21, 2003 (100,000) and January 21, 2004 (295,500), non-qualified stock options to purchase an aggregate 1,050,500 shares of the Company's common stock were granted by the Board of Directors of the Company to certain independent contractors (975,500) and Directors (75,000) of the Company. No options granted have been exercised.

PROPOSAL NO. 2

AMENDMENT TO THE 2003 STOCK INCENTIVE PLAN

On April 30, 2003, the Board adopted the 2003 Stock Incentive Plan, which was amended by the Board on November 4, 2003 (the "2003 Plan"), that provides, among other things, for incentive and non-qualified stock options to purchase 5,000,000 shares of Common Stock. The purpose of the Plan is to aid the Company and its Affiliates in recruiting and retaining employees, directors, advisors and consultants and to motivate them to exert their best efforts on behalf of the Company and its Affiliates by providing incentives through the granting of Awards. The Company expects that it will benefit from the added interest that such employees, directors, advisors and consultants will have in the welfare of the Company as a result of their proprietary interest in the Company's success. The 2003 Plan is administered by the Incentive Compensation Committee of the Board. The stockholders of the Company approved the 2003 Plan at the Company's Annual Meeting held on December 13, 2003.

As of April 1, 2004, options to purchase an aggregate of 4,589,000 shares of Common Stock had been awarded under the 2003 Plan. The Board of Directors believes the remaining shares available for options that could be awarded under the 2003 Plan (411,000) will be insufficient to recruit and retain employees, directors, advisors and consultants and to motivate them to exert their best efforts on behalf of the Company and, accordingly, on April 16, 2004 approved an amendment to the 2003 Plan, subject to stockholder approval, increasing the total number of shares of Common Stock for options available for award from 5,000,000 to 10,000,000.

The proposed amendment to the 2003 Plan is attached to the Proxy Statement as Appendix A.

Edgar Filing: CNE GROUP INC - Form DEF 14A

SUMMARY OF THE 2003 STOCK INCENTIVE PLAN

TERMS OF OPTIONS

The 2003 Plan permits the granting of both incentive stock options and non-qualified stock options. Generally, the option price of both incentive stock options and non-qualified stock options granted to employees must be at least equal to 100% of the fair market value of the shares on the date of grant. The maximum term of each option is ten years. For any participant who owns shares possessing more than 10% of the voting rights of the Company's outstanding shares of Common Stock, the exercise price of any incentive stock option must be at least equal to 110% of the fair market value of the shares subject to such option on the date of a grant and the term of the option may not be longer than five years. Options become exercisable at such time or times as the Board may determine at the time it grants options.

FEDERAL INCOME TAX CONSEQUENCES

Non-qualified Stock Options. The grant of non-qualified stock options will have no immediate tax consequences to the Company or the employee. In general, the exercise of a non-qualified stock option will require an employee to include in his gross income the amount by which the fair market value of the acquired shares on the exercise date (or the date on which any substantial risk of forfeiture lapses) exceeds the option price.

15

Upon a subsequent sale or taxable exchange of the shares acquired upon exercise of a non-qualified stock option, an employee will recognize long or short-term capital gain or loss equal to the difference between the amount realized on the sale and the tax basis of such shares.

The Company will be entitled (provided applicable withholding requirements are met) to a deduction for federal income tax purposes at the same time and in the same amount as the employee is in receipt of income in connection with the exercise of a non-qualified stock option.

Incentive Stock Options. The grant of an incentive stock option will have no immediate tax consequences to the Company or the employee. If the employee exercises an incentive stock option and does not dispose of the acquired shares within two years after the grant of the incentive stock option or within one year after the date of the transfer of such shares to him (a "disqualifying disposition"), he will realize no compensation income and any gain or loss that he realizes on a subsequent disposition of such shares will be treated as a long-term capital gain or loss. For purposes of calculating the employee's alternative minimum taxable income, however, the option will be taxed as if it were a non-qualified stock option.

ELIGIBILITY

Under the 2003 Plan, incentive stock options may be granted only to officers and employees and non-qualified stock options may be granted to officers, employees as well as directors, independent contractors and agents.

In April and November 2003, the Incentive Compensation Committee of the Board authorized the grant of 2,750,000 incentive stock options to six officers and 187,500 incentive stock options to an employee of the Company. In addition, the Board of Directors of the Company authorized the grant of 825,000 non-qualified stock options to various advisors to and independent contractors

Edgar Filing: CNE GROUP INC - Form DEF 14A

of the Company.

GENERAL

The 2003 Stock Incentive Plan was effective on April 30, 2003, the date it was approved by the Board, and was amended by the Board on November 4, 2003, both such actions being approved by the holders of a majority of the shares of the Company entitled to vote at the Company's Annual Meeting on December 18, 2003, and shall continue until terminated or suspended by the Board. The 2003 Plan may be amended, terminated or modified by the Board at any time, except that the Board may not, without approval by a vote of the stockholders of the Company (i) increase the maximum number of shares for which options may be granted under the 2003 Plan, (ii) change the persons eligible to participate in the 2003 Plan, or (iii) materially increase the benefits accruing to participants under the 2003 Plan. No such termination, modification or amendment may affect the rights of an optionee under an outstanding option or the grantee of an award.

The Company believes that the amendment to the 2003 Plan should be approved so that an appropriate amount of shares of Common Stock are available for options that can be granted to key employees, officers and directors as well as independent contractors and agents upon whose performance and contribution the long-term success and growth of the Company is dependent.

16

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL AND ADOPTION OF THE AMENDMENT TO THE 2003 STOCK INCENTIVE PLAN AND, UNLESS A STOCKHOLDER SIGNIFIES OTHERWISE, THE PERSONS NAMED IN THE PROXY WILL SO VOTE.

PROPOSAL NO. 3

RATIFICATION OF SELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

On January 21, 2004, the Audit Committee of the Board of Directors engaged Rosen Seymour Shapss Martin & Company LLP ("RSSM"), whose business address is 757 Third Avenue, New York, NY 10017, as independent public accountants to audit the financial statements of the Company and its subsidiaries for the fiscal year 2004 and to review the quarterly interim periods commencing March 31, 2004. This selection is being presented to the stockholders for their ratification at the Annual Meeting.

The firm of Eisner LLP ("Eisner") audited the Company's financial statements for the fiscal years 1987 through 2002. On June 30, 2003, the Company terminated Eisner as independent public accountants. The report of Eisner on the Company's consolidated financial statements at December 31, 2002 and for the year then ended did not contain an adverse opinion or a disclaimer of opinion; however, Eisner's report for the year ended December 31, 2002 contained an explanatory paragraph due to uncertainty regarding the Company's ability to continue as a going concern. In addition, Eisner did not review any interim condensed financial statements for any period subsequent to March 31, 2003. Information included in Item 5 - Other Information of Part II of the March 31, 2003 Form 10-Q regarding the Company's pro-forma balance sheet as of March 31, 2003 was not examined or reviewed by Eisner.

This uncertainty was also disclosed in the Company's condensed consolidated financial statements for the interim periods ended March 31, 2003, June 30, 2003 and September 30, 2003.

Edgar Filing: CNE GROUP INC - Form DEF 14A

The firm of Rosen Seymour Shapss Martin & Company LLP ("RSSM") reviewed the interim condensed financial statements for the periods subsequent to March 31, 2003 and audited the Company's financial statements for the fiscal year ended December 31, 2003. The report of RSSM on the Company's consolidated financial statements at December 31, 2003 and for the year then ended did not contain an adverse opinion or a disclaimer of opinion however, RSSM's report for the year ended December 31, 2003 contained an explanatory paragraph due to uncertainty regarding the Company's ability to continue as a going concern.. The Company had not consulted with RSSM prior to RSSM's retention on any matter regarding either (a) the application of accounting principles or the type of audit opinion that might be rendered on the Company's financial statements, or (b) any other matter that was either the subject of any disagreement between us and our former auditor or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K promulgated under the Securities Act of 1933).

During the Company's two most recent fiscal years ended December 31, 2003, there were no disagreements with Eisner or RSSM on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of either Eisner or RSSM would have caused them to make reference thereto in their report on the Company's financial statements. In addition, during the Company's two most recent fiscal years ended December 31, 2003 there were no "reportable events" as

17

defined in Item 304(a)(2)(i) and (ii) of Regulation SX.

All audit and professional services provided by either Eisner or RSSM were approved by the Audit Committee.

Audit Fees. The aggregate fees billed for professional services rendered by our independent auditors for the audit of our annual financial statements and review of our financial statements included in our quarterly reports or services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements were \$125,261 for the fiscal year ended December 31, 2003 and \$85,000 for the fiscal year ended December 31, 2002.

Audit-Related Fees. During our last two fiscal years our independent auditors did not perform any assurance and related services that were reasonably related to the performance or review of our financial statements for which we were billed except as may have been included in the fees set forth in "Audit Fees" above.

Tax Fees. Our independent auditors did not provide us with any tax compliance, tax advice or tax planning services during our last two fiscal years and, accordingly, did not bill us for such services during these years.

All Other Fees. During our last two fiscal years our independent auditors did not provide us with any products and did not provide us with or bill us any fees for services other than those set forth in "Audit Fees" above, except a certain record re-creation assignment amounting to approximately \$31,200 in 2002 which was necessitated due to the catastrophe of September 11, 2001. The Company had maintained its offices at Suite 2112, Two World Trade Center, New York, NY.

The Board of Directors considers RSSM to be well qualified to serve as the independent public accountants of the Company. If, however, the stockholders do not ratify the appointment of RSSM, the Board of Directors may, but is not required to, reconsider the appointment. It is anticipated that a representative

Edgar Filing: CNE GROUP INC - Form DEF 14A

of RSSM will be present at the Annual Meeting and will be available to respond to appropriate questions. A representative of Eisner will not be present.

Ratification of the selection of Rosen Seymour Shapss Martin & Company LLP as independent public accountants will require the affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" SUCH RATIFICATION AND, UNLESS A STOCKHOLDER SIGNIFIES OTHERWISE, THE PERSONS NAMED IN THE PROXY WILL SO VOTE.

OTHER MATTERS

The Board of Directors of the Company does not know of any other matters to be presented for action at the Annual Meeting. Should any other matter come before the Annual Meeting, however, the person named in the enclosed proxy will have discretionary authority to vote all proxies with respect to such matters in accordance with his judgment.

18

Proposals of stockholders to be considered for inclusion in the Proxy Statement and proxy card for the 2005 Annual Meeting of Stockholders must be received by the Company's Secretary, at the Company's offices located at 200 West 57th Street, Suite 507, New York, New York 10019, no later than February 1, 2005. The date of our 2005 Annual Meeting is anticipated to be June 17, 2005. If you want to present business at our 2005 Annual Meeting outside of the stockholder proposal rules of Rule 14a-8 of the Exchange Act, the Secretary must also receive notice of your proposal by February 1, 2005, but not before December 31, 2004, and you must be a stockholder of record on the date notice to stockholders is mailed and on the record date for determining stockholders entitled to notice of the meeting and to vote.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. WE URGE YOU TO FILL IN, SIGN AND RETURN THE ACCOMPANYING FORM OF PROXY IN THE PREPAID ENVELOPE PROVIDED, NO MATTER HOW LARGE OR SMALL YOUR HOLDINGS MAY BE.

By Order of the Board of Directors

Anthony S. Conigliaro
Secretary
