Section 2 - Financial Information.

Item 2.06. Material Impairments.

On June 24, 2005, the Registrant filed a Form 8-K, under Section 2, Item 2.06(a), disclosing that the Registrant and its principal operating subsidiaries, MetaBank and MetaBank West Central, on June 20, 2005, determined that a material amount of its assets were impaired under generally accepted accounting principles. At that time, the Registrant was unable to estimate under Section 2, Item 2.06(b) the amount or range of amounts of the impairment charge, and was unable to estimate under Section 2, Item 2.06(c) the amount or range of amounts of future cash expenditures that will result from the impairment charge. On August 15, 2005, the Registrant filed a Form 8-K which indicated that the range of possible loss was estimated by the Registrant to be between \$1.90 million and \$4.88 million, and, due to higher than expected collection and related costs, that the range of future cash expenditures was estimated to be between \$250,000 and \$500,000. The Registrant has now revised its range of cash expenditures upward. The new range is estimated to be between \$750,000 and \$1.1 million. The Registrant continues to believe that its range of possible loss, estimated to be between \$1.90 and \$4.88 million, remains accurate.
