Ultrapetrol (Bahamas) Ltd. Enters Into Investment Agreement With and and Loan Purchase and Assignment Agreement

NASSAU, Bahamas, Nov. 28, 2016 Ultrapetrol (Bahamas) Limited (OTCQB:ULTR) (the "Company") announced that it and certain of its subsidiaries have entered into an investment agreement (the "Investment Agreement") with Sparrow River Investments Ltd. ("Sparrow River"), Sparrow Offshore Investments Ltd. ("Sparrow Offshore"), each an affiliate of Sparrow Capital Investments Ltd. and Sparrow CI Sub Ltd. (collectively, "Sparrow"), and Southern Cross Latin America Private Equity Fund III, L.P. and Southern Cross Latin America Private Equity Fund IV, L.P. (collectively, "Southern Cross") on Wednesday, November 23, 2016. The Investment Agreement sets forth the terms of the purchase of the Company's river business by Sparrow River and, under certain circumstances, the Company's offshore business by Sparrow Offshore, in connection with the Company's previously announced restructuring of the debt and capital structure of the Company's river business and related financial obligations and the anticipated restructuring of the debt structure of the Company's offshore business (the "Restructuring"). All of the disinterested directors of the Company, as required by the Company's Eighth Amended and Restated Articles of Association, and the full Board of Directors approved the sale transaction and the Restructuring. In accordance with the Company's Articles and Memorandum of Association, the Board received a fairness opinion in connection with the Restructuring. Assuming that all of the terms and conditions of the Investment Agreement are met, the transactions set forth under the Investment Agreement would close upon consummation of the voluntary bankruptcy case under chapter 11 of title 11 of the United States Code, which would be substantially consummated on or before February 28, 2017.

Under the terms of the Investment Agreement, Sparrow River will purchase the Company's river business (the "River Business") for \$73.0 million in cash, which cash would be used to retire the Company's 8.875% First Preferred Ship Mortgage Notes due 2021 (the "Notes") and to purchase the outstanding credit facilities with the International Finance Corporation and the OPEC Fund for International Development as set forth in the Support Agreement. In addition, if the Company completes its agreement with the lenders (the "Offshore Lenders") to its offshore business (the "Offshore Business") to pursue an out-of-court restructuring of the loans to the offshore business, Sparrow Offshore will purchase the equity of UP Offshore (Bahamas) Ltd., which is the direct owner of the Company's offshore business subsidiaries, for \$2.5 million.

The Investment Agreement contains customary terms and conditions, including, among other things an indemnification of Sparrow and its affiliates. The full text of the Investment Agreement has been filed by the Company with the Securities and Exchange Commission on its EDGAR system and can be found at www.sec.gov.

In addition to the Investment Agreement, certain affiliates of the Company entered into a loan purchase and assignment agreement (the "Loan Purchase Agreement") on November 23, 2016, pursuant to which International Finance Corporation and The OPEC Fund for International Development will assign certain existing loans between either of them and affiliates of the Company to affiliates of the Company, if the transactions described in the Support Agreement take place as provided in the Restructuring Support Agreement (the "Support Agreement") entered into among the Company, certain of its subsidiaries, certain holders of the Company's 8.875% First Preferred Ship Mortgage Notes due 2021, International Finance Corporation, The OPEC Fund for International Development, Southern Cross and Sparrow. The full text of the Loan Purchase Agreement has been filed by the Company with the Securities and Exchange Commission on its EDGAR system and can be found at www.sec.gov.

Forward-Looking Language

The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, our management's examination of historical operating trends, data contained in our records and other data available from third parties. Although we believe that these

assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, we cannot assure you that we will achieve or accomplish these expectations, beliefs or projections.

In addition to these important factors, other important factors that, in our view, could cause actual results to differ materially from those discussed in the forward-looking statements include future operating or financial results; pending or recent acquisitions, business strategy and expected capital spending or operating expenses, including dry docking and insurance costs; general market conditions and trends, including charter rates, vessel values, and factors affecting vessel supply and demand; our ability to obtain additional financing; our financial condition and liquidity, including our ability to obtain financing in the future to fund capital expenditures, acquisitions and other general corporate activities; our expectations about the availability of vessels to purchase, the time that it may take to construct new vessels, or vessels' useful lives; our dependence upon the abilities and efforts of our management team; changes in governmental rules and regulations or actions taken by regulatory authorities; adverse weather conditions that can affect production of the goods we transport and navigability of the river system; the highly competitive nature of the oceangoing transportation industry; the loss of one or more key customers; fluctuations in foreign exchange rates and devaluations; potential liability from future litigation; and other factors. Please see our filings with the Securities and Exchange Commission for a more complete discussion of these and other risks and uncertainties.

Subsidiaries or portions thereof, together with related work papers and documents relating to rulings or other determinations by taxing authorities. The Company and the Purchasers shall make themselves (and their respective employees) reasonably available on a mutually convenient basis to provide explanations of any documents or information provided under this Section 6.01. Notwithstanding anything to the contrary in Section 5.02, each of the Company and the Purchasers shall retain all of its respective Tax Returns, work papers and all material records or other documents in its possession (or in the possession of its Affiliates) relating to Tax matters of the Company and any of its River Business Subsidiaries or Offshore Business Subsidiaries for any taxable period that includes the Closing Date and for all prior taxable periods until the expiration of the statute of limitations of the taxable periods to which such Tax Returns and other documents relate. After such time, before the Company or the Purchasers shall dispose of any such documents in its possession (or in the possession of its Affiliates), the other Party shall be given an opportunity, after ninety (90) days' prior written notice, to remove and retain all or any part of such documents as such other Party may select (at such other Party's expense). Any information obtained under this Section 6.01 shall be kept confidential, except as may be otherwise necessary in connection with the filing of Tax Returns or in conducting an audit or other proceeding.

Section 6.02 Conveyance Taxes. The Company and the Purchasers shall be equally liable for and agree to pay on an equal basis any and all Conveyance Taxes that may be imposed upon, or payable or collectible or incurred in connection with this Agreement and the transactions contemplated hereby. The Purchasers and the Company agree to cooperate in the execution and delivery of all instruments and certificates necessary to enable the Company to comply with any filing requirements with respect to Conveyance Taxes.

ARTICLE VII

CONDITIONS TO CLOSING

Section 7.01 Conditions to Obligations of the Company. The obligations of the Company to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment or written waiver, at or prior to the Closing, of each of the following conditions:

(a) Representations, Warranties and Covenants. (i) The Fundamental Representations (as defined below) made by the Purchasers shall be true and correct in all respects as of the date of this Agreement and as of the Closing Date with the same effect as though made at and as of the Closing Date; (ii) the other representations and warranties of the Purchasers contained in this Agreement (A) that are not qualified by a "materiality" qualification shall be true and correct in all material respects as of the date of this Agreement and true and correct in all material respects as of the Closing Date with the same effect as though made at and as of the Closing Date, and (B) that are qualified by a "materiality" qualification shall be true and correct in all respects as so qualified as of the date of this Agreement and as of the Closing Date with the same effect as though made at and as of the Closing Date (except for purposes of clauses (i) and (ii) above, to the extent such representations and warranties are made as of another date, such representations and warranties shall be true and correct in the manner set forth in the foregoing clauses (i) and (ii), as applicable, as of such other date); (iii) the covenants and agreements contained in this Agreement to be complied with by the Purchasers on or before the Closing shall have been complied with in all material respects; and (iv) the Company shall have

received a certificate signed by a duly authorized officer of the Purchasers dated as of the Closing Date certifying the matters set forth in clauses (i), (ii) and (iii) above.

(b) No Order. No Governmental Authority shall have enacted, issued, promulgated, enforced or entered any Law or Governmental Order (whether temporary, preliminary or permanent) that has the effect of making the transactions contemplated by this Agreement illegal or otherwise restraining or prohibiting the consummation of such transactions. Section 7.02 Conditions to Obligations of the Purchasers. The obligations of the Purchasers to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment or written waiver, at or prior to the Closing, of each of the following conditions:

(a) Representations, Warranties and Covenants. (i) The Fundamental Representations made by the Company shall be true and correct in all respects as of the date of this Agreement and as of the Closing Date with the same effect as though made at and as of the Closing Date; (ii) the other representations and warranties of the Company contained in this Agreement (A) that are not qualified by a "Material Adverse Effect" or a similar "materiality" qualification shall be true and correct in all respects as of the date of this Agreement and true and correct in all material respects as of the Closing Date with the same effect as though made at and as of the Closing Date, and (B) that are qualified by "Material Adverse Effect" or a similar "materiality" qualification shall be true and correct in all respects as so qualified as of the date of this Agreement and as of the Closing Date with the same effect as though made at and as of the Closing Date (except for purposes of clauses (i) and (ii) above, to the extent such representations and warranties are made as of another date, such representations and warranties shall be true and correct in the manner set forth in clauses (i) and (ii) above, as applicable, as of such other date), provided, however, that for purposes of determining satisfaction of this condition, such representations and warranties shall be deemed to be true and correct in all material respects unless the failure or failures of such representations and warranties to be so true and correct, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect; (iii) the covenants and agreements contained in this Agreement to be complied with by the Company at or before the Closing shall have been complied with in all material respects and (iv) the Purchasers shall have received a certificate signed by a duly authorized officer of the Company dated as of the Closing Date certifying the matters set forth in clauses (i), (ii) and (iii) above.

(b) Other Agreements. The RSA and the Loan Purchase Agreement shall be, or shall become, simultaneously with this Agreement, in full force and effect. The payments and assignments contemplated by the Loan Purchase Agreement shall occur simultaneously with the Closing under this Agreement. In the event of a UP Offshore Purchase, the closing of the Offshore Restructuring shall occur simultaneously with the Closing under this Agreement.

(c) No Litigation. There shall be no pending material litigations that would reasonably be expected to prevent or materially delay the transactions contemplated by this Agreement or the other Transaction Documents.

- (d) No Order. No Governmental Authority shall have enacted, issued, promulgated, enforced or entered any Law or Governmental Order (whether temporary, preliminary or permanent) that has the effect of making the transactions contemplated by this Agreement illegal or otherwise restraining or prohibiting the consummation of such transactions.
- (e) Material Adverse Effect. From the date of this Agreement, there shall not have occurred any event or change that has had or could reasonably be expected to have a Material Adverse Effect.
- (f) Legal Opinion. The Company's counsel shall have delivered to the Purchasers a legal opinion with respect to the matters set forth in Exhibit B.
- (g) Transition Services Agreement. If Sparrow River and the Company have determined that a Transition Services Agreement is necessary, the Company shall have executed and delivered the Transition Services Agreement.
- (h) Ocean Business. The Ocean Business shall have been sold or transferred as provided in accordance with the Plan of Reorganization.
- (i) Bankruptcy Court Orders. The Bankruptcy Court shall have entered, in a form reasonably satisfactory to Purchasers: (i) an order approving the Company's and Parent River Subsidiaries assumption of the RSA, and the Company's performance of its obligations under that agreement; (ii) an order approving the disclosure statement and related solicitation materials for the Plan of Reorganization; and (iii) an order confirming the Plan of Reorganization, which order shall include (A) approval of the Company's and the River Parent Subsidiaries' assumption of this Agreement and the Company's and the River Parent Subsidiaries' performance of its obligations hereunder, (B) approval of UABL's entry into the Transition Services Agreement and UABL's performance of its obligations thereunder, (C) approval of the Loan Purchase Agreement and the performance of the obligations of Thurston Shipping Inc. and UABL Limited thereunder, (D) a finding that the Plan of Reorganization and this Agreement satisfy, among other things, section 1129(a)(4) and section 1129(a)(5) of the Bankruptcy Code, (E) a finding that each Purchaser is a good faith purchaser within the meaning of section 363(m) of the Bankruptcy Code, and is therefore entitled to the protections afforded to good faith purchasers to the fullest extent permitted under the Bankruptcy Code, and (F) a finding that the purchase price to be provided by Purchasers pursuant to this Agreement was not controlled by any agreement between Purchasers and any potential bidders and was not reduced or suppressed in any manner by any agreement or arrangement involving Purchasers and any creditor.
- (j) Third Party Consents. The consents described in Schedule 7.02(b) or required for the consummation of the transactions contemplated by this Agreement pursuant to the order confirming the Plan of Reorganization shall have been obtained and shall remain in full force and effect.
- (k) Secretary's Certificate. The Company shall have delivered to the Purchasers a secretary's certificate, dated as of the Closing Date, as to (i) the resolutions adopted by the Board of Directors approving the transactions contemplated hereby, (ii) the Company's

Organizational Documents, each as in effect at the Closing, and (iii) the authority and incumbency of the officers of the Company executing the Transaction Documents and any other documents required to be executed or delivered in connection therewith.

ARTICLE VIII

INDEMNIFICATION

Section 8.01 Survival of Representations, Warranties and Covenants. The representations and warranties of the Parties contained in this Agreement shall survive the Closing until the date that is sixteen (16) months from the Closing Date; provided, however, that the representations and warranties contained in Section 3.14 shall survive the Closing and remain in full force and effect until the date that is six (6) years from the Closing Date (or the date that is ninety (90) days following the expiration of the applicable statute of limitations period, if shorter); provided further that the representations and warranties contained in Sections 3.01, 3.02, 3.03(a), 3.20, 3.27, and 4.01 (collectively, the "Fundamental Representations") shall survive the Closing indefinitely; provided further that any claim made with reasonable specificity by the party seeking to be indemnified within the time periods set forth in this Section 8.01 shall survive until such claim is finally and fully resolved. All covenants and agreements of the Parties contained herein shall survive the Closing indefinitely or for the period explicitly specified therein.

Section 8.02 Indemnification by the Company. Subject to the other terms and conditions of this Article VIII, the Company shall indemnify and hold harmless the each of Purchasers and its Affiliates (excluding the Company and its Subsidiaries for such purpose) and their respective officers, directors, employees, agents, successors and assigns (each a "Purchaser Indemnified Party") from and against all losses, damages, claims, costs and expenses, interest, awards, judgments and penalties (including reasonable attorneys' and consultants' fees and expenses), amounts paid in settlement and other costs (hereinafter a "Loss" or "Losses") suffered or incurred by them arising out of or resulting from: (a) any breach of a representation or warranty made by the Company in this Agreement or in any certificate delivered pursuant hereto; or (b) any breach of any covenant or agreement of the Company contained in this Agreement.

Section 8.03 Indemnification by the Purchasers. Subject to the other terms and conditions of this Article VIII, the Purchasers shall indemnify and hold harmless the Company and its Affiliates and their respective officers, directors, employees, agents, successors and assigns (each a "Company Indemnified Party") from and against any and all Losses, arising out of or resulting from: (a) the breach of any representation or warranty made by the Purchasers contained in this Agreement or in any certificate delivered pursuant hereto; or (b) the breach of any covenant or agreement by the Purchasers contained in this Agreement.

Section 8.04 Limits on Indemnification.

(a) None of the Parties shall be liable for indemnity obligations under Section 8.02(a) or Section 8.03(a) unless and until the aggregate amount of indemnifiable Losses for which such Party is liable equals or exceeds an amount equal to \$2,000,000 (the "Threshold"); provided, that upon the Threshold being met, such Party shall be liable for the amount by which the aggregate amount of all such Losses exceeds \$500,000 (the

"Deductible"); provided, further, that the Threshold and the Deductible shall not apply to Losses resulting from a breach of any Fundamental Representations or from any fraud or intentional misrepresentation by any Party in connection with this Agreement (and no such Losses shall be considered for purposes of determining whether the Threshold or the Deductible has been met).

(b) The maximum amount of indemnifiable Losses which may be recovered (x) from the Company arising out of or resulting from the causes set forth in Section 8.02(a) shall be an amount equal to \$20,000,000 and (y) from the Purchasers (arising out of or resulting from the causes set forth in Section 8.03(a) shall be, in the aggregate, an amount equal to \$20,000,000 the "Cap"); provided, that Losses resulting from a breach of any Fundamental Representations or from any fraud or intentional misrepresentation by any Party in connection with this Agreement shall not be subject to the Cap.

(c) For purposes of determining whether there has been a breach of any representation or warranty contained in this Agreement, or the amount of any Loss related to a breach of any representation or warranty contained in this Agreement, the representations and warranties contained in this Agreement (excluding Sections 3.04(a), 3.06(ii) and 3.24) shall be considered without regard to any "material," "Material Adverse Effect," or similar materiality qualifications contained therein.

(d) The representations, warranties, covenants or agreements made by the Company in this Agreement or in any other Transaction Document shall not be affected or deemed waived by any investigation conducted by or on behalf of one of the Purchasers with respect to, or knowledge acquired (or capable of being acquired) at any time, whether before or after the execution and delivery of this Agreement or the Closing Date, with respect to the accuracy or inaccuracy of or compliance or noncompliance with any such representation, warranty, covenant or agreement of the Company in this Agreement or in any other Transaction Document. Notwithstanding anything to the contrary contained in this Agreement, none of the Parties shall have any Liability under any provision of this Agreement for any punitive, speculative, remote, special or indirect damages relating to the breach or alleged breach of this Agreement, except to the extent any such Party incurs such damages payable to an unaffiliated third party in connection with a Third Party Claim, in which event such damages shall be recoverable.

(e) Payments by an Indemnifying Party pursuant to this Article VIII in respect of any Loss shall be limited to the amount of any liability or damage that remains after deducting therefrom any insurance proceeds and any indemnity, contribution or other similar payment actually received by the Company or its Subsidiaries or the Indemnified Party from any third party in respect of such claim, less any related reasonable attorneys' fees, expenses and other costs of recovery. An Indemnified Party shall use commercially reasonable efforts to seek (or cause the Company or its Subsidiaries to seek under their respective policies) to recover any insurance proceeds in connection with making a claim under this Article VIII; provided, however, none of the Purchasers nor their Affiliates shall be required to seek such proceeds under any insurance policy of the Purchasers or their Affiliates (other than the Company). Promptly after the realization of any insurance proceeds (net of Taxes), indemnity, contribution or other similar payment, the Indemnified Party shall reimburse the Indemnifying Party for such reduction in Losses for which the Indemnified Party was indemnified prior to the realization of

reduction of such Losses. The amount of Loss for which an Indemnified Party shall be entitled to seek indemnification under this Agreement will be reduced by the amount of any Tax benefit actually realized by such Indemnified Party or its Affiliates, other than the Company and its Subsidiaries (which shall include reductions in Tax payments) with respect to such Loss.

Section 8.05 Notice of Loss; Third Party Claims. An Indemnified Party shall give the Indemnifying Party notice of any matter which an Indemnified Party has determined has given or could give rise to a right of indemnification under this Agreement stating the amount of the Loss, if known, and method of computation thereof, and containing a reference to the provisions of this Agreement in respect of which such right of indemnification is claimed or arises. Such notice shall include copies of all relevant notices or documents (including court papers) received by the Indemnified Party, so long as such disclosure would not reasonably be expected to have an adverse effect on attorney-client or other privileges available to the Indemnified Party. To the extent that (i) the Company considers, threatens or makes a notice of any matter which could give rise to a right of indemnification under this Agreement against the Purchasers, or (ii) any Purchaser Indemnified Party threatens or makes a notice of any matter which could give rise to a right of indemnification under this Agreement against the Company, all decisions to be made on behalf of the Company concerning the prosecution, response to, negotiation and settlement of, or with respect to any Actions relating to, any such indemnification claim shall be made solely by the disinterested members of the Company's Board of Directors (excluding any directors of the Company who are affiliated with the Purchasers).

(a) In the case of a claim or demand made by any Person not a Party to this Agreement against the Indemnified Party (a "Third Party Claim") which may give rise to a claim for Loss under this Article VIII, the Indemnified Party shall give the Indemnifying Party written notice ("Claim Notice") of such Third Party Claim within thirty (30) days of the receipt of such notice of a Third Party Claim (or within such shorter period as may be required to permit the Indemnifying Party to respond to any such claim); provided, however, that failure to give such Claim Notice shall not affect the indemnification obligations of the Indemnifying Party provided hereunder except to the extent the Indemnifying Party establishes that the defense of such Third Party Claim is actually prejudiced as a result of such failure, in which case such claim shall be reduced to the extent of such actual prejudice. The Claim Notice shall describe the Third Party Claim in reasonable detail and will indicate the estimated amount, if reasonably practicable, of the Losses that have been or may be sustained by the Indemnified Party and include copies of all material notices and documents received or sent by the Indemnified Party in respect of such Third Party Claim. The Indemnifying Party shall be entitled to assume and control the defense of such Third Party Claim at its expense and through counsel of its choice if it gives notice of its intention to do so to the Indemnified Party within sixty (60) days of the receipt of such Claim Notice from the Indemnified Party. If the Indemnifying Party elects to undertake any such defense against a Third Party Claim, the Indemnified Party may participate in such defense at its own expense. The Indemnified Party shall cooperate with the Indemnifying Party in such defense and make available to the Indemnifying Party, at the Indemnifying Party's expense, all witnesses, pertinent records, materials and information in the Indemnified Party's possession or under the Indemnified Party's control relating thereto as is reasonably required by the Indemnifying Party. If the Indemnifying Party elects to direct the defense of any such claim or proceeding, the Indemnified Party shall not pay, or permit to be paid, any part of such Third

Party Claim unless the Indemnifying Party consents in writing to such payment or unless the Indemnifying Party withdraws from the defense of such Third Party Claim or unless a final judgment from which no appeal may be taken by or on behalf of the Indemnifying Party is entered against the Indemnified Party for such Third Party Claim. If the Indemnified Party assumes the defense of any such claims or proceeding pursuant to this Section 8.05 and proposes to settle such claims or proceeding prior to a final judgment thereon or to forgo any appeal with respect thereto, then the Indemnified Party shall give the Indemnifying Party prompt written notice thereof and the Indemnifying Party shall have the right to participate in the settlement or assume or reassume the defense of such claims or proceeding. If (i) the Indemnifying Party shall not assume the defense of a Third Party Claim with counsel satisfactory to the Indemnified Party within ten (10) Business Days of any Claim Notice, or (ii) legal counsel for the Indemnified Party notifies the Indemnifying Party that there are or may be legal defenses available to the Indemnified Party or to other Indemnified Parties which are different from or additional to those available to the Indemnifying Party, which, if the Indemnified Party and the Indemnifying Party were to be represented by the same counsel, would constitute a conflict of interest for such counsel or prejudice prosecution of the defenses available to such Indemnified Party, or (iii) the Indemnifying Party shall assume the defense of a Third Party Claim and fail to diligently prosecute such defense, then in each such case the Indemnified Party, by notice to the Indemnifying Party, may employ its own counsel and control the defense of the Third Party Claim and the Indemnifying Party shall be liable for the reasonable fees, charges and disbursements of counsel employed by the Indemnified Party (but in no event more than one counsel for all of the Indemnified Parties in any one jurisdiction); and the Indemnified Party shall be promptly reimbursed for any such fees, charges and disbursements, as and when incurred. Whether the Indemnifying Party or the Indemnified Party controls the defense of any Third Party Claim, the Parties hereto shall cooperate in the defense thereof. Such cooperation shall include the retention and provision to the counsel of the controlling Party of records and information which are reasonably relevant to such Third Party Claim, and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. The Indemnifying Party shall have the right to settle, compromise or discharge a Third Party Claim (other than any such Third Party Claim in which criminal conduct is alleged) without the Indemnified Party's consent if such settlement, compromise or discharge (A) constitutes a complete and unconditional discharge and release of the Indemnified Party, and (B) provides for no relief other than the payment of monetary damages and such monetary damages are paid in full by the Indemnifying Party.

(b) In the event any Indemnified Party should have a claim against any Indemnifying Party that does not involve a Third Party Claim, the Indemnified Party shall deliver a Claim Notice to the Indemnifying Party, which shall include reasonable detail of the claim and, if reasonably practicable, the estimated amount of Losses sustained, promptly after the Indemnified Party obtains knowledge of the existence thereof; provided, however, that failure to give such Claim Notice shall not affect the indemnification obligations of the Indemnifying Party provided hereunder except to the extent the Indemnifying Party establishes that the defense of such claim is actually prejudiced as a result of such failure, in which case such claim shall be reduced to the extent of such actual prejudice.

Section 8.06 Remedies. Except for remedies that cannot be waived as a matter of Law, claims of fraud or intentional misrepresentation, the Purchasers and the Company

acknowledge and agree that following the Closing, the indemnification provisions in this Article VIII shall be the sole and exclusive remedies of the Purchasers and the Company, as applicable, for any breach by the other Party of the representations and warranties in this Agreement and for any failure by the other Party to perform and comply with any covenants and agreements in this Agreement.

Section 8.07 Miscellaneous. For Tax purposes, the Parties agree to treat all payments made pursuant to any indemnification obligation under this Agreement as adjustments to the Purchase Price.

ARTICLE IX

TERMINATION

Section 9.01 Termination. This Agreement may be terminated at any time prior to the Closing:

- (a) by written notice by either the Company or the Purchasers if the Closing shall not have occurred by February 28, 2017 (the "Termination Date"); provided, however, that the right to terminate this Agreement under this Section 9.01(a) shall not be available to any Party whose breach of any of its representations, warranties, covenants or agreements under this Agreement or any other Transaction Document shall have been the cause of, or shall have resulted in, the failure of the Closing to occur on or prior to the Termination Date;
- (b) by written notice by either the Company or the Purchasers in the event that any Governmental Order restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement shall have become final and non-appealable;
- (c) by written notice by either the Company or the Purchasers in the event the RSA is terminated in accordance with its terms by any party thereto prior to the Closing;
- (d) by written notice by the Company if a breach of any representation or warranty of one of the Purchasers or failure to perform any covenant or agreement on the part of one of the Purchasers set forth in this Agreement (including an obligation to consummate the Closing) shall have occurred that would, if occurring or continuing on the date on which the Closing should have occurred, cause the condition set forth in Section 7.01(a) not to be satisfied, and such condition is not cured, or is incapable of being cured, within twenty (20) days (but not later than the Termination Date) of receipt of written notice by the Company to such Purchaser of such breach or failure; provided that the Company is not then in breach of this Agreement so as to cause any of the conditions set forth in Section 7.02 not to be satisfied;
- (e) by written notice by the Purchasers if a breach of any representation or warranty of the Company or failure to perform any covenant or agreement on the part of the Company set forth in this Agreement (including an obligation to consummate the Closing) shall have occurred that would, if occurring or continuing on the Closing Date, cause the condition set forth in Section 7.02(a) not to be satisfied, and such condition is not cured, or is incapable of being cured, within twenty (20) days (but not later than the Termination Date) of receipt of written notice by the Purchaser to the Company of such breach or failure; provided that none of

the Purchasers is then in breach of this Agreement so as to cause any of the conditions set forth in Section 7.01 not to be satisfied;

(f) by written notice by the Purchasers if the Bankruptcy Court enters an order, or if the Company files a motion seeking entry of an order, approving any sale or other disposition of the River Business (other than a sale or other disposition permitted by this Agreement) of (i) any material portion of the assets of the Company or its Subsidiaries or (ii) any equity interests in the Company or any of its Subsidiaries, to any Person(s) other than the Purchasers or any of their affiliates;

(g) by written notice by the Purchasers if a trustee is appointed in the Chapter 11 Cases pursuant to Section 1104 of the Bankruptcy Code;

(h) by written notice by the Purchasers if any Chapter 11 Case is dismissed or converted to a case under Chapter 7 of the Bankruptcy Code and neither such dismissal or conversion contemplates the transactions contemplated by this Agreement; or

(i) by the mutual written consent of the Company and the Purchasers, provided that all independent directors of the Company shall have affirmatively agreed that such termination is in the best interests of the Company.

Section 9.02 Effect of Termination. In the event of termination of this Agreement as provided in Section 9.01, this Agreement shall forthwith become void and have no effect, and there shall be no Liability on the part of any Party or its Affiliates or Representatives in respect thereof, except that (a) Section 5.03, this Section 9.02 and Article X shall survive any termination and (b) nothing herein shall relieve any Party from liability for any breach of this Agreement or any other Transaction Document occurring prior to such termination.

ARTICLE X

GENERAL PROVISIONS

Section 10.01 Expenses. The Company shall pay when due all fees and expenses owing to Sparrow and/or Southern Cross (as such term is defined in the RSA) as set forth in the RSA. Section 10.03 Public Announcements. The initial press release with respect to this Agreement and the transactions contemplated hereby shall be a release mutually agreed to by the Company and the Purchasers and shall be issued promptly after the execution hereof at a time mutually agreed to by the Company and the Purchasers. Thereafter, none of the Parties shall make, or cause to be made, any press release or public announcement in respect of this Agreement or the other Transaction Documents or the transactions contemplated hereby or thereby or otherwise communicate with any news media without the prior written consent of the other Party unless such press release or public announcement is required by Law or applicable stock exchange regulation, in which case the Parties shall, to the extent practicable, consult with each other as to the timing and contents of any such press release, public announcement or communication.

Section 10.04 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any Law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect for so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any manner materially adverse to either Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated by this Agreement are consummated as originally contemplated to the greatest extent possible.

Section 10.05 Entire Agreement. This Agreement and the other Transaction Documents constitute the entire agreement of the Parties with respect to the subject matter hereof

52

and thereof and supersede all prior agreements and undertakings, both written and oral, among the Parties with respect to the subject matter hereof and thereof.

Section 10.06 Assignment. This Agreement may not be assigned by operation of Law or otherwise without the express written consent of the Company and the Purchasers (which consent may be granted or withheld in the sole discretion of the Company or the Purchasers), as the case may be, and any such purported assignment shall be void ab initio; provided, however, that notwithstanding the foregoing, the rights, interests and obligations of the Purchasers hereunder may be assigned, without the prior written consent of the Company, to one or more of the Purchasers' or Guarantors' Affiliates as designated by the Purchasers or such Guarantor; provided, that no such assignment shall relieve either of the Purchasers or any of the Guarantors of any of its obligations hereunder.

Section 10.07 Amendment. This Agreement may not be amended or modified except (a) by an instrument in writing signed by Company and the Purchasers that expressly references the Section(s) of this Agreement to be amended or (b) by a waiver in accordance with Section 10.08. Any amendment or modification to the Guaranty in Section 10.17 shall be governed by Section 10.17(d).

Section 10.08 Waiver. The Purchasers may (i) extend the time for the performance of any of the obligations or other acts of the Company, (ii) waive any inaccuracies in the representations and warranties of the Company contained herein or in any document delivered by such Party pursuant hereto or (iii) waive compliance with any of the agreements of the Company or conditions to such Party's obligations contained herein and (b) the Company may (i) extend the time for the performance of any of the obligations or other acts of the Purchasers, (ii) waive any inaccuracies in the representations and warranties of the Purchasers contained herein or in any document delivered by the Purchasers pursuant hereto or (iii) waive compliance with any of the agreements of the Purchasers or conditions to the Purchasers' obligations contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the Party to be bound thereby. Any waiver of any term or condition shall not be construed as a waiver of any subsequent breach or a subsequent waiver of the same term or condition, or a waiver of any other term or condition of this Agreement. The failure of any Party to assert any of its rights hereunder shall not constitute a waiver of any of such rights. Any waiver of any term or condition in Section 10.17 shall be governed by Section 10.17(e).

Section 10.09 No Third Party Beneficiaries. Except as provided for in Sections 5.06, 8.02, 8.03, 8.04 and 10.17, this Agreement shall be binding upon and inure solely to the benefit of the Parties and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever, including any rights of employment for any specified period, under or by reason of this Agreement.

Section 10.10 Specific Performance. The Parties acknowledge and agree that the Parties would be irreparably damaged if any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached and that any nonperformance or breach of this Agreement by any Party could not be adequately compensated

by monetary damages alone and that the Parties would not have any adequate remedy at Law. Accordingly, in addition to any other right or remedy to which the Parties may be entitled, at Law or in equity (including monetary damages), such Party shall be entitled to enforce any provision of this Agreement by a decree of specific performance and to temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement without posting any bond or other undertaking.

Section 10.11 Governing Law. All Actions arising out of or relating to this Agreement shall be heard and determined exclusively in any federal court sitting in the Borough of Manhattan of the City of New York; provided, however, that if such federal court does not have jurisdiction over such Action, such Action shall be heard and determined exclusively in any New York state court sitting in the Borough of Manhattan of the City of New York. Consistent with the preceding sentence, the Parties hereby (a) submit to the exclusive jurisdiction of any federal or state court sitting in the Borough of Manhattan of the City of New York for the purpose of any Action arising out of or relating to this Agreement brought by either Party and (b) irrevocably waive, and agree not to assert by way of motion, defense, or otherwise, in any such Action, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the Action is brought in an inconvenient forum, that the venue of the Action is improper, or that this Agreement or the transactions contemplated by this Agreement may not be enforced in or by any of the above-named courts. The Parties hereby agree that the mailing of process or other papers in connection with any such Action or proceeding in the manner provided in Section 10.02, or in such other manner as may be permitted by Law, shall be valid and sufficient service thereof and hereby waive any objections to service accomplished in the manner herein provided.

Section 10.12 Waiver of Jury Trial. EACH OF THE PARTIES HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY ACTION OR LIABILITY DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH OF THE PARTIES HEREBY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY SUCH ACTION OR LIABILITY, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.12.

Section 10.13 Effect of Investigation. All representations, warranties, covenants and agreements made by the Company in this Agreement or in any other Transaction Document shall not be affected or deemed waived by (i) any investigation made by or on behalf of the Purchasers (whether before, on or after the date hereof or before, on or after the Closing Date), (ii) knowledge obtained (or capable of being obtained) as a result of such investigation or

54

otherwise, or (iii) the Purchasers' participation in the preparation of the schedules pursuant to this Agreement.

Section 10.14 Counterparts. This Agreement may be executed and delivered (including by scanned or facsimile transmission) in one or more counterparts, and by the different Parties in separate counterparts, each of which when executed shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement. A signed copy of this Agreement delivered by facsimile, portable document format, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement

Section 10.15 Currency. Unless otherwise specified in this Agreement, all references to currency, monetary values and dollars set forth herein shall mean United States (U.S.) dollars, "\$" refers to United States dollars and all payments hereunder shall be made in United States dollars by wire transfer in immediately available funds to such account as shall have been specified in writing by the recipient thereof to the Party making such payment.

Section 10.16 No Recourse. This Agreement may only be enforced against, and any Claim or Action based upon, arising out of, or related to this Agreement, or the negotiation, execution or performance of this Agreement, may only be brought against, the entities that are expressly named as parties hereto and then only with respect to the specific obligations set forth herein with respect to such party. No past, present or future director, officer, employee, incorporator, manager, member, partner, stockholder, Affiliate, agent, attorney or other representative of any Party hereto or of any Affiliate of any Party hereto, or any of their successors or permitted assigns, shall have any Liability for any obligations or Liabilities of any Party hereto under this Agreement or for any Claim or Action based on, in respect of or by reason of the transactions contemplated hereby.

Section 10.17 Guaranty.

(a) Each of the Guarantors hereby irrevocably and unconditionally guarantees severally to the Company in accordance with their Guaranteed Percentage the full and punctual payment of the Purchase Price and any liability of the Purchasers arising from a breach of the Agreement prior to termination as contemplated by Section 9.02(b) when due in accordance with the terms of this Agreement (the "Guaranteed Obligation") (collectively, the "Guaranty"). Each of the Guarantors hereby acknowledges and agrees that the Guaranty constitutes an absolute, present, primary, continuing and unconditional guaranty of payment by the Purchasers of the Guaranteed Obligation when due under this Agreement and not of collection only and is in no way conditioned or contingent upon any attempt to enforce such payment by a guaranteed party upon any other condition or contingency. Each of the Guarantors hereby waives any right to require a proceeding first against the Purchasers. Except as expressly set forth herein, the Guaranteed Obligation shall not be subject to any reduction, limitation or impairment for any reason (other than by indefeasible payment or performance in full of the Guaranteed Obligation) and shall not be subject to (i) any discharge of the Purchasers from the Guaranteed Obligation in a bankruptcy or similar proceeding (except by indefeasible payment or performance in full of the Guaranteed Obligation) or (ii) any other circumstance whatsoever which constitutes, or might be construed to constitute an equitable or legal discharge of either of the Guarantors as guarantor

under this Section 10.17. This Guaranty shall be subject to the provisions of Section 10.02, Section 10.09, Section 10.11, Section 10.12 and Section 10.14.

(b) Each Guarantor hereby severally represents and warrants to the Company as follows:

(i) Organization and Authority of the Guarantors. The execution and delivery by such Guarantor of this Agreement (solely for the purposes of this Section 10.17), the performance by such Guarantor of its obligations under this Section 10.17 and the consummation by such Guarantor of the transactions contemplated by this Section 10.17 have been duly authorized by all requisite action on the part of such Guarantor. This Agreement has been duly executed and delivered by such Guarantor, and (assuming due authorization, execution and delivery by the other Parties) this Agreement constitutes the legal, valid and binding obligations of such Guarantor, enforceable against such Guarantor in accordance with the terms of this Section 10.17, subject to the effects of the Bankruptcy and Equity Exception.

(ii) No Conflicts; Consents. The execution, delivery and performance by such Guarantor of this Agreement (solely for the purposes of this Section 10.17), and the consummation of the transactions contemplated by this Section 10.17, does not and will not (a) violate, conflict with or result in the breach of any provision of such Guarantor's Organizational Documents, (b) conflict in any material respect with or violate in any material respect any material Law or material Governmental Order applicable to such Guarantor, or (c) require the consent, notice or other action by any Person under, conflict with, result in any breach of, constitute a default or event that, with or without notice or lapse of time or both, would constitute a default under, result in the acceleration of or create in any party the right to accelerate, terminate, suspend, revoke, modify or cancel, any Contract to which such Guarantor is a party or by which such Guarantor is otherwise bound, except, in the case of clause (c), as would not materially and adversely affect the ability of such Guarantor to carry out its obligations under, and to consummate the transactions contemplated by this Section 10.17. No consent, approval, Permit, Governmental Order, declaration or filing with, or notice to, any Governmental Authority is required by or with respect to such Guarantor in connection with the execution and delivery of this Agreement and the consummation of the transactions contemplated by this Section 10.17.

(iii) Litigation. No Action by or against such Guarantor is pending or, to the knowledge of such Guarantor, threatened, which could affect the legality, validity or enforceability of this Guaranty or the consummation of the transactions contemplated by this Section 10.17.

(c) This Guaranty and all of the Guarantors' obligations under this Section 10.17 shall terminate and expire on the earlier of (i) the date this Agreement is terminated in

accordance with Article IX; provided, however, that the Guarantors' obligations under this Guaranty with respect to any liability of the Purchasers for a breach of this Agreement occurring prior to the termination of the Agreement as described in Section 9.02(b) shall not terminate or expire and shall continue notwithstanding termination of this Agreement or (ii) the Closing Date ("Expiration Date"). No claims may be made under this Guaranty after the Expiration Date.

(d) The maximum aggregate liability of the Guarantors under this Guaranty shall be \$73.0 million,; plus, in the event of a UP Offshore Purchase up to an additional \$2.5 million.

(e) This Guaranty may not be amended or modified except by an instrument in writing signed by the Company and the Guarantors. This Guaranty constitutes the entire agreement and understanding of the Guarantors and the Company relating to the subject matter hereof. The Supporting Creditors (as defined in the RSA) are intended third party beneficiaries of Section 10.17 (but only as it relates to the River Business); provided that any obligations of the Guarantors hereunder and under the RSA (to the extent related to the River Business) shall be without duplication and shall not be in excess of \$73.0 million in the aggregate.

(f) Any waiver of any term or condition of this Guaranty must be in writing and signed by the Party against whom such waiver is sought to be enforced. Any waiver of any term or condition of this Guaranty shall not be construed as a waiver of any subsequent breach or a subsequent waiver of the same term or condition, or a waiver of any other term or condition of this Guaranty.
