**Item 12. Results of Operations and Financial Condition**

On June 24, 2004, the registrant released earnings for the fourth quarter fiscal 2004.

The earnings release contains non-GAAP financial measures, which are financial measures of the Company's performance that exclude or include amounts thereby differentiating them from the most directly comparable measures presented in financial statements that are calculated and presented in accordance with Generally Accepted Accounting Principles (GAAP). Pursuant to the requirements of Regulation G, the Company has provided a reconciliation within its earnings release to the most directly comparable GAAP measure for this non-GAAP measure, together with a discussion of the reasons why management believes that these non-GAAP measures are useful to our investors.

The Company issued the press release attached as Exhibit 99.1 hereto and incorporated herein by reference.

The information in this Report is being furnished and shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section. The information in this Report shall not be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.
