Notes to Consolidated Financial Statements (Unaudited)

NOTE 1. ORGANIZATION

Parke Bancorp, Inc. ("Parke Bancorp" or the "Company") is a bank holding company incorporated under the laws of the State of New Jersey in January 2005 for the sole purpose of becoming the holding company of Parke Bank (the "Bank").

The Bank is a commercial bank which commenced operations on January 28, 1999. The Bank is chartered by the New Jersey Department of Banking and insured by the Federal Deposit Insurance Corporation ("FDIC"). Parke Bancorp and the Bank maintain their principal offices at 601 Delsea Drive, Washington Township, New Jersey. The Bank also conducts business through branches in Galloway Township, Northfield and Washington Township, New Jersey and Philadelphia, Pennsylvania.

The Bank competes with other banking and financial institutions in its primary market areas. Commercial banks, savings banks, savings and loan associations, credit unions and money market funds actively compete for savings and time certificates of deposit and all types of loans. Such institutions, as well as consumer financial and insurance companies, may be considered competitors of the Bank with respect to one or more of the services it renders.

The Bank is subject to the regulations of certain state and federal agencies, and accordingly, the Bank is periodically examined by such regulatory authorities. As a consequence of the regulation of commercial banking activities, the Bank's business is particularly susceptible to future state and federal legislation and regulations.

The FDIC and the New Jersey Department of Banking and Insurance Consent Orders: On April 9, 2012, the Bank entered into Consent Orders with the FDIC and the New Jersey Department of Banking and Insurance (the "Department"). Under the Consent Orders, the terms of which are substantially identical, the Bank is required, among other things, subject to review and approval by the FDIC and the Department: (i) to adopt and implement a plan to reduce the Bank's position in delinquent or classified assets; (ii) to adopt and implement a program providing for a periodic independent review of the Bank's loan portfolio and the identification of problem credits; (iii) to review and revise the Bank's loan policies and procedures to address identified lending deficiencies; and (iv) to adopt and implement a plan to reduce and manage each of the concentrations of credit identified by the FDIC and the Department.

The Consent Orders also require the Bank to obtain the prior approval of the FDIC and the New Jersey Department before declaring or paying any dividend or appointing or changing the title or responsibilities of any director or senior executive officer. Additional regulatory provisions require FDIC prior approval before the Bank enters into any employment agreement or other agreement or plan providing for the payment of a "golden parachute payment" or the making of any golden parachute payment.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Financial Statement Presentation: The accounting and reporting policies of the Company conform to accounting principles generally accepted in the United States of America ("GAAP") and predominant practices within the banking industry.

The accompanying consolidated financial statements include the accounts of Parke Bancorp, Inc. and its wholly-owned subsidiaries Parke Bank, Parke Capital Markets, Farm Folly, Inc. and Taylors Glen LLC. Also included are the accounts of 44 Business Capital Partners LLC, a joint venture formed in 2009 to originate and service SBA loans. Parke Bank has a 51% ownership interest in the joint venture. Parke

Capital Trust I, Parke Capital Trust II and Parke Capital Trust III are wholly-owned subsidiaries but are not consolidated because they do not meet the requirements for consolidation under applicable accounting guidance. All significant inter-company balances and transactions have been eliminated.

The accompanying interim financial statements should be read in conjunction with the annual financial statements and notes thereto included in Parke Bancorp Inc.'s Annual Report on Form 10-K for the year ended December 31, 2011 since they do not include all of the information and footnotes required by GAAP. The accompanying interim financial statements for the three months ended March 31, 2012 and 2011 are unaudited. The balance sheet as of December 31, 2011, was derived from the audited financial statements. In the opinion of management, these financial statements include all normal and recurring adjustments necessary for a fair statement of the results for such interim periods. Results of operations for the three months ended March 31, 2012 are not necessarily indicative of the results for the full year.

Use of Estimates: In preparing the interim financial statements, management makes estimates and assumptions based on available information that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities as of the date of the balance sheet and reported amounts of expenses and revenues. Actual results could differ from such estimates. The allowance for loan losses, deferred taxes, evaluation of investment securities for other-than-temporary impairment and fair values of financial instruments and other real estate owned ("OREO") are significant estimates and particularly subject to change.

#### Recently Issued Accounting Pronouncements:

In May 2011, FASB issued ASU 2011-04, Fair Value Measurement (Topic 820) - Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in U.S. GAAP and IFRSs. This ASU does not extend the use of fair value accounting, but provides guidance on how it should be applied where its use is already required or permitted. This guidance is to be applied prospectively and is effective during interim and annual periods beginning after December 15, 2011. Adoption of this guidance has not had a material impact on results of operations or financial condition.

In June 2011, the FASB issued guidance to improve the comparability, consistency and transparency of financial reporting and to increase the prominence of items reported in other comprehensive income. The amendments require that all non-owner changes in stockholders' equity be presented either in a single continuous statement of comprehensive income or in two separate but consecutive statements. The amendments do not change the items that must be reported in other comprehensive income or when an item of other comprehensive income must be reclassified to net income. The amendments are effective for interim and annual periods beginning after December 15, 2011 with retrospective application. The Company adopted the accounting standard on January 1, 2012, as required, with no material impact on its results of operations or financial position.
