ELETRO STORES GAIN STRENGTH UNDER THE

EXTRA BANNER AND BECOME EXTRA ELETRO

Sao Paulo, October 30, 2002 - On November 14, Eletro (the chain of electronic products/home appliances of the Pao de Acucar Group) will begin to operate under the Extra Eletro banner. The change is part of the restructuring of the Eletro Division, that now gains the strength of the name Extra Hipermercados.

In practice, Extra gains 51 stores in the state of Sao Paulo, now with employees specialized in electronic products/home appliances and differentiated financial services, such as extended guarantee and insurance. And Eletro can count on,

directly, the flexibility in terms of forms of payment, the banking correspondent service, media force, more variety in bazaar and furniture section and higher competitiveness in prices from Extra.

The incorporation of Eletro by Extra will result in synergies in the management, better negotiations with suppliers and improvement in communication with the clients. Since the beginning of the year, the Management and the category management of both Divisions have been operating in a unified manner, which, from now on, will also occur in marketing, with the creation of the Extra-Eletro flag.

With this measure, CBD increases its competitiveness in the electronic/home appliances products segment and further stress the presence of the Extra banner in the state of Sao Paulo.
