Item 1.01 Entry Into a Material Definitive Agreement

On May 26, 2016, Bunge Limited (“Bunge”) and certain of its subsidiaries renewed and amended its U.S.\$700 million trade receivables securitization program with Coöperatieve Rabobank U.A. (f/k/a Coöperatieve Centrale Raiffeisen-Boerenleenbank B.A.), as administrative agent (the “Administrative Agent”), and certain commercial paper conduit purchasers and committed purchasers (the “Securitization”). As a result, the Securitization terminates on May 26, 2021. However, each committed purchaser’s commitment to purchase trade receivables under the Securitization will terminate on May 26, 2019, unless extended for an additional 1 or 2 year period in accordance with the terms of the receivables transfer agreement.

The Securitization transaction documents contain certain customary representations and warranties and affirmative covenants, including a representation as to the eligibility of the receivables being sold, and contain customary termination events and service defaults. Bunge and its subsidiaries are required to repurchase any receivables that are not eligible as represented on the date of sale or become subject to certain non-credit related obligor offsets following sale to the Securitization. Apart from such repurchase obligations, any recourse to Bunge and its subsidiaries under the Securitization will be limited to Bunge’s first loss position as subordinated lender, which will be sized based on the historical performance of Bunge’s pool of trade receivables.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant
