PROXY STATEMENT
FOR THE ANNUAL MEETING OF SHAREHOLDERS
to be Held May 17, 2004

This Proxy Statement is furnished to shareholders of Community Bankshares, Inc., a South Carolina corporation (herein, unless the context otherwise requires, together with its subsidiaries, the "Company"), in connection with the solicitation of proxies by the Company's Board of Directors for use at the Annual Meeting of Shareholders to be held at Orangeburg National Bank, 791 Broughton Street, Orangeburg, South Carolina at 3:00 p.m. on Monday, May 17, 2004, or any adjournment thereof (the "Annual Meeting"), for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

Solicitation of proxies may be made in person or by mail, telephone or other electronic means by directors, officers and regular employees of the Company. The Company may also ask banking institutions, brokerage firms, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of Common Stock of the Company held of record by such persons, and the Company will reimburse the reasonable forwarding expenses. The cost of solicitation of proxies will be paid by the Company. This Proxy Statement was first mailed to shareholders on or about April 15, 2004.

The Company's principal executive offices are located at 791 Broughton Street, Orangeburg, South Carolina 29115. The Company's telephone number is (803) 535-1060 or (888) 329-1060.

ANNUAL REPORT

The Annual Report on Form 10-K covering the Company's fiscal year ended December 31, 2003, including financial statements, constitutes the Company's Annual Report to Shareholders and is included (without exhibits) with this Proxy Statement. Such Annual Report does not form any part of the material for solicitation of proxies.

REVOCATION OF PROXY

Any record shareholder who returns the accompanying proxy may revoke such proxy at any time prior to its exercise (a) by giving written notice to the Company of such revocation, (b) by voting in person at the meeting, or (c) by executing and delivering to the Company a later dated proxy. Attendance at the Annual Meeting will not in itself constitute revocation of a proxy. Any written notice or proxy revoking a proxy should be sent to Community Bankshares, Inc.,

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

791 Broughton Street, Orangeburg, South Carolina 29115, Attention: William W. Traynham, President. Written notice of revocation or delivery of a later dated proxy will be effective upon receipt thereof by the Company.

QUORUM AND VOTING

The Company's only voting security is its no par value Common Stock ("Common Stock"), each share of which entitles the holder thereof to one vote on each matter to come before the Annual Meeting. At the close of business on April 1, 2004, (the "Record Date"), the Company had issued and outstanding 4,336,112 shares of Common Stock, which were held of record by approximately 2,134 persons. Only shareholders of record at the close of business on the Record Date are entitled to notice of and to vote on matters that come before the Annual Meeting. Notwithstanding the Record Date specified above, the Company's stock

transfer books will not be closed and shares of the Common Stock may be transferred subsequent to the Record Date. However, all votes must be cast in the names of holders of record on the Record Date.

The presence in person or by proxy of the holders of one-third of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. If a share is represented for any purpose at the Annual Meeting by the presence of the registered owner or a person holding a valid proxy for the registered owner, it is deemed to be present for the purposes of establishing a quorum. Therefore, valid proxies which are marked "Abstain" or "Withhold" or as to which no vote is marked, including proxies submitted by brokers that are the record owners of shares (so-called "broker non-votes"), will be included in determining the number of votes present or represented at the Annual Meeting. If a quorum is not present or represented at the meeting, the shareholders entitled to vote, present in person or represented by proxy, have the power to adjourn the meeting from time to time, without notice other than an announcement at the meeting, until a quorum is present or represented. Directors, officers and regular employees of the Company may solicit proxies for the reconvened meeting in person or by mail, telephone or other electronic means. At any such reconvened meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the meeting as originally noticed.

If a quorum is present at the meeting, directors will be elected by a plurality of the votes cast by shares present and entitled to vote at the meeting. Votes that are withheld or shares that are not voted in the election of directors will have no effect on the outcome of election of directors. Cumulative voting will not be permitted.

If a quorum is present, all other matters which may be considered and acted upon by the holders of Common Stock at the Annual Meeting, including amendment of the 1997 Stock Option Plan, will be approved if the votes cast in favor of the proposal at the Annual Meeting exceed the votes cast against the proposal.

ACTIONS TO BE TAKEN BY THE PROXIES

If the shareholder appropriately specifies how the proxy is to be voted, it will be voted in accordance with the shareholder's specifications. If the shareholder does not specify how the proxy is to be voted, the proxy will be voted "FOR" the election of the persons named in this Proxy Statement as the Board of Directors' nominees for election to the Board of Directors and "FOR" amendment of the 1997 Stock Option Plan. As to any other matter of business which may be brought before the Annual Meeting, a vote may be cast pursuant to the accompanying proxy in accordance with the best judgment of the persons

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

voting the same, but the Board of Directors does not know of any such other business.

SHAREHOLDER PROPOSALS

Any shareholder of the Company who wishes to present a proposal for action at the 2005 Annual Meeting of Shareholders must deliver the proposal to the executive offices of the Company, 791 Broughton Street, Orangeburg, South Carolina 29115, Attention: William W. Traynham, President. Any shareholder who wishes for the Company to include any such proposal in its proxy statement and form of proxy for the 2005 Annual Meeting of Shareholders must deliver the proposal to the executive offices of the Company to Mr. Traynham's attention no later than December 17, 2004. If any shareholder proposal is not received by Mr. Traynham by March 1, 2005, proxies solicited by management of the Company will be voted on the proposal in the discretion of the designated proxy agents. Only proper proposals that are timely received will be included in the Company's proxy statement and proxy.

ELECTION OF DIRECTORS

The Bylaws of the Company provide for a Board of Directors consisting of not less than nine nor more than twenty-four directors divided into three classes each serving three-year staggered terms. The number of directors is currently fixed by the Board at eighteen. Six directors have been nominated for re-election by the shareholders at the 2004 Annual Meeting to serve for three-year terms and one director has been nominated to serve for a two year term. All directors serve until their successors are elected and qualified to serve. All of the nominees are presently directors of the Company and have served continuously since first becoming directors.

Should any of the nominees become unable or unwilling to serve upon election, the proxy agents intend to vote for the election, in his or her stead, of such other person or persons as the Board of Directors of the Company may recommend. The Board of Directors has no reason to believe that any of the proposed directors will be unable or unwilling to serve if elected.

Executive Officers

Information about Mr. Ayers, the Chief Executive Officer of the Company, and Mr. Traynham, the President and Chief Financial Officer of the Company, is set forth above under "--Directors." Mr. Ayers and Mr. Traynham are the only executive officers of the Company.

Attendance at Meetings of the Board of Directors and Shareholder Meetings

The Board of Directors of the Company held 12 meetings during 2003. Each director, except Mr. Williams, attended at least 75% of the total number of meetings of the Board of Directors during the period in 2003 for which he served as director.

The Company encourages, but does not require, its directors to attend annual meetings of shareholders. Last year, 14 of the Company's directors attended the annual meeting of shareholders.

Committees of the Board of Directors

Audit Committee

The Company has an Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The Audit Committee is comprised of Alvis J. Bynum (chairman), Thomas B. Edmunds, Anna O. Dantzler, and Richard L. Havekost, all of whom are non-employee directors. Each member of the Audit Committee is independent as defined in Section 121 (A) of the American Stock Exchange's listing standards, as modified or supplemented. The Audit Committee is responsible for appointment of the independent auditors and oversees the internal and external audit function. The Audit Committee met seven times in 2003. The Audit Committee acts pursuant to a written charter adopted by the Board of Directors, a copy of which is attached to this Proxy Statement as Appendix A.

Compensation Committee

The Company has a Compensation Committee comprised of Richard L. Havekost (chairman), Wm. Reynolds Williams, J. M. Guthrie, Samuel F. Reid, Phil P. Leventis, Thomas B. Edmunds, J. V. Nicholson and Alvis J. Bynum. The Compensation Committee makes recommendations to the Board of Directors concerning the compensation for the senior officers of the Company. The Compensation Committee met six times during 2003.

Nominating Committee

The Board of Directors does not have a separate nominating committee. Rather, the entire Board of Directors acts as nominating committee. Based on the Company's size, the small geographic area in which it does business and the desirability of directors being a part of the communities served by the Company and familiar with the Company's customers, the Board of Directors does not believe the Company would derive any significant benefit from a separate nominating committee. The members of the Board of Directors are not all independent as defined in American Stock Exchange Company Guide, as modified or supplemented. The Company does not have a Nominating Committee charter.

In recommending director candidates, the Board takes into consideration such factors as it deems appropriate based on the Company's current needs. These factors may include diversity, age, skills such as understanding of banking and general finance, decision-making ability, inter-personal skills, experience with businesses and other organizations of comparable size, community activities and relationships, and the interrelationship between the candidate's experience and business background, and other Board members' experience and business background, as well as the candidate's ability to devote the required time and effort to serve on the Board.

The Board will consider for nomination by the Board director candidates recommended by shareholders if the shareholders comply with the following requirements. If a shareholder wishes to recommend a candidate to the Board for

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

consideration as a Board of Directors' nominee, such shareholder must submit in writing to the Board the recommended candidate's name, a brief resume setting forth the recommended candidate's business and educational background and qualifications for service, and a notarized consent signed by the recommended candidate stating the recommended candidate's willingness to be nominated and to serve. This information must be delivered to the Chairman of the Company at the Company's address and must be received no later than January 15 in any year for a potential candidate to be considered as a potential Board of Directors' nominee. The Board may request further information if it determines a potential candidate may be an appropriate nominee. Director candidates recommended by shareholders that comply with these requirements will receive the same consideration that the Board's candidates receive.

Director candidates recommended by shareholders will not be considered for recommendation by the Board as potential Board of Directors' nominees if the shareholder recommendations are received later than January 15 in any year. However, shareholders may nominate director candidates for election at the annual meeting, but no person who is not already a director may be elected at an

7

annual meeting of shareholders unless that person is nominated in writing at least 30 days prior to the meeting. Such nominations, other than those made by or on behalf of the existing management of the Company, must be made in writing and must be delivered or mailed to the President of the Company, not less than 30 days prior to any meeting of Shareholders called for the election of Directors. Nominations not made in accordance with this requirement may be disregarded by the presiding officer of the meeting, and upon his instructions, the vote tellers shall disregard all votes cast for each such nominee.

Shareholder Communications with the Board of Directors

Any shareholder who wishes to send communications to the Board of Directors should mail them addressed to the intended recipient by name or position in care of: Corporate Secretary, Community Bankshares, Inc., 791 Broughton Street, Orangeburg, South Carolina 29115. Upon receipt of any such communications, the Corporate Secretary will determine the identity of the intended recipient and whether the communication is an appropriate shareholder communication. The Corporate Secretary will send all appropriate shareholder communications to the intended recipient. An "appropriate shareholder communication" is a communication from a person claiming to be a shareholder in the communication the subject of which relates solely to the sender's interest as a shareholder and not to any other personal or business interest.

In the case of communications addressed to the Board of Directors, the Corporate Secretary will send appropriate shareholder communications to the Chairman of the Board. In the case of communications addressed to the independent or outside directors, the Corporate Secretary will send appropriate shareholder communications to the Chairman of the Audit Committee. In the case of communications addressed to committees of the board, the Corporate Secretary will send appropriate shareholder communications to the Chairman of such committee.

Board Report on Executive Officer Compensation

The Compensation Committee is required to report to the shareholders the basis for the Compensation Committee's action in establishing compensation for Community Bankshares' and its subsidiaries' executive officers.

The Community Bankshares' compensation program is designed to retain and reward executive officers that are capable of leading Community Bankshares in achieving its business objectives in an industry characterized by complexity, competitiveness and change. The compensation of Community Bankshares' and its subsidiaries' executive officers is reviewed and approved annually by the Compensation Committee.

Annual compensation for Community Bankshares' Chief Executive Officer and other senior executive officers consists of three elements.

- o A base salary that is determined by individual contribution and performance, and which is designed to provide a base level of compensation comparable to that provided key executives of other financial institutions of similar size and performance.
- o A short-term cash incentive program that is directly linked to individual performance and to Community Bankshares' performance. One-half of the officer's incentive is determined by the applicable subsidiary and one-half by Community Bankshares. Incentive payments for the President and the Chief Executive Officer of Community Bankshares are determined by the Board of Directors of Community Bankshares.
- o A long-term incentive program that provides from time to time stock options to executive officers. Stock option grants provide an incentive that focuses the executive's attention on managing Community Bankshares from the perspective of a stockholder with an equity stake

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

in the business. The economic value of any stock option granted is directly tied to the future performance of Community Bankshares' stock and will provide value to the recipient only when the price of Community Bankshares' stock increases over the option grant price.

For Community Bankshares' key executives, base salary is targeted to approximate average salaries for individuals in similar positions with similar levels of responsibilities who are employed by other banking organizations of similar size and financial performance. During 2003, Community Bankshares set the base salary for Mr. Ayers, the Chief Executive Officer, at \$82,000. During 2003 the Committee set the base salary for each of Mr. Wolfe, President of Orangeburg National Bank, Mr. Nock, President of Sumter National Bank, Mr. Harwell, President of the Bank of Ridgeway, and Mr. Traynham, President of Community Bankshares at \$135,000.

The Compensation Committee annually reviews national, regional, statewide, and local peer group salary data (to the extent available) to assist it in setting appropriate levels of the Chief Executive Officer's and other executive officers' base salaries. A second factor considered by the Compensation Committee in setting and adjusting base salary was Community Bankshares' 2003 financial performance. The Committee annually sets a base level of consolidated income before taxes, which was \$5.6 million for 2003. Income earned above that level is multiplied by a factor of 4.5% to determine the amount available for incentive payments to senior officers. This performance indicator is updated annually based on current economic conditions and expectations.

For Community Bankshares' key executives, the Compensation Committee considered cash incentive bonuses based on 2003 results payable in 2004 that ranged to over 30% of base salary. The plan is designed so that over time incentive payments may be as much as 40% of base pay. For purposes of determining the cash incentive bonus payable during 2004 for 2003, Community Bankshares considered actual operating results and individual performances of the involved officers. The Committee completed its recommendations and the Boards of Directors approved them in February 2004.

11

During 2004, Messrs. Traynham, Wolfe, Nock and Harwell were each paid a bonus of \$42,072 for 2003 performance. During 2004, Mr. Ayers was paid a bonus of \$25,554 for 2003 performance.

In October 2003 the Board of Community Bankshares approved the grant of 5,000 stock options each to Messrs. Ayers, Traynham, Wolfe, Nock, and Harwell.

Mr. Douroux, President of Community Resource Mortgage, Inc., is a senior officer of the company, but his compensation is considered outside the parameters of the senior officer compensation plan. His base salary for 2003 was \$125,000. His bonus for 2003, paid in 2004, was \$98,000 and was based on mortgage loan production volume during the year. Mr. Douroux also received a grant in October of 2003 of 5,000 stock options.

This report is provided as a summary of current Board practice with regard to annual compensation review and authorization of executive officer compensation and with respect to specific action taken for the Chief Executive Officer.

Shareholder Return Performance Graph

The Company is required to provide its shareholders with a line graph comparing the Company's cumulative total shareholder return with a performance indicator of the overall stock market and either a published industry index or a Company-determined peer comparison. Shareholder return (measured through increases in stock price and payment of dividends) is often a benchmark used in assessing corporate performance and the reasonableness of compensation paid executive officers.

The performance graph below compares the Company's cumulative total return over the most recent five year period with the Russell 2000 Index (reflecting overall stock market performance for small cap stocks) and the SNL Southeast Bank Index (reflecting changes in banking industry stocks in the southeastern U. S.), and a peer group index consisting of all the publicly traded banks and thrifts in South Carolina. Returns are shown on a total return basis, assuming the reinvestment of dividends and a beginning stock index price of \$100 per share. Values presented for the Company are based on transactions as reported through the American Stock Exchange.

Change of Control Agreements and Employment Agreements

In 1999, the Company entered into Change of Control Agreements with Messrs. Ayers, Traynham, Wolfe and Nock. The principal purpose of the agreements is to protect these executives against a change in control of the Company. The agreements provide that, if within five years after the date of the agreements, any change of control of the Company is effected, then the executive will be entitled to certain benefits. A change of control of the Company will be deemed to have been effected for purposes of the Agreement if: (i) voting control of the Company is acquired, directly or indirectly, by any person or group acting in concert, (ii) the Company is merged with or into any other entity and the Company is not the surviving entity of the merger, (iii) voting control of any subsidiary of the Company by which the executive is principally employed is acquired, directly or indirectly, by any person or group acting in concert, or (iv) any subsidiary of the Company by which the executive is principally

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

employed is merged with or into another entity that is not also a subsidiary of the Company and such subsidiary is not the surviving entity of the merger. If the executive terminates his employment with the Company or his employment is terminated by the Company at any time within six months following the effective date of a change in control, the executive will be entitled to a lump sum

13

payment equal to twice his annual salary in effect at the date of termination. The Agreement requires certain adjustments in the event that the lump sum payment exceeds the amount prescribed by Section 280G of the Internal Revenue Code. The term of the Agreement extends automatically for an additional year on each annual anniversary thereof, unless the Company gives 30 days prior notice to the executive that the term will not be extended. Keith W. Buckhouse became President of Florence National Bank on March 1, 2004, and was appointed to the Board of Directors of Community Bankshares on March 29, 2004. Mr. Buckhouse will be provided with a change in control agreement comparable to those in effect for the other senior officers.

CBI entered into employment agreements with A. Wade Douroux, President and Chief Executive Officer of Community Resource Mortgage, Inc., in October 2001, and with William A. Harwell, President and Chief Executive Officer of the Bank of Ridgeway, in July 2002. Mr. Douroux's contract is for an initial term of three years, and Mr. Harwell's contract is for an initial term of five years. Each contract is for an initial term and at the end of the term automatically renews for an additional year unless notice is given according to the terms of the contract. The contracts specify compensation and other benefits appropriate to the nature of Messrs. Douroux's and Harwell's employment. The contracts also provide the employees with protection in the event of a change in control of the Company under terms and conditions comparable to those outlined above for the Change of Control Agreements.

The foregoing descriptions of the Change of Control Agreements and Employment Agreements are merely summaries of such agreements and are qualified in their entirety by reference to the agreements, which are included in the Company's filings with the Securities and Exchange Commission.

Director Compensation

Community Bankshares Inc. paid directors who are not employees of the Company or its subsidiaries fees of \$200 per month until March 2003, and increased the fees to \$400 per month for the remainder of 2003. Orangeburg National Bank paid fees of \$500 per month to its non-employee directors until April 2003, and increased the fees to \$800 per month for the remainder of 2003. Sumter National Bank paid fees of \$600 per month to its non-employee directors during 2003. Florence National Bank paid fees of \$300 per month to its non-employee directors until April 2003, and increased the fees to \$500 per month for the remainder of 2003. The Bank of Ridgeway paid fees of \$450 per month to its non-employee directors during 2003. Community Resource Mortgage Inc. did not pay any director fees during 2003. The foregoing director fees totaled \$282,650 for Community Bankshares Inc. and its subsidiaries in 2003.

Stock Plan

For information on the stock option plan, see the section "Amendment to the 1997 Stock Option Plan."

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

AMENDMENT TO THE 1997 STOCK OPTION PLAN

At the 2004 Annual Meeting, shareholders will be asked to vote on amendments to the 1997 Stock Option Plan for the purpose of increasing by 300,000 shares to a total of 785,600 shares the number of shares reserved for issuance under the Plan. All of the additional shares will be reserved for issuance pursuant to the exercise of incentive stock options.

Options may be granted pursuant to the plan to persons who are employees of the Company or any subsidiary (including officers and directors who are employees) at the time of grant. At December 31, 2001, the Company and its subsidiaries had 126 employees. Non-employee directors are also permitted to participate in the Plan. Such non-employee directors are only eligible to be granted non-qualified stock options.

All incentive stock options must have an exercise price not less than the fair market value of the Common Stock at the date grant, as determined by the Board of Directors. Non-qualified options will have such exercise prices as may be determined by the Board of Directors at the time of grant, and such exercise prices may be less than fair market value. The Board of Directors may set other terms for the exercise of the options but may not grant to any one holder more than \$100,000 of incentive stock options (based on the fair market value of the optioned shares on the date of the grant of the option) which first become exercisable in any calendar year. The Board of Directors also selects the employees to receive grants under the plan and determines the number of shares covered by options granted under the plan. No options may be exercised after ten years from the date of grant, options may not be transferred except by will or the laws of descent and distribution, and options may be exercised only while

14

the optionee is an employee of the Company, within three months after the date of termination of employment, or within twelve months of death or disability. The number of shares reserved for issuance under the Plan, the number of shares covered by outstanding options, the exercise price and the exercise date of options will be adjusted in the event of changes in the number of outstanding shares of common stock effected without receipt of consideration by the Company. The Board of Directors may amend, suspend or terminate the Plan, but may not increase (except as discussed above) the maximum number of shares reserved for issuance under the Plan, or materially modify the eligibility requirements under the Plan without shareholder approval or ratification. The plan will terminate on March 16, 2007, and no options will be granted thereunder after that date.

Under federal tax law and regulations, the granting of a stock option does not produce income to the optionee or a tax deduction for the Company unless the option itself has a determinable market value and is not an incentive stock option. Upon exercise of a non-qualified stock option, the excess of the fair market value of the shares over the option exercise price is taxable to the optionee as ordinary income and deductible as an expense by the Company. The cost basis of the shares acquired is the fair market value at the time of exercise. Upon exercise of an incentive stock option, the excess of the fair market value of the stock acquired over the option price will be an item of tax preference to the optionee, which may be subject to an alternative minimum tax for the year of exercise. If no disposition of the stock is made within two years from the date of grant of the incentive stock option nor within one year after the transfer of the stock to the optionee, the optionee does not realize income as a result of exercising the incentive stock option; the tax basis of

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

the stock received is the option price; any gain or loss realized on the ultimate sale of the stock is long-term capital gain or loss, and the Company is not entitled to any tax deduction by reason of the exercise. If the optionee disposes of the stock within the two-year or one-year periods referred to above, the excess of the fair market value of the stock at the time of exercise (or the proceeds of disposition, if less) over the option price will at that time be taxable to the optionee as ordinary income and deductible by the Company. For determining capital gain or loss on such a disposition, the tax basis of the stock will be the fair market value at the time of exercise.

As of March 31, 2004, there were outstanding incentive options to purchase 418,367 shares (including 195,750 shares subject to approval by shareholders of the amendment to the 1997 Plan at the 2004 Annual Meeting) and nonqualified options to purchase 162,050 shares. The market value of the Common Stock on March 31, 2004 was \$18.25 per share.

The Board of directors recommends a vote "FOR" approval of the amendment to the 1997 Stock Option Plan.

Based on a review of Forms 3, 4 and 5 and written representations made to the Company, it appears that all such reports for these persons were filed in a timely fashion during 2003, except for late filings of two reports reporting one transaction each for each of E. J. Ayers, A. Wade Douroux, William A. Harwell, Phil P. Leventis, William H. Nock, William W. Traynham and Michael A. Wolfe, and late filing of one report reporting one transaction for J. M. Guthrie. The Committee may delegate to one or more designated members of the Committee the authority to pre-approve audit and permissible non-audit services, provided such pre-approval decision is presented to the full Committee at its next scheduled meeting.

General pre-approval of certain audit, audit-related and tax services is granted by the Committee at the first quarter Audit Committee meeting. The Committee subsequently reviews fees paid. Specific pre-approval is required for all other services, of which there were none during the year. During 2003, all audit and permitted non-audit services were pre-approved by the Committee.
