Item 8.01 Other Information

On August 2, 2006, Exelon Corporation (Exelon) and Public Service Enterprise Group Incorporated (PSEG) delivered a letter to the Executive Director of the New Jersey Board of Public Utilities (NJBPU) in regard to a proposed settlement offer in the regulatory proceedings before the NJBPU in connection with the proposed merger of Exelon and PSEG, with copies to the Commissioners of the NJBPU and the parties of record. A copy of the August 2, 2006 letter is attached as Exhibit 99.1

The statements contained in this communication about our and our subsidiaries' future performance, including future revenues, earnings, strategies, prospects and all other statements that are not purely historical, are forward-looking statements for purposes of the safe harbor provisions under The Private Securities Litigation Reform Act of 1995. Although we believe that our expectations are based on reasonable assumptions, we can give no assurance they will be achieved. There are a number of risks and uncertainties that could cause actual results to differ materially from the forward-looking statements made herein. A discussion of some of these risks and uncertainties is contained in our Annual Report on Form 10-K and subsequent reports on Form 10-Q and Form 8-K filed with the Securities and Exchange Commission (SEC). A discussion of other risks associated with the proposed merger with Exelon Corporation is included in the definitive joint proxy statement/prospectus that Exelon filed with the SEC. These documents address in further detail our business, industry issues and other factors that could cause actual results to differ materially from those indicated in this communication. In addition, any forward-looking statements included herein represent our estimates only as of today and should not be relied upon as representing our estimates as of any subsequent date. While we may elect to update forward-looking statements from time to time, we specifically disclaim any obligation to do so, even if our estimates change, unless otherwise required by applicable securities laws.
