Table of Contents**Item 2.03 Creation of a Direct Financial Obligation**

On July 7, 2009, (i) American Airlines, Inc (American), a wholly-owned subsidiary of AMR Corporation, and U.S. Bank Trust National Association, as subordination agent (the Subordination Agent), pass through trustee under the pass through trust newly formed by American (the Trustee) and loan trustee (the Loan Trustee) entered into four separate but substantially identical participation agreements (each, a Participation Agreement and, collectively, the Participation Agreements) and (ii) American, the Subordination Agent, the Trustee, U.S. Bank National Association, as escrow agent (the Escrow Agent) under the Escrow Agreement (as defined below), and U.S. Bank Trust National Association as paying agent (the Paying Agent) under the Escrow Agreement, entered into a Note Purchase Agreement (the Note Purchase Agreement). The Participation Agreements provide for the issuance by American of equipment notes (the Owned Aircraft Series A Equipment Notes) in the aggregate principal amount of \$153,678,000, secured by four Boeing 777-223ER aircraft (each, an Owned Aircraft) delivered new to American from 1999 to 2000. The Note Purchase Agreement, subject to certain terms and conditions, provides for the future issuance by American of equipment notes (the New Aircraft Series A Equipment Notes and, together with the Owned Aircraft Series A Equipment Notes, the Series A Equipment Notes) in the aggregate principal amount of \$366,432,000 to be secured by 16 new Boeing 737-823 aircraft (each, a New Aircraft and, together with the Owned Aircraft, the Aircraft) to be selected by American from a pool of 59 new Boeing 737-823 aircraft scheduled for delivery to American from July 2009 to October 2010. Pursuant to the Participation Agreements, upon the financing of each Owned Aircraft on July 7, 2009, the Trustee purchased the related Series A Equipment Notes issued under an Indenture and Security Agreement (each, an Owned Aircraft Indenture and, collectively, the Owned Aircraft Indentures) entered into by American and the Loan Trustee with respect to such Owned Aircraft. Pursuant to the Note Purchase Agreement and the form of Participation Agreement (Form of Participation Agreement) and form of Indenture and Security Agreement (Form of Indenture and, together with the Owned Aircraft Indentures, the Indentures), each attached as an exhibit thereto, at the financing of each New Aircraft, the Trustee will enter into a Participation Agreement substantially in the form of the Form of Participation Agreement and will purchase the related Series A Equipment Notes to be issued under an Indenture and Security Agreement substantially in the form of the Form of Indenture to be entered into by American and the Loan Trustee with respect to such New Aircraft. The Form of Participation Agreement and the Participation Agreements and the Form of Indenture and the Owned Aircraft Indentures are substantially identical in all material respects, except for differences set forth in Schedule I (filed herewith as Exhibit 99.1).

Each Indenture contemplates the issuance of the related Series A Equipment Notes bearing interest at the rate of 10.375% per annum, in the aggregate principal amount (once all New Aircraft Series A Equipment Notes have been issued) equal to \$520,110,000. The Series A Equipment Notes will be purchased by the Trustee, using the proceeds from the sale of Pass Through Certificates, Series 2009-1A (the Class A Certificates).

Pending the purchase of the New Aircraft Series A Equipment Notes, proceeds in the aggregate amount of \$366,432,000 from the sale of the Class A Certificates were placed in escrow by the Trustee pursuant to the Escrow and Paying Agent Agreement, dated as of July 7, 2009, among the Escrow Agent, the Paying Agent, the Underwriters (as defined below) and the Trustee (the Escrow Agreement). The escrowed funds were deposited with The Bank of New York Mellon (the Depository) pursuant to the Deposit Agreement, dated July 7, 2009, between the Escrow Agent and the Depository relating to the Class A Certificates.

The interest on the Series A Equipment Notes and the escrowed funds is payable semiannually on each January 2 and July 2, beginning on January 2, 2010. The principal payments on the Series A Equipment Notes are scheduled for payment on January 2 and July 2 in certain years, beginning on January 2, 2010. Final payments will be due on July 2, 2019. Maturity of the Series A Equipment Notes may be accelerated upon the occurrence of certain events of default, including failure by American (in some cases after notice or the expiration of a grace period, or both) to make payments under the applicable Indenture when due or to comply with certain covenants, as well as certain bankruptcy events involving American. The Series A Equipment Notes issued with respect to each Aircraft will be secured by a lien on such Aircraft and also will be cross-collateralized by the other Aircraft financed pursuant to the offering of the Class A Certificates.

The Class A Certificates were registered for offer and sale pursuant to the Securities Act of 1933, as amended (the Securities Act), under American s shelf registration statement on Form S-3 (File Nos. 333-136563 and 333-136563-01), (the Registration Statement). The Class A Certificates were sold pursuant to the Underwriting Agreement, dated June 29, 2009, among American and Goldman, Sachs & Co. and Morgan Stanley & Co. Incorporated, as representatives of the underwriters named therein (the Underwriters). For a more detailed description of the agreements and instruments entered into by American with respect to the Class A Certificates, see the disclosure under the captions Description of the Certificates , Description of the Deposit Agreement , Description of the Escrow Agreement , Description of the Class A Liquidity Facility , Description of the Intercreditor Agreement , Description of the Equipment Notes and Underwriting contained in American s final Prospectus Supplement, dated June 29, 2009 (the Prospectus Supplement), to the Prospectus, dated August 11, 2006, filed with the Securities and Exchange Commission on July 1, 2009 pursuant to Rule 424(b) under the Securities Act, which disclosure is hereby incorporated herein by reference and is qualified in its entirety by reference to the relevant exhibit filed herewith.

This Current Report also is being filed for the purpose of filing as exhibits to the Registration Statement the documents listed in Item 9.01 below, which are hereby incorporated by reference in the Registration Statement.
