Except as set forth in this Schedule 13D (including the exhibits incorporated by reference herein), neither the Reporting Persons nor, to their knowledge, any of their respective executive officers or directors, have any present plans or proposals that relate to or would result in any of the actions described in Item 4(a) through (j) of Schedule 13D under Rule 13d-1(d). Each of the Reporting Persons expects to evaluate on a continuing basis its investment in the Issuer and may from time to time acquire or dispose of additional shares of Common Stock or other securities of the Issuer. Any acquisitions or dispositions will depend upon (i) the price and availability of the Issuer's securities; (ii) subsequent developments concerning the Issuer's business and prospects and the industry in which the Issuer operates; (iii) the applicable Reporting Person's general investment policy; (iv) other investment and business opportunities available to the applicable Reporting Person; (v) general market and economic conditions; (vi) tax considerations and (vii) such other factors as the applicable Reporting Person may consider relevant. ***Anticipated Permitted Transfers***

The shares of Key Common Stock covered by this statement were acquired for and are being held for investment purposes. Following the Closing Date, OFS Energy expects to transfer a portion of the Consideration Shares to the members of OFS Energy, the members of OFS Holdings and certain current and former employees of OFS Energy and OFS Holdings (the Permitted Transferees). The Permitted Transferees will be subject to the Lock-Up Period and all other transfer restrictions as provided in the Purchase and Sale Agreement. OFS Energy anticipates that following any expected transfers to the Permitted Transferees, OFS Energy will remain a beneficial owner of Key Common Stock.
