**Item 2.02 Results of Operations and Financial Condition.**

Attached hereto as Exhibit 99.1 is the Registrant's press release reflecting earnings information for the quarter ended September 30, 2010.

The press release contains information regarding EBITDA (earnings before interest, taxes, depreciation and amortization), which is a non-GAAP financial measure as defined in Item 10(e) of Regulation S-K. The press release also contains a reconciliation of EBITDA to the Registrant's reported earnings before income taxes. Management of the Registrant believes that presentation of EBITDA is useful to investors, as among other things, this information impacts certain financial covenants under the Registrant's senior credit facilities. While management believes this non-GAAP financial measure is useful in evaluating the Registrant, this information should be considered as supplemental in nature and not as a substitute for or superior to the related financial information prepared in accordance with GAAP. Further, the non-GAAP financial measure may differ from similar measures presented by other companies.

Pursuant to General Instruction B.2. of Form 8-K, all of the information contained in Item 2.02 of this Form 8-K and the accompanying exhibit shall be deemed to be furnished and not filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and, therefore, shall not be incorporated by reference in any filing under the Securities Act of 1933, as amended.

**Item 8.01 Other Events.**

On October 25, 2010, the Registrant announced that its board of directors declared a cash dividend in the amount of \$0.06 per share payable on November 23, 2010, to common stockholders of record as of the close of business on November 5, 2010.

Also on October 25, 2010, the Registrant announced that in connection with its analysis of available growth initiatives, it is exploring strategic alternatives with respect to its financial services business, which may or may not include a sale or divestiture of such business. The Registrant does not intend to disclose developments with respect to the strategic alternatives for its financial services business unless and until a final decision is made and further disclosure is required. The Registrant does not anticipate these strategic alternatives to result in a transaction that will have a material adverse impact on its financial condition or results of operations.

The press release containing these announcements is furnished as Exhibit 99.1.
