**GRAVITY REPORTS THIRD QUARTER OF 2010 RESULTS AND BUSINESS UPDATES**

Seoul, South Korea November 17, 2010 GRAVITY Co., Ltd. (NasdaqGM: GRVY) ( Gravity or the Company ), an online game developer and publisher based in South Korea, today announced its unaudited financial results for the third quarter ended September 30, 2010, prepared in accordance with generally accepted accounting principles in the United States, and business updates.

**FINANCIAL RESULTS FOR THE THIRD QUARTER OF 2010**

Revenues for the third quarter ended September 30, 2010 were KRW 13,668 million (US\$ 12,148 thousand), representing a 20.7% increase from KRW 11,326 million for the second quarter ended June 30, 2010 ( QoQ ) and a 0.9% decrease from KRW 13,798 million for the third quarter ended September 30, 2009 ( YoY ).

**Review of financial results**

**Revenues**

Royalty and licensing fee revenues for the third quarter of 2010 were KRW 9,359 million (US\$ 8,318 thousand), representing a 42.4% increase QoQ from KRW 6,572 million and a 23.9% increase YoY from KRW 7,553 million. The increases QoQ and YoY were primarily driven by the increased revenues from Ragnarok Online in the Japanese market and the weakening of the Korean Won against the Japanese Yen.

Subscription revenues for the third quarter of 2010 were KRW 2,004 million (US\$ 1,781 thousand), representing a 25.5% decrease QoQ from KRW 2,691 million and a 35.8% decrease YoY from KRW 3,122 million. The decreases QoQ and YoY were primarily due to decreased revenues from Korea, the U.S. and Canada.

Mobile game revenues were KRW 2,163 million (US\$ 1,922 thousand) for the third quarter of 2010, representing a 17.6% increase QoQ from KRW 1,840 million and a 6.9% decrease YoY from KRW 2,324 million.

Character merchandising, animation and other revenue were KRW 142 million (US\$ 127 thousand) for the third quarter of 2010, representing a 36.3% decrease QoQ from KRW 223 million and a 82.2% decrease YoY from KRW 799 million. The decreases QoQ and YoY primarily resulted from decreased revenues in sales of goods and Ragnarok Online character merchandising. The decrease YoY was largely due to revenues from sales of Ragnarok DS in the third quarter of 2009, which did not recur in the third quarter of 2010.

**Cost of Revenues and Operating Expenses**

Cost of revenues was KRW 4,502 million (US\$ 4,002 thousand) for the third quarter of 2010, representing a 8.9% decrease QoQ from KRW 4,942 million and a 16.6% decrease YoY from KRW 5,396 million. The decreases QoQ and YoY were primarily attributable to decrease in amortization expense resulting from development costs for Emil Chronicle Online being fully amortized in July 2010 and decrease in cost of goods sold.

---

Operating expenses were KRW 5,692 million (US\$ 5,058 thousand) for the third quarter of 2010, representing a 6.9% decrease QoQ from KRW 6,112 million and a 20.9% decrease YoY from KRW 7,193 million. The decrease QoQ was primarily due to decrease in advertising expenses in the third quarter of 2010 as well as employee separation costs which were incurred in the second quarter of 2010 but not in the third quarter of 2010. The decrease YoY was mainly due to accrual for the litigation settlement with Softstar Entertainment Inc. in the third quarter of 2009, which did not recur in the third quarter of 2010. The decrease YoY was partially offset by increased research and development expenses.

Income before income tax expenses and others was KRW 4,071 million (US\$ 3,618 thousand) for the third quarter of 2010, which represents a 194.1% increase QoQ from KRW 1,384 million and a 207.7% increase YoY from KRW 1,323 million.

As a result of the foregoing factors, Gravity recorded a net income attributable to parent company of KRW 2,646 million (US\$ 2,352 thousand) for the third quarter of 2010 compared to KRW 465 million for the second quarter of 2010 and KRW 16 million for the third quarter of 2009.

The balance of cash and cash equivalents and short-term financial instruments was KRW 67,767 million (US\$ 60,229 thousand) as of September 30, 2010.

Note: For convenience purposes only, the KRW amounts have been expressed in the U.S. dollars at the exchange rate of KRW 1,125.16 to US\$ 1.00, the noon buying rate in effect on October 29, 2010, as quoted by the Federal Reserve Bank of New York.

#### BUSINESS UPDATES

Ragnarok Online II delayed to the second quarter of 2011

The launch schedule of Ragnarok Online II, a sequel to Ragnarok Online and a massively multiplayer online role playing game ( MMORPG ), has been delayed to the second quarter of 2011.

After the management's careful consideration, the Company has decided to postpone the schedule as it has become clear that more time is needed in order to reflect users' feedbacks and to refine the game.

Mr. Toshiro Ohno, the President and CEO of Gravity said, "While we are certainly aware that another delay may come as a disappointment to many fans, our inevitable decision has been made as we put the importance on the degree of completion. We are very hopeful that the additional time will result in the best and most immersive game."

License Agreement for War of Gods, a web browser-based game

Gravity has entered into a license agreement with Link China Entertainment, a Chinese game developer, to publish War of Gods in Korea.

War of Gods is a web browser-based strategy simulation game, which is currently serviced in China, Taiwan, Vietnam and Europe by other publishers. Gravity currently expects to commercially release the game in Korea in the fourth quarter of 2010.

---

License Agreement for Weapons of the Gods, an MMORPG

Gravity has entered into a license agreement with Shanghai Nineyou Interactive Community and Media Co., Ltd. and its two affiliates, Shanghai Nineshine Information Technology Co., Ltd. and HitNorth International Limited, Chinese game developers and publishers, to publish Weapons of the Gods in Korea.

Weapons of the Gods is a three dimensional MMORPG, based on the storyline and characters from a famous Chinese martial arts comic book series. Weapons of the Gods is expected to be launched in Korea in the third quarter of 2011.

**About GRAVITY Co., Ltd.** -----

Based in Korea, Gravity is a developer and publisher of online games. Gravity's principal product, *Ragnarok Online*, is a popular online game in many markets, including Japan, Taiwan and Thailand, and is currently commercially offered in 80 markets.
