On February 4, 2011, the Registrant announced the initial closing of a private placement of common stock and warrants to purchase common stock. Because a second closing is scheduled to occur on or before February 15, 2011, which closing constitutes a material subsequent event to the Registrant's quarterly financial statements for the period ended December 31, 2010, the Registrant is not able to timely file its Form 10-Q for the quarter ended December 31, 2010 in a timely matter pending such closing.

The Registrant fully expects to be able to file within the additional time allowed by this report.
