**PROXY STATEMENT  
ANNUAL MEETING OF SHAREOWNERS  
April 24, 2006**

**To Our Shareowners:**

This proxy statement (the **Proxy Statement** ) is furnished in connection with the solicitation of proxies by the Board of Directors (the **Board of Directors** or the **Board** ) of M.D.C. Holdings, Inc. (the **Company** ) to be used at the Annual Meeting of Shareowners of the Company (the **Meeting** ) to be held at our principal executive offices, 4350 South Monaco Street, 6<sup>th</sup> Floor, Assembly Room, Denver, Colorado, on Monday, April 24, 2006, at 8:00 a.m., Denver time, and any postponements or adjournments thereof. The Meeting is being held for the purposes set forth in the accompanying Notice of Annual Meeting of Shareowners. This Proxy Statement, the accompanying proxy card and the Notice of Annual Meeting, collectively referred to as the **Proxy Materials**, are first being sent to shareowners on or about March 6, 2006.

**GENERAL INFORMATION**

**Solicitation**

The enclosed proxy is being solicited by the Board of Directors of the Company, which will pay the cost of solicitation. In addition to solicitations by mail, solicitations may be made in person, by telephone or by other means of communication by directors, officers and regular employees of the Company. The Company will reimburse bankers, brokers and others holding shares in their names or in the names of nominees or otherwise for reasonable out-of-pocket expenses incurred in sending the Proxy Materials to the beneficial owners of such shares. Although we presently do not intend to do so, we may retain the services of Georgeson Shareholder to solicit proxies and we would pay all reasonable costs associated with such firm, which we anticipate would not exceed \$10,000 plus costs and expenses.

**Householding**

Only one Annual Report (as defined below) or Proxy Statement may be delivered to multiple shareowners sharing an address, unless the Company has received contrary instructions from one or more of the shareowners. The Company will deliver promptly, upon written or oral request, a separate copy of the Annual Report or Proxy Statement, as applicable, to a shareowner at a shared address to which a single copy of the Proxy Statement was delivered. To request a separate copy in the future, or to request delivery of a single copy if multiple copies are being received, the shareowner can direct the request to M.D.C. Holdings, Inc., Attn: Corporate Secretary, 4350 South Monaco Street, Suite 500, Denver, CO 80237.

**Voting Rights**

Holders of shares of the Company's common stock, \$.01 par value (the **Common Stock** ) at the close of business on February 23, 2006 (the **Record Date** ) are entitled to notice of, and to vote at, the Meeting. As of the Record Date, approximately 44,861,000 shares of Common Stock were issued and outstanding. The presence, in person or by proxy, of the holders of one-third of the total number of shares of Common Stock outstanding constitutes a quorum for transacting business at the Meeting. Each share of Common Stock outstanding on the Record Date is entitled to one vote on each matter

**Table of Contents**

presented at the Meeting. The affirmative vote of the holders of a plurality of the shares of Common Stock present or represented and entitled to vote at the Meeting will be required for election to the Board of Directors. Adoption of the proposal to amend the Company's Certificate of Incorporation, to increase the number of authorized shares of Common Stock, requires the affirmative vote of the holders of a majority of the outstanding shares of Common Stock. In general, approval of other matters requires the affirmative vote of the holders of a majority of the shares of Common Stock represented and entitled to vote at the Meeting.

If your shares are held by a broker, bank or other nominee (often referred to as holding in street name) and you wish to attend the meeting, you will need to bring a legal proxy from the nominee reflecting your share ownership as of the Record Date. All shareowners must check in at the registration desk at the meeting.

**Voting Proxies**

Shares of Common Stock represented by properly executed proxy cards received by the Company in time for the Meeting will be voted in accordance with the instructions specified in the proxies. Unless contrary instructions are indicated on a proxy, the shares of Common Stock represented by such proxy will be voted **FOR** the election as directors of the nominees named in this Proxy Statement and **FOR** the amendment to the Certificate of Incorporation increasing the number of authorized shares of Common Stock.

Rules of the New York Stock Exchange (the NYSE) determine whether proposals presented at shareowner meetings are routine or non-routine. If a proposal is routine, a broker or other entity holding shares for an owner in street name may vote on the proposal without voting instructions from the owner. If a proposal is non-routine, the broker or other entity may vote on the proposal only if the owner has provided voting instructions. A broker non-vote occurs when the broker or other entity is unable to vote on a proposal because the proposal is non-routine and the owner does not provide instructions. Proposal One, the proposal to elect directors, and Proposal Two, the proposal to increase the number of authorized shares of Common Stock, are routine proposals under the rules of the NYSE. As a result, brokers or other entities holding shares for an owner in street name may vote on the proposals even if no voting instructions are provided by the owner.

The following table reflects the vote required for each proposal and the effect of broker non-votes, withhold votes and abstentions on the vote, assuming a quorum is present at the meeting:

<b>Proposal</b>	<b>Vote Required</b>	<b>Effect of Broker Non-Votes, Withhold Votes and Abstentions</b>
Election of Directors	The three nominees who receive the most votes will be elected	Broker non-votes and withhold votes have no legal effect
Approve increase in the number of authorized shares of Common Stock	An affirmative vote of the majority of the shares outstanding as of the Record Date	Broker non-votes and abstentions have the same effect as a vote against the proposal

Management and the Board of Directors of the Company know of no other matters to be brought before the Meeting. If other matters are properly presented to the shareowners for action at the Meeting and any adjournments or postponements thereof, it is the intention of the proxy holders named in the proxy to vote in their discretion on all matters on which the shares of Common Stock represented by such proxy are entitled to vote.

**Table of Contents**

**Revocability of Proxy**

The giving of the enclosed proxy does not preclude the right of a shareowner to vote in person. A proxy may be revoked at any time prior to its exercise by notice of revocation in writing sent to the Secretary of the Company, by presenting to the Company a later-dated proxy card executed by the person executing the prior proxy card or by attending the Meeting and voting in person.

**Annual Report**

The Company's 2005 Annual Report to Shareowners, including the Company's 2005 audited financial statements (the Annual Report), is enclosed with these Proxy Materials. The Annual Report is not incorporated into this Proxy Statement by reference, nor is it a part of the Proxy Materials.

**CORPORATE GOVERNANCE**

Following enactment of the Sarbanes-Oxley Act of 2002 (the Sarbanes-Oxley Act), new rules of the Securities and Exchange Commission (the SEC) and amended listing standards of the NYSE implemented new corporate governance provisions. Prior to the adoption of these new requirements, the Company already had corporate governance measures in place. In addition, the Company adopted other measures designed to comply with the new requirements. Among the measures the Company already had in place, and other measures that the Company has implemented to comply with the new requirements, are the following:

**Director Independence**

The amended NYSE listing standards require that the Board of Directors be comprised of a majority of independent directors. The Sarbanes-Oxley Act, SEC rules and amended NYSE listing standards require that audit committees be comprised solely of independent directors. The amended NYSE listing standards also require that corporate governance/nominating committees be established, and that corporate governance/nominating committees and compensation committees be comprised solely of independent directors.

Prior to the adoption of these requirements, the Company's Board of Directors included a majority of independent directors and the Company's Audit Committee and Compensation Committee already were comprised solely of independent directors.

The Board of Directors has adopted the following standards for determining whether a director of the Company (Director) is independent:

Unless there exists a material relationship between the Company and a Director of the Company, such Director will be deemed independent if:

1. The Director has not been an employee of the Company, and no immediate family member of the Director has been an executive officer of the Company, within the last three years.
2. The Director has not received, and no immediate family member of the Director has received, during any twelve-month period within the last three years, more than \$100,000 per year in direct compensation from the Company, other than (a) director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), (b) compensation paid to the Director for former service as an interim chairman, chief executive officer or other executive officer of the Company, or (c) compensation paid to an immediate family member of the Director as an employee of the Company (other than an executive officer of the Company).

**Table of Contents**

3. (a) Neither the Director nor an immediate family member of the Director is a current partner of a firm that is the Company's internal or external auditor; (b) the Director is not a current employee of such a firm; (c) the Director does not have an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (d) neither the Director nor an immediate family member of the Director was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the Company's audit within that time.
4. Neither the Director nor an immediate family member of the Director is, or has been within the last three years, employed as an executive officer of another company where any of the Company's present executives at the same time serves or served on the other company's compensation committee.
5. The Director is not a current employee, and no immediate family member of the Director is a current executive officer, of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues.

The Board of Directors also has adopted the following, additional standards of independence with respect to members of the Company's Audit Committee:

A Director will be deemed independent for purposes of Rule 10A-3 promulgated under the Securities Exchange Act of 1934, as amended, provided:

1. The Director has not directly or indirectly accepted any consulting, advisory, or other compensatory fee from the Company (or any subsidiary), other than (1) in the Director's capacity as a member of the Board of Directors and any Board committee, (2) fixed amounts under a retirement plan for prior service or (3) dividends to shareowners.
2. The Director has not been an affiliated person of the Company (or any subsidiary), apart from his/her capacity as a member of the Board or any Board committee. An affiliated person means a person that directly or indirectly through one or more intermediaries controls, or is controlled by, or is under common control with, the Company.

The Company's Board of Directors has determined that each of Messrs. Herbert T. Buchwald, William B. Kemper, Steven J. Borick and David E. Blackford have no material relationship with the Company and that each is independent under the rules of the SEC and the NYSE listing standards, each meets the foregoing standards of independence adopted by the Board and each is an outside director within the meaning of Section 162(m) of the Internal Revenue Code and the regulations thereunder.

**Frequent Meetings of the Board of Directors and Audit Committee**

Even prior to the Sarbanes-Oxley Act and the new corporate governance standards required by the SEC and the NYSE, and continuing through 2005, the Board of Directors and the Audit Committee have held monthly meetings and additional meetings as necessary. In 2002, the Board held 11 regularly scheduled meetings and 11 special meetings, and the Audit Committee met 11 times. During 2003, the Board held 11 regularly scheduled meetings and 10 special meetings, and the Audit Committee met 11 times. In 2004, the Board held 12 regularly scheduled meetings and 10 special meetings, and the Audit Committee met 17 times. Most recently, in 2005, the Board held 12 regularly scheduled meetings and 9 special meetings, and the Audit Committee met 18 times.

### **Asset Management Committee**

Also prior to passage of the Sarbanes-Oxley Act and the new SEC and NYSE corporate governance requirements, the Company had in place an Asset Management Committee ( AMC ). As a result of the Company's continued growth of operations, the Company currently has three separate AMCs, primarily composed of members of our senior management. The AMCs generally meet weekly to review all proposed land acquisitions and review other proposed non-land transactions at or above certain thresholds. Land acquisitions and other transactions that exceed certain thresholds also are reviewed by an executive committee of senior officers and the Board of Directors.

### **Lead Director**

On February 20, 2006, the Board designated Herbert T. Buchwald, an independent member of the Board, as Lead Director for a one-year term commencing March 1, 2006. Mr. Buchwald is a member of the Audit, Compensation, Legal and Corporate Governance/Nominating Committees, is the Company's Audit Committee Financial Expert and serves on the board of M.D.C. Land Corporation, a subsidiary of the Company. Among other responsibilities, the Lead Director will assist in providing effective corporate governance in the management of the affairs of the Board and the Company, advise the Chairman as to an appropriate schedule of Board and Committee meetings, provide input as to meeting agendas and topics, coordinate the activities of the various Committees, coordinate the agenda for and preside at executive sessions of the non-management Directors, facilitate the process of conducting Committee and Board self-evaluations, mentor new Directors and perform such other responsibilities as may be delegated to the Lead Director by the Board from time to time.

### **Corporate Governance/Nominating Committee**

In 2003, the Board of Directors established a Corporate Governance/Nominating Committee, consisting of Messrs. Kemper, Buchwald and Blackford, who serves as its Chairman. Each member of the Committee is independent as defined in the listing standards of the NYSE. The organization, functions and responsibilities of the Committee are described in the Corporate Governance/Nominating Committee charter.

### **Corporate Governance Guidelines**

Upon the recommendation of the Corporate Governance/Nominating Committee, the Board of Directors adopted a set of corporate governance guidelines to implement the new requirements of the NYSE. These guidelines, as amended, are posted under the corporate governance documents on the investor relations section of the Company's website, [www.richmondamerican.com](http://www.richmondamerican.com), and are available without charge to any shareowner who requests a copy by writing to the Corporate Secretary at the address listed above.

### **Equity Ownership Guidelines for Directors**

In order to evidence the financial alignment of the Company's Directors with the interests of the Company's shareowners, on March 21, 2005, the Corporate Governance/Nominating Committee established Equity Ownership Guidelines for Directors of the Company. Under these guidelines, each Director is encouraged to acquire and maintain ownership of Common Stock with an acquisition value of not less than ten times the annual amount of the retainer paid for serving on the Board of Directors (as of February 2006, \$48,000 paid \$4,000 per month). Each Director is encouraged to achieve this goal within five years of the adoption of the guidelines.

### **Regularly Scheduled Executive Sessions of Non-Management Directors**

The Company's corporate governance guidelines provide for the non-management Directors to meet at regularly scheduled executive sessions without management present. At least once a year, the independent Directors meet in an executive session including only independent Directors. In 2005, the non-management Directors selected a presiding Director for each executive session. In 2006, the Lead Director will preside at the executive sessions. In order that interested

parties may be able to contact non-management Directors, such persons may use the procedures established by the Audit Committee for receipt of complaints and concerns. These procedures are posted under the corporate governance documents on the investor relations section of the Company's website, [www.richmondamerican.com](http://www.richmondamerican.com).

### **Committee Charters**

Upon the recommendations of the Audit Committee and the Compensation Committee, respectively, the Board of Directors has adopted re-stated charters for those committees, designed to comply with the applicable requirements of the amended NYSE listing standards and SEC regulations. The Board of Directors also has adopted a charter for the Corporate Governance/Nominating Committee. These charters are posted under the corporate governance documents on the investor relations section of the Company's website, [www.richmondamerican.com](http://www.richmondamerican.com), and are available without charge to any shareowner who requests a copy by writing to the Corporate Secretary at the address listed above.

### **Corporate Code of Conduct**

Prior to passage of the Sarbanes-Oxley Act and the new requirements of the SEC and the NYSE, the Company already had in place a Corporate Code of Conduct designed to provide that all persons associated with the Company, including employees, officers and Directors, follow the Company's compliance program and legal and ethical obligations and conduct themselves accordingly. In 2004, the Company revised its Corporate Code of Conduct to include, among other things, a code of ethics for senior financial officers and Audit Committee complaint procedures, as required by the Sarbanes-Oxley Act and SEC regulations. The Corporate Code of Conduct, the code of ethics for senior financial officers and the Audit Committee complaint procedures for handling confidential complaints regarding accounting or auditing matters are posted under the corporate governance documents on the investor relations section of the Company's website, [www.richmondamerican.com](http://www.richmondamerican.com) and are available without charge to any person who requests a copy by writing to the Corporate Secretary at the address listed above.

### **PROPOSAL ONE ELECTION OF DIRECTORS**

The Company's Certificate of Incorporation provides for three classes of Directors with staggered terms of office, to be divided as equally as possible. Nominees of each class serve for terms of three years (unless a nominee is changing to a different class) and until election and qualification of their successors or until their resignation, death, disqualification or removal from office.

The Board of Directors currently consists of seven members, including three Class III Directors whose terms expire in 2006, two Class I Directors whose terms expire in 2007 and two Class II Directors whose terms expire in 2008. At the Meeting, three Class III Directors are to be elected to three-year terms expiring in 2009. The nominees for the Class III Directors are Messrs. Steven J. Borick, David D. Mandarich and David E. Blackford. All of the nominees presently serve on the Board of Directors of the Company.

Unless otherwise specified, the enclosed proxy card will be voted **FOR** the election of Messrs. Borick, Mandarich and Blackford. Management and the Board of Directors are not aware of any reasons which would cause Messrs. Borick, Mandarich or Blackford to be unavailable to serve as Directors. If Messrs. Borick, Mandarich or Blackford become unavailable for election, discretionary authority may be exercised by the proxy holders named in the enclosed proxy card to vote for a substitute nominee or nominees proposed by the Board of Directors.

The Board of Directors recommends a vote **FOR** the election of Messrs. Borick, Mandarich and Blackford as Directors.

Certain information, as of February 6, 2006, with respect to Messrs. Borick, Mandarich and Blackford, the nominees for election, and the continuing Directors of the Company, furnished in part by each such person, appears below (unless stated otherwise, the named beneficial owner possesses the sole voting and investment power with respect to such shares):

For a discussion of the criteria utilized and factors considered by the Compensation Committee in reviewing, approving and making recommendations with respect to executive compensation, see the Report of the Compensation Committee below. Each member of the Committee is independent in the judgment of the Board of Directors, as defined in the listing standards of the NYSE. During 2005, the Committee met eight times. The organization, functions and responsibilities of the Corporate Governance/Nominating Committee are described in the Committee's charter. The functions of the Corporate Governance/Nominating Committee include development and recommendations as to corporate governance principles and codes of conduct, identification of individuals qualified to become Board members, the selection process for Director nominees and oversight of the self-evaluation of the Board and its committees.

Procedures for nominating persons for election to the Board are contained in the Company's By-Laws and, accordingly, those procedures constitute the Company's policy with regard to the nomination and consideration of Director candidates recommended by shareowners. The By-Laws provide that only persons who are nominated in accordance with the procedures set forth in the By-Laws shall be eligible for election as Directors at any meeting of shareowners. In addition to nominations by or at the direction of the Board of Directors, by any nominating committee or person appointed by the Board, nominations of persons for election to the Board of Directors may be made at a meeting of shareowners by any shareowner entitled to vote for the election of Directors at the meeting who complies with the notice procedures set forth in the By-Laws.

Specifically, such nominations shall be made pursuant to timely notice in writing to the Secretary of the Company. To be timely, a shareowner's notice shall be delivered to, or mailed and received at, the principal offices of the Company not less than 60 days nor more than 90 days prior to the meeting; provided, however, that in the event that less than 75 days' notice or prior public disclosure of the date of the meeting is given or made to shareowners, notice by the shareowner to be timely must be so received not later than the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made. Such shareowner's notice shall set forth in writing:

- (a) as to each person whom the shareowner proposes to nominate for election or re-election as a Director:
  - (i) the name, age, business address and residence address of such person,
  - (ii) the principal occupation or employment of such person,
  - (iii) the class and number of shares of the Company which are beneficially owned by such person and
  - (iv) any other information relating to such person that is required to be disclosed in solicitations of proxies for election of Directors pursuant to Rule 14(a) under the Securities Exchange Act of 1934 and any other applicable laws or rules or regulations of any governmental authority or of any national securities exchange or similar body overseeing any trading market on which shares of the Company are traded, and

- (b) as to the shareowner giving the notice:
  - (i) the name and record address of the shareowner and

- (ii) the class and number of shares of the Company beneficially owned by the shareowner.

The chairman of the meeting shall, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the foregoing procedure, and, if so determined, shall so declare to the meeting and the defective nomination shall be disregarded.

The Corporate Governance/Nominating Committee believes that all candidates for the Board, including candidates recommended by shareowners, should have experience in appropriate areas and disciplines and that the criteria that should be considered in selecting candidates for the Board include, in addition to applicable requirements of law and of the NYSE, business experience, specific expertise, strength of character, judgment, and other factors deemed appropriate in adding value to the composition of the Board. At such times as may be appropriate, the Corporate Governance/Nominating Committee will lead the search for individuals qualified to become members of the Board, seeking candidates who have experience in appropriate areas and disciplines. The Committee has authority to engage search firms to identify candidates for nomination to the Board.

### ***Legal Committee***

The Legal Committee currently consists of Messrs. Buchwald, Mizel and Goldstein, who serves as its Chairman. During 2005, the Legal Committee met 15 times. The Legal Committee has been active in reviewing legal issues affecting the Company's business with the Company's inside and outside counsel.

### ***Director Compensation***

During 2005, each Director who was not an officer of the Company ( non-management Director ) was paid \$3,000 per month as a retainer and \$1,500 for each Board meeting attended. Each respective Board committee member was paid \$2,500 for attending each meeting of the Audit Committee, \$2,000 for attending each meeting of the Compensation and the Corporate Governance/Nominating Committees, and (except for Mr. Mizel) \$2,000 per month for service on the Legal Committee. On February 20, 2006, effective as of February 1, 2006, the Company increased the retainer from \$3,000 per month to \$4,000 per month and increased the fee for attendance at Board meetings from \$1,500 per meeting to \$2,500 per meeting.

As noted above, on February 20, 2006, the Board designated Mr. Buchwald as Lead Director for a one-year term commencing March 1, 2006. In lieu of all other cash compensation paid to independent Directors, including retainer fees and Board and Committee meeting fees, the Lead Director will receive monthly compensation of \$27,500.

Pursuant to the M.D.C. Holdings, Inc. Stock Option Plan for Non-Employee Directors, approved by the shareowners in 2001, each non-management Director is granted options to purchase 25,000 shares of Common Stock annually. The options are fully vested as of the date of grant. Each Director also is reimbursed for expenses related to his attendance at Board of Directors and committee meetings.

Mr. Kemper received fees of \$1,500 per meeting during 2005 for services as a director of HomeAmerican. Mr. Kemper attended ten meetings of the HomeAmerican board. In 2005, Mr. Buchwald was paid \$4,000 per month for service as chairman of the board of MDC Land.

**PROPOSAL TWO APPROVE AN AMENDMENT TO THE M.D.C. HOLDINGS, INC.  
CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF  
AUTHORIZED SHARES OF COMMON STOCK**

The Company's Certificate of Incorporation, as amended, presently authorizes the issuance of 100 million shares of Common Stock, \$.01 par value, and 25 million shares of preferred stock, \$.01 par value (the Preferred Stock). On January 31, 2006, 46,164,011 shares of Common Stock were issued (with only 11,761 shares held in treasury) and no shares of Preferred Stock were issued. On that date, 9,471,877 shares of Common Stock were reserved for issuance pursuant to the M.D.C. Holdings, Inc. Employee Equity Incentive Plan, the M.D.C. Holdings, Inc. 2001 Equity Incentive Plan, the M.D.C. Holdings, Inc. Stock Option Plan for Non-Employee Directors and the Company's 401(k) Savings Plan (collectively, the Company Plans). Accordingly, of the 100 million shares of Common Stock currently authorized, the Company has approximately 55,635,888 shares of Common Stock issued or reserved for issuance pursuant to the Company Plans. Further, up to \$1 billion of Company debt securities, Preferred Stock or Common Stock also may be offered from time to time pursuant to an effective SEC registration statement.

The proposed amendment to the Certificate of Incorporation would increase the number of authorized shares of Common Stock from 100 million to 250 million. If additional shares of Common Stock are issued, it may have a dilutive effect on earnings per share. In addition, the issuance of additional shares may have a dilutive effect on the voting power of the current shareowners because such shareowners do not have preemptive rights with respect to the issuance of additional shares of Common Stock, including the shares of Common Stock to be authorized by the proposed amendment to the Certificate. The full text of the proposed amendment to the Certificate of Incorporation is set forth in *Appendix B* to this Proxy Statement.

The purpose of the proposed amendment is to ensure that the Company has adequate authorized shares of Common Stock available from time-to-time if needed for such corporate purposes as may be deemed appropriate by the Board of Directors. These corporate purposes might include stock splits, stock dividends, public or private stock offerings, acquisitions and other corporate purposes. Although we have no specific plans or commitments for the issuance of the additional shares of Common Stock for which authorization is solicited, the Board of Directors believes that it would be desirable for the shareowners to authorize such additional shares at this time so that the Company is prepared to meet possible future needs for such shares without delay.

If the proposed amendment to the Certificate of Incorporation is adopted, the additional authorized shares of Common Stock could be issued at the discretion of the Board of Directors for any corporate purpose without further action by the shareowners, except as may be required by applicable laws or regulations, or the rules of the NYSE. While in certain instances an issuance of additional shares could have the effect of rendering a hostile attempt to acquire the Company more difficult, the Board of Directors is not aware of any circumstance potentially having such an anti-takeover effect.

Approval of the proposed amendment to the Certificate of Incorporation requires the affirmative vote of the holders of a majority of the issued and outstanding shares of Common Stock. The amendment to the Certificate of Incorporation will become effective on the date the amendment is filed with the Secretary of State of the State of Delaware. It is anticipated that the appropriate filing to effect the share increase will be made as soon as practicable following approval of this proposal.

**The Board of Directors has approved this proposal to amend the Company's Certificate of Incorporation to increase the number of authorized shares of Common Stock from 100 million to 250 million and recommends voting FOR adoption of Proposal Two.**

determined based on the Company's Adjusted Pre-Tax Return on Average Stockholders Equity (as defined in the Executive Compensation Plan), which must equal or exceed 10% before bonuses are payable. On December 30, 2005, the Compensation Committee amended the Executive Compensation Plan to provide that the Compensation Committee may, in its sole discretion, reduce the amount otherwise payable under the Executive Compensation Plan for any fiscal year by determining, on or before the last day of the fiscal year, that the payment shall not exceed a dollar amount then specified by the Compensation Committee. Also on December 30, 2005, the Compensation Committee specified that the bonus payment to each of Messrs. Mizel and Mandarich for fiscal year 2005 would be the calculated amount under the Executive Compensation Plan, provided that the bonus payment amount would not exceed \$20,500,000. Messrs. Mizel and Mandarich consented to this exercise of the Compensation Committee's discretion for the 2005 fiscal year. All of the 2005, 2004 and 2003 bonuses were paid in cash.

- (2) These bonuses were approved by the Compensation Committee on December 30, 2005, and were paid in January of 2006.
- (3) The Board of Directors of the Company has determined that it is in the best interests of the Company for its Chief Executive Officer and its Chief Operating Officer to utilize Company aircraft for non-Company business purposes, when the aircraft are not being utilized in the ordinary course of Company business. Accordingly, the Company leases the aircraft to those officers on a non-exclusive basis when the aircraft are not required for Company business. The lease agreements, filed on Form 8-K dated February 25, 2005, require the officers to pay each month the Incremental Expenses incurred by the Company for each flight, as defined in the lease agreements. The Incremental Expenses represent the maximum reimbursement permitted by the Federal Aviation Administration in Federal Aviation Regulation Part 91.501(d). For 2005, Mr. Mizel pre-paid \$385,000 and Mr. Mandarich pre-paid \$75,000 for future Incremental Expense lease payments. They each incurred, respectively, \$309,625 and \$38,779, in actual lease payments for 2005. Accordingly, they

had a credit at the end of the year of \$75,375 and \$36,221, respectively.

When seats on the aircraft are available on a business flight and occupied for non-business purposes, income is imputed to the attributed officer for federal income tax purposes.

(4) This includes \$25,160 of taxable income in 2005, \$75,115 of taxable income in 2004 and \$80,000 of taxable income in 2003 imputed for federal income tax purposes for non-business use of Company aircraft as authorized by resolution of the Board of Directors.

(5) This includes \$34,461 of taxable income in 2004 and \$31,076 of taxable income in 2003 imputed for federal income tax purposes for non-business use of Company aircraft as authorized by resolution of the Board of Directors.

Reece and Touff pursuant to Restricted Stock

Agreements effective November 22, 2004. The awards were valued at \$59.18 per share, the closing price of the Common Stock on November 22, 2004. In 2003, the Company granted restricted stock awards to Messrs. Reece and Touff pursuant to Restricted Stock Agreements effective November 17, 2003. The awards were valued at \$44.68 per share, the closing price of the Common Stock on November 17, 2003. The restrictions on the shares awarded pursuant to the Restricted Stock Agreements lapse as to 25% of such shares each year, commencing on the first anniversary of the award. The restrictions on the shares awarded in these years may lapse in the event of a change in control transaction, will lapse in part in the event of the employee's death, disability or retirement, and will lapse in total in the event the employee's employment is terminated by the Company without cause. As of December 31, 2005, Mr. Reece held 7,295 shares of unvested restricted stock with a value of \$452,144, and Mr. Touff held 2,954 shares of unvested restricted stock with a value of \$183,089. **Report of the Compensation Committee**

*Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Report of the Compensation Committee and Performance Graph shall not be incorporated by reference into any such filing.*

The Committee exercises oversight responsibility over all employee compensation of the Company, including benefits, as outlined in the Committee's charter adopted by the Board of Directors.

There are three principal objectives in setting the Company's executive compensation. First, the compensation is designed to attract, retain and reward highly qualified executives. Second, the stock-based compensation is intended to create and maintain a significant and effective correlation between the level of executive compensation, the Company's financial performance and the totality of the returns realized by the shareowners. Third, the Company's executive compensation addresses, among other factors, the Committee's concern that competitors might target its highly qualified and experienced executives.

The primary components of the Company's executive compensation are: a base salary, annual performance-based incentive bonus compensation and an equity-based, long-term incentive.

Base salaries for the Company's executive officers are established with a view to attracting and retaining experienced and skilled executives in an exceedingly competitive market. The Committee believes that the Company's overall management costs are reasonable and comparable to other major homebuilders, including those that are included in the peer group index shown on the performance graph below. Base salaries are reviewed annually and adjusted, as deemed appropriate, depending on individual performance, the rate of annual salary increases experienced in the industry, local economic and employment conditions, the Company's over-all performance and the compensation being paid for similar positions at similar companies.

The amount of the annual performance-based incentive bonus compensation for Messrs. Mizel and Mandarich is determined by a formula calculated under the Executive Compensation Plan adopted by the shareowners, as described in footnote 1 to the Summary Compensation Table above. On December 30, 2005, the Compensation Committee amended the Executive Compensation Plan to provide that the Compensation Committee may, in its sole discretion, reduce the amount

## **Table of Contents**

otherwise payable under the Executive Compensation Plan for any fiscal year by determining, on or before the last day of the fiscal year, that the payment shall not exceed a dollar amount then specified by the Compensation Committee. Messrs. Mizel and Mandarich consented to the Committee's exercise of its authority to reduce the amount otherwise payable for the 2005 fiscal year under the Executive Compensation Plan.

Annual performance-based incentive bonus compensation for Messrs. Reece and Touff and annual grants of stock options, restricted stock or stock bonuses for the four executive officers are based on individual performance and the role played by the recipient in achieving the Company's results and objectives.

### **2005 Compensation**

In preparation for making compensation decisions for 2005, the Committee reviewed its responsibilities with respect to CEO and non-CEO executive officer compensation; obtained outside legal guidance as it deemed appropriate; reviewed the employment agreements of Messrs. Mizel and Mandarich; reviewed pertinent provisions of the Executive Compensation Plan, as amended, and the Company's 2001 Equity Incentive Plan; reviewed historical summaries of the executive officers' compensation, including prior bonuses, stock option awards, options exercised, options outstanding, stock ownership and salary levels; reviewed financial materials relating to the Company's performance and achievements in 2005; and reviewed the Company's accomplishments, stock performance and executive officer compensation in comparison with that of other homebuilders and other information as the Committee deemed appropriate.

The Committee considered numerous factors in establishing an appropriate level of total compensation for 2005 and the incentive compensation to be awarded. These factors included (1) the Company's record earnings per share, which increased by 25%; (2) record levels of net income, total revenues, home closings, home orders and home gross margins; (3) attaining shareowners' equity exceeding \$1.9 billion for the first time in Company history; (4) expanding analyst coverage of the Company from five to ten analysts; (5) achieving returns on revenues, assets and capital that rank among the highest in the industry; (6) the issuance of \$250 million of 10-year, 5.375% medium term senior notes; (7) increasing the Company's available cash and borrowing capacity at year-end to more than \$1.2 billion; and (8) maintaining a status enjoyed by only seven companies in the entire homebuilding industry—an investment grade rating by all three of the major rating agencies. No relative quantitative weights were assigned to any of these factors.

As noted above, the annual performance-based incentive bonus compensation for Messrs. Mizel and Mandarich was computed pursuant to the Executive Compensation Plan approved by the Company's shareowners. On December 30, 2005, the Compensation Committee exercised its discretion to provide that the bonus payment to each of Messrs. Mizel and Mandarich for fiscal year 2005 would be the calculated amount under the Executive Compensation Plan, but not to exceed \$20,500,000. The Committee determined that this was appropriate action to be taken in light of all of the factors outlined above. As a result, the Company paid to each of Messrs. Mizel and Mandarich performance-based compensation of \$20,500,000 for fiscal year 2005.

In recognition of their individual performance and the role played in achieving the Company's results and objectives, the Committee authorized the bonuses set forth in the Summary Compensation Table for Messrs. Reece and Touff, the other executive officers.

The Committee also awarded long-term, equity-based incentives in the form of stock options and grants of restricted stock to the executive officers and other key employees. In 2005, the Committee awarded stock options to acquire 881,500 shares of Common Stock to a total of 184 employees, including the executive officers, and 30,243 shares of restricted stock to 27 employees, including Messrs. Reece and Touff. The long-term vesting conditions contained in the option grants and restricted stock award agreements effectively provide additional long-term incentives to retain key officers and other employees. As a result, management and shareowner interests are linked and executives are motivated to conduct the Company's business in a manner intended to serve the long-term interests of the shareowners.

**Table of Contents**

In addition, the Committee established the following base salaries for the executive officers for fiscal year 2006: Mr. Mizel \$1,000,000; Mr. Mandarich \$830,000; Mr. Reece \$440,028; and Mr. Touff \$353,279. The base salaries of Messrs. Mizel and Mandarich are provided for in each of their employment agreements and, for all of the executive officers, are based on comparable industry wage levels and the financial condition and performance of the Company.

**CEO Compensation**

Mr. Mizel's base salary for 2005 of \$1,000,000 was the same as that in 2004 and was based on comparable industry wage levels and the financial condition and performance of the Company. The Committee reviewed and approved an annual performance-based incentive bonus for 2005 of \$20,500,000 for Mr. Mizel, calculated in accordance with the terms of the Executive Compensation Plan, as amended. In taking these actions, the Committee considered the accomplishments of Mr. Mizel with respect to the record breaking financial performance achieved by the Company as described above, both in regard to prior years and among the Company's peer group.

Also in view of these accomplishments, the Committee approved the award of a long term incentive grant of non-qualified stock options for 180,000 shares of Common Stock in accordance with the 2001 Equity Incentive Plan, with the following terms, conditions and restrictions:

A vesting schedule that would provide for no vesting during the first three years and 33-1/3% vesting per year on the third through the fifth anniversaries of the date of grant;

The price at which 90,000 shares covered by the option may be purchased shall be equal to the NYSE closing price of the Common Stock on December 30, 2005; and

The price at which 90,000 shares covered by the option may be purchased shall be equal to 110% of the NYSE closing price of the Common Stock on December 30, 2005.

**Internal Revenue Code Section 162(m)**

Section 162(m) of the Internal Revenue Code ( Section 162(m) ) generally disallows a tax deduction to publicly held companies for compensation over \$1 million paid for any fiscal year to the chief executive officer and the other executive officers as of the end of any fiscal year who are disclosed in the summary compensation table of the proxy statement. However, the statute exempts qualifying performance-based compensation if certain requirements are met. The Company intends for awards under the Executive Compensation Plan and the 2001 Equity Incentive Plan to qualify for the performance-based compensation exemption under Section 162(m). While the Company generally structures its executive compensation to comply with the exemption requirements of Section 162(m), corporate objectives or other circumstances may not always be consistent with the requirements for, or permit, full deductibility. Accordingly, the Board of Directors and the Compensation Committee reserve the authority to award non-deductible compensation to its executive officers as may be deemed appropriate.

**Table of Contents****Performance Graph**

Set forth below is a graph comparing the yearly change in the cumulative total return of the Common Stock with the cumulative total return of the Standard & Poor's 500 Stock Index and with that of a peer group of other homebuilders over the five-year period ending on December 31, 2005.

It is assumed in the graph that \$100 was invested (1) in the Company's Common Stock; (2) in the stocks of the companies in the Standard & Poor's 500 Stock Index; and (3) in the stocks of the peer group companies just prior to the commencement of the period and that all dividends received within a quarter were reinvested in that quarter. The peer group index is composed of the following companies: Beazer Homes USA, Inc., Centex Corporation, D.R. Horton, Inc., Hovnanian Enterprises, Inc., KB Home, Lennar Corporation, M/I Homes, Inc., Meritage Homes Corporation, NVR, Inc., Pulte Homes, Inc., The Ryland Group, Inc., Standard Pacific Corp. and Toll Brothers, Inc.

### **EMPLOYMENT AGREEMENTS AND CHANGE IN CONTROL AGREEMENTS**

#### **Employment Agreements**

Mr. Mizel and Mr. Mandarich (each an Executive or together the Executives) each entered into an Employment Agreement with the Company effective October 1, 1997, and restated as of February 26, 2003 (the Employment Agreements). The Employment Agreements provide for each Executive's continued employment by the Company: Mr. Mizel as Chairman and Chief Executive Officer, and Mr. Mandarich as President and Chief Operating Officer. The Initial Term of each Employment Agreement continued through September 30, 2002. The term of each Employment Agreement is extended automatically for two additional years unless either the Company on the one hand or either Executive on the other hand elects to terminate by notice in writing delivered to the other at least six months prior to the expiration of the then current term, subject to earlier termination as provided pursuant to the terms of the Employment Agreement (the Employment Term). Neither the Company nor either Executive has delivered notice to terminate an Employment Agreement.

Pursuant to the Employment Agreements, the Executives' base salaries (Base Salaries) are subject to annual review under the Company's normal policies and procedures for executive salary increases. Messrs. Mizel and Mandarich also are

**Table of Contents**

to be paid incentive compensation pursuant to the Executive Compensation Plan ( Annual Incentive Compensation ) and long-term incentive compensation pursuant to the Company's employee equity incentive plans (the Equity Plans ).

Each Executive will be entitled to a retirement benefit under the Employment Agreement. The retirement benefit shall be equal to 70% of the Executive's highest Base Salary during the final three years of the Employment Term and shall be payable for the duration of the Executive's life. In addition, the Employment Agreements provide for medical insurance benefits, reimbursement of certain expenses, and entitle each of the Executives to participate in the Company's benefit plans. If Mr. Mizel and Mr. Mandarich each retired at the end of 2005, their annual retirement benefits would approximate \$700,000 and \$581,000, respectively.

Messrs. Mizel and Mandarich may be terminated for cause, as defined in the Employment Agreements. If an Executive is terminated without cause (including the Company's election not to extend the term of the Employment Agreement) during the Employment Term, he will be entitled to receive (i) an amount equal to the aggregate Base Salary earned by the Executive during the three years prior to such termination, plus (ii) an amount equal to 300%, for Mr. Mizel, and 200%, for Mr. Mandarich, of the Annual Incentive Compensation paid for the year prior to termination, and (iii) the retirement benefits payable under the Employment Agreement commencing on the date of termination. In addition, in the event of termination without cause, each Executive's options and other rights under the Equity Plans shall vest immediately and the Executive and his spouse and dependents shall be entitled to continued medical benefits.

If a Change in Control (as described below) occurs, all options, dividend equivalents and other rights granted to Executives under the Equity Plans and any other Company plans shall be accelerated and become exercisable immediately prior to the occurrence of the transaction giving rise to the Change in Control.

Within two years after a Change in Control or a Material Change (as described below), the Executive may terminate his employment, if not already terminated by the Company. In the event of such termination or a termination of employment by the Company without cause upon or within two years following a Change in Control, then (A) each Executive shall receive the amounts payable in the event the Executive's employment were terminated without cause as described above and (B) with respect to the retirement benefit, either (1) the Company shall establish and fund an irrevocable grantor trust in conformance with the model trust set forth in Internal Revenue Service Revenue Procedure 92-64, or (2) the Company shall, if it so elects, pay to the Executive, in a lump sum cash payment, the amount that otherwise would be required to be contributed to such trust.

If the amounts payable upon the occurrence of a Change in Control or Material Change, either alone or together with any other payments which the Executive has the right to receive, would be subject to an excise tax as an "excess parachute payment" under Section 4999 of the Internal Revenue Code, each Executive agrees in his Employment Agreement that such aggregate amounts shall be paid in annual installments over the shortest period of time over which such aggregate amounts may be paid and not be treated as "excess parachute payments" under Section 4999.

For purposes of this description of the Employment Agreements, a "Change in Control" shall occur if:

(i) a report on Schedule 13D is filed with the SEC disclosing that any person, other than the Company or any employee benefit plan sponsored by the Company, or any Director as of the date of the Employment Agreements, or affiliate of such Director, is the beneficial owner, directly or indirectly, of twenty percent (20%) or more of the combined voting power of the then-outstanding securities of the Company;

(ii) any person, other than the Company or any employee benefit plan sponsored by the Company or any Director as of the date of the Employment Agreements, or affiliate of such Director, shall purchase securities pursuant to a tender offer or exchange offer to acquire any Common Stock (or securities convertible into Common Stock) for cash, securities or any other consideration, provided that after consummation of the offer, the person in question is the beneficial owner of twenty percent (20%) or more of the combined voting power of the then-outstanding securities of the Company;

## **Table of Contents**

(iii) the shareowners of the Company shall approve: (A) any consolidation or merger of the Company (1) in which the Company is not the continuing or surviving corporation; or (2) pursuant to which shares of Common Stock would be converted into cash, securities or other property; or (B) any sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all or substantially all the assets of the Company; or

(iv) there shall have been a change in a majority of the members of the Board of Directors of the Company within a twelve month period, unless the election or nomination for election by the Company's shareowners of each new Director during such twelve month period was approved by the vote of two-thirds of the Directors then still in office who were Directors at the beginning of such twelve month period.

For purposes of the Employment Agreements, a Material Change shall occur if:

(i) the Company makes any of certain specified adverse changes in an Executive's reporting relationship, titles, functions, duties or responsibilities from those that the Executive occupied on the date of the last renewal or extension of the Executive's Employment Agreement;

(ii) the Company assigns or reassigns the Executive (without his written permission) to another place of employment;

(iii) the Company reduces the Executive's Base Salary, Annual Incentive Compensation or long-term incentive compensation or the manner in which such compensation is determined, or retirement benefits, unless such reduction similarly applies to all Senior Executive Officers of the Company, as defined in the Employment Agreements, or the Company breaches the terms of the Employment Agreements; provided, however, that nothing in this clause (iii) shall be construed to permit the Company to reduce either Executive's retirement benefit, as provided in the Employment Agreements, in any event, and regardless of whether such reduction would similarly apply to all Senior Executive Officers of the Company; or

(iv) a purchaser of all or substantially all of the Company's assets or any successor or assignee of the Company fails to assume the Employment Agreements.

### **Certain Other Change in Control Agreements**

Messrs. Reece and Touff (each, the Employee) have entered into change in control agreements with the Company (the Agreements). The Agreements are effective January 26, 1998 and terminate on the earlier of termination of the employee's employment or December 31 of each year after 2005. Unless either party elects by notice in writing delivered to the other at least 90 days prior to December 31 of each year after 2005, the term of the Agreement will be renewed automatically for successive one-year terms. No notice has been delivered by either party. In addition, if an Agreement has not been terminated prior to a Change in Control (as defined below), upon a Change in Control, the term of an Agreement shall extend automatically for two years.

For purposes of the Agreements, the definition of Change in Control is generally the same as the definition of Change in Control in the description of the Employment Agreements above, except that the applicable percentage of beneficial ownership of outstanding securities of the Company is 50% rather than 20%.

For purposes of the Agreements, a Change in Control Event occurs if a Change in Control is followed by a Material Change within two years. A Material Change is defined in the Agreements to occur if the Employee's employment is terminated without cause (as defined in the Agreements) or if, in general, any of the events set forth under the definition of Material Change described above with respect to the Employment Agreements takes place, taking into account the titles, positions and reporting relationships of the Employee.

## **Table of Contents**

Pursuant to the Agreements, if a Change in Control Event occurs, the Employee may elect within 90 days after the Change in Control Event to terminate the Employee's employment, if not previously terminated by the Company, and to receive a Change in Control payment. The Change in Control payment equals two times the sum of the Employee's base salary, in effect immediately prior to the Change in Control Event, plus the amount of the Employee's last regular annual bonus, provided that the amount of such annual bonus shall not exceed 50% of the Employee's annual base salary in effect immediately prior to the Change in Control Event.

If a Change in Control as defined above occurs, all options, dividend equivalents and other rights granted to the Employee under any Company equity incentive plan shall be accelerated and become exercisable immediately prior to the closing of the Change in Control. If the Change in Control is not consummated, the Employee's election to exercise such options and other rights shall be of no effect and the Employee's options shall remain subject to their original restrictions.

Any amounts payable pursuant to the Agreement are in addition to any payments otherwise payable to the Employee pursuant to any agreement, plan or policy of the Company. If the amounts payable upon the occurrence of a Change in Control Event, either alone or together with other payments which the Employee has the right to receive, would be subject to an excise tax as an excess parachute payment under Section 4999 of the Internal Revenue Code, each Employee agrees in the Agreement that such aggregate amounts shall be paid in annual installments over the shortest period of time over which such amounts may be paid and not be treated as excess parachute payments under Section 4999.

Certain other employees of the Company (the Covered Employees) have been provided change in control agreements containing substantially the same terms and conditions as the Agreements described above for Messrs. Reece and Touff, taking into account the respective titles, positions and reporting relationships of the other Covered Employees and with changes to certain other provisions. If the agreements for the Covered Employees have not been terminated prior to a Change in Control, upon a Change in Control, the term of the agreements for the other Covered Employees shall extend automatically for one year, rather than two years as in the cases of Messrs. Reece and Touff. The Change in Control payment for a Covered Employee would equal the sum of the Covered Employee's base salary in effect immediately prior to the Change in Control Event plus an amount equal to the Covered Employee's last regular annual bonus, provided that the amount of such bonus shall not exceed 50% of the Covered Employee's annual base salary in effect immediately prior to the Change in Control Event.

### **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

The Company leased its prior headquarters office space at 3600 S. Yosemite Street, Denver CO 80237 and leases its current headquarters office space at 4350 S. Monaco Street, Denver CO 80237. Approximately 7,000 square feet in the Company's prior office building at 3600 S. Approximately 5,437 square feet in the Company's current office building at 4350 S. Monaco are now leased by various affiliates of Mr. Mizel, for which they paid rent in 2005 to the Company of approximately \$53,920, commencing in June of 2005. In addition, Mr. Mizel owns a building that was leased to the Company through June 2, 2005, for which the Company paid Mr. Mizel rent and common area fees of \$29,400 in 2005.

Effective as of March 1, 2003, the Company entered into a two-year agreement with Gilbert Goldstein, P.C., of which Gilbert Goldstein, a Director, is the sole shareholder. By amendment dated July 26, 2004, the term of the agreement was extended to February 28, 2006. Pursuant to the agreement, Mr. Goldstein acts as a consultant to the Company on legal matters. In return, the Company has agreed that, from March 1, 2003 through February 28, 2006, the Company will pay Mr. Goldstein's firm \$21,000 per month for a minimum of 30 hours per week in legal services; and \$180 per hour for services performed in excess of 120 hours in any month. to be provided by the Company pursuant to the agreement, \$15,000 per month for five years or the duration of Mr. Goldstein's life, whichever is longer.

Pursuant to the terms of the consulting agreement, the Company also provides Mr. Goldstein's firm with office space. Previously, the Company provided Mr. Goldstein's firm with office space in its prior office building at 3600 S. Yosemite Street, which had an estimated annual rental value of \$17,100. The Company now provides Mr. Goldstein's firm with office space in the Company's current office building at 4350 S. Monaco Street, which has an estimated annual rental value of \$6,500. Pursuant to the terms of the consulting agreement, the Company also provides Mr. Goldstein's firm with the part-time services of a secretary (in 2005, this secretary received a salary of approximately \$32,750, plus benefits), and reimburses actual expenses incurred related to services provided. Payment of \$252,000 was made directly to Mr. Goldstein's firm in 2005 for services performed. On February 20, 2006, the Board approved payment to Mr. Goldstein's firm of a one-time cash bonus in the amount of \$200,000 for additional services and exceptional value previously provided to the Company.

During 2005, the Company paid a firm owned by Carol Mizel, Mr. Mizel's spouse, \$120,000 for consulting services in connection with corporate and consumer marketing, merchandising, design work, human resources development, product development, and such other matters as were requested by the Company's senior management. The firm, Mizel Design and Decorating Company, provided these services under an Independent Contractor Agreement with the Company, dated as of January 1, 2005.

On February 24, 2005, effective as of January 1, 2005, Larry A. Mizel, Chief Executive Officer, and David D. Mandarich, President and Chief Operating Officer, each entered into a lease agreement with the Company and M.D.C. Land Corporation for use of Company aircraft when the aircraft are not required for Company business. The lease agreements require payment of the Incremental Expenses incurred by the Company for each flight, as defined in the lease agreements. The Incremental Expenses represent the maximum reimbursement permitted by the Federal Aviation Administration in Federal Aviation Regulation Part 91.501(d). Copies of the lease agreements are filed with the SEC on Form 8-K. For 2005, Mr. Mizel pre-paid \$385,000 and Mr. Mandarich pre-paid \$75,000 for future incremental expense lease payments. They each incurred, respectively, \$309,625 and \$38,779 in actual lease payments for 2005. Accordingly, they had remaining prepaid amounts owed to them at year end of \$75,375 and \$36,221, respectively.

Christopher Mandarich, the son of David D. Mandarich, is employed by one of the Company's subsidiaries as the regional president for Southern California and Nevada. In 2005, Christopher Mandarich was paid a salary of \$215,000 and a performance bonus of \$438,250 and was awarded \$133,000 in shares of restricted Common Stock (vesting 25% per year over four years) and \$8,250 in shares of unrestricted Common Stock. On December 1, 2005, the Company granted him a stock option covering 12,500 shares of Common Stock, exercisable as to 20% of the shares on each of the first through the fifth anniversary dates of the date of grant, with an exercise price of \$67.88 per share, the closing price of the Common Stock on the date of grant. Carol Mandarich, the sister of David D. Mandarich, is employed by one of the Company's subsidiaries as a regional trade manager. In 2005, Carol Mandarich was paid a salary of \$80,000 and bonus payments totaling \$30,600.

In the ordinary course of its business, HomeAmerican originates mortgage loans to Company employees, including officers. Substantially all of the mortgage loans originated by HomeAmerican are sold to investors within 45 days of origination. Mortgage loans originated for Company employees are made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collection or present other unfavorable features. In December 2005, the son of Paris G. Reece III, an employee of one of the Company's subsidiaries, purchased a Richmond American home for \$269,065, on the same terms offered to the public, and obtained a mortgage loan from HomeAmerican. Mr. Reece is a co-borrower on the mortgage loan and also is on the property title.

During 2005, the Company committed to contributing \$8.1 million in cash and/or Common Stock to the MDC/Richmond American Homes Foundation (the Foundation), formerly known as the M.D.C. Holdings, Inc. Charitable Foundation, a Delaware non-profit corporation that was incorporated on September 30, 1999. In January 2006, the Company contributed to the Foundation 125,562 shares of Common Stock, then valued at \$8.1 million, in fulfillment of the 2005 commitment. During 2004, the Company contributed 115,296 shares of Common Stock, then valued at \$6.3 million, to the Foundation, and during 2003, contributed 88,989 shares of Common Stock, then valued at \$4.0 million, to the Foundation (the 2004 and 2003 share amounts being adjusted for the January 10, 2005 stock split and the prior stock dividends). The Company made no contributions to the Foundation in 2002.

The Foundation is a non-profit organization operated exclusively for charitable, educational and other purposes beneficial to social welfare within the meaning of Section 501(c)(3) of the Internal Revenue Code. As of December 31, 2005, the Foundation had a net worth of \$26,434,000 and, since its formation in 1999, has made donations totaling \$2,245,000. The following Directors and/or officers of the Company are the trustees of the Foundation, all of whom serve without compensation:

Name	Title
Larry A. Mizel	Trustee, President and Assistant Secretary
Paris G. Reece III	Trustee, Vice President and Secretary
Steven J. Borick	Trustee
Gilbert Goldstein	Trustee
David D. Mandarich	Trustee

The authority to vote all securities that the Foundation is entitled to vote is vested in the five member board of trustees and voting of the securities is determined by majority vote of the board of trustees. Accordingly, none of the trustees should be considered to beneficially own such securities. As permitted by the Foundation's Bylaws, the Trustees have established an Investment Committee, consisting of Trustees Borick and Mizel, to supervise the finances of and make investment decisions for the Foundation in furtherance of its purposes. Also as permitted by the Bylaws, the Trustees have established a Donations Committee, consisting of Trustees Borick, Mandarich and Mizel, to supervise donations and make donation decisions for the Foundation in furtherance of its purposes.
