**INFORMATION ABOUT THE MEETING**

**The Meeting**

Lightbridge, Inc.'s Special Meeting in Lieu of 2006 Annual Meeting of Stockholders will be held at 9:00 a.m. on Thursday, June 29, 2006 at Lightbridge's corporate offices, 30 Corporate Drive, Burlington, Massachusetts 01803. At the meeting, stockholders who are present or represented by proxy will have the opportunity to vote on the election of two Class I directors, each for a three-year term, and any other business properly presented at the meeting.

**This Proxy Solicitation**

We have sent you this proxy statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote at the meeting (including any adjournment or postponement of the meeting).

*This proxy statement* summarizes information about the proposals to be considered at the meeting and other information you may find useful in determining how to vote.

*The proxy card* is the means by which you actually authorize another person to vote your shares at the meeting in accordance with your instructions.

We will pay the cost of soliciting these proxies. Our directors, officers and employees may solicit proxies in person, by telephone or by other means. We will reimburse brokers and other nominee holders of shares for expenses they incur in forwarding proxy materials to the beneficial owners of those shares. At present, we do not plan to retain the services of a proxy solicitation firm to assist us in this solicitation.

We are mailing this proxy statement and the enclosed proxy card to stockholders for the first time on or about May 15, 2006. In this mailing, we are including a copy of our 2005 Annual Report, which includes our Annual Report on Form 10-K for the year ended December 31, 2005 (excluding exhibits), as filed with the Securities and Exchange Commission.

**How to Vote**

You are entitled to one vote at the meeting for each share of common stock registered in your name at the close of business on May 3, 2006. You may vote your shares at the meeting in person or by proxy.

*To vote in person*, you must attend the meeting, and then complete and submit the ballot provided at the meeting.

*To vote by proxy*, you must complete and return the enclosed proxy card. Your proxy card will be valid only if you sign, date and return it before the meeting. By completing and returning the proxy card, you will direct the persons named on the proxy card to vote your shares at the meeting in the manner you specify. If you complete all of the proxy card except the voting instructions, then the designated persons will vote your shares FOR the election of the nominated directors. If any other business properly comes before the meeting, then the designated persons will have the discretion to vote in any manner.

If you vote by proxy, you may revoke your proxy at any time before it is exercised by taking one of the following actions:

sending written notice to our Secretary at our address set forth on the notice of meeting appearing on the cover of this proxy statement;

voting again by proxy on a later date; or

attending the meeting, notifying our Secretary that you are present, and then voting in person.

**Table of Contents**

**Shares Held by Brokers or Nominees**

If a broker or nominee holds shares of our common stock for you in its name, then this proxy statement may be forwarded to you with a voting instruction card, which allows you to instruct the broker or nominee how to vote your shares on the proposals described herein. To vote by proxy, you should follow the directions provided with the voting instruction card. If your shares are held by a broker and you do not provide timely voting instructions, the broker may have discretionary authority to vote your shares on matters which are considered routine. For non-routine matters, if you do not provide instructions, the broker will not vote your shares, which results in a broker non-vote. To vote your shares in person, you must obtain a properly executed legal proxy from the record holder of the shares which identifies you as a Lightbridge stockholder and authorizes you to act on behalf of the record holder with respect to a specified number of shares.

**Quorum Required to Transact Business**

At the close of business on April 21, 2006, 27,210,202 shares of common stock were outstanding. Our by-laws require that a majority of our common stock be represented, in person or by proxy, at the meeting in order to constitute the quorum we need to transact business. We will count abstentions and broker non-votes in determining whether a quorum exists.

**Multiple Stockholders Sharing the Same Address**

If you and other residents at your mailing address own shares of common stock through a broker or other nominee, you may have received only one copy of this proxy statement and our 2005 Annual Report if you so elected. If you and other residents at your mailing address own shares of common stock in your own names, you may have received only one copy of this proxy statement and our 2005 Annual Report unless you provided our transfer agent with contrary instructions.

This practice, known as householding, is designed to reduce our printing and postage costs. You may promptly obtain an additional copy of this proxy statement and our 2005 Annual Report by sending a written request to Lightbridge, Inc. Investor Relations, 30 Corporate Drive, Burlington, Massachusetts 01803, by calling our Investor Relations department at 781-359-4000 or by sending an e-mail to [lr Ricci@lightbridge.com](mailto:lr Ricci@lightbridge.com). If you hold your shares through a bank or other nominee and wish to discontinue householding or change your householding election, you may do so by calling 1-800-542-1061 or writing to ADP, 51 Mercedes Way, Englewood, NY 11717. If you hold your shares in your own name and wish to discontinue householding or change your householding election, you may do so by calling 1-877-777-0800 or writing to American Stock Transfer & Trust Company, 59 Maiden Lane, New York, NY 10038.

In connection with the meeting, our Board reclassified Mr. Mills from a Class II Director to a Class I Director in order to make the classes equal as provided in our By-Laws. We currently have two Class I directors, two Class II directors and two Class III directors. Members of each class of directors serve for three-year terms. We stagger these terms so that the term of only one class expires each year.

**Director Candidates and Selection Process**

The Nominating and Governance Committee, in consultation with our Chief Executive Officer and the Chairman of the Board, identifies and reviews candidates for our Board of Directors and recommends to our full Board candidates for election to the Board. In selecting new directors, the committee considers any requirements of applicable law or listing standards, a candidate's strength of character, judgment, business experience and specific area of expertise, factors relating to the composition of the Board (including its size and structure), principles of diversity, and such other factors as the committee deems to be appropriate. As part of this responsibility, the committee is responsible for conducting, subject to applicable law, any and all inquiries into the background and qualifications of any candidate for the Board and such candidate's compliance with the independence and other qualification requirements established by the committee or imposed by applicable law or listing standards. The Nominating and Governance Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating and Governance Committee will take into consideration the factors discussed above. - (3) The amounts shown represent hypothetical values that could be achieved for the respective options if exercised at the end of their option terms. These gains are based on assumed rates of stock appreciation of five percent and ten percent, compounded annually from the date the respective options were granted to the date of their expiration. The gains shown are net of the option price, but do not include deductions for taxes or other expenses that may be associated with the exercise. Actual gains, if any, on stock option exercises will depend on future performance of the common stock, the optionholders' continued employment through the option period, and the date on which the options are exercised.

**Table of Contents***Equity Compensation Plans*

The equity compensation plans approved by our stockholders as of December 31, 2005 were our 1990 Incentive and Nonqualified Stock Option Plan, our 1996 Incentive and Non-Qualified Stock Option Plan, our 1996 Employee Stock Purchase Plan and our 2004 Stock Incentive Plan. In addition, we assumed the Coral Systems, Inc. Stock Option Plan and the Coral Systems, Inc. Amended and Restated Stock Option Plan in connection with our acquisition of Coral Systems, Inc. in November 1997, and the Corsair Communications, Inc. 1997 Stock Incentive Plan and the Subscriber Computing, Inc. 1997 Incentive Stock Option, Nonqualified Stock Option and Restricted Stock Purchase Plan in connection with our acquisition of Corsair Communications, Inc. in February 2001.

The only equity compensation plan that we had adopted as of December 31, 2005 and which had not been approved by our stockholders was our 1998 Non-Statutory Stock Plan. Our Board of Directors adopted the 1998 Nonqualified Stock Option Plan in May 1998. The plan authorized the grant of nonqualified stock options to directors, officers and other employees of Lightbridge or its subsidiaries, and also to consultants and other service providers.

As of December 31, 2005, the only equity compensation plan under which we could make additional grants or awards was our 2004 Stock Incentive Plan. All of the other plans we have adopted remain in effect solely with respect to prior grants and awards that remain outstanding.

The following table provides information as of December 31, 2005 regarding securities authorized for issuance under our equity compensation plans.

### **Compensation Committee Report**

*The following is a report of the Compensation Committee describing the compensation policies and rationales that the Compensation Committee used to determine the compensation paid to our executive officers for the year ended December 31, 2005.*

The purpose of the Compensation Committee is to discharge the responsibilities of our Board of Directors relating to compensation of our directors and executive officers and related matters and to review and make recommendations to the Board regarding employee compensation and benefit plans and programs generally. In addition, the Compensation Committee is responsible for administering Lightbridge's compensation programs, including our 1996 Employee Stock Purchase Plan and 2004 Stock Incentive Plan. The Company's 1996 Employee Stock Purchase Plan ( ESPP ) was terminated upon expiration of the offering period ended January 31, 2006. The Company decided to terminate the ESPP because of changes in accounting treatment

**Table of Contents**

reducing the discount at which shares could be purchased by employees without the Company incurring compensation expense. The Compensation Committee also performs other duties that the Board of Directors periodically assigns to it.

The Compensation Committee seeks to achieve three broad goals in connection with Lightbridge's executive compensation programs and decisions regarding individual compensation:

structuring executive compensation programs in a manner that will enable Lightbridge to attract and retain key executives;

rewarding executives for Lightbridge's achievement of financial goals or other business objectives, in order to create a performance-oriented environment; and

providing executives with an equity interest in Lightbridge so as to link a portion of their compensation with the performance of the common stock.

Lightbridge's executive compensation program generally consists of three elements: base salary, annual cash bonus, and a stock-based equity incentive in the form of participation in Lightbridge's stock option plans. The executive officers are also eligible to participate in other employee benefit plans, including health and life insurance plans and a 401(k) retirement plan, on substantially the same terms as other employees who meet applicable eligibility criteria, subject to any legal limitations on the amounts that may be contributed or on the benefits that may be payable under these plans. In establishing base salaries for executives, the Compensation Committee monitors salaries at other companies, particularly those companies in similar markets and companies located in similar geographic areas as Lightbridge. In addition, for each executive, the Compensation Committee considers historic salary levels, work responsibilities and base salary relative to other executives at Lightbridge. To the extent determined to be appropriate, the Compensation Committee also considers general economic conditions, Lightbridge's financial performance and each individual's performance.

Lightbridge's approach to the Chief Executive Officer's compensation package in fiscal 2005 was to be competitive with other companies in the Company's markets and to tie a significant percentage of the Chief Executive Officer's total compensation package to Lightbridge's performance.

On January 7, 2005, we entered into an employment agreement with Mr. Donahue (the "Donahue Agreement") after his period as interim President and Chief Executive Officer ended, which provides for payment of an annual base salary of \$395,000 and a bonus of up to 100% of base salary upon achievement of goals and objectives established annually by Compensation Committee. The Donahue Agreement also provides that the Company shall nominate and recommend to its stockholders the election of Mr. Donahue as a member of the Company's Board of Directors.

The Donahue Agreement provides for two stock option grants, the first for 250,000 shares, and the second for 150,000 shares. Each stock option has an exercise price of \$6.11 per share. The 250,000 option vests over four years: 10% on grant, 3.75% per quarter during year one, and 6.25% per quarter during years two through four. The 150,000 option vests one-third of the shares upon the achievement of each of a \$12.50, \$15.00 and \$17.50 average closing price of the Company's common stock as reported by The NASDAQ National Market over any 20 consecutive trading day period within four years of the date of grant and during Mr. Donahue's employment by the Company.

The Donahue Agreement provides for payment of twelve months' salary (plus specified benefit continuation costs) in the event of Mr. Donahue's termination without cause (as defined in the Donahue Agreement), for one year's acceleration of the first stock option grant above and for the right to continue to exercise the first and second stock option grants above, to the extent each is vested, until 90 days following the end of the salary continuation period. In

the event that within two years following a change of control (as defined in the Donahue Agreement), Mr. Donahue's employment is terminated without cause or Mr. Donahue terminates his employment for good reason (as defined in the Donahue Agreement), the Donahue Agreement provides for the payment of one and half times Mr. Donahue's base salary and one and a half times his prior year's bonus, for acceleration of vesting of any unvested shares under the first stock option grant above and under the

**Table of Contents**

300,000 share option granted to Mr. Donahue in August 2004 and for payment of specified benefit continuation costs for eighteen months.

In determining the terms of the Donahue Agreement, the Compensation Committee considered the qualifications of other candidates, the performance of Mr. Donahue while acting as interim President and Chief Executive Officer, the Company's operating circumstances and challenges and market data regarding CEO compensation. The Donahue Agreement superseded a prior employment agreement during Mr. Donahue's tenure as interim President and Chief Executive Officer, which ended in January 2005.

Executive bonuses generally are considered and granted on an annual basis. Lightbridge adopts a target bonus plan for officers shortly after the beginning of each year, with targets typically based on financial goals for the year and/or individual goals and objectives established for an executive in a given year. The target bonus plan may be modified during the year in certain circumstances. After Lightbridge's financial results for the year are available, the Compensation Committee evaluates or reviews the evaluation of the performance of the officers and determines the extent to which bonuses are to be paid from the target bonus plan. In certain circumstances, the Compensation Committee may also approve discretionary bonus payments for officers based on management's recommendations. In accordance with these procedures, in early 2005 Lightbridge adopted its 2005 target bonus plan. In early 2006, the Compensation Committee determined the extent to which bonuses would be paid to officers out of the 2005 target bonus plan. In January 2006, the Compensation Committee approved a bonus of \$395,000 for Mr. Donahue for 2005, based on the level of achievement of the financial and qualitative management business objectives previously established for him.

Generally, Lightbridge's policy with respect to option grants to executive officers is to create a performance incentive for such officers by providing them the ability to acquire or increase a proprietary interest in Lightbridge and its success. In determining the size of each stock option grant, the Compensation Committee emphasized the seniority, responsibilities and performance of the executive, as well as equity compensation arrangements at other companies and in the same geographic area. In 2005, options were granted to Robert E. Donahue, Timothy C. O'Brien, Roy Banks, and Eugene J. DiDonato.

Section 162(m) of the Internal Revenue Code of 1986 generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to its chief executive officer and its four other most highly compensated executive officers. Qualifying performance-based compensation is not subject to the deduction limit if certain requirements are met. In this regard, Lightbridge has limited the number of shares subject to stock options that may be granted to Lightbridge employees in a manner that complies with the performance-based requirements of Section 162(m). Based on the compensation awarded to Lightbridge's executive officers, it does not appear that the Section 162(m) limitation will have a significant impact on Lightbridge in the near term. While the Compensation Committee does not currently intend to qualify its executive bonus awards as a performance-based plan, it will continue to monitor the impact of Section 162(m) on Lightbridge.

**Employment, Separation and Change in Control Agreements**

In August 2004, we entered into an employment agreement with Robert E. Donahue, pursuant to which he served as Lightbridge's interim President and Chief Executive Officer. Mr. Donahue's employment agreement provided for the following principal compensation components: (a) a base salary at the rate of \$390,000 per year; (b) a bonus of up to 100% of base salary, subject to achievement of management business objectives determined by the Board of Directors

and Mr. Donahue; and (c) an option to purchase 300,000 shares of Lightbridge's common stock at a price of \$3.76 per share, which was the closing price of Lightbridge's common stock on the date of grant. The option was vested as to 100,000 shares on the date of grant. The remaining 200,000 shares vest in full on the fourth anniversary of the date of grant, provided, however, that the vesting of such remaining shares is subject to acceleration as follows: (i) in the event that

**Table of Contents**

the average closing price of the common stock as reported by The NASDAQ National Market over any 20 consecutive trading day period beginning on or after the date of grant and ending on or before the date Mr. Donahue's employment as President and Chief Executive Officer terminates equals or exceeds \$7.50, the option shall immediately vest as to 100,000 of the remaining shares; and (ii) in the event that such average closing price equals or exceeds \$10.00, the Stock Option shall immediately vest in full. The option has a term of 10 years and terminates 90 days after Mr. Donahue ceases to serve as President and Chief Executive Officer.

On January 7, 2005, we entered into the Donahue Agreement described above after Mr. Donahue's period as interim President and Chief Executive Officer ended.

On May 23, 2005, the Company entered into executive retention agreements with Messrs. Banks, DiDonato and O'Brien. The retention agreements provide that, in the event that within two (2) years following a change of control (as defined in the retention agreement), the executive's employment is terminated without cause, or the executive terminates his employment for good reason (as defined in the retention agreement), then the executive shall be entitled to the payment of an amount equal to the sum of (a) one times the executive's base salary plus (b) an amount equal to one times the executive's prior year's bonus. The executive is also entitled to acceleration of vesting of any unvested shares under any option granted to the executive, and to the payment of specified benefit continuation costs for a period of 12 months.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

**Audit Committee Report**

*The following is a report of the Audit Committee describing the policies and procedures that it employed in reviewing Lightbridge's financial statements for the year ended December 31, 2005 and related matters.*

In accordance with its written charter, the primary role of the Audit Committee is to assist our Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information proposed to be provided to shareholders and others, the internal control systems and disclosure controls established by management and the Board, and the audit process and the independent auditors' qualifications, independence and performance.

Management is responsible for the internal controls and preparation of Lightbridge's financial statements. Lightbridge's independent registered public accounting firm, Deloitte & Touche LLP, is responsible for performing an integrated audit of its consolidated financial statements and management's assessment of the effectiveness of its internal controls over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB) and issuing opinions on the financial statements and management's assessment of the effectiveness of its internal controls over financial reporting. The Audit Committee has met and held discussions with management and the independent registered public accounting firm regarding Lightbridge's internal controls, financial reporting practices and audit process.

**Table of Contents**

The Audit Committee has reviewed and discussed Lightbridge's audited consolidated financial statements and the Company's internal controls over financial reporting for the fiscal year ended December 31, 2005 with management and the independent registered public accounting firm. As part of this review, the Audit Committee discussed with Deloitte & Touche LLP the communications required by the standards of the PCAOB, including those described in Statement on Auditing Standards No. 61, "Communication with Audit Committees."

The Audit Committee has received from Deloitte & Touche LLP a written statement describing all relationships between that firm and Lightbridge that might bear on the independent registered public accounting firm's independence, consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The Audit Committee has discussed the written statement with the independent registered public accounting firm, and has considered whether the independent registered public accounting firm's provision of consultation and other non-audit services to Lightbridge is compatible with maintaining the registered public accounting firm's independence.

Based on the above-mentioned reviews and discussions with management and the independent registered public accounting firm, the Audit Committee recommended to the Board of Directors that Lightbridge's audited consolidated financial statements and assertions on internal controls over financial reporting be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the Securities and Exchange Commission.
