OF EQUITY SECURITIES****Market Information**

Our common stock is traded on The Nasdaq Global Market under the symbol **ALTU**.

The following table sets forth, for the periods indicated, the range of high and low sales prices for our common stock since our initial public offering on January 26, 2006 through December 31, 2006:

2006	High	Low
First Quarter (from January 26, 2006)	\$ 25.70	\$ 15.00
Second Quarter	23.11	16.65
Third Quarter	19.23	10.75
Fourth Quarter	20.50	15.36

As of February 28, 2007, there were approximately 80 holders of record and approximately 1,950 beneficial stockholders of our common stock.

Dividends

We have never paid or declared any cash dividends on our common stock and we do not anticipate paying any cash dividends on our common stock in the foreseeable future. In addition, the terms of our redeemable preferred stock prohibit us from declaring and paying dividends on our common stock until we have paid all accrued but unpaid dividends on our redeemable preferred stock. We intend to retain all available funds and any future earnings, if any, to fund the development and expansion of our business.

Use of Proceeds from Registered Securities

We registered shares of our common stock in connection with our initial public offering under the Securities Act of 1933, as amended, or the Securities Act. Our Registration Statement on Form S-1 (No. 333-129037) in connection with our initial public offering was declared effective by the SEC on January 25, 2006. The offering commenced as of January 26, 2006 and did not terminate before all securities were sold. The offering was co-managed by Merrill Lynch, Pierce, Fenner & Smith Incorporated, Morgan Stanley & Co. Incorporated and Cowen and Company, LLC. A total of 8,050,000 shares of common stock was registered and sold in the initial public offering, including 1,050,000 shares of common stock sold upon exercise of the underwriters' over-allotment option. No payments for expenses related to the initial public offering were made directly or indirectly to (i) any of our directors, officers, or their associates, (ii) any person owning 10% or more of any class of our equity securities, or (iii) any of our affiliates. The net proceeds of the initial public offering, approximately \$110.2 million, were invested in investment grade securities. The dollar weighted average effective maturity of the portfolio is less than 9 months, and no security has an effective maturity in excess of 12 months. As of February 28, 2007, we have used approximately \$60 million of the net proceeds of the initial public offering to fund our operations including preparatory activities for the Phase III trial for the capsule form of ALTU-135, activities related to the Phase II trial of ALTU-238 and preparation for Phase III trials, activities related to the development of our preclinical product candidates and general corporate purposes. There has been no material change in the planned use of proceeds from our initial public offering as described in our final prospectus filed with the SEC pursuant to Rule 424(b).

Recent Sales of Unregistered Securities

During the year ended December 31, 2006, we sold 8,669 shares of common stock to employees or former employees through the exercise of options that were not registered under the Securities Act. These shares were issued pursuant to written compensatory plans or arrangements with our employees, directors and consultants, in reliance on the exemption from registration provided by Rule 701 under the Securities Act. In addition, common stock warrants were exercised on a net issuance exercise basis, resulting in 344,087 shares of common stock that were not registered under the Securities Act and additional warrants were exercised by the payment of cash resulting in 25,346 shares of common stock that were not registered under the Securities Act. These shares were issued pursuant to the exemption from registration provided by Section 4(2) of the Securities Act. No underwriters were involved in the foregoing sales

of securities.

Repurchase of Equity Securities

None.
