(the Shares) multiplied by 21,449,718 shares of common stock issued and outstanding, and (b) the offer price of \$1.82 minus \$1.73, which is the weighted average exercise price of outstanding in-the-money options to acquire Shares multiplied by 79,818, the number of outstanding in-the-money options.

This Amendment is being filed on behalf of Purchaser and AMICAS.

Item 11. Additional Information.

Item 11 of the Schedule TO is hereby amended and supplemented to include the following in the section titled Litigation Related to the Offer and Merger :

On March 13, 2009, a putative shareholder class action lawsuit was filed against Emageon and members of the Emageon Board of Directors in the Circuit Court of Jefferson County, Alabama (Case No. CV-2009-900927.00). The action, styled *Philip Fishman v. Emageon, Inc., et. al.*, alleged, among other things, that the members of the Emageon Board of Directors violated their fiduciary duties by failing to maximize value for Emageon s stockholders when negotiating and entering into the Merger Agreement. The complaint also alleged that Emageon aided and abetted those purported breaches. The plaintiff sought, among other things, to enjoin the acquisition of Emageon by AMICAS or, in the alternative, to rescind the acquisition should it occur before the lawsuit is resolved. The plaintiff had also made motions for expedited proceedings and discovery.

On March 26, 2009, Emageon entered into a memorandum of understanding with plaintiffs counsel and the other named defendants to settle the putative shareholder class action lawsuit that was filed in the Circuit Court of Jefferson County, Alabama.

Under the terms of the memorandum, Emageon, the other named defendants and the plaintiffs have agreed to settle the lawsuit, subject to court approval. If the court approves the settlement contemplated in the memorandum, the lawsuit will be dismissed with prejudice.

Pursuant to the terms of the memorandum, Emageon agreed to make available certain additional information to its stockholders, which information is set forth in Amendment No. 3 to Emageon s Schedule 14D-9 filed on March 27, 2009. In return, the plaintiffs agreed under the memorandum to the dismissal of the action and to withdraw all motions filed in connection with such action. In addition, Emageon agreed to pay the legal fees and expenses of plaintiffs counsel, subject to approval by the court. This payment will not affect the amount of consideration to be paid to stockholders of Emageon in connection with the Offer and Merger. The details of the settlement will be set forth in a notice to be sent to Emageon s stockholders prior to a hearing before the court to consider both the settlement and the plaintiffs fee application.

Emageon and the other defendants maintain that the lawsuit is completely without merit. Nevertheless, in order to avoid costly litigation and eliminate the risk of any delay to the closing of the Offer and subsequent Merger, the defendants have agreed to the settlement contemplated in the memorandum.
