On September 8, 2004, Fidelity National Financial, Inc., a Delaware corporation ( FNF ), Fidelity National Information Services, Inc., a Delaware corporation and wholly-owned subsidiary of FNF ( FIS ), Fuscia Merger Sub, Inc., a Georgia corporation and a wholly-owned subsidiary of FIS ( Merger Sub ), and InterCept, Inc., a Georgia corporation ( InterCept ), entered into an Agreement and Plan of Merger (the Merger Agreement ), pursuant to which Merger Sub will be merged with and into InterCept (the Merger ), with InterCept continuing after the Merger as the surviving corporation and a wholly-owned subsidiary of FIS.

InterCept (NASDAQ: ICPT) provides both outsourced and in-house core banking solutions for community banks, including loan and deposit processing and general ledger and financial accounting operations. InterCept also operates item processing and check imaging operations, providing imaging for customer statements, clearing and settlement, reconciliation and automated exception processing in both outsourced and in-house relationships.

Under the Merger Agreement, InterCept shareholders will receive \$18.90 per share of InterCept common stock. FNF has the option to pay the \$18.90 consideration in all cash or in a combination of cash and FNF stock. If FNF elects the stock and cash consideration option, InterCept shareholders will have the option to elect any combination of cash and stock, subject to proration such that the overall limitation for the consideration in the transaction will be seventy-five percent cash compensation and twenty-five percent compensation in the form of FNF stock. The composition of the \$18.90 per share offer will be finalized in the Proxy Statement that will be distributed prior to the InterCept shareholder vote to approve the transaction. Any FNF stock consideration will be calculated using a trailing ten-day average calculated one day prior to the closing of the transaction. Including the conversion of preferred stock, InterCept has approximately 21.6 million shares of common stock outstanding.

The board of directors of FNF has approved the Merger Agreement. The transaction is subject to the approval of InterCept common stock holders, any required antitrust clearance and other customary closing conditions. The Merger does not require the approval of FNF shareholders.

The foregoing description of the Merger does not purport to be complete and is qualified in its entirety by reference to the complete text of the Merger Agreement, which is filed as Exhibit 2.1 hereto and incorporated herein by reference.

FNF has entered into voting agreements dated September 8, 2004 with certain InterCept officers and directors and other InterCept shareholders holding in aggregate in excess of approximately 18 percent (not including the Series B Preferred Stock) of the InterCept common shares outstanding (collectively, the Shareholders Agreements ). Under the terms of the Shareholders Agreements, the shareholders have agreed, among other things, to vote their shares in favor of the Merger.
