**Item 3. Source and Amount of Funds or Other Consideration**

Pursuant to the Plan, Owens Corning is irrevocably committed to deliver to the Trust, and the Trust is irrevocably entitled to receive from Owens Corning, 28,200,000 shares of Common Stock. Delivery of the shares is required to occur between January 1, 2007 and January 8, 2007. In addition, Owens Corning is required to deliver an incremental \$1.390 billion to the Trust in accordance with the Plan between January 1, 2007 and January 8, 2007. The Common Stock, cash and other assets have been or will be delivered to the Trust by Owens Corning under the Plan to settle and discharge all Asbestos Personal Injury Claims.

**Item 4. Purpose of Transaction**

The purpose of the Trust is to assume the liabilities of Owens Corning and Fibreboard, their predecessors and successors in interest, for all Asbestos Personal Injury Claims; to use the Common Stock and other assets transferred and assigned to the Trust pursuant to the Plan, and the income thereof, to pay the holders of all Asbestos Personal Injury Claims in accordance with the Trust Agreement and the Procedures in such a way that such holders of Asbestos Personal Injury Claims are treated fairly, equitably and reasonably in light of the limited assets available to satisfy such claims; and to otherwise comply in all respects with the requirements of a trust set forth in Section 524(g) of the United States Bankruptcy Code.

Pursuant to the Plan, Owens Corning's Amended and Restated By-Laws (the "By-laws") and Amended and Restated Certificate of Incorporation (the "Certificate of Incorporation"), as well as the Confirmation Order, the District Court Order and the Findings, on the day after the date the 28,200,000 shares of Common Stock are delivered by Owens Corning to the Trust under the Plan, each of the FCR and the TAC (in its prior capacity as the Owens Corning Asbestos Claimants Committee ("ACC")) shall have the right to designate one member to Owens Corning's Board of Directors. The director designated to the Owens Corning Board of Directors by the FCR is referred to as the "FCR Designated Director" and the director designated to the Owens Corning Board of Directors by the ACC is referred to as the "ACC Designated Director". The FCR currently intends to designate himself to be the FCR Designated Director and the ACC currently intends to designate W. Howard Morris to serve as the ACC Designated Director. However, each of the FCR and the ACC reserve their rights to change the identity of the FCR Designated Director or the ACC Designated Director until such time as such designees initially join the Owens Corning Board of Directors. Further, pursuant to the By-laws, prior to each meeting of Owens Corning stockholders held before the Termination Date (as defined below) at which the term of the FCR Designated Director or ACC Designated Director, or any director nominated or appointed to succeed either such director in accordance with the By-laws, shall expire, in addition to any other persons nominated by the Owens Corning Board of Directors, the Trust shall have the right to nominate a person to succeed such director as the FCR Designated Director or the ACC Designated Director, as the case may be. Pursuant to the Trust Agreement and the By-laws, the person nominated by the Trust to succeed the ACC Designated Director shall be the person designated by the TAC and the person nominated by the Trust to succeed the FCR Designated Director shall be the person designated by the FCR. Pursuant to the By-laws, at each meeting of Owens Corning stockholders held before the Termination Date at which directors are to be elected, in addition to presenting nominees for other directorships, the officers of Owens Corning presiding at such meeting shall present to the stockholders for election to the Owens Corning Board of Directors, on behalf of the Trust, any persons nominated by the Trust in accordance with the foregoing.

The FCR Designated Director and the ACC Designated Director may be entitled, from time to time, to equity grants in the form of, or to be settled in the form of, Common Stock pursuant to compensatory plans adopted by Owens Corning as compensation for their service as members of the Owens Corning Board of Directors.

Under the Trust Agreement, the Trust must obtain the consent of the TAC and the FCR to vote shares of Common Stock solely for purposes of electing members of the Owens Corning Board of Directors. The TAC and

the FCR also have other stipulated consent and consultation rights under the Trust Agreement and the Procedures not related to the Common Stock.

Pursuant to the By-laws if, at any time prior to the Termination Date, the FCR Designated Director (or any successor) or the ACC Designated Director (or any successor) then serving as a director of Owens Corning is removed from the Owens Corning Board of Directors, resigns, retires, dies or otherwise cannot continue to serve as a member of the Owens Corning Board of Directors, then the Owens Corning Board of Directors shall fill such vacancy by appointing (i) with respect to the ACC Designated Director, such person as shall be designated in writing by the TAC and (ii) with respect to the FCR Designated Director, such person as shall be designated in writing by the FCR.

The Termination Date means the date on which the Trust no longer owns, beneficially or of record, at least 1% of the then outstanding shares of Common Stock.

Pursuant to the By-laws, on the Termination Date, the ACC Designated Director and the FCR Designated Director, or their respective successors, shall resign from the Owens Corning Board of Directors.

Specified provisions of the By-laws and the Certificate of Incorporation may not be amended prior to the Termination Date without the prior written approval of the Trust if such amendment could, among other things, in any way adversely affect the rights of the Trust, the FCR, the ACC or the TAC to designate persons to serve on the Owens Corning Board of Directors in accordance with section 5.18(a) of the Plan, or to shorten the term of any Owens Corning director designated by the Trust, the FCR, the ACC or the TAC.

As part of the Plan, the Trust accepted assignment of certain letter agreements dated July 7, 2006, as amended October 27, 2006, by and between Owens Corning and each of JPMorgan Chase Bank, National Association, London Branch; Bear Stearns International Limited; Deutsche Bank AG; Lehman Brothers OTC Derivatives Inc. and Bank of America, N.A. (collectively, the Collar Agreements). Under the terms of the Collar Agreements, each investment firm party has a call right to purchase all or a portion of the shares of Common Stock set forth in its Collar Agreement from the Trust at an exercise price of \$37.50 per share. These call options will, in each case, expire on the date that is 12 months after the date on which the shares of Common Stock are delivered to the Trust. In addition, each of the respective Collar Agreements grants the Trust an option to sell all or a portion of the shares of Common Stock to the investment firm that is a party to such Collar Agreement at an exercise price of \$25.00 per share. These put options will, in each case, expire on the date that is 3 months after the date on which the shares of Common Stock are delivered to the Trust. The options provided in the Collar Agreements cover, in the aggregate, all of the 28,200,000 shares of Common Stock reported herein as beneficially owned by the Trust. Each Collar Agreement also provides that only one, but not both, of the call options or the put options can be exercised.

The foregoing descriptions of the Trust Agreement, Plan, Collar Agreements, Confirmation Order, District Court Order and Findings, are qualified in their entirety by reference to the Trust Agreement, Plan and Collar Agreements, which are attached hereto as Exhibits 1, 2, 4 through 8, 10, 11 and 12, respectively, and are incorporated herein by this reference.

Except as otherwise set forth in this Schedule 13D, the Reporting Persons do not and, to the best of the Trust's knowledge, the Trustees do not and, to the best of the TAC's knowledge, the members of the TAC do not have any present plans, arrangements or understandings that relate to or would result in:

- a. The acquisition by any person of additional securities of Owens Corning, or the disposition of securities of Owens Corning;
- b. An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving Owens Corning or any of its subsidiaries;
- c. A sale or transfer of a material amount of assets of Owens Corning or any of its subsidiaries;
- d. Any change in the present board of directors or management of Owens Corning, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;

- e. Any material change in the present capitalization or dividend policy of Owens Corning;
- f. Any other material change in Owens Corning's business or corporate structure including but not limited to, if Owens Corning is a registered closed-end investment company, any plans or proposals to make any changes in its investment policy for which a vote is required by section 13 of the Investment Company Act of 1940;
- g. Changes in Owens Corning's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the issuer by any person;
- h. Causing a class of securities of Owens Corning to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- i. A class of equity securities of Owens Corning becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or
- j. Any action similar to those enumerated above.

However, the Reporting Persons intend to review their interest in Owens Corning on a continuing basis and reserve the right to change their plans or intentions at any time depending upon their evaluation of then existing circumstances including, without limitation, the factors referred to above. In addition, the Reporting Persons may, from time to time and at any time, (1) acquire additional shares of Common Stock (subject to availability if the price is deemed favorable) in the open market, in privately negotiated transactions or otherwise or (2) dispose of shares of Common Stock in the open market, in privately negotiated transactions (including under the Collar Agreements) or otherwise, in each case in accordance with applicable law. The Trust will only acquire or dispose of shares of Common Stock to the extent permitted under the Trust Agreement and in accordance with applicable law.

**Item 5. Interest in Securities of the Issuer**

(a) The Trust is the beneficial owner of 28,200,000 shares of Common Stock. Neither the TAC nor the FCR own any shares of Common Stock. However, the TAC and the FCR may be deemed to be part of a group of persons (as determined in accordance with Section 13(d) of the Act and the rules promulgated thereunder) with the Trust and, therefore, may also be deemed to be the beneficial owners of the 28,200,000 shares of Common Stock, individually and as a group. Based on Owens Corning's Prospectus filed pursuant to Rule 424(b)(1) of the Securities Act of 1933, as amended, with the Securities and Exchange Commission on October 30, 2006, there were 103,200,000 shares of Common Stock issued and outstanding as of October 31, 2006. The 28,200,000 shares of Common Stock beneficially owned by the Trust represent approximately 21.5% of the outstanding shares of Common Stock, including, for purposes of this calculation, the 28,200,000 shares of Common Stock, which Owens Corning is irrevocably committed under the Plan to deliver to the Trust and which the Trust is irrevocably entitled to receive. Notwithstanding anything to the contrary contained herein, the TAC and the FCR expressly disclaim beneficial ownership of the 28,200,000 shares of Common Stock and this Statement on Schedule 13D shall not be construed as an admission by the TAC, the members of the TAC or the FCR that such persons are the beneficial owners for any purpose of the shares of Common Stock covered by this Schedule 13D.

(b) The Trust (acting through its Trustees), the TAC (acting through its members) and the FCR may be deemed to share the power to vote 28,200,000 shares of Common Stock solely due to the consent rights of the TAC and the FCR under the Trust Agreement with respect to the manner in which the Trust votes the Common Stock exclusively for the purpose of electing members of the Owens Corning Board of Directors. Neither the TAC nor the FCR have any other power to vote or direct the vote of shares of the Common Stock reported herein. The Trust has the sole power to dispose or direct the disposition of all of the shares of Common Stock reported herein, and neither the TAC nor the FCR have any power to dispose or direct the disposition of such shares of Common Stock.

(c) Except as described above, none of the Trust, the Trustees, the TAC, the members of the TAC nor the FCR has engaged in any transactions in the Common Stock that were effected during the past sixty days.

(d) No person, other than the Trust, has the right to receive or the power to direct the receipt of dividends from, or the profits from the sale of, the shares of Common Stock beneficially owned by the Trust.

(e) Not applicable.

**Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**

As set forth herein, the Trust is party to the Trust Agreement and Collar Agreements. Descriptions of the Trust Agreement and Collar Agreements contained in this Statement on Schedule 13D are qualified in their entirety by reference to the Trust Agreement and Collar Agreements, which are attached hereto as Exhibit 1 and Exhibits 4 through 8, respectively, and are incorporated herein by this reference.

The Trust and Owens Corning are also party to that certain Registration Rights Agreement dated July 7, 2006, as amended by the First Amendment to Registration Rights Agreement dated October 27, 2006 (as amended, the

Registration Rights Agreement ), which provides that the Trust has certain registration rights with respect to its shares of Common Stock. The Registration Rights Agreement is attached hereto as Exhibit 3 and is incorporated herein by this reference.

Except as set forth herein, none of the Reporting Persons or, to the best of the Trust's knowledge, the Trustees or, to the best of the TAC's knowledge, the members of the TAC, have any contracts, arrangements, understandings or relationships (legal or otherwise) with respect to any securities of Owens Corning, including but not limited to transfer or voting of any securities, finder's fees, joint ventures, loan or option agreements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
