PROXY STATEMENT

The Board of Directors is furnishing stockholders this Proxy Statement to solicit proxies to be voted at our Annual Meeting of Stockholders, which we refer to in these proxy materials as our Annual Meeting. Our Annual Meeting will be held on Friday, May 15, 2009, at 10:00 a.m. local time at Buena Vista Country Club, 301 Country Club Lane, Buena, New Jersey, 08310. This Proxy Statement, including the Notice of Annual Meeting of Stockholders and the accompanying proxy card, together with our Annual Report to Stockholders for the year ended December 31, 2008 were first mailed or given to our stockholders on or about April 17, 2009.

Each proxy received will be voted as you direct it to be voted. If you do not indicate on your proxy how you want your vote counted, your proxy will be voted

FOR electing the nominees named below as directors;

FOR the approval of (i) the issuance and sale of our Series B-1 Convertible Preferred Stock and the common stock into which it converts as part of a private placement that will result in the Investors owning approximately 49.5% of our outstanding common stock, on an as-converted basis, (ii) the change of control that may result from such issuance and the associated rights of the holders of the Series B-1 Convertible Preferred Stock, and (iii) the issuance of warrants to purchase our common stock to our placement agent in the private placement, which transactions we collectively refer to in this proxy statement as the Private Placement; and

FOR approval of the issuance of shares of our common stock upon the conversion of the principal amount of the \$500,000 secured line of credit agreement with Pinnacle Mountain Partners, LLC, a company owned by Dr. Edward and Jane Hager, significant stockholders of ours, and in the case of Mrs. Hager, a director of ours, at a conversion rate of \$0.41 per share, which transaction we refer to in this proxy statement as the Credit Agreement Conversion.

If you are a stockholder of record (that is, your stock is registered directly in your name on the books of our transfer agent, American Stock Transfer and Trust Company), you can revoke your proxy or change your vote at any time before it is exercised by giving written notice to our Secretary specifying such revocation. **If you hold your shares in street name as a beneficial owner** (that is, your broker, bank or other nominee hold stock in your account and not directly in your name), you can revoke your proxy by contacting your broker, bank or other nominee and submitting a later dated voting instruction card. Votes are tabulated by American Stock Transfer and Trust Company and the results will be reported at the Annual Meeting.

Holders of our common stock, Series A Convertible Preferred Stock, which we refer to in this proxy statement as our Series A Preferred Stock, and Series B-1 Convertible Preferred Stock, which we refer to in this proxy statement as our Series B-1 Preferred Stock, will vote together as a single class and on an as-converted basis to elect the four director nominees named later in this proxy statement. Pursuant to the terms of our Certificate of Designation for our Series B-1 Preferred Stock and Series B-2 Preferred Stock, our Series B-1 Preferred Stock is presently entitled to elect one director to serve on our Board of Directors. Joyce Erony currently serves on our Board of Directors as the designee of the holders of Series B-1 Preferred Stock. The holders of Series B-1 Preferred Stock have informed us that they intend to re-elect Ms. Erony at the Annual Meeting to serve as its designee. Because Ms. Erony will be elected by the holders of our Series B-1 Preferred Stock, her election will not be voted on by holders of our common stock and Series A Preferred Stock.

Holders of our common stock and Series A Preferred Stock will vote together as a single class and, in the case of the Series A Preferred Stock, on an as-converted basis to approve the Private Placement and the Credit Agreement Conversion. Holders of our Series B-1 Preferred Stock will not vote to approve the Private Placement or the Credit Agreement Conversion and their shares will not be counted in determining the number of votes cast with respect to such proposals. In addition, we received verbal confirmation from the NYSE Euronext that so long as Pinnacle Mountain Partners LLC remains a party to the Conversion Agreement (as discussed in Proposal No. 3 below), the vote of Pinnacle and its affiliates (including Jane Hager, a significant stockholder and a director of ours), as our stockholders, will not be considered for purposes of obtaining stockholder approval of the Private Placement in Proposal No. 2 or the Credit Agreement Conversion in Proposal No. 3. Pursuant to the Conversion Agreement, as a result of this verbal confirmation by the NYSE Euronext, we may unilaterally terminate the Conversion Agreement prior to receipt of stockholder approval without notice to Pinnacle and Pinnacle and its affiliates (including Mrs. Hager) will then be considered for determining whether the stockholder approval of the Private Placement was obtained. In addition, under the terms of the Purchase Agreement, which is described in greater detail in Proposal No. 2 below, we have agreed not to terminate the Conversion Agreement except upon the written request of the Investors and upon receipt of such written request, we will terminate the Conversion Agreement. In the event that the Conversion Agreement is terminated prior to receipt of stockholder approval of the Credit Agreement Conversion, it is currently expected that Proposal No. 3 would be withdrawn by the Board of Directors at the recommendation of management prior to the Annual Meeting.

In connection with the Private Placement, certain holders of our capital stock entered into a voting agreement, which we refer to as the Voting Agreement in this proxy statement, with the Investors, pursuant to which these holders agreed to vote or execute and deliver a written consent in favor of approving the Private Placement and any matter that could reasonably be expected to facilitate the consummation of the Private Placement and against approval of any proposal made in opposition to or in competition with consummation of the Private Placement, or against our liquidation or winding up. In addition, these holders also agreed to vote or provide a written consent in favor of the Credit Agreement Conversion and against any proposal made in opposition to or in competition with the consummation of the Credit Agreement Conversion. As of the Record Date, these holders represent approximately 44.2% of the voting power of the outstanding shares of capital stock entitled to vote at the Annual Meeting with regard to Proposal No. 2 and Proposal No. 3, or who represent

approximately 51.7% of the voting power of the outstanding shares of capital stock entitled to vote at the Annual Meeting with regard to Proposal No. 2 and Proposal No. 3 if the Conversion Agreement is terminated and Mrs. Hager and her affiliates are permitted pursuant to the rules of the NYSE Amex to vote with respect to such matters. Accordingly, if the Conversion Agreement is terminated and Mrs. Hager and her affiliates are permitted pursuant to the rules of the NYSE Amex to vote with respect to Proposal No. 2, then stockholder approval of Proposal No. 2 is expected to be assured.

If you complete and properly sign the accompanying proxy card and return it to us, your proxy will be voted as you direct. If you are a stockholder of record as of the close of business on April 3, 2009, which we refer to in the proxy materials as the Record Date, and attend the Annual Meeting, you may deliver your completed proxy card in person, or vote in person at the Annual Meeting (proxy cards will be available at the Annual Meeting for that purpose), or revoke a previously submitted proxy and complete a new proxy.

However, if you hold your shares in street name as a beneficial owner, your broker may vote your shares on your behalf unless you have previously informed your broker not to do so or if your broker does not have discretionary authority to vote on such matter; otherwise,

a)

you must return your voting instructions to your broker or nominee (that is, the holder of record); or

b)

if you wish to vote in person at the Annual Meeting, you must obtain from the record holder and bring to the Annual Meeting a proxy **signed by the record holder** identifying you as the beneficial owner of the shares and giving you the right to vote the shares at the Annual Meeting. (You may **not** use the voting instruction form provided by your broker or nominee to vote in person at the Annual Meeting).

Only holders of record of our 14,941,712 outstanding shares of common stock, 50 outstanding shares of our Series A Preferred Stock, and 202.9 outstanding shares of Series B-1 Preferred Stock, as of the close of business on the Record Date, will be entitled to vote at the Annual Meeting. Each holder of shares of our common stock on the Record Date is entitled to one vote for each share of our common stock held by that holder. Each holder of shares of our Series A Preferred Stock on the Record Date is entitled to a number of votes for each share of Series A Preferred Stock held by such holder equal to the number of shares of common stock into which such share of Series A Preferred Stock is then convertible. As of the Record Date, each share of Series A Preferred Stock was convertible into 10,000 shares of our common stock. Each holder of shares of our Series B-1 Preferred Stock on the Record Date is entitled to a number of votes for each share of Series B-1 Preferred Stock held by such holder equal to the number of shares of common stock

into which such share of Series B-1 Preferred Stock is then convertible. As of the Record Date, each share of Series B-1 Preferred Stock was convertible into 14,634 shares of our common stock.

If you abstain from voting, your shares will be counted as shares present and entitled to vote in determining the presence of a quorum for the Annual Meeting, but your shares will not be voted in determining approval of any matter submitted to stockholders for a vote. Abstentions related to a proposal which requires approval upon the affirmative vote of a majority of the votes cast, which does not include the election of directors, will have the same effect as a vote against the proposal. Abstentions have no impact on the election of directors because directors are elected by a plurality of votes cast at the Annual Meeting. If you do not provide voting

instructions to your broker and your broker indicates on its proxy card that it does not have discretionary authority to vote on a particular proposal, your shares will be considered to be broker non-votes with regard to that matter. Brokers generally have discretionary authority to vote on routine matters, such as the uncontested election of directors. Broker non-votes will be considered to be represented for purposes of determining a quorum but generally will not be considered to be entitled to vote with respect to that proposal. Broker non-votes will have no effect on the voting results with respect to the election of directors or with respect to Proposal No. 2 or Proposal No. 3. Thus, a broker non-vote will make a quorum more readily obtainable, but a broker non-vote will not otherwise affect the outcome of the proposals being voted upon at the Annual Meeting. With respect to a proposal that requires a majority of the outstanding shares (of which there are none for this Annual Meeting), a broker non-vote has the same effect as a vote against the proposal.

Votes Required

The holders of capital stock representing a majority of the outstanding voting power of all outstanding shares of our common stock, Series A Preferred Stock and Series B-1 Preferred Stock entitled to vote at the Annual Meeting shall constitute a quorum for the transaction of business at the Annual Meeting. Shares of our common stock, Series A Preferred Stock and Series B-1 Preferred Stock present in person or represented by proxy (including shares which abstain or do not vote with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum exists at the Annual Meeting.

Proposal No. 1 - Election of Directors. The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors. A properly executed proxy marked Withhold Authority with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although such proxy will be counted for purposes of determining whether there is a quorum.

Proposal No. 2 - Private Placement. The affirmative vote of a majority of the votes cast is required to approve the Private Placement.

Proposal No. 3 - Credit Agreement Conversion. The affirmative vote of a majority of the votes cast is required to approve the Credit Agreement Conversion.

Holders of our Series B-1 Preferred Stock will not vote to approve Proposal No. 2 or Proposal No. 3 and their shares will not be counted in determining the number of votes cast with respect to such proposal. In addition, so long as Pinnacle Mountain Partners LLC remains a party to the Conversion Agreement, the vote of Pinnacle and its affiliates (including Mrs. Hager), as our stockholders, will not be considered for purposes of obtaining stockholder approval of

Proposal No. 2 or Proposal No. 3 and their shares will not be counted in determining the number of votes cast with respect to such proposal. Pursuant to the Conversion Agreement, we may unilaterally terminate the Conversion Agreement prior to receipt of stockholder approval without notice to Pinnacle and Pinnacle and its affiliates (including Mrs. Hager) will then be considered for determining whether the stockholder approval of the Private Placement was obtained. In the event that the Conversion Agreement is terminated prior to receipt of stockholder approval of Proposal No. 3, it is currently expected that Proposal No. 3 would be withdrawn by the Board of Directors at the recommendation of management prior to the Annual Meeting. Accordingly, if the Conversion Agreement is terminated and Mrs. Hager and her affiliates are permitted pursuant to the rules of the NYSE Amex to vote with respect to Proposal No. 2, then stockholder approval of Proposal No. 2 is expected to be assured.

PROPOSAL NO. 1 - ELECTION OF DIRECTORS**Directors**

At the Annual Meeting, holders of our common stock, Series A Preferred Stock and Series B-1 Preferred Stock, voting as a single class and on an as-converted basis, will vote to elect four members to our Board of Directors by plurality of the votes cast. Our Board of Directors has proposed the following nominees: Terrence O. Donnell, Stephen J. Morris, Rajiv Mathur and Jane E. Hager.

Joyce Erony currently serves on our Board of Directors as the designee of the holders of Series B-1 Preferred Stock. The holders of Series B-1 Preferred Stock have informed us that they intend to re-elect Ms. Erony at the annual meeting to serve as its designee. Because Ms. Erony will be elected by the holders of our Series B-1 Preferred Stock, her election will not be voted on by holders of our common stock and Series A Preferred Stock.

All of the four nominees are currently serving as our directors. None of our directors, executive officers or nominees for director is related by family to any other director, executive officer or nominee for director. If any nominee for director is unavailable to serve, we solicit discretionary authority to vote to elect another person unless we reduce the size of the Board of Directors. Each director will serve until the next annual meeting of stockholders, and until his or her successor has been elected and qualified, or until his or her earlier resignation or removal. We have no reason to believe that any nominee will not be available for election as a director for the prescribed term.

The following table sets forth information regarding each of our current directors according to the information furnished to us by each such director:

During our 2008 fiscal year, the Organization and Compensation Committee met two times.

Audit Committee. The Audit Committee has been established for the purpose of overseeing our accounting and financial reporting processes and the audit of our annual financial statements, as well as our internal controls and audit functions. The Audit Committee operates under a written charter adopted by the Board of Directors. The full text of the charter of the Audit Committee is available on our website at www.askigi.com.

As described more fully in the Audit Committee Charter, the purpose of the Audit Committee is to assist the Board of Directors in fulfilling its responsibilities to stockholders concerning our accounting and reporting practices, and to facilitate open communication between the Audit Committee, the Board of Directors, our outside auditor and management. The Audit Committee is required to discharge its responsibilities, and assess the information provided by our management and the outside auditor, in accordance with its business judgment. In exercising its business judgment, the Audit Committee is required to rely on the information and advice provided by management and/or our outside auditor. Pursuant to its charter, the function of the Audit Committee includes:

to provide the opportunity for direct communication between the Board of Directors and our external auditors;

to monitor the design and maintenance of our system of internal accounting controls;

to select, evaluate and, if necessary, replace the external auditor;

to review the results of internal and external audits as to the reliability and integrity of the financial and operating information systems established to monitor compliance with our policies, plans and procedures and with laws and regulations; and

to review the relationship between us and the external auditors and to ascertain the independence of the external auditors.

The members of the Audit Committee are Jane E. Hager (Chair) and Terrence O. Donnell. We believe that the composition and functioning of our audit committee complies with all applicable requirements of the Sarbanes-Oxley Act of 2002, NYSE Amex and SEC rules and regulations, including those regarding the independence of the Audit Committee members. The Board of Directors has determined that Jane E. Hager is an audit committee financial expert as currently defined under the SEC's rules implementing Section 407 of the Sarbanes-Oxley Act of 2002. The Audit Committee met four times during the 2008 fiscal year. A report of the Audit Committee is set forth herein.

The full text of the charter of the Nominating and Corporate Governance Committee is available on our website at www.askigi.com. Pursuant to the charter, the purpose of the Nominating and Corporate Governance Committee is to identify individuals qualified to become members of our Board of Directors, and to recommend that our Board of

Directors select the director nominees for the next annual meeting of stockholders, to develop and recommend to the Board of Directors a set of corporate governance principles applicable to us, and to make recommendations on compensation of the Board of Directors. In furtherance of such purpose, the Nominating and Corporate Governance Committee shall have the following goals and responsibilities:

To identify, review and recommend to the Board of Directors qualified candidates for director nominees to fill any existing or anticipated vacancy on the Board of Directors;

To identify, review and recommend to the Board of Directors, prior to each year's annual meeting of stockholders, successors to the class of directors whose term shall then expire (including any director in such class proposing to stand for election to another term), and additional director nominees, if any, for election to the Board of Directors on whose behalf the Board of Directors will solicit proxies;

To recommend to the Board of Directors the size of the Board of Directors;

To review and make recommendations to the Board of Directors with respect to suggestions for director nominees made by stockholders to the Board of Directors or to management in accordance with our Bylaws;

To review annually the Board of Director's overall performance and oversee the annual performance evaluation for each of its committees;

To recommend to the Board of Directors whether resignations tendered by members who have had a substantial change in their job responsibilities should be accepted;

To review annually the Board of Directors committee structure, charters and membership and, in consultation with the Chairman of the Board of Directors, recommend to the Board of Directors changes, if any; and to recommend to the Board of Directors the assignment of members of the Board of Directors to the various committees and appointment, rotation or removal of committee chairs;

To review and make recommendations to the Board of Directors with respect to changes in directors' compensation and benefits; and

To develop and recommend to the Board of Directors a set of corporate governance guidelines and to review the guidelines at least annually and recommend changes as necessary.

The Nominating and Corporate Governance Committee shall have sole authority to retain and terminate any consulting firm to assist it in carrying out its duties and responsibilities, as the committee may deem appropriate in its sole discretion. The Nominating and Corporate Governance Committee shall have sole authority to approve related fees and other retention terms.

The Nominating and Corporate Governance Committee's process for recruiting and selecting nominees is for Committee members to attempt to identify individuals who are thought to have certain minimum qualifications, including appropriate business background and experience, industry specific knowledge and general reputation and expertise that would allow them to contribute as effective directors to our governance, and who are willing to serve as directors of a public company. To date, we have not engaged any third party to assist in identifying or evaluating potential nominees. After a possible candidate is identified, the individual meets with various members of the Committee to ascertain his or her interest and willingness to serve, and Committee members discuss among themselves the individual's potential to be an effective member of the Board of Directors. If the discussions and evaluation are positive, the individual is recommended by the Nominating and Corporate Governance Committee to the entire Board of Directors.

The entire Board of Directors, including the Nominating and Corporate Governance Committee, approved the nomination of the candidates reflected in Proposal No. 1. The Nominating and Corporate Governance Committee will consider stockholder recommendations for candidates to serve on the Board of Directors. The name of any recommended candidate for director, together with pertinent biographical information, a document indicating the candidate's willingness to serve if elected, and evidence of the nominating stockholder's ownership of our common stock should be sent to the Nominating and Corporate Governance Committee c/o IGI Laboratories, Inc., Corporate Secretary, 105 Lincoln Avenue, Buena, New Jersey 08310. To date, the Nominating and Corporate Governance Committee has not adopted a specific formal policy with respect to the consideration of director candidates recommended by stockholders. If a director candidate is recommended by a stockholder, the Nominating and Corporate Governance Committee expects to evaluate such candidate in the same manner it evaluates director candidates it identifies.

The members of the Nominating and Corporate Governance Committee are Terrence O. Donnell (Chair), Jane E. Hager and Stephen J. Morris. We believe that the composition of the Nominating and Corporate Governance Committee complies with all applicable requirements of the Sarbanes-Oxley Act of 2002, NYSE Amex and SEC rules and regulations, including those regarding the independence of the Nominating and Corporate Governance Committee members. The Nominating and Corporate Governance Committee met one time during the 2008 fiscal year. Since the Nominating and Corporate Governance Committee is composed solely of non-management directors, all nominees for director at the Annual Meeting were nominated by non-management directors.

Board Meeting and Attendance

During our 2008 fiscal year, our Board of Directors met six times. Each director attended at least 75% of the total number of meetings of the Board of Directors and each committee of the board on which such director served.

Stockholder Communications with Directors and Director Attendance at Annual Meetings

Stockholders who wish to send communications to our Board of Directors may do so by sending them c/o IGI Laboratories, Inc., Corporate Secretary, 105 Lincoln Avenue, Buena, New Jersey 08310. Such communications may be addressed either to specified individual directors or the entire Board of Directors. The Secretary will have the discretion to screen and not forward to directors communications that the Secretary determines are communications unrelated to our business or governance, commercial solicitations, offensive, obscene, or otherwise inappropriate. The Secretary will, however, compile all stockholder communications that are not forwarded and such communications will be available to any director.

It is the policy of our Board of Directors that directors are strongly encouraged to attend all annual stockholder meetings. Each of our directors serving at the time attended the 2008 annual meeting of stockholders.

Director Compensation

Director Options. In September 1999, our Board of Directors adopted the 1999 Director Stock Option Plan, which we refer to as the 1999 Plan. Under the 1999 Plan, on January 2 of each year, (i) each non-employee director is granted a stock option to purchase 15,000 shares of our common stock; and (ii) each of the Chairmen of the Audit Committee and the Organization and Compensation Committee is granted additional stock options to purchase 15,000 and 10,000 shares of our common stock, respectively. Additionally, under the 1999 Plan, each newly elected director will receive a stock option grant to purchase 15,000 shares of our common stock at the time of his or her election. In addition, on October 3, 2008, the Board of Directors granted Mrs. Hager an additional option to purchase 50,000 shares of common stock in consideration of exceptional service on our Board of Directors. All of such options will be granted at an exercise price equal to the closing price of our common stock on the NYSE Amex on the date of grant. All options granted under the 1999 Plan become 100% vested 12 months after the date of grant.

During 2008, we granted the number of options that were granted under the 1999 Director Stock Option Plan as listed in the footnotes to the table set forth below.

Director Fees. Our Board of Directors adopted the 1998 Directors Stock Plan in October 1998 to provide each outside director with the right to receive shares of our common stock as director compensation in lieu of cash payments of director fees, thereby encouraging ownership in our securities by the directors. Each non-employee director receives \$2,000 in value of shares of our common stock for each meeting of the Board of Directors he or she attends in person, \$1,000 in value of shares of our common stock for each telephonic meeting of the Board of Directors attended, \$500 in value of shares of our common stock for each committee meeting attended which is held on the same day as a

meeting of the Board of Directors, \$1,000 in value of shares of our common stock for each committee meeting attended which is not held on the same day as a meeting of the Board of Directors, and up to \$5,000 in value of shares of our common stock annually for the Chairmen of certain committees of the Board of Directors as determined at the discretion of our Board of Directors. The fees are payable quarterly and the number of shares of common stock issued to each director is determined by dividing the fees

payable for the quarter by the closing price of our common stock on the last business day of the applicable quarter.

At the meeting of the Board of Directors held on July 19, 2002, the directors unanimously expressed their willingness to accept a significant reduction in the amount of the share grants to be received under the 1998 Plan as compensation for service on the Board of Directors in an effort to provide us with their personal support, commitment and assistance at a pivotal time in our growth and development. In furtherance thereof during the July 19, 2002 meeting, the members of the Board of Directors collectively agreed to a 50% reduction in the amount of the share grant fee compensation payable to each director under the 1998 Plan for the third and fourth quarters of 2002. At the meeting of the Board of Directors on July 23, 2003, a resolution was unanimously adopted providing that unless, until, and only in the event that we return to profitability shall the directors' compensation be prospectively restored to the full amounts provided by the 1998 Plan as in effect prior to the directors' voluntary 50% reduction program in effect since July 19, 2002. Our Board of Directors has continued to honor this commitment in support of our future success.

Employment Agreements

Rajiv Mathur. Rajiv Mathur, our President and Chief Executive Officer, entered into a three year employment agreement with us on November 15, 2006. Mr. Mathur

commenced employment with us in January 2007, at an annual salary of \$292,000, with a minimum of a 3.5% increase in pay on each of January 1, 2008 and January 1, 2009. On February 10, 2008, our Compensation Committee approved an increase in the base salary of Mr. Mathur to \$302,220. Mr. Mathur's employment agreement automatically extends for additional one year periods unless a notice of non-renewal is sent by either party 180 days prior to the end of the term. Mr. Mathur is also entitled to a \$1,000 per month automobile allowance along with a reimbursement for maintenance expenses, insurance expenses, and gasoline and parking expense incurred in connection with the performance of business activities. Mr. Mathur is also entitled to an annual bonus for each of 2007, 2008, and 2009, provided that he is employed by us on December 31 of each respective year. His bonus will be based on one (1) or more of the following metrics for the respective fiscal year for which the bonus relates: (i) growth in our annual revenue; (ii) growth in our operating profit; and (iii) growth in our cash flow from continuing operations. See Cash Incentive Plan Arrangements below. Mr. Mathur also received a \$50,000 bonus in November 2007 for remaining employed by us on the date of payment as set forth in his employment agreement.

If Mr. Mathur's employment is terminated (i) as a result of Mr. Mathur's death or disability; (ii) without cause (as defined in the agreement), by non-renewal of the agreement by us at any time; or (iii) within six months after a change of control (as defined in the agreement) by Mr. Mathur, in each case he is to receive severance of one year's salary and continuation of health and dental benefits until the earlier of one year after termination or his coverage commencing under another employer's health plan. Pursuant to Mr. Mathur's employment agreement, Mr. Mathur was granted options to purchase 500,000 shares of common stock on January 1, 2007, with an exercise price based on the average closing price of our common stock during the 30 day period prior to January 1, 2007. Options with respect to 250,000 shares vested on the first anniversary of employment and options with respect to the other 250,000 shares vested on the second anniversary of employment. In February 2008, the Compensation Committee further awarded Mr. Mathur a stock option pursuant to our 1999 Stock Incentive Plan to purchase 500,000 shares of our common stock. The options have an exercise price equal to the closing price of our common stock on the date of grant and one-half vested on December 31, 2008 and the remaining one-half will vest on December 31, 2009. Pursuant to his employment agreement, we will be in breach of the agreement if Mr. Mathur is not nominated for election to our Board of Directors for each year that the agreement is still in effect.

Separation Agreement

Carlene Lloyd ceased serving as our Vice President of Finance effective October 3, 2008. We entered into a Separation Agreement with Ms. Lloyd dated September 16, 2008. Pursuant to the terms of the Separation Agreement we paid Ms. Lloyd severance in the amount of \$26,153.85, in the form of salary continuation for a 16 week period. In addition, we paid Ms. Lloyd additional severance in the amount of \$13,077 for performance of duties by Ms. Lloyd during the 8 week period following her separation date. We also agreed to provide Ms. Lloyd with continued participation in our medical insurance coverage plans and agreed to allow her to exercise her outstanding stock options for a period of 180 days following her termination date.

Cash Incentive Plan Arrangements

In February 2008, the Compensation Committee approved our 2008 Management Incentive Plan for our Chief Executive Officer and President, Executive Vice President and Vice President. The incentive bonuses for each of these individuals will be based in part on our performance as compared to budgeted results for net income or earnings per share and in part on annual performance reviews for such individuals. Our budgeted results involve confidential, strategic, commercial and financial information which, if disclosed, may result in competitive harm to us.

Participants will be eligible for an incentive bonus payout based upon our achievement of the following targets for either net income or earnings per share (the greater level of achievement to be utilized for determining the payout) as compared to budget results:

<u>Target</u>	<u>% Awarded of Total Eligible (the Target Payout)</u>
Less than 25% of budgeted results	0%
25% - 75% of budgeted results	20% or board's discretion
75% - 85% of budgeted results	50%
85% - 95% of budgeted results	80%
95% - 110% of budgeted results	100%
More than 110% of budgeted results	120%

If the plan participant is eligible for an incentive bonus payment pursuant to our achievement of certain net income or earnings per share thresholds, then the actual amount of payment under the plan will be based on an annual performance evaluation of the individual plan participant. The Target Payout (as set forth in the table above), if any, will be multiplied by a performance factor determined by the participants' individual performance review ratings as follows:

<u>Performance Rating</u>	<u>Award Factor</u>
Usually Exceeds	1.00
Fully Meets	.80

Edgar Filing: IGI INC - Form DEF 14A

Usually Meets	.50
Below	.00

The maximum performance bonus for our Chief Executive Officer and President and each of the our Executive Vice President and Vice President are 120% of salary earned in the applicable fiscal year and 36% of salary earned in the applicable fiscal year, respectively. Payments under the plan will be made in cash within 60 days after the first annual stockholder meeting following the applicable fiscal year with respect to which the incentive bonus is being paid and will be pro-rated for any partial year of service. Participants must be actively employed by us on the date incentive bonuses are to be paid in order to receive an award.

We do not intend to make any payments under this plan for 2008.

The Audit Committee pre-approves and reviews all audit services performed by our independent auditors as well as the fees charged by our independent auditors for such services. In its pre-approval and review of non-audit service fees, the Audit Committee considers, among other things, the possible effect of the performance of such services on the auditors' independence. Amper, Politziner & Mattia, LLP did not perform any non-audit services for us during fiscal years 2008 or 2007.

PROPOSAL NO. 2 - APPROVAL OF (i) THE ISSUANCE AND SALE OF OUR SERIES B-1 PREFERRED STOCK AND THE COMMON STOCK INTO WHICH IT CONVERTS AS PART OF A PRIVATE PLACEMENT THAT WILL RESULT IN THE INVESTORS OWNING APPROXIMATELY 49.5% OF OUR OUTSTANDING COMMON STOCK, ON AN AS-CONVERTED BASIS, (ii) THE CHANGE OF CONTROL THAT MAY RESULT FROM SUCH ISSUANCE AND THE ASSOCIATED RIGHTS OF THE HOLDERS OF THE SERIES B-1 PREFERRED STOCK AND (iii) THE ISSUANCE OF WARRANTS TO PURCHASE OUR COMMON STOCK TO OUR PLACEMENT AGENT IN THE PRIVATE PLACEMENT.

Introduction

Description of Private Placement. On March 13, 2009, we completed a private placement of Series B-1 Preferred Stock, secured convertible promissory notes, which we refer to in this proxy statement as the Notes, and warrants to purchase shares of Series B-2 Preferred Stock, which we refer to in this proxy statement as the Warrants (and together with the Series B-1 Preferred Stock and the Notes, the Securities), to certain investment funds affiliated with Signet Healthcare Partners, G.P., who we collectively refer to in this proxy statement as the Investors, for an aggregate purchase price of \$6,000,000, which we collectively refer to as the Private Placement. Rockport Venture Securities, LLC, which we refer to as Rockport in this proxy statement, acted as our placement agent in connection with the offering. We agreed to sell the Securities to the Investors pursuant to the terms of the securities purchase agreement, dated March 13, 2009, which we refer to as the Purchase Agreement, which is described in more detail below and which is attached as an annex to this proxy statement. Upon the consummation of the Private Placement, we issued 202.9 shares of Series B-1 Preferred Stock and Notes in the aggregate principal amount of \$4,782,600 to the Investors. Each share of Series B-1 Preferred Stock is convertible into 14,634 shares of our common stock, for an implied common stock conversion price of \$0.41 per share.

Upon stockholder approval of the Private Placement as set forth in this Proposal No. 2, the aggregate principal amount of the Notes will automatically convert into an aggregate of 797.1 shares of Series B-1 Preferred Stock and any accrued interest on the Notes will convert into additional shares of Series B-1 Preferred Stock. Upon conversion of the Notes, the Warrants will become null and void for all purposes. If the stockholder approval of the Private Placement is obtained as set forth in this Proposal No. 2, the shares of Series B-1 Preferred Stock issued to the Investors upon the consummation of the Private Placement together with the shares of Series B-1 Preferred Stock issued upon conversion of the Notes, which we refer to in this proxy statement as the Aggregate Series B-1 Preferred Shares, will be convertible into approximately 49.5% of our outstanding common stock. As a condition precedent to entering into the Stock Purchase Agreement, the Investors required Pinnacle Mountain Partners, LLC, a New Hampshire limited liability company, who we refer to as Pinnacle in this proxy statement, and a creditor of ours, to enter into the conversion agreement described in detail in Proposal No. 3 of this proxy statement. If stockholder approval for Proposal No. 3 is obtained, the outstanding principal amount due pursuant to the terms of the Pinnacle note will convert into 1,219,512 shares of common stock. Upon such conversion, the Aggregate Series B-1 Preferred Shares would be convertible into approximately 47.5% of our outstanding common stock.

Board Representation

Upon the consummation of the Private Placement, our Board of Directors appointed Joyce Erony, a managing director of Signet Healthcare Partners, to a newly created seat on the Board of Directors that may be designated by the holders of the Series B-1 Preferred Stock. In addition, upon approval of the Private Placement pursuant to this Proposal No. 2, we have agreed to appoint James C. Gale, a managing director of Signet Healthcare Partners, as an additional member of the Board of Directors to a board seat that will be newly created at such time and that may also be designated by the holders of the Series B-1 Preferred Stock.

NYSE Amex Stockholder Approval Requirement

Our common stock is listed on the NYSE Amex exchange and, as a result, we are subject to Section 713 of the NYSE Amex Company Guide which requires stockholder approval for issuances of securities that will (i) involve the issuance of common stock, or securities convertible into common stock, equal to 20% or more of presently outstanding stock of a company for less than the greater of book or market value of the stock and/or (ii) result in a change of control of the issuer. The closing price of our common stock on the trading date immediately prior to the consummation of the Private Placement was \$0.58. The implied common stock conversion price of the Series B-1 Preferred Stock sold in the Private Placement was \$0.41 per share and the amount of common stock that can be issued upon conversion of the Aggregate Series B-1 Preferred Shares equals more than 20% of the outstanding common stock immediately prior to the consummation of the Private Placement. As such, stockholder approval of the Private Placement is required by the NYSE Amex in order for the Notes to become convertible into Series B-1 Preferred Stock. In addition, the Aggregate Series B-1 Preferred Shares issued in the Private Placement together with the rights of the holders of the Series B-1 Preferred Stock, including the number of directors that may be elected by the holders of the Series B-1 Preferred Stock after stockholder approval is obtained, is such that the NYSE Amex will view the ability to convert the Notes into Series B-1 Preferred Stock and the ability to obtain the additional board seat as causing a change of control. For this reason, stockholder approval of the Private Placement is also required by the NYSE Amex in order for the Notes to become convertible into Series B-1 Preferred Stock and in order for the holders of the Series B-1 Preferred Stock to obtain the additional board seat.

Voting Agreements

In connection with the Private Placement, certain holders of our capital stock entered into a Voting Agreement with the Investors, pursuant to which these holders agreed to vote or execute and deliver a written consent in favor of approving the Private Placement and any matter that could reasonably be expected to facilitate the consummation of the Private Placement and against approval of any proposal made in opposition to or in competition with consummation of the Private Placement, or against our liquidation or winding up. In addition, these holders also agreed to vote or provide a written consent in favor of the Credit Agreement Conversion (as described in greater detail below) and against any proposal made in opposition to or in competition with the consummation of the conversion of the Pinnacle Loan. As part of the Voting Agreement, the holders provided the Investors with an irrevocable proxy to be used to vote on behalf of the holders in the event that any of the holders breaches, fails to fulfill or anticipatorily breaches his, her or its obligations under the Voting Agreement. The holders' obligation under the Voting Agreement shall terminate upon the earlier of the date and time that we receive stockholder approval of the Private Placement and July 31, 2009.

We received verbal confirmation from the NYSE Euronext that so long as Pinnacle Mountain Partners LLC remains a party to the Conversion Agreement, the vote of Pinnacle and its affiliates (including Jane Hager, a significant stockholder and a director of ours), as our stockholders, will not be considered for purposes of obtaining stockholder approval of the Private Placement in Proposal No. 2 or the Credit Agreement Conversion in Proposal No. 3. Pursuant to the Conversion Agreement, as a result of this verbal confirmation by the NYSE Euronext, we may unilaterally terminate the Conversion Agreement prior to receipt of stockholder approval without notice to Pinnacle and Pinnacle and its affiliates (including Mrs. Hager) will then be considered for determining whether the stockholder approval of the Private Placement was obtained. In addition, under the terms of the Purchase Agreement, we have agreed not to terminate the Conversion Agreement except upon the written request of the Investors and upon receipt of such written request, we will terminate the Conversion Agreement. In the event that the Conversion Agreement is terminated prior to receipt of stockholder approval of the Credit Agreement Conversion, it is currently expected that Proposal No. 3 would be withdrawn by the Board of Directors at the recommendation of management prior to the Annual Meeting.

As of the Record Date, the holders of our capital stock that entered into the Voting Agreement represent approximately 44.2% of the voting power of the outstanding shares of capital stock entitled to vote at the Annual Meeting with regard to Proposal No. 2 and Proposal No. 3, or who represent approximately 51.7% of the voting power of the outstanding shares of capital stock entitled to vote at the Annual Meeting with regard to Proposal No. 2 and Proposal No. 3 if the Conversion Agreement is terminated and Mrs. Hager and her affiliates are permitted pursuant to the rules of the NYSE Amex to vote with respect to such matters. Accordingly, if the Conversion Agreement is terminated and Mrs. Hager and her affiliates are permitted pursuant to the rules of the NYSE Amex to vote with respect to Proposal No. 2, then stockholder approval of Proposal No. 2 is expected to be assured.

The Voting Agreements are attached to this proxy statement as Annex A-1, A-2 and A-3. You should carefully read the full text of the Voting Agreements in their entirety.

If the stockholder approval is not obtained

If stockholder approval of the Private Placement is not obtained, the Notes will become due and payable and will accrue simple interest at the rate of five percent (5%) per annum. Further, if stockholder approval is not obtained, the Warrants will become exercisable for an aggregate of 797.1 shares of non-voting Series B-2 Preferred Stock for a term of four years commencing on July 31, 2009 at a price of \$6,000 per share.

Background and Reasons for the Private Placement

On May 6, 2008, we were notified by the NYSE Amex that we were below certain of the NYSE Amex continued listing standards. Specifically, we were required to reflect income from continuing operations and/or net income in one of our five most recent fiscal years and a minimum of \$6 million in stockholders' equity to remain listed on the exchange. We had net income from continuing operations in our 2002 fiscal year, but had net losses and losses from continuing operations in each of our 2003, 2004, 2005, 2006 and 2007 fiscal years. Our stockholders' equity at September 30, 2008 was \$3.4 million. On July 15, 2008, the exchange notified us that it had accepted our plan of compliance and granted us an extension until May 6, 2009 to regain compliance with the continued listing standards described above. Failure to make progress consistent with the plan or to regain compliance with the continued listing standards by the end of the extension period could result in our being delisted from the NYSE Amex.

During the second half of 2008, as losses from operations continued and our cash reserves diminished, our senior management and our Board of Directors recognized the need to obtain additional capital in order to fund the operation and growth of our business, as well as to increase our stockholders' equity in order to maintain the listing of our common stock on the NYSE Amex. We reported in our Form 10-Q for the period ended September 30, 2008 that operating cash flow along with our existing capital resources would not be sufficient to support our current business plan through November 2009 and that we would require additional funding. We further indicated that, while such financing could be in the form of an issuance of equity, strategic alliances with third parties or debt financing, no assurance could be made that such financing would be available.

On March 13, 2009, we consummated the Private Placement. After expenses and fees, proceeds to us from the Private Placement will contribute approximately \$5.4 million towards our working capital. As of March 31, 2009, our pro forma stockholders' equity, assuming the conversion of the Notes, was approximately \$8.0 million, which will put us back in compliance with the NYSE Amex listing requirements.

Our senior management evaluated and analyzed potential sources for capital, including traditional debt financing, the sale of equity securities to investors identified by an investment bank and the sale of equity securities to investors without the use of an investment bank. This evaluation included contacting three investment banks (including Rockport), seven potential lenders and, through the investment banks, fourteen investment funds (including the Investors) to assess their level of interest in participating in a financing and the possible terms of such a financing. In addition, our senior management or board members contacted an additional ten individuals or entities without the use of an investment bank. Based upon results of this evaluation and extensive discussions, our Board of Directors authorized our senior management to pursue a financing with the Investors in the aggregate amount of \$6 million. While several options were explored, none were able to provide the value to our stockholders as afforded by the Private Placement. The Board of Directors engaged in discussions and consulted with its advisors and legal counsel regarding the Private Placement. In conducting its evaluation of the Private Placement, the Board of Directors considered a variety of factors, including our financial resources and obligations and the capital needed to achieve our strategic objectives and maintain our listing on the NYSE Amex. After careful consideration, the Board of Directors determined that the Private Placement is fair, advisable and in the best interests of our stockholders.

As discussed above, we engaged Rockport as our placement agent in connection with the transaction. While Rockport provided financial guidance to us and the Board of Directors, it did not provide a fairness opinion. For its services as a placement agent, Rockport received a cash fee of \$350,000 and the Rockport Warrant (as defined below).

Dilution

If the Private Placement is approved, we will issue 797.1 shares of our Series B-1 Preferred Stock which, together with the 202.9 shares of Series B-1 Preferred Stock issued upon the closing of the Private Placement, are initially convertible into 14,634,000 shares of our common stock, which will represent approximately 49.5% of our outstanding common stock (assuming no other issuances, conversions or exercises of outstanding securities into shares of our common stock). In addition, and as described below under Terms of the Series B-1 and

Series B-2 Preferred Stock Voting Rights, the holders of the Series B-1 Preferred Stock are entitled to vote on an as converted basis together with the holders of common stock, voting together as a single class. Because the holders of the Series B-1 Preferred Stock will own a significant percentage of our voting power, they may have considerable influence in determining the outcome of any corporate transaction or other matter submitted to our stockholders for approval, including the election of directors and approval of mergers, consolidations and the sale of all or substantially all of our assets. As a result, upon approval of the Private Placement, our existing stockholders will incur substantial dilution to their voting and economic interests and will own a smaller percentage of our outstanding common stock.

The following is a summary of the material provisions of the agreements executed by us in connection with the Private Placement, including, but not limited to, the Securities Purchase Agreement, the Notes and the Warrants. These summaries are not complete and are qualified in their entirety by reference to the full text of such documents.

Securities Purchase Agreement

General

As described above, the Securities Purchase Agreement provided for the issuance and sale to the Investors of an aggregate of 202.9 shares of Series B-1 Preferred Stock, the Notes, and the Warrants to purchase 797.1 shares of Series B-2 Preferred Stock for an aggregate purchase price of approximately \$6,000,000. The following discussion of the Securities Purchase Agreement provides only a summary of the material terms and conditions of the Securities Purchase Agreement. For a more complete understanding of the Securities Purchase Agreement, you should carefully read the full text of the Securities Purchase Agreement in its entirety which is attached to this proxy statement as Annex B.

Representations & Warranties

The Securities Purchase Agreement contains representations and warranties made by us to the Investors regarding aspects of our business, financial condition, subsidiaries and structure, as well as other facts pertinent to the Private Placement. The Securities Purchase Agreement also contains representations and warranties made by the Investors to us regarding facts pertinent to its investment in the Private Placement. The assertions embodied in the representations and warranties made by us to the Investors in the Securities Purchase Agreement are qualified by information in a confidential disclosure schedule provided by us to the Investors in connection with the signing of the Securities Purchase Agreement. This disclosure schedule contains information that modifies, qualifies, and creates exceptions to the representations and warranties set forth in the Securities Purchase Agreement. Moreover, certain representations and warranties in the Securities Purchase Agreement were used for the purpose of allocating risk between us and the

Investors rather than establishing matters as facts. In addition, information concerning the subject matter of these representations and warranties may have changed since the execution of the Securities Purchase Agreement. Accordingly, stockholders should not rely on the representations and warranties in the Securities Purchase Agreement as characterizations of the actual state of facts about us or the Investors.

Covenants

Until July 31, 2009, we have agreed with the Investors that we will:

preserve and maintain in full force and effect our existence and good standing under the laws of our jurisdiction of formation or organization;

preserve and maintain in full force and effect all material rights, privileges, qualifications, applications, licenses and franchises necessary in the normal conduct of our business;

conduct our business in the ordinary course in accordance with sound business practices and keep our properties in good working order and condition (normal wear and tear excepted);

take all reasonable actions to protect and maintain our intellectual property, including, without limitation, prosecuting all pending applications for patents or registration of trademarks and copyrights and maintaining, to the extent permitted by law, each patent or registration owned by us;

comply in all material respects with all applicable laws, rules and regulations and with the directions of any governmental authority having jurisdiction over us or our business or property; and

file or cause to be filed in a timely manner all reports, applications, estimates and licenses that shall be required by a governmental authority.

In addition, we have agreed to reserve for issuance, the maximum number of shares of Series B-1 Preferred Stock and our common stock that may be issuable upon conversion of the Notes and conversion of the Series B-1 Preferred Stock and we have agreed to reserve for issuance shares of our Series B-2 Preferred Stock for issuance upon exercise of the Warrants. We have also agreed not to effect a public offering of our equity securities or to register any shares of our equity securities, subject to limited exceptions, until the registration statement we are required to prepare under the terms of the Registration Rights Agreement, is declared effective by the SEC. We have agreed to file our SEC filings in a timely manner and to use our commercially reasonable efforts to comply with the SEC's rules regarding our eligibility to use Form S-3 for the resale of the shares of our common stock issued in connection with the Private Placement. We have agreed to promptly prepare and file a proxy statement with the SEC and, through our Board of Directors, to duly call, give notice of, convene and hold a meeting of our stockholders for the purpose of obtaining the stockholder approvals necessary to approve the Private Placement. We have also agreed not to terminate the Conversion Agreement (described below) unless requested in writing by the Investors, and if so requested, to immediately terminate the Conversion Agreement.

Terms of the Series B-1 and B-2 Preferred Stock

General

The following discussion of the Series B-1 Preferred Stock and the Series B-2 Preferred Stock, which we collectively refer to as the Series B Preferred Stock, provides only a summary of the material terms and conditions of the Series B Preferred Stock. For a more complete understanding of the Series B Preferred Stock, we urge you to review the Certificate of Designation attached to this proxy statement as Annex C.

Dividends

From and after the date of the issuance of shares of Series B Preferred Stock, the holders of the Series B Preferred Stock shall be entitled to receive, out of funds legally available therefor, when and if declared by the Board of Directors, quarterly dividends at the annual rate of five percent (5%) of the original issue price, which equals \$6,000 per share, on each outstanding share of Series B Preferred Stock, subject to appropriate adjustment to reflect any stock split, stock dividend, reverse stock split or similar corporate event affecting the Series B Preferred Stock. The Series B Preferred Stock dividends shall accrue from day to day, whether or not earned or declared, commencing on the last day of the calendar quarter in which they would otherwise be declared; provided however, that except in the case of a liquidation or conversion, each as described below, we are under no obligation to pay such dividends unless so declared by the Board of Directors.

Preferred Stock Conversion Rights

Subject to the conversion and voting limitations described below, each share of Series B-1 Preferred Stock may be converted at any time at the option of the holder into shares of our common stock at a rate equal to 14,634 shares of common stock, subject to certain adjustments, per share, plus such number of shares of common stock equal to the then accrued and unpaid dividends on such share of Series B-1 Preferred Stock divided by \$0.41, which we refer to as the Conversion Rate in this proxy statement. In addition, the Series B-1 Preferred Stock is subject to mandatory conversion at the Conversion Rate on the earlier of the date that (i) the closing price of the common stock exceeds \$1.20 for a period of twenty-five (25) consecutive trading days preceding such date and (ii) as determined by the vote of a majority of the holders of the Series B-1 Preferred Stock.

The Series B-2 Preferred Stock shall not be entitled to conversion rights.

Voting Rights

As long as any shares of Series B-1 Preferred Stock are outstanding, without the affirmative vote or consent of the holders of at least a majority of the shares of Series B-1 Preferred Stock, voting separately as a class, we shall not:

authorize, create, or issue any class or series of capital stock ranking, either as to payment of dividends, distributions of assets upon liquidation or otherwise, or redemptions, prior to or on parity with the Series B-1 Preferred Stock or the Series B-2 Preferred Stock; and

authorize any redemptions or repurchases of common stock, or repurchase or redeem any common stock, except in limited circumstances, for repurchases or redemptions of common stock from employees upon their termination of employment with us.

In addition to the class voting rights described above, the Series B-1 Preferred Stock shall be entitled to vote, on an as-converted basis (subject to the voting and conversion limitations described below), together as a single class, with the holders of the common stock and all other series and classes of stock permitted to vote with common stock on all matters submitted to a vote of holders of common stock, except with respect to matters in respect of which one or more other classes of common stock is entitled to vote as a separate class under the Delaware General Corporation Law or the provisions of our certificate of incorporation. The common stock into which the Series B-1 Preferred Stock is convertible shall, upon issuance, have all of the same voting rights as our other issued and outstanding common stock.

The Series B-2 Preferred Stock shall have no voting rights, except as otherwise required by law.

Board Representation

For so long as any shares of Series B-1 Preferred Stock remain outstanding, the holders of the Series B-1 Preferred Stock, voting separately as one class, shall be entitled to elect one (1) member of the Board of Directors; provided, however, that after the stockholder approval of the Private Placement is obtained, the holders of Series B-1 Preferred Stock voting separately as one class, shall be entitled to elect two (2) members of the Board of Directors. A vacancy in any directorship elected by the holders of the Series B-1 Preferred Stock shall be filled only by vote or written consent of the holders of the Series B-1 Preferred Stock, consenting or voting, as the case may be, separately as one class.

Conversion and Voting Limitations

Until such time as we obtain stockholder approval of the Private Placement, the holders of the Notes will not be entitled to convert the Notes into shares of Series B-1 Preferred Stock, other than in the event of a liquidation event (as described below) on or before the maturity date of the Notes and prior to receipt of stockholder approval, the holders of shares of Series B-1 Preferred Stock shall not be permitted to convert their shares of Series B-1 Preferred Stock into, in the aggregate, common stock in excess of 19.9% of the outstanding shares of common stock outstanding immediately prior to the issuance of the Series B-1 Preferred Stock, which we refer to as the Issuance Cap in this proxy statement. The number of shares of common stock that may be acquired by all holders of Series B-1 Preferred

Stock upon conversion of their shares of Series B-1 Preferred Stock, and the number of shares of Series B-1 Preferred Stock that shall be entitled to class voting rights shall be limited, on a pro rata basis, to the extent necessary to ensure that, following such conversion (or deemed conversion for voting purposes), the number of shares of common stock issuable upon the conversion (or deemed conversion for voting purposes) of all shares of Series B-1 Preferred Stock does not exceed the Issuance Cap.

Liquidation or Change in Control

Upon a Liquidation Event (as defined below), the holders of the shares of Series B Preferred Stock then outstanding shall be paid out of our assets available for distribution to stockholders, an amount equal to the greater of (i) \$6,000 per share (subject to appropriate adjustment to reflect any stock split, stock dividend, reverse stock split or similar corporate event affecting the Series B Preferred Stock) plus any accrued but unpaid dividends, whether or not declared, and any other declared but unpaid dividends and (ii) such amount per share of Series B Preferred Stock as would have been payable had each share been converted to common stock pursuant immediately prior to the Liquidation Event, before any payment shall be made to the holders of common stock or any other junior stock but after any payment has been made to the holders of Series A Preferred Stock or any other senior stock. If upon any Liquidation Event, the assets to be distributed to the holders of the Series B Preferred Stock shall be insufficient to permit payment to such stockholders of the full preferential amounts aforesaid, then all of our assets available for distribution to holders of the Series B Preferred Stock shall be distributed to such holders of the Series B Preferred Stock pro rata, in proportion to the full respective distributable amounts to which they are entitled. For purposes of distributions in connection with a Liquidation Event, the Series B-2 Preferred Stock shall be deemed to convert into common stock on the same terms as the Series B-1 Preferred Stock (including giving effect to any adjustment that would have been applied to the Series B-1 Preferred Stock). A Liquidation Event means the liquidation, dissolution or winding up of our affairs, whether voluntary or involuntary. In addition, a consolidation or merger of us with or into any other corporation or corporations, or a sale of all or substantially all of our assets, or the effectuation by us of a transaction or series of transactions in which more than 50% of our voting shares are disposed of or conveyed, shall be deemed to be a Liquidation Event.

Absence of Market for Preferred Stock

There is no established trading market for our Series A Preferred Stock or Series B Preferred Stock. We do not currently intend to list the Series A Preferred Stock or Series B Preferred Stock on a national securities exchange or qualify the preferred stock for quotation on a stock exchange.

Secured Convertible Promissory Notes due July 31, 2009

The 5% secured convertible promissory notes due July 31, 2009 have an aggregate principal amount of \$4,782,600, and, upon the occurrence of certain events, as described below, are convertible into shares of our Series B-1 Preferred Stock at a conversion price of \$6,000 per share. The Notes mature on July 31, 2009 and bear simple interest at the rate of 5% per annum until the principal is paid or the notes are converted. Interest is payable on the maturity date of the notes unless the interest is converted into shares of Series B-1 Preferred Stock.

Our performance under the Notes is secured by substantially all of our assets pursuant to the terms of a security agreement with the Investors and an intellectual property Security Agreement between us, Immunogenetics, Inc., a wholly-owned subsidiary of ours and the Investors, both of which are dated March 13, 2009. In addition, Immunogenetics entered into a Guaranty Agreement with the Investors, dated March 13, 2009, pursuant to which it agreed to guaranty our obligations under the Notes.

The Notes, and any accrued but unpaid interest, automatically convert, without any further action on the part of the holders of the Notes, into shares of Series B-1 Preferred Stock on the date that stockholder approval of the Private Placement becomes effective.

Assuming the Notes have not already converted as a result of stockholder approval of the Private Placement, the Notes, and any accrued but unpaid interest, will also convert if, prior to the maturity date of the Notes, there occurs a liquidation, dissolution or winding up of our affairs, whether voluntary or involuntary, or a consolidation or merger of us with or into any other corporation or corporations, or a sale of all or substantially all of our assets, or the effectuation by us of a transaction or series of transactions in which more than 50% of our voting shares are disposed of or conveyed.

In the event of a reorganization, recapitalization, reclassification or similar event involving us, in which the Series B-1 Preferred Stock is reclassified as, converted into or exchanged for new or different securities, then following such event, the Notes will become convertible into such successor securities.

Upon an event of default, the holders may accelerate the maturity of the Notes and all principal and unpaid accrued interest will become due and payable.

Events of default under the Notes include, among others, our failure to pay the principal and interest on the Notes when due and such default is not cured within 5 business days of receiving notices of such failure to pay; we fail to perform any covenant under the Notes or fail to comply with our obligations to seek stockholder approval of the Private Placement as required under the terms of the Purchase Agreement in a timely manner; any of our representations or warranties made in the Notes were inaccurate in any material respect when made; certain bankruptcy-type events involving us; default by us or any subsidiary of ours of any indebtedness in excess of \$100,000 or in the performance of or compliance with the terms of such indebtedness which causes such indebtedness to become due and payable prior to its stated maturity date.

In connection with the Private Placement and the issuance of the Notes, we entered into an intercreditor agreement, dated March 13, 2009, which we refer to in this proxy statement as the Intercreditor Agreement, with the Investors and Pinnacle. Pursuant to the terms of the Intercreditor Agreement, the Investors and Pinnacle agreed, among other things, that the Pinnacle debt and the amounts payable under the Notes would be pari passu in right to the payment, priority, collection and enforcement. In addition, the parties agreed that all liens securing the Pinnacle debt and all liens securing the Notes would be pari passu and that any proceeds of collateral received by either Pinnacle or the Investors would be applied ratably to repay the Pinnacle debt and the Notes. In addition, the parties agreed that the Investors would be permitted to foreclose or otherwise realize upon the collateral in the event of a default under the Notes without the need to seek any consent or approval from Pinnacle.

The Form of Notes are attached to this proxy statement as Annex D. You should carefully read the full text of the Form of Notes in its entirety.

Warrants

We issued in the Private Placement warrants to purchase an aggregate of 797.1 shares of our Series B-2 Preferred Stock at an exercise price of \$6,000 per share, which we refer to in the proxy statement as the Warrants. The Warrants may also be exercised by means of a cashless exercise. The Warrants have a four-year term beginning on July 31, 2009 (the scheduled maturity date of the Notes). The exercise price and the number of shares underlying the Warrants are subject to adjustment for stock dividends and splits, combinations, and reclassifications, reorganizations and consolidations. The Warrants terminate in the event that the Notes are converted into shares of Series B-1 Preferred Stock.

We also issued to Rockport Venture Securities, LLC, our placement agent in the Private Placement, warrants to purchase 350,000 shares of our common stock at an exercise price of \$0.41 per share, which we refer to in this proxy statement as the Rockport Warrant. The Rockport Warrant has a three-year term. Until stockholder approval of the Private Placement, the Rockport Warrant may only be exercised for 88,550 shares of our common stock. Following receipt of stockholder approval of the Private Placement, the Rockport Warrant may be exercised in full.

The Form of Warrants is attached to this proxy statement as Annex E and the Rockport Warrant is attached to this proxy statement as Annex F. You should carefully read the full text of the Form of Warrants and Rockport Warrant in its entirety.

Registration Rights Agreement

We, the Investors and Rockport also entered into a registration rights agreement pursuant to which we agreed to file an initial registration statement with the Securities and Exchange Commission on or prior to December 13, 2009 and to use our best efforts to have such registration statement declared effective by the Commission by March 13, 2010. If such registration statement is not timely filed or declared effective, we are required to pay the Investors a cash fee of \$15,000 per month and to pay Rockport a cash fee of \$360 per month until the default is cured or until those shares are no longer subject to the terms of the registration rights agreement.

Director Indemnification Agreements

In connection with the appointment of Ms. Erony to the Board of Directors, we entered into an indemnification agreement with Ms. Erony, pursuant to which we agreed, among other things, to indemnify Ms. Erony, to the extent

permitted by Delaware law, against all expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by her in connection with any suit in which she is a party or otherwise involved as a result of her service as a member of the Board of Directors. Under the terms of the indemnification agreement, we also agreed, subject to certain conditions, to advance expenses from time to time, whether prior to or after final disposition of any proceedings as described in the indemnification agreement. In addition, we agreed that our indemnification obligations to Ms. Erony arising under the indemnification agreement shall be primary to any other indemnification that Ms. Erony is entitled to receive from any third party. In addition, in connection with the Private Placement, we entered into indemnification agreements with each of Rajiv Mathur, Jane E. Hager, Stephen J.

Morris and Terrence O Donnell as our directors. The indemnification agreements entered into with our existing directors are substantially similar to Ms. Erony's indemnification agreement, except that the indemnification agreements entered into with our existing directors do not provide that their indemnification agreements are primary to other indemnification arrangements with third parties.

Required Vote

The affirmative vote of a majority of the votes cast is required to approve the Private Placement.

Holders of our common stock and Series A Preferred Stock will vote together as a single class and, in the case of the Series A Preferred Stock, on an as-converted basis to approve the Private Placement set forth in this Proposal No. 2. Holders of our Series B-1 Preferred Stock will not vote to approve Proposal No. 2 and their shares will not be counted in determining the number of votes cast with respect to such proposal. In addition, so long as Pinnacle Mountain Partners LLC remains a party to the Conversion Agreement, the vote of Pinnacle and its affiliates (including Mrs. Hager), as our stockholders, will not be considered for purposes of obtaining stockholder approval of Proposal No. 2 and their shares will not be counted in determining the number of votes cast with respect to such proposal. Pursuant to the Conversion Agreement, we may unilaterally terminate the Conversion Agreement prior to receipt of stockholder approval without notice to Pinnacle and Pinnacle and its affiliates (including Mrs. Hager) will then be considered for determining whether the stockholder approval of the Private Placement as set forth in this Proposal No. 2 was obtained. Accordingly, if the Conversion Agreement is terminated and Mrs. Hager and her affiliates are permitted pursuant to the rules of the NYSE Amex to vote with respect to Proposal No. 2, then stockholder approval of Proposal No. 2 is expected to be assured. See Introduction Voting Agreement above.

Board Recommendation

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF (i) THE ISSUANCE AND SALE OF OUR SERIES B-1 PREFERRED STOCK AND THE COMMON STOCK INTO WHICH IT CONVERTS AS PART OF A PRIVATE PLACEMENT THAT WILL RESULT IN THE INVESTORS OWNING APPROXIMATELY 49.5% OF OUR OUTSTANDING COMMON STOCK, ON AN AS-CONVERTED BASIS, (ii) THE CHANGE OF CONTROL THAT MAY RESULT FROM SUCH ISSUANCE AND THE ASSOCIATED RIGHTS OF THE HOLDERS OF THE SERIES B-1 PREFERRED STOCK AND (iii) THE ISSUANCE OF WARRANTS TO PURCHASE OUR COMMON STOCK TO OUR PLACEMENT AGENT IN THE PRIVATE PLACEMENT.

PROPOSAL NO. 3 - APPROVAL OF THE ISSUANCE BY US OF SHARES OF OUR COMMON STOCK UPON THE CONVERSION OF THE PRINCIPAL AMOUNT OF THE \$500,000 SECURED LINE OF CREDIT AGREEMENT WITH PINNACLE MOUNTAIN PARTNERS, LLC, A COMPANY OWNED BY DR. EDWARD AND JANE HAGER, SIGNIFICANT STOCKHOLDERS OF OURS, AND IN THE CASE OF MRS. HAGER, A DIRECTOR OF OURS, AT A CONVERSION RATE OF \$0.41 PER SHARE.

Background

We are a party to a Loan and Security Agreement originally entered into by and between us and Pinnacle Mountain Partners, LLC, which we refer to as Pinnacle, a company owned by Dr. and Mrs. Hager, significant stockholders of ours, and in the case of Mrs. Hager, a director of ours, dated as of January 29, 2007, as subsequently amended on July 29, 2008 and January 26, 2009. In this proxy statement we refer to the Loan and Security Agreement as the Loan Agreement. Amounts payable under the Loan Agreement are evidenced by a revolving note, which we refer to as the Pinnacle Note. Prior to the consummation of the Private Investment, the Loan Agreement had a maturity date of July 31, 2009 and bore interest at a rate of 8.5% per annum.

As a condition to proceeding with the Private Placement, the Investors required that Pinnacle and us amend the terms of the Loan Agreement, which we refer to as the Third Amendment to the Loan Agreement. Pursuant to the Third Amendment to the Loan Agreement, the parties agreed to change the final payment date of the amounts borrowed pursuant to the Loan Agreement from July 31, 2009 to instead provide that 50% of the amount of all loans and advances made by Pinnacle pursuant to the Loan Agreement will become due and payable on July 31, 2010 and the remaining outstanding loans and advances, together with interest thereon, will become due and payable on July 31, 2011. In connection with the Third Amendment to the Loan Agreement, we and Pinnacle amended and restated the Pinnacle Note to incorporate the new repayment and maturity terms.

Intercreditor Agreement

As described in greater detail in Proposal No. 2 Notes above, in connection with the Private Placement, and the issuance of the Notes, the Investors required Pinnacle to enter into an Intercreditor Agreement by which Pinnacle agreed, among other things, that the Pinnacle debt and the Investors debt would be pari passu in right to the payment, priority, collection and enforcement.

Conversion Agreement

In addition, and as a further condition to proceeding with the Private Placement, the Investors also required Pinnacle and us to enter into a conversion agreement, dated March 13, 2009, which we refer to as the Conversion Agreement. Under the terms of the Conversion Agreement, Pinnacle agreed to convert the principal amount of the Note into shares of our common stock, at a conversion rate of \$0.41 per share in full satisfaction of the amounts otherwise payable by us under the Pinnacle Note, which we refer to as the Credit Agreement Conversion, upon receipt of stockholder approval of the Credit Agreement Conversion.

On March 13, 2009, we received verbal confirmation from the NYSE Euronext that so long as Pinnacle remains a party to the Conversion Agreement, the vote of Pinnacle and its affiliates (including Mrs. Hager), as our stockholders, will not be considered for purposes of obtaining stockholder approval of the Private Placement in Proposal No. 2. Pursuant to the Conversion Agreement, as a result of this verbal confirmation by the NYSE Euronext, we may unilaterally terminate the Conversion Agreement prior to receipt of the stockholder approval without notice to Pinnacle, in which case the Pinnacle Note shall remain outstanding and the vote of Pinnacle and its affiliates (including Mrs. Hager) will be considered for determining whether the stockholder approval of the Private Placement was obtained. In addition, under the terms of the Purchase Agreement, which is described in greater detail in Proposal No. 2 above, we have agreed not to terminate the Conversion Agreement except upon the written request of the Investors and upon receipt of such written request, we will terminate the Note Conversion Agreement. In the event that the Conversion Agreement is terminated prior to receipt of stockholder approval of the Credit Agreement Conversion, it is currently expected that this Proposal No. 3 would be withdrawn by the Board at the recommendation of management prior to the Annual Meeting.

Voting Agreement

At the time we entered into the Purchase Agreement, certain holders of our common stock entered into the Voting Agreement. For a discussion of the terms of the Voting Agreement, see Proposal No. 2 Introduction Voting Agreement above.

NYSE Amex Stockholder Approval Requirement

Our common stock is listed on the NYSE Amex exchange and, as a result, we are subject to Section 711 and Section 713 of the NYSE Amex Company Guide. Section 711 of the NYSE Amex Company Guide requires stockholder approval for the establishment of an equity compensation arrangement pursuant to which stock may be acquired by a director of an issuer. Section 713 of the NYSE Amex Company Guide requires stockholder approval of the issuance of securities in a transaction that will involve the issuance of common stock, or securities convertible into common stock, equal to 20% or more of presently outstanding stock of a company for less than the greater of book or market value of the stock. Pursuant to the Conversion Agreement, upon stockholder approval, the Pinnacle Note will be convertible into shares of our common stock at a conversion rate of \$0.41 per share in full satisfaction of the amounts otherwise payable by us under the Pinnacle Note. The closing price of our common stock on the trading date immediately prior to the consummation of the Private Placement was \$0.58. In addition, Mrs. Hager, a director of ours, is an affiliate of Pinnacle. For the above reasons, stockholder approval pursuant to Section 711 of the NYSE Amex Company Guide of the Credit Agreement Conversion is required in order for the principal amount of the Pinnacle Note to convert into shares of our common stock at a conversion rate of \$0.41 per share in full satisfaction of the amounts otherwise payable by us under the Pinnacle Note. Further, as explained above in Proposal No. 2 NYSE Amex Stockholder Approval Requirements, stockholder approval is required by the NYSE Amex for certain transactions to be effected pursuant to the Private Placement. The Conversion Agreement was negotiated in connection with the Private Placement and may be deemed part of that transaction requiring stockholder approval in

order for the Credit Agreement Conversion to be consummated. For the above reasons, stockholder approval is also required pursuant to Section 713 of the NYSE Amex Company Guide of the Credit Agreement Conversion in order for the principal amount of the Pinnacle Note to convert into shares of our common stock at a conversion rate of \$0.41 per share in full satisfaction of the amounts otherwise payable by us under the Pinnacle Note.

Required Vote

The affirmative vote of a majority of the votes cast is required to approve the Credit Agreement Conversion.

Holders of our common stock and Series A Preferred Stock will vote together as a single class and, in the case of the Series A Preferred Stock, on an as-converted basis to approve the Credit Agreement Conversion set forth in this Proposal No. 3. Holders of our Series B-1 Preferred Stock will not vote to approve Proposal No. 3 and their shares will not be counted in determining the number of votes cast with respect to such proposal. In addition, so long as Pinnacle Mountain Partners LLC remains a party to the Conversion Agreement, the vote of Pinnacle and its affiliates (including Mrs. Hager), as our stockholders, will not be considered for purposes of obtaining stockholder approval of Proposal No. 3 and their shares will not be counted in determining the number of votes cast with respect to such proposal. Pursuant to the Conversion Agreement, we may unilaterally terminate the Conversion Agreement prior to receipt of stockholder approval without notice to Pinnacle. In the event that the Conversion Agreement is terminated prior to receipt of stockholder approval of the Credit Agreement Conversion, it is currently expected that Proposal No. 3 would be withdrawn by the Board of Directors at the recommendation of management prior to the Annual Meeting. See Voting Agreement above.

Board Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF THE ISSUANCE BY US OF SHARES OF OUR COMMON STOCK UPON THE CONVERSION OF THE PRINCIPAL AMOUNT OF THE \$500,000 SECURED LINE OF CREDIT AGREEMENT WITH PINNACLE MOUNTAIN PARTNERS, LLC, A COMPANY OWNED BY DR. AND MRS. HAGER, SIGNIFICANT STOCKHOLDERS OF OURS, AND IN THE CASE OF MRS. HAGER, A DIRECTOR OF OURS, AT A CONVERSION RATE OF \$0.41 PER SHARE.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Other than compensation agreements and other arrangements which are described in the Director Compensation and Executive Compensation sections of this proxy statement and the transactions described below, during our last two fiscal years, there has not been, and there is not currently proposed, any transaction or series of similar transactions to which we were or will be a party in which the amount involved exceeded or will exceed one percent of the average of our total assets at year-end for the last two completed fiscal years and in which any of our directors, nominees for director, executive officers, holders of more than five percent of any class of our voting securities or any member of the immediate family of the foregoing persons had or will have a direct or indirect material interest.

Universal Chemical Technologies, Inc.

In February 2004, we signed a license agreement with Universal Chemical Technologies, Inc. (UCT) to utilize its patented technology for an electroless nickel boride metal finishing process. This was a new venture for us and we had capital expenditures of approximately \$913,000 spread over 2004 and 2005 (approximately \$131,000 in 2005) in order to set up the operations. We had an exclusive license within a 150 mile radius of its facility for commercial and military applications. In the start of the second quarter of 2005, we began production in its metal finishing division, utilizing the patented UltraCem technology. However, we had been informed by potential new customers of the consumer division, that those customers were not comfortable with the metal finishing division being housed in the same facility as our consumer products division. In light of this information, we ceased operations under this venture. Frank Gerardi, our former Chairman and Chief Executive Officer, as well a holder of more than 5% of our common stock, personally invested \$350,000 in UCT, which represents less than a 1% ownership interest in UCT. We have written down the value of the assets that we own relating to this business to \$350,000 for the year ended December 31, 2006. We currently do not conduct any business under this arrangement. In the second quarter of 2007, UCT re-purchased the plating equipment from us for a purchase price of \$378,000.

Related Party Transactions with Univest Management EPSP

Promissory Note in Favor of Univest

On December 12, 2005, we issued a secured promissory note in favor of Univest Management EPSP, c/o Frank Gerardi, Trustee, or its registered assigns, in the principal amount of \$1,000,000. Mr. Gerardi is the trustee and controls Univest. Mr. Gerardi has previously served as our Chief Executive Officer from September 2003 to December 31, 2006 and was a member of our Board of Directors from 2002 until May 2007. In addition, Mr. Gerardi beneficially owns more than 5% of our common stock. The promissory note was originally payable on or before the

earlier to occur of (i) the closing of the conveyance by us of our real property, identified as Lots 22.02 and 23 on the Tax Map of Buena Vista Township, Atlantic County, New Jersey; or (ii) July 31, 2006. The promissory note was secured by a mortgage covering Lots 22.02 and 23. On January 30, 2006, we entered into a letter agreement with Univest pursuant to which the stated interest rate on the secured promissory note, dated December 12, 2005, in favor of Univest, was revised from 30% per annum to 12% per annum as of February 1, 2006. On July 21, 2006, the maturity date of the loan was extended until the earlier to occur of (i) September 30, 2006; or (ii) the closing of the real property conveyance. On October 4, 2006, the maturity

date was further extended to December 31, 2006, and the stated interest rate was reduced to 10% effective October 1, 2006. On December 29, 2006, the maturity date was further extended to January 31, 2007. On January 31, 2007, the maturity date was further extended to February 28, 2007. On March 1, 2007 the maturity date was further extended to March 31, 2007. The note was repaid in full on March 8, 2007.

Univest Subscription Agreement

On December 10, 2007, we and Univest Management, Inc. EPSP, an entity controlled by Frank Gerardi, our former Chief Executive Officer and Chairman of the Board of Directors and a beneficial owner of over 5% of our common stock, entered into a subscription agreement pursuant to which we issued to Univest 150,000 shares of common stock and a warrant to purchase 52,500 shares of common stock at an exercise price of \$1.25 per share, expiring two years from issuance, for aggregate consideration of \$150,000. The closing of the transaction occurred on December 31, 2007.

Related Party Transactions with Pharmachem Laboratories, Inc.

Pharmachem Line of Credit

On December 6, 2006, we entered into a \$1,000,000 line of credit with Pharmachem Laboratories, Inc., a holder of more than 5% of our outstanding common stock, with interest accruing on outstanding amounts due under such line of credit at a rate of prime plus 1.5%. Amounts due under this line of credit are secured by all of our assets with the exception of any real property owned by us. All accrued and unpaid interest due under this line of credit is payable monthly on the first day of each month. The line of credit expired on December 5, 2007. On January 29, 2007, the line of credit was repaid in full and terminated.

Pharmachem Subscription Agreement

On February 6, 2007 we entered into a subscription agreement with Pharmachem whereby Pharmachem agreed to purchase 1,500,000 shares of our common stock in exchange for gross proceeds of \$1,500,000. This transaction closed on March 7, 2007.

Pharmachem Sublicense Agreement

On August 21, 2007, we executed an agreement with Pharmachem pursuant to which we agreed to exclusively manufacture for Pharmachem and supply to Pharmachem certain ingredients and finished products intended for use in cosmetic and topical skin care applications, developed and manufactured by us using the Novasome® technology. Under the agreement, we granted Pharmachem the exclusive right to market, sell and promote these products with the Novasome® trademark through the direct sales and direct marketing channels in the United States, and such other regions as we and Pharmachem may further agree. Pharmachem has a minimum annual purchase requirement for such exclusivity inclusive of specified minimum monthly amounts for product development. In the event Pharmachem is unable to meet the minimum annual purchase requirement, they will have an option to pay us a percentage of the balance required to maintain such exclusivity. The prices charged to Pharmachem for the products allow for pre determined gross margins to us. The agreement has a term of one year and is renewable annually upon mutual agreement of the parties. In 2008, Pharmachem made payments to us aggregating \$164,515.

Pinnacle Mountain Partners Line of Credit

On January 30, 2007, we entered into a \$1,000,000 line of credit with Pinnacle Mountain Partners, LLC for a term of eighteen months. On July 29, 2008, we entered into an amendment to our line of credit reducing the maximum loan amount available under the line of credit from \$1,000,000 to \$500,000, and extended the maturity date until January 31, 2009. On January 26, 2009, we entered into a second amendment to our line of credit to extend the maturity date until July 31, 2009 and adjusted the interest rate calculation. On March 13, 2009 we entered into a third amendment to our line of credit to change the final payment date of the amounts borrowed pursuant to the line of credit from July 31, 2009 to instead provide that 50% of the amount of all loans and advances made by Pinnacle pursuant to the Loan Agreement will become due and payable on July 31, 2010 and the remaining outstanding loans and advances, together with interest thereon, will become due and payable on July 31, 2011. Pinnacle Mountain Partners is an entity affiliated with Jane E. Hager, a member of our Board of Directors and holder of more than five percent of our outstanding common stock and Edward B. Hager M.D., a holder of more than five percent of our outstanding common stock. The line of credit permits us to borrow money on a portion of the available principal balance. We may also repay the outstanding balance of the credit agreement and continue to draw down on the balance of the agreement during its term. We are only permitted to make withdraws pursuant to the line of credit until July 31, 2009. Any principal balance outstanding at the end of the term must be repaid together with interest. Loans under the credit agreement bear interest at the Wall Street prime rate plus 8.5% per annum and are secured by our assets. All accrued and unpaid interest is payable monthly in arrears on the first of each month. We have borrowed \$500,000 under the line of credit which has accrued interest of \$26,325.

We also entered into an Increditor Agreement dated March 13, 2009 and a Conversion Agreement dated March 13, 2009. For a discussion of these documents see Proposal No. 3 above.

Signet Healthcare Partners

For a discussion of our March 13, 2009 transaction with Signet Healthcare Partners and related agreements entered into with Signet and its affiliates, see Proposal No. 2 above.

For matters on which the holders of Series A Preferred Stock vote together as a single class with the holders of common stock and Series B-1 Preferred Stock, each holder of shares of our Series A Preferred Stock is entitled to a number of votes for each share of Series A Preferred Stock held by such holder equal to the number of shares of common stock into which such share of Series A Preferred Stock is then convertible. Currently, each share of Series A Preferred Stock is convertible into 10,000 shares of our common stock. Such conversion ratio may be adjusted from time to time pursuant to customary adjustment features as set forth in the Certificate of Designation for the Series A Preferred Stock. The holders of our Series A Preferred Stock would vote as a separate class with respect to any change to the rights, designations, and preferences of the Series A Preferred Stock. On all other matters, holders of our common stock and Series A Preferred Stock will vote together as a single class at our Annual Meeting. Holders of our Series A Preferred Stock are entitled to an aggregate of 500,000 votes at our Annual Meeting.

(2)

For matters on which the holders of Series B-1 Preferred Stock vote together as a single class with the holders of common stock and Series A Preferred Stock, each holder of shares of our Series A Preferred Stock is entitled to a number of votes for each share of Series B-1 Preferred Stock held by such holder equal to the number of shares of common stock into which such share of Series B-1 Preferred Stock is then convertible. Currently, each share of Series B-1 Preferred Stock is convertible into 14,634 shares of our common stock. Such conversion ratio may be adjusted from time to time pursuant to customary

-43-

adjustment features as set forth in the Certificate of Designation for the Series B-1 Preferred Stock. As long as any shares of Series B-1 Preferred Stock are outstanding, without the affirmative vote or consent of the holders of at least a majority of the shares of Series B-1 Preferred Stock, voting separately as a class, we shall not (i) authorize, create, or issue any class or series of capital stock ranking, either as to payment of dividends, distributions of assets upon liquidation or otherwise, or redemptions, prior to or on parity with the Series B-1 Preferred Stock or the Series B-2 Preferred Stock and (ii) authorize any redemptions or repurchases of common stock, or repurchase or redeem any common stock, except in limited circumstances, for repurchases or redemptions of common stock from employees upon their termination of employment with us. Holders of our Series B-1 Preferred Stock are entitled to 2,969,238 votes at our Annual Meeting.

In addition to solicitations by mail, our directors, officers and regular employees may, without additional remuneration, solicit proxies by telephone, telegraph, facsimile and personal interviews. We will also request brokerage houses, custodians, nominees and fiduciaries to forward copies of the proxy material

to those persons for whom they hold shares and request instructions for voting the proxies. We will reimburse such brokerage houses and other persons for their reasonable expenses in connection with this distribution.

THE BOARD OF DIRECTORS HOPES THAT STOCKHOLDERS WILL ATTEND THE ANNUAL MEETING. WHETHER OR NOT YOU PLAN TO ATTEND, YOU ARE URGED TO COMPLETE, DATE, SIGN AND RETURN THE ENCLOSED PROXY IN THE ACCOMPANYING ENVELOPE. PROMPT RESPONSE WILL GREATLY FACILITATE ARRANGEMENTS FOR THE ANNUAL MEETING AND YOUR COOPERATION IS APPRECIATED. STOCKHOLDERS WHO ATTEND THE ANNUAL MEETING MAY VOTE THEIR STOCK PERSONALLY EVEN THOUGH THEY HAVE SENT IN THEIR PROXIES.

Each Stockholder is the record and beneficial owner (as defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the Exchange Act)) of that number of shares of Common Stock of the Company as is set forth opposite the name of such Stockholder on Schedule A attached hereto (the Shares).

NOW, THEREFORE, to induce the Investors to enter into, and in consideration of their entering into, the Purchase Agreement, and in consideration of the premises and the representations and warranties and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1.

Transfer and Encumbrance. The Stockholder shall not transfer, sell, exchange, pledge or otherwise dispose of or encumber the Shares or any New Shares (as defined in Section 2 hereof), or make any offer or agreement relating thereto at any time prior to the earlier to occur of (i) such date and time as the Company Stockholder Approval (as defined in the Purchase Agreement) is obtained and (ii) July 31, 2009 (the earlier to occur of (i) and (ii)), Expiration

The Company, at the request of Signet, shall cause stop transfer orders to be placed with its transfer agent with respect to certificates for the Shares in the event a Transferee Agreement is not executed and delivered in connection with any transfer of Shares.

2.

Agreement to Vote Shares.

(a)

At each and every meeting of the Stockholders of the Company called with respect to any of the following, and at every adjournment thereof, and with respect to each and every action or approval by written consent of the Stockholders of the Company in lieu of a meeting with respect to any of the following, the Stockholder shall vote, or execute and deliver a written consent with respect to, the Shares and any shares of capital stock of the Company that the Stockholder purchases or with respect to which the Stockholder otherwise acquires beneficial ownership after the date hereof and prior to the Expiration Date (the New Shares) (i) in favor of approving the Financing and any matter that could reasonably be expected to facilitate the consummation of the Financing; (ii) against approval of any proposal made in opposition to or in competition with consummation of the Financing; and (iii) against any liquidation or winding up of the Company.

(b)

The Stockholder shall in no event take any action directly or indirectly, that may delay or otherwise impede the consummation of the Financing.

(c)

The Stockholder shall vote, or execute and deliver a written consent with respect to, the Shares and any New Shares (i) in favor of the Conversion and any matter that could reasonably be expected to facilitate the consummation of the Conversion and (ii) against any approval of a proposal made in opposition to or in competition with consummation of the Conversion.

(d)

This Agreement is intended to bind the Stockholder as a Stockholder of the Company only with respect to the specific matters set forth herein and shall not prohibit the Stockholder from acting in accordance with his or her fiduciary duties, if applicable, as an officer or director of the Company.

3.

Irrevocable Proxy. Concurrently with the execution and delivery of this Agreement, the Stockholder is executing and delivering to Signet a proxy in the form attached hereto as Exhibit A (the Proxy), which shall be irrevocable to the extent provided in Section 212 of the Delaware General Corporation Law, covering the Shares and the New Shares beneficially owned (as such term is defined in Rule 13d-3 under the Exchange Act) by the Stockholder, as set forth therein. In the event the Stockholder breaches, fails to fulfill or anticipatorily breaches his, her or its obligations under Section 2 above, which breach, failure to fulfill or anticipatory breach shall be reasonably determined by Signet in its sole and absolute discretion, Signet may exercise its right to vote the Shares and the New Shares under the Proxy, provided, however, that in the event the exercise by Signet of its right to vote the Shares and/or the New Shares under the Proxy is challenged by any party or invalidated, in whole or in part,

A-1-2

Signet shall be entitled to seek all remedies available to it under Section 8(d) hereof. Signet shall also be entitled to exercise its right to vote the Shares and the New Shares under the proxy in the event the Stockholder is unavailable to exercise his, her or its right to vote in accordance with Section 2 above.

4.

Representations, Warranties and Covenants of the Stockholder. The Stockholder hereby represents, warrants and covenants to Signet as follows:

(a)

Ownership of Shares. The Stockholder: (i) is the beneficial owner of the Shares, which at the date of this Agreement and at all times until the Expiration Date, will be free and clear of any Liens; (ii) does not beneficially own any shares of capital stock of the Company other than the Shares (excluding shares as to which the Stockholder currently disclaims beneficial ownership in accordance with applicable law); and (iii) has full power and authority to execute, deliver and perform this Agreement and the Proxy.

(b)

Enforceability. This Agreement and the Proxy are valid and binding obligations of the Stockholder, enforceable against the Stockholder in accordance with the terms hereof and thereof.

The parties to this Agreement hereby agree that the failure to cause the certificates evidencing the New Shares to bear the legend required by Section 5(a) of this Agreement or the failure of the Company to make available for inspection without charge a copy of this Agreement as required by Section 5(b) shall not affect the validity or enforcement of this Agreement.

(d)

Immediately following the Expiration Date, the Company shall take, or shall cause to be taken, all action necessary to remove, or cause the removal of, the legend

required by Section 5(a) of this Agreement from any New Shares and shall be relieved of its obligation to make available for inspection without charge a copy of this Agreement as required by Section 5(b).

(d)

Specific Performance; Injunctive Relief. The Company is a corporation duly organized, validly existing and in good standing under the Laws of the State of Delaware, and each Company Subsidiary is an entity duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization. Each of the Company and the Company Subsidiaries is duly qualified or licensed to do business as a foreign corporation and is in good standing under the Laws of each jurisdiction where the nature of the property owned or leased by it or the nature of the business conducted by it makes such qualification or license necessary, except where the failure to be so qualified or licensed would not reasonably be expected to either prevent or delay its ability to perform its obligations under the Transaction Documents and would not, individually or in the aggregate, have a Material Adverse Effect. The Company and each Company Subsidiary has the full corporate power and authority to own and operate its properties, to lease the property it operates under lease and to conduct its business as now conducted and proposed to be conducted. Other than the Company Subsidiaries, which are set forth on Section 3.01 of the Disclosure Schedule, and except as set forth on Section 3.01 of the Disclosure Schedule, there are no corporations, partnerships, joint ventures, associations or other entities in which the Company owns, of record or beneficially, any direct or indirect equity or other interest or any right (contingent or otherwise) to acquire the same. Stock). The maximum number of shares of Series B-1 Preferred Stock shall be One Thousand Thirty (1,030) shares and the maximum number of shares of Series B-2 Preferred Stock shall be Seven Hundred Forty Seven (747). For purposes of this Certificate of Designation, Original Issue Price shall mean \$6,000.00 per share on each issued and outstanding share of Series B Preferred Stock.

specifically by its terms does not rank on parity with or junior to the Series B Preferred Stock (Senior Stock) and (ii) senior to the common stock, par value \$.01 per share (the Common Stock), and to each other class and series of equity securities of the Corporation which specifically by its terms does not rank on a parity with or senior to the Series B Preferred Stock (Junior Stock).

2. Dividends. From and after the date of the issuance of shares of Series B Preferred Stock (Issuance Date), the holders of such shares of the Series B Preferred Stock shall be entitled to receive, out of funds legally available therefor, when and if declared by the Board of Directors, quarterly dividends at the annual rate of five percent (5%) of the Original Issue Price on each outstanding share of Series B Preferred Stock, subject to appropriate adjustment to reflect any stock split, stock dividend, reverse stock split or similar corporate event affecting the Series B Preferred Stock (the Accruing Dividends). (i) Class Voting Rights. The Series B-1 Preferred Stock shall have the following class voting rights (in addition to the voting rights set forth in Sections 3(a)(ii) and 3(a)(iv) hereof, and as otherwise may be required by law). So long as any shares of the Series B-1 Preferred Stock remain outstanding, the Corporation shall not, and shall not permit any subsidiary to, without the affirmative vote or consent of the holders of at least a majority of the shares of the Series B-1 Preferred Stock outstanding at the time, given in person or by proxy, either in writing or at a meeting, in which the holders of the Series B-1 Preferred Stock vote separately as a class (i) authorize, create, or issue any class or series of capital stock ranking, either as to payment of dividends, distributions of assets upon liquidation or otherwise, or redemptions, prior to or on parity with the Series B-1 Preferred Stock or the Series B-2 Preferred Stock and (ii) authorize any redemptions or repurchases of Common Stock, or repurchase or redeem any Common Stock, except for repurchases or redemptions of Common Stock from employees of the Corporation upon such employees' termination of employment from the Corporation pursuant to the terms and conditions of agreements which provide the Corporation the right to repurchase such capital stock upon such termination of employment.

In addition to the class voting rights set forth in Section 3(a) hereof, the Series B-1 Preferred Stock shall be entitled to vote, on an as-converted basis (subject to any conversion or voting limitation set forth in Section 3(a)(iii) below, including the Issuance Cap (as defined below)), together as a single class, with the holders of the Common Stock and all other series and classes of stock permitted to vote with Common Stock on all matters submitted to a vote of holders the Common Stock, except with respect to matters in respect of which one or

Until such time as the Corporation obtains stockholder approval for (i) the issuance of the Series B-1 Preferred Stock on the Initial Issuance Date (as defined below) and upon conversion of the Series B-1 Convertible Notes (as defined below) (and the Common Stock into which such Series B-1 Preferred Stock is convertible) and (ii) any change of control relating from such issuance is obtained, each pursuant to the applicable requirements of Section 713 of the NYSE Amex Company Guide (Stockholder Approval), (A) the holders of the Series B-1 Convertible Notes shall not be entitled to convert the Series B-1 Convertible Notes into shares of Series B-1 Preferred Stock pursuant to the terms thereof; provided, however, that in the event of a Liquidation Event on or before the maturity date of the Series B-1 Convertible Notes and prior to receipt of Stockholder Approval, the Series B-1 Convertible Notes shall automatically convert into shares of Series B-1 Preferred Stock pursuant to the terms thereof and (B) the holders of shares of Series B-1 Preferred Stock shall not be entitled to convert their shares of Series B-1 Preferred Stock into, in the aggregate, Common Stock in excess of 19.9% (the "Issuance Cap") of the shares of Common Stock issued and outstanding on the trading date immediately prior to the date on which shares of Series B-1 Preferred Stock are first purchased (the "Initial Issuance Date"). The number of shares of Common Stock that may be acquired by all holders of Series B-1 Preferred Stock upon conversion of such shares of Series B-1 Preferred Stock pursuant to Section 5, and the number of shares of Series B-1 Preferred Stock that shall be entitled to class voting rights pursuant to this Section 3(a), shall be limited, on a pro rata basis, to the extent necessary to ensure that, following such conversion (or deemed conversion for voting purposes), the number of shares of Common Stock issuable upon the conversion (or deemed conversion for voting purposes) of all shares of Series B-1 Preferred Stock does not exceed the Issuance Cap. Each delivery of a Conversion Notice by a holder of Series B-1 Preferred Stock will constitute a representation by such holder of Series B-1 Preferred Stock that it has evaluated the limitation set forth in this paragraph and determined, subject to the accuracy of information filed under the Securities Act of 1933, as amended, and the Securities Exchange Act of 1934, as amended, with respect to the outstanding Common Stock of the Corporation, that the issuance of the full number of shares of Common Stock requested in such Conversion Notice is permitted under this paragraph. This paragraph shall be construed and administered in such manner as shall be consistent with the intent of the first sentence of this paragraph. Any provision hereof which would require a result that is not consistent with such intent shall be deemed severed herefrom and of no force or effect with respect to the conversion contemplated by a particular Conversion Notice. The Series B-1 Convertible Notes shall mean those certain Secured Convertible Promissory Notes in favor of the holders of Series B Preferred Stock dated as of the Initial Issuance Date, which shall be convertible into shares of Series B-1 Preferred Stock pursuant to their terms upon Stockholder Approval.

(iv) Board Seats. For so long as any shares of Series B-1 Preferred Stock remain outstanding, the holders of the Series B-1 Preferred Stock, voting separately as one class, shall be entitled to elect one (1) member of the Board of Directors of the Corporation; provided, however, that after the Stockholder Approval is obtained, the holders of Series B-1 Preferred

Stock voting separately as one class, shall be entitled to elect two (2) members of the Board of Directors of the Corporation. At any meeting (or in a written consent in lieu thereof) held for the purpose of electing directors, the presence in person or by proxy (or the written consent) of the holders of at least a majority in interest of the then outstanding shares of Series B-1 Preferred Stock shall constitute a quorum of the Series B-1 Preferred Stock for the election or removal of directors to be elected solely by the holders of the Series B-1 Preferred Stock. A vacancy in any directorship elected by the holders of the Series B-1 Preferred Stock shall be filled only by vote or written consent of the holders of the Series B-1 Preferred Stock, consenting or voting, as the case may be, separately as one class. The directors to be elected by the holders of the Series B-1 Preferred Stock, voting separately as one class, shall serve for terms extending from the date of their election and qualification until the time of the next succeeding annual meeting of stockholders and until their successors have been duly elected and qualified. If at any time any directorship to be filled by the holders of Series B-1 Preferred Stock, voting separately as one class, pursuant to this Section 3(a)(iii) has been vacant for a period of thirty days, the Secretary of the Corporation shall, upon the written request of the holders of record of shares representing at least 25% of the voting power of the Series B-1 Preferred Stock then outstanding, call a special meeting of the holders of Series B-1 Preferred Stock for the purpose of electing a director or directors to fill such vacancy or vacancies.

(b) Series B-2 Preferred Stock. The Series B-2 Preferred Stock shall have no voting rights, other than as otherwise required by law.

4. Liquidation, Dissolution and Winding-Up.

(a) Liquidation Event. Upon a Liquidation Event (as defined below), the holders of the shares of Series B Preferred Stock then outstanding shall be paid out of the assets of the Corporation available for distribution to stockholders, an amount equal to the greater of (i) the Original Issue Price per share (subject to appropriate adjustment to reflect any stock split, stock dividend, reverse stock split or similar corporate event affecting the Series B Preferred Stock) plus any Accruing Dividends accrued but unpaid thereon, whether or not declared, and any other dividends declared but unpaid thereon and (ii) such amount per share as would have been payable had each share been converted to Common Stock pursuant to Section 5 immediately prior to the Liquidation Event, before any payment shall be made to the holders of Common Stock or any other Junior Stock but after any payment has been made to the holders of Series A Preferred Stock or any other Senior Stock. If upon any Liquidation Event, the assets to be distributed to the holders of the Series B Preferred Stock shall be insufficient to permit payment to such stockholders of the full preferential amounts aforesaid, then all of the assets of the Corporation available for distribution to holders of the Series B Preferred Stock shall be distributed to such holders of the Series B Preferred Stock pro rata, in proportion to the full respective distributable amounts to which they are entitled. For purposes of Section 4(a)(ii) above, the Series B-2 Preferred Stock shall be deemed to convert into Common Stock on the same terms as the Series B-1 Preferred Stock as set forth in Section 5 after applying any adjustment to the Series B-2 Preferred Stock as would have been applied to the Series B-1 Preferred Stock pursuant to Section 5 based on an event that occurred after the issuance of Series B-2 Preferred Stock.

C-4

(b) Distribution. Upon any Liquidation Event, immediately after the holders of any Senior Stock and Series B Preferred Stock shall have been paid in full pursuant to Section 4(a) above, the remaining net assets of the Corporation available for distribution shall be distributed pro rata among the holders of Common Stock and any Junior Stock and the holders of the Series B Preferred Stock shall not be entitled to any further participation as such in any distribution of the assets of the Corporation.

(c) Liquidation Event. A Liquidation Event means the liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary. Notwithstanding the foregoing, a consolidation or merger of the Corporation with or into any other corporation or corporations, or a sale of all or substantially all of the assets of the Corporation, or the effectuation by the Corporation of a transaction or series of transactions in which more than 50% of the voting shares of the Corporation is disposed of or conveyed, shall be deemed to be a Liquidation Event within the meaning of the provisions of this Section 4.

(d) Restrictions on a Liquidation Event. The Corporation shall not effect any transaction constituting a deemed Liquidation Event pursuant to Section 4(c) unless (i) the agreement or plan of merger or consolidation provides that the consideration payable to the stockholders of the Corporation shall be allocated among the holders of capital stock of the Corporation in accordance with Sections 4(a) and 4(b) or (ii) the holders of at least fifty (50%) of the shares of each of the Series B-1 Preferred Stock and Series B-2 Preferred Stock then outstanding specifically consent in writing to the allocation of such consideration in a manner different from that provided in Sections 4(a) and 4(b).

(e) Treatment of Liquidation Event.

(i) Transaction Payment. No less than forty-five (45) days prior to the payment date in connection with the consummation of a Liquidation Event, the Corporation, or if the Corporation is not a party to such transaction, the holders of shares of capital stock of the Corporation that are parties to such transaction, shall provide the holders of Series B Preferred Stock written notice of such event (the Event Notice). Unless the holders of at least greater than 50% of the then outstanding shares of each of the Series B-1 Preferred Stock and Series B-2 Preferred Stock then outstanding deliver a notice to the Corporation within five (5) business days after receipt of an Event Notice stating that such Liquidation Event shall not be treated as a Liquidation Event, such event shall be deemed to have been elected by such holders to be treated as a Liquidation Event in which case the Corporation shall, and each holder of Series B Preferred Stock shall be entitled to require that, prior to or concurrently with consideration from any such Liquidation Event being paid to the Corporation (if the consideration is to be received by the Corporation in an asset transaction), or by any third party to stockholders of the Corporation other than holders of Series B Preferred Stock (if the consideration is to be received directly by such stockholders in a merger, consolidation, stock purchase or similar transaction), a payment (the Transaction Payment) shall be made to the holders of Series B Preferred Stock in an amount equal to the amount that the holder of Series B Preferred Stock would have received had the entire

consideration in the transaction (with respect to a Liquidation Event involving the sale of all or substantially all the assets of the Corporation, net of any liabilities of the Corporation

C-5

not assumed or otherwise paid by the acquiring entity) been deemed assets available for distribution to the stockholders of the Corporation upon liquidation pursuant to Section 4(a).

(ii) Payment of Transaction Payment. If securities of the acquiring entity (the Acquiring Entity Stock) or other property are issued to the holders of the Corporation's Series B Preferred Stock and Common Stock in the Liquidation Event, then, the Transaction Payment shall be paid to the holders of Series B Preferred Stock in such portions of cash, property or Acquiring Entity Stock, such that all holders of Series B Preferred Stock and Common Stock shall receive the same proportion of cash, property and Acquiring Entity Stock in respect of the amounts to which they are entitled pursuant to Section 4(a). The Acquiring Entity Stock utilized to make the Transaction Payment, if any, shall have the same rights, preferences and restrictions (including whether the issuance or sale of such Acquiring Entity Stock is registered or entitled to registration rights under the Securities Act of 1933, as amended) as the Acquiring Entity Stock issued to the holders of Common Stock in the Liquidation Event. Notwithstanding the foregoing, neither the Corporation nor the acquiring entity shall be obligated to deliver certificates evidencing the Acquiring Entity Stock or other property deliverable to a holder of Series B Preferred Stock as a result of the Liquidation Event unless and until the certificates representing shares of Series B Preferred Stock held by such holder of Series B Preferred Stock are either delivered to the Corporation or the acquiring entity, or their respective transfer agents, as the Corporation and the acquiring entity may require, duly endorsed in blank for transfer, or the holder certifies in writing to the Corporation or the acquiring entity, or their respective transfer agents, as the Corporation and the acquiring entity may require, that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Corporation or such acquiring entity to indemnify the Corporation and/or such acquiring entity from any loss incurred by it in connection with such certificates. The value of the Acquiring Entity Stock or other property determined as follows shall be used for purposes of determining the amount of the entire consideration in the transaction, the Transaction Payment and the payment thereof:

(1) If the consideration received by the Corporation or its stockholders (Proceeds) is other than cash or evidences of indebtedness (for which the value thereof shall be deemed to be the principal amount thereof), its value will be deemed its fair market value, determined as follows:

i) Any securities (including any Acquiring Entity Stock) included in the Proceeds shall be valued at the average Closing Price for a period of twenty-five (25) consecutive trading days immediately preceding such date.

ii) Any Proceeds other than cash, evidences of indebtedness, and securities valued in accordance with i) above shall have the fair market value of such Proceeds as determined in good faith, by the Board on the date such determination is made.

(2) The foregoing methods for valuing Proceeds to be distributed or delivered in connection with a Liquidation Event shall, upon approval by the stockholders of

C-6

the definitive agreements governing the Liquidation Event, be superseded by any determination of such value set forth in the definitive agreements governing such Liquidation Event.

(iii) Contingent Consideration. In the event of a Liquidation Event, if any portion of the consideration payable to the stockholders of the Corporation is placed into escrow or is payable to the stockholders of the Corporation subject to contingencies, the definitive acquisition agreement relating thereto shall provide that (i) the portion of such consideration that is not placed in escrow and not subject to any contingencies (the Initial Consideration) shall be allocated among the holders of capital stock of the Corporation in accordance with this Section 4(e) as if the Initial Consideration were the only consideration payable in connection with such Liquidation Event and (ii) any additional consideration which becomes payable to the stockholders of the Corporation upon release from escrow or satisfaction of contingencies shall be allocated among the holders of capital stock of the Corporation in accordance with this Section 4(e) after taking into account the previous payment of the Initial Consideration as part of the same transaction.

5. Conversion. Each holder of Series B-1 Preferred Stock shall have the following conversion rights (the Conversion Rights):

(a) Right to Convert. At any time on or after the Issuance Date, the holder of any such shares of Series B-1 Preferred Stock may, at such holder's option, convert all or any portion of any shares of Series B-1 Preferred Stock held by such person into the Conversion Amount. The Corporation shall keep written records of the conversion of the shares of Series B-1 Preferred Stock converted by each holder. A holder shall be required to deliver the original certificates representing the shares of Series B-1 Preferred Stock upon complete conversion of the Series B-1 Preferred Stock.

(b) Mechanics of Voluntary Conversion. The Voluntary Conversion of Series B-1 Preferred Stock shall be conducted in the following manner:

(i) Holder's Delivery Requirements. To convert Series B-1 Preferred Stock into full shares of Common Stock on any date, the holder thereof shall deliver a fully executed notice of conversion in the form attached hereto as Exhibit I (the Conversion Notice), to the Corporation, together with the certificates representing the shares being converted (or an indemnification undertaking, and at the option of the Corporation, in addition, a bond, with respect to such shares in the case of their loss, theft or destruction) (the Preferred Stock Certificates). The conversion will be effective upon receipt by the Corporation of the foregoing, which shall be the Voluntary Conversion Date.

(ii) Record Holder. The person or persons entitled to receive the shares of Common Stock issuable upon a conversion of the Series B-1 Preferred Stock shall be treated for all purposes as the record holder or holders of such shares of Common Stock on the Conversion Date.

C-7

(c) Mandatory Conversion.

(i) Subject to the provisions set forth below, each share of Series B-1 Preferred Stock outstanding on the Mandatory Conversion Date shall automatically and without any action on the part of the holder thereof convert into the Conversion Amount (a Mandatory Conversion).

(ii) As used herein, a Mandatory Conversion Date shall mean the earlier of the date that (i) the Closing Price of the Common Stock shall have exceeded \$1.20 for a period of twenty-five (25) consecutive trading days immediately preceding such date and (ii) as determined by the affirmative vote or consent of the holders of at least a majority of the shares of the Series B-1 Preferred Stock outstanding at the time, given in person or by proxy, either in writing or at a meeting. The Mandatory Conversion Date and the Voluntary Conversion Date collectively are referred to in this Certificate of Designation as the Conversion Date

(iii) On the Mandatory Conversion Date, the outstanding shares of Series B-1 Preferred Stock shall be converted automatically without any further action by the holders of such shares and whether or not the Preferred Stock Certificates are surrendered to the Corporation or its transfer agent. Upon the occurrence of the automatic conversion of the Series B-1 Preferred Stock pursuant to this Section 5(c), the holders of the Series B-1 Preferred Stock shall promptly surrender the Preferred Stock Certificates representing the Series B-1 Preferred Stock to the Corporation and the Corporation, upon surrender of the Preferred Stock Certificates, shall promptly deliver the shares of Common Stock issuable upon such conversion.

(d) Conversion Amount.

(i) The term Conversion Amount shall mean 14,634 shares of Common Stock, subject to adjustment under Section 5(e) hereof, per share of Series B-1 Preferred Stock, plus such number of shares of Common Stock as shall equal (x) the accrued and unpaid dividends on the Series B-1 Preferred Stock as of the date of conversion divided by (y) \$0.41.

(ii) The term Closing Price shall mean, for any security as of any date, the last reported price of such security on the NYSE Amex or other National Securities Exchange on which such securities trade, or the closing bid price, on the OTC Bulletin Board or other applicable principal trading market for such security as reported by Bloomberg, or, if no closing bid price is reported for such security by Bloomberg, the last closing trade price of such security as reported by Bloomberg, or, if no last closing trade price is reported for such security by Bloomberg, the average of the bid prices of any market makers for such security as reported in the pink sheets by the National Quotation Bureau, Inc. If the Closing Price cannot be calculated for such security on such date on any of the foregoing bases, the Closing Price of such security on such date shall be the fair market value as reasonably determined by the Board of Directors of the

Corporation.

C-8

(e) Adjustments of Conversion Amount.

(i) Adjustments for Stock Splits and Combinations. If the Corporation shall at any time or from time to time after the Issuance Date, effect a stock split of the outstanding Common Stock, the Conversion Amount shall be proportionately increased. If the Corporation shall at any time or from time to time after the Issuance Date, combine the outstanding shares of Common Stock, the Conversion Amount shall be proportionately decreased. Any adjustments under this Section 5(e)(i) shall be effective at the close of business on the date the stock split or combination occurs.

(ii) Adjustments for Certain Dividends and Distributions. If the Corporation shall at any time or from time to time after the Issuance Date, make or issue or set a record date for the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in shares of Common Stock, then, and in each event, the Conversion Amount shall be increased as of the time of such issuance or, in the event such record date shall have been fixed, as of the close of business on such record date, by multiplying, as applicable, the Conversion Amount then in effect by a fraction:

(1) the numerator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date plus the number of shares of Common Stock issuable in payment of such dividend or distribution; and

(2) the denominator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date.

(iii) Adjustment for Other Dividends and Distributions. If the Corporation shall at any time or from time to time after the Issuance Date, make or issue or set a record date for the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in securities of the Corporation other than shares of Common Stock, then, and in each event, an appropriate revision to the applicable Conversion Amount shall be made and provision shall be made (by adjustments of the Conversion Amount or otherwise) so that the holders of Series B-1 Preferred Stock shall receive upon conversions thereof, in addition to the number of shares of Common Stock receivable thereon, the number of securities of the Corporation which they would have received had their Series B-1 Preferred Stock been converted into Common Stock immediately prior to such event (or the record date for such event, if applicable) and had thereafter, during the period from the date of such event to and including the Conversion Date, retained such securities (together with any distributions payable thereon during such period), giving application to all adjustments called for during such period under this Section 5(e)(iii) with respect to the rights of the holders of the Series B-1 Preferred Stock.

(iv) Adjustments for Reclassification, Exchange or Substitution. If the Common Stock issuable upon conversion of the Series B-1 Preferred Stock at any time or from time to time after the Issuance Date shall be changed to the same or different number of shares of any class or classes of stock, whether by reclassification, exchange, substitution or otherwise

C-9

(other than by way of a stock split or combination of shares or stock dividends provided for in Sections 5(e)(i), (ii) and (iii), then, and in each event, an appropriate revision to the Conversion Amount shall be made and provisions shall be made (by adjustments of the Conversion Amount or otherwise) so that the holder of each share of Series B-1 Preferred Stock shall have the right thereafter to convert such share of Series B-1 Preferred Stock into the kind and amount of shares of stock and other securities receivable upon reclassification, exchange, substitution or other change, by holders of the number of shares of Common Stock into which such share of Series B-1 Preferred Stock might have been converted immediately prior to such reclassification, exchange, substitution or other change, all subject to further adjustment as provided herein.

(f) Certificates as to Adjustments. Upon occurrence of each adjustment or readjustment of the Conversion Amount or number of shares of Common Stock issuable upon conversion of the Series B-1 Preferred Stock pursuant to this Section 5, the Corporation at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of such Series B-1 Preferred Stock a certificate setting forth such adjustment and readjustment, showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, upon written request of the holder of such affected Series B-1 Preferred Stock, at any time, furnish or cause to be furnished to such holder a like certificate setting forth such adjustments and readjustments, the Conversion Amount in effect at the time, and the number of shares of Common Stock and the amount, if any, of other securities or property which at the time would be received upon the conversion of a share of such Series B-1 Preferred Stock.

(g) Issue Taxes. The Corporation shall pay any and all issue and other taxes, excluding federal, state or local income taxes, that may be payable in respect of any issue or delivery of shares of Common Stock on conversion of shares of Series B-1 Preferred Stock pursuant thereto; provided, however, that the Corporation shall not be obligated to pay any transfer taxes resulting from any transfer requested by any holder in connection with any such conversion.

(h) Notices. All notices and other communications hereunder shall be in writing and shall be deemed given if delivered personally or by facsimile or three (3) business days following being mailed by certified or registered mail, postage prepaid, return-receipt requested, addressed to the holder of record at its address appearing on the books of the Corporation. The Corporation will give written notice to each holder of Series B-1 Preferred Stock at least five (5) days prior to the date on which the Corporation closes its books or takes a record (i) with respect to any dividend or distribution upon the Common Stock or (ii) for determining rights to vote with respect to any Liquidation Event and in no event shall such notice be provided to such holder prior to such information being made known to the public. The Corporation will also give written notice to each holder of Series B-1 Preferred Stock at least five (5) days prior to the date on which any Liquidation Event will take place and in no event shall such notice be provided to such holder prior to such information being made known to the public.

(i) Fractional Shares. The Series B Preferred Stock may be issued in fractional shares. A certificate for a fractional share of Series B Preferred Stock shall entitle the holder to exercise any voting rights, if applicable, receive dividends thereon and participate in any of the

C-10

assets of the Corporation in the event of liquidation as provided hereunder. No fractional shares of Common Stock shall be issued upon conversion of the Series B-1 Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall at its option either (i) pay cash equal to the product of such fraction multiplied by the average of the Closing Prices of the Common Stock for the five (5) consecutive trading days immediately preceding the Voluntary Conversion Date or Mandatory Conversion Date, as applicable, or (ii) in lieu of issuing such fractional shares issue one additional whole share to the holder.

(j) Reservation of Common Stock. The Corporation shall, so long as any shares of Series B-1 Preferred Stock are outstanding, reserve and keep available out of its authorized and unissued Common Stock, solely for the purpose of effecting the conversion of the Series B-1 Preferred Stock, such number of shares of Common Stock as shall from time to time be sufficient to effect the conversion of all of the Series B-1 Preferred Stock then outstanding.

6. Restrictions and Limitations on Corporate Actions. The Corporation will not take any corporate action, whether by merger, consolidation, recapitalization or otherwise, to alter or change the designation or the powers, preferences or rights or the qualifications, limitations or restrictions of the Series B-1 Preferred Stock without the written consent of the holders of at least a majority of the then outstanding shares of Series B-1 Preferred Stock. The Corporation will not take any corporate action, whether by merger, consolidation, recapitalization or otherwise, to alter or change the designation or the powers, preferences or rights or the qualifications, limitations or restrictions of the Series B-2 Preferred Stock without the written consent of the holders of at least a majority of the then outstanding shares of Series B-2 Preferred Stock.

7. No Preemptive Rights. No holder of the Series B Preferred Stock shall be entitled to rights to subscribe for, purchase or receive any part of any new or additional shares of any class, whether now or hereinafter authorized, or of bonds or debentures, or other evidences of indebtedness convertible into or exchangeable for shares of any class, but all such new or additional shares of any class, or any bond, debentures or other evidences of indebtedness convertible into or exchangeable for shares, may be issued and disposed of by the Board of Directors on such terms and for such consideration (to the extent permitted by law), and to such person or persons as the Board of Directors in their absolute discretion may deem advisable.

8. Waiver. The provisions set forth in this Certificate of Designation may be waived on behalf of all the holders of Series B-1 Preferred Stock if in writing and signed by the holders of not less than a majority of the then outstanding shares of Series B-1 Preferred Stock. The provisions set forth in this Certificate of Designation may be waived on behalf of all the holders of Series B-2 Preferred Stock if in writing and signed by the holders of not less than a majority of the then outstanding shares of Series B-2 Preferred Stock.

9. Lost or Stolen Certificates. Upon receipt by the Corporation of evidence satisfactory to the Corporation of the loss, theft, destruction or mutilation of any Preferred Stock Certificates representing the shares of Series B Preferred Stock,

and, in the case of loss, theft or destruction, of any indemnification undertaking by the holder to the Corporation, and if requested by the Corporation, a bond, and, in the case of mutilation, upon surrender and cancellation of the

C-11

Preferred Stock Certificate(s), the Corporation shall execute and deliver new preferred stock certificate(s) of like tenor and date.

10. Construction. This Certificate of Designation shall be deemed to be jointly drafted by the Corporation and all purchasers of the Series B Preferred Stock and shall not be construed against any person as the drafter hereof.

11. Failure or Indulgence Not Waiver. No failure or delay on the part of a holder of Series B Preferred Stock in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privilege.

1.1.

Maturity. Subject to the provisions of Section 2 hereof relating to the conversion of this Note, the outstanding principal balance of this Note, together with interest accrued and unpaid to date, shall be due and payable upon the earliest to occur of (i) the Maturity Date; (ii) the date of consummation of an Exit Event (the "Exit Event Date"); and (iii) following an Event of Default, upon demand by Lender (other than an Event of Default contemplated by Section 4.3 or 4.4 hereof, in which case no demand shall be necessary).

1.2.

Interest. This Note shall accrue simple interest, from the date hereof until such principal is paid or converted as provided in Section 2, on any unpaid principal balance at the rate of five percent (5%) per annum; provided, however, to the extent permitted by law, upon the occurrence and during the continuation of an Event of Default, this Note shall accrue simple interest at a rate of twelve (12%) per annum. Interest shall be calculated on the basis of actual

D-1

number of days elapsed based on a year of three hundred sixty five (365) days. Accrued but unpaid interest shall be payable on the Maturity Date unless such interest is converted into shares of capital stock in the manner set forth in Section 2 below. Notwithstanding any provision in this Note, it is the parties' intent not to contract for, charge or receive interest at a rate that is greater than the maximum rate permissible by law that a court of competent jurisdiction shall deem applicable hereto (which under applicable law shall be deemed to be the laws relating to permissible rates of interest on commercial loans). If any interest payment due hereunder is determined to be in excess of the legal maximum rate, then that portion of each interest payment representing an amount in excess of the then legal maximum rate shall instead be deemed a payment of principal and shall be applied against principal.

1.3.

Payments; Allocation of Payments. Principal and interest are payable in lawful money of the United States of America. All payments shall be credited first to interest, fees, costs and expenses then due and the remainder to the principal amount of the Obligations.

1.4.

Prepayment of the Note. Issuer may not prepay all or any portion of the amount due under this Note.

1.5.

Application of Payments. Aggregate principal and interest payments in respect of loans made under the Notes shall be apportioned among all loans outstanding under the Notes, in each case pro rata according to the respective unpaid principal amounts of loans owed to the Lenders.

2.

Conversion.

2.1.

Automatic Conversion. In the event the Company Stockholder Approval is effective prior to the Maturity Date, the Conversion Amount shall be automatically converted, in whole and not in part, without any further action of Lender, into shares of Series B-1 Preferred Stock on the date that such Company Stockholder Approval is effective. The number of shares of Series B-1 Preferred Stock to be issued to Lender upon conversion pursuant to this Section 2.1 shall equal (i) the Conversion Amount, divided by (ii) the Conversion Price.

2.2.

Conversion Upon Exit Event. In the event of an Exit Event on or before the Maturity Date, and provided the Conversion Amount has not been automatically converted pursuant to Section 2.1, the Conversion Amount shall be automatically converted, in whole and not in part, without any further action of Lender, into shares of Series B-1 Preferred Stock. The number of shares of Series B-1 Preferred Stock to be issued to Lender upon conversion pursuant to this Section 2.2 shall equal (i) the Conversion Amount, divided by (ii) the Conversion Price. Any conversion pursuant to this Section 2.2 shall occur immediately prior to, and shall be contingent on, the consummation of the Exit Event.

2.3.

Delivery of Note and Share Certificates. Upon conversion of the Conversion Amount pursuant to Sections 2.1 or 2.2, this Note will, for all purposes, be deemed to be converted into shares of Series B-1 Preferred Stock, at which time this Note shall for all purposes be deemed cancelled and all Obligations shall be deemed paid in full. Upon conversion of the Conversion Amount, delivery and surrender of this Note to Issuer duly endorsed and

D-2

marked cancelled and paid and execution by Lender of any documents and agreements entered into by the other investors who hold Series B-1 Preferred Stock, Issuer shall issue and deliver to Lender a certificate or certificates for the number of full shares of Series B-1 Preferred Stock to which Lender is entitled and a check or cash with respect to any fractional interest in a share of Series B-1 Preferred Stock. Issuer covenants that all shares of Series B-1 Preferred Stock issued upon conversion will, upon issuance, be duly authorized and validly issued, fully paid and non-assessable and free from all taxes, liens and charges caused or created by Issuer with respect to the issuance thereof.

2.4.

Adjustments. If there shall occur any reorganization, recapitalization, reclassification or other similar event involving Issuer in which the Series B-1 Preferred Stock is reclassified as, converted into or exchanged for new or different securities (the "Successor Securities"), then, following any such reorganization, recapitalization, reclassification or other event, this Note shall be convertible pursuant to Section 2.1 or 2.2 for such Successor Securities and all references in this Note to the Series B-1 Preferred Stock shall be deemed to be references to such Successor Securities, *mutatis mutandis*.

3.

Demand; Protest; Expenses. Issuer waives demand, protest, notice of protest, notice of default or dishonor, notice of payment and nonpayment, notice of any default, diligence in collection and notices of intention to accelerate maturity, nonpayment at maturity, release, compromise, settlement, extension, or renewal of accounts, documents, instruments, chattel paper, and guarantees at any time held by Lender on which Issuer may in any way be liable and all other notices or demands relative to this instrument. If action is instituted to collect this Note, Issuer promises to pay all costs and expenses, including, without limitation, reasonable attorneys' fees and costs, incurred in connection with such action.

4.

Event of Default. If there shall be any Event of Default hereunder, at the option and upon the declaration of Lender and upon written notice to Issuer (which declaration and notice shall not be required in the case of an Event of Default under Section 4.3 or 4.4), this Note shall accelerate and all principal and unpaid accrued interest shall become due and payable. The occurrence of any one or more of the following shall constitute an Event of Default:

4.1.

IGI LABORATORIES, INC.

PREFERRED STOCK PURCHASE WARRANT

Warrant No. A-__

[_____] shares

Original Issue Date: March 13, 2009

THIS CERTIFIES THAT, FOR VALUE RECEIVED, [_____] or its registered assigns (Holder) is entitled to purchase, on the terms and subject to the conditions set forth herein, at any time or from time to time during the Exercise Period (as defined below), but not thereafter, up to [_____] ([_____] shares of the Series B-2 Preferred Stock, \$0.01 par value per share (the Series B-2 Preferred Stock), of IGI Laboratories, Inc., a Delaware corporation (the Company), at a price of \$6,000.00 per share (the Exercise Price), such number of shares and Exercise Price being subject to adjustment pursuant to the terms set forth in Section 3 of this Warrant. Each share of Series B-2 Preferred Stock for which this Warrant is exercisable is a Warrant Share and all such shares are collectively referred to as the Warrant Shares. Holder and Issuer hereby agree that the stated value of this Warrant is \$100.00.

Section 1.

Exercise Period: Exercise of Warrant.

(a)

This Warrant shall be exercisable, in whole or in part, during the term commencing on July 31, 2009 and ending at 5:00 p.m., Eastern Time, on July 31, 2013, or if such date is not a day on which the Company is open for business, then the next succeeding day on which the Company is open for business; provided, however, that if the convertible promissory note issued by the Company to Holder on the date hereof (the Convertible Promissory Note) converts into shares of Series B-1 Preferred Stock of the Company, \$0.01 par value per share, in accordance with its terms, on or prior to July 31, 2009, this Warrant shall not become exercisable and shall be null and void for all purposes (the Warrant Termination Event). In the event of an Exit Event (as defined below) on or after August 1, 2009, and provided that the Warrant Termination Event has not occurred, then this Warrant shall become exercisable, in whole or in part, immediately prior to (and contingent upon) the consummation by the Company of such Exit Event; provided, however, that if this Warrant is not exercised in

E-1

whole immediately prior to the consummation by the Company of such Exit Event, then immediately following the consummation by the Company of such Exit Event, this Warrant will not be exercisable and shall be null and void for all purposes. For purposes hereof, an Exit Event shall mean a Liquidation Event as such term is defined for purposes of Section 4 of the Certificate of Designation of the Relative Rights and Preferences of the Series B-1 Convertible Preferred Stock and Series B-2 Preferred Stock of the Company, as the same may be amended from time to time.

(b)

This Warrant may, at the option of Holder, be exercised in whole or in part from time to time during the exercise periods set forth in Section 1(a) by delivery to the Company at its principal office: (i) a written notice of such Holder's election to exercise this Warrant (the Exercise Notice), which notice may be in the form of the Notice of Exercise attached hereto, properly executed and completed by Holder or an authorized officer thereof; (ii) a check payable to the order of the Company and/or cancellation of indebtedness owed by the Company to Holder, in each case in an amount equal to the product of the Exercise Price multiplied by the number of Warrant Shares specified in the Exercise Notice; and (iii) this Warrant (the items specified in (i), (ii), and (iii) are collectively the Exercise Materials).

(c)

As promptly as practicable, and in any event within five (5) business days after its receipt of the Exercise Materials, the Company shall execute or cause to be executed and delivered to Holder a certificate or certificates representing the number of Warrant Shares specified in the Exercise Notice, together with cash in lieu of any fraction of a share, and if this Warrant is partially exercised, a new warrant on the same terms for the unexercised balance of the Warrant Shares. The stock certificate or certificates shall be registered in the name of Holder or such other name or names as shall be designated in the Exercise Notice. The date on which the Warrant shall be deemed to have been exercised (the Effective Date), and the date the person in whose name any certificate evidencing the Warrant Shares issued upon the exercise hereof is issued shall be deemed to have become the holder of record of such shares, shall be the date the Company receives the Exercise Materials, irrespective of the date of delivery of a certificate or certificates evidencing the Warrant Shares issued upon the exercise hereof, provided, however, that if the Exercise Materials are received by the Company on a date on which the transfer agent of the Company is closed, the Effective Date shall be the next succeeding date on which the transfer agent is open. In the event that this Warrant is exercised, in whole or in part, in connection with an Exit Event, the Effective Date shall be the date of the consummation by the Company of such Exit Event. All Warrant Shares will, upon issuance, be fully paid and nonassessable and free from all taxes, liens, and charges with respect thereto.

Section 2.

Net Exercise. In lieu of exercising this Warrant pursuant to Section 1(b), Holder may elect to receive, without payment by Holder of any additional consideration, shares of Series B-2 Preferred Stock equal to the value of this Warrant (or the portion thereof being cancelled) by surrender of this Warrant at the principal office of the Company together with an Exercise Notice, in which event the Company shall issue to Holder a number of shares of Series B-2 Preferred Stock computed using the following formula:

Y (A - B)

X=

A

E-2

Where:

X =

The number of shares of Series B-2 Preferred Stock to be issued to Holder pursuant to this net exercise;

Y =

The number of Warrant Shares in respect of which the net issue election is made;

A =

The fair market value of one (1) share of Series B-2 Preferred Stock at the time the net issue election is made; and

B =

The Exercise Price (as adjusted to the date of the net issuance)

For purposes of this Section 2, the fair market value of one (1) share of Series B-2 Preferred Stock as of a particular date shall be determined as follows: (i) if listed or quoted for trading on a securities market or exchange, the value shall be deemed to be the average closing price of the securities on such exchange over the thirty (30) day period ending three (3) days prior to the net exercise election; (ii) if traded over-the-counter, the value shall be deemed to be the average of the closing bid or sale prices (whichever is applicable) over the thirty (30) day period ending three (3) days prior to the net exercise election; and (iii) if there is no active public market, the value shall be the fair market value thereof, as jointly determined in good faith by Holder and the Company's Board of Directors. If Holder and the Company's Board of Directors are unable to reach such a determination, Holder and the Company's Board of Directors shall jointly select an appraiser, who is experienced in such matters. The decision of such appraiser shall be final and conclusive, and the cost of such appraiser shall be borne equally by Holder and the Company.

Section 3.

Adjustment of Exercise Price and Number of Warrant Shares. The number of and kind of securities purchasable upon exercise of this Warrant and the Exercise Price shall be subject to adjustment from time to time as follows:

(a)

Subdivisions, Combinations and Other Issuances. If the Company shall at any time prior to the expiration of this Warrant subdivide its Series B-2 Preferred Stock, by split-up or otherwise, or combine its Series B-2 Preferred Stock, or issue additional shares of its Series B-2 Preferred Stock or Common Stock as a dividend with respect to any shares of its Series B-2 Preferred Stock, the number of Warrant Shares issuable on the exercise of this Warrant shall forthwith be proportionately increased in the case of a subdivision or stock dividend, or proportionately decreased in the case of a combination. Appropriate adjustments shall also be made to the purchase price payable per share, but the aggregate purchase price payable for the total number of Warrant Shares purchasable under this Warrant (as adjusted) shall remain the same. Any adjustment under this Section 3(a) shall become effective at the close of business on the date the subdivision or combination becomes effective, or as of the record date of such dividend, or in the event that no record date is fixed, upon the making of such dividend.

(b)

Reclassification, Reorganization and Consolidation. In case of any reclassification, capital reorganization, or change in the Series B-2 Preferred Stock of the

Company (other than as a result of a subdivision, combination, or stock dividend provided for in Section 3(a) above), then, as a condition of such reclassification, reorganization, or change, lawful provision shall be made, and duly executed documents evidencing the same from the Company or its successor shall be delivered to Holder, so that Holder shall have the right at any time prior to the expiration of this Warrant to purchase, at a total price equal to that payable upon the exercise of this Warrant, the kind and amount of shares of stock and other securities and property receivable in connection with such reclassification, reorganization, or change by a holder of the same number of shares of Series B-2 Preferred Stock as were purchasable by Holder immediately prior to such reclassification, reorganization, or change. In any such case appropriate provisions shall be made with respect to the rights and interest of Holder so that the provisions hereof shall thereafter be applicable with respect to any shares of stock or other securities and property deliverable upon exercise hereof, and appropriate adjustments shall be made to the purchase price per share payable hereunder, provided the aggregate purchase price shall remain the same.

(c)

Notice of Adjustment. When any adjustment is required to be made in the number or kind of shares purchasable upon exercise of the Warrant, or in the Exercise Price, the Company shall promptly notify Holder of such event and of the number of shares of Series B-2 Preferred Stock or other securities or property thereafter purchasable upon exercise of this Warrant.

(d)

No Impairment. The Company and Holder will not, by any voluntary action, directly or indirectly, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company or Holder, respectively, but will at all times in good faith assist in the carrying out of all the provisions of this Section 3 and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the Company and Holder against impairment.

Section 4.

No Stockholder Rights. This Warrant shall not entitle Holder to any voting rights or other rights as a stockholder of the Company.

Section 5.

Issuance of Warrant Shares. The Company covenants that it will at all times keep available such number of authorized shares of its Series B-2 Preferred Stock, free from all preemptive rights with respect thereto, which will be sufficient to permit the exercise of this Warrant for the full number of Warrant Shares specified herein.

Section 6.

Transfer of Securities.

(a)

This Warrant and the Warrant Shares and any shares of capital stock received in respect thereof, whether by reason of a stock split or share reclassification thereof, a stock dividend thereon, or otherwise, shall not be transferable except upon compliance with the provisions of the Securities Act of 1933, as amended (the Securities Act), and applicable state securities laws with respect to the transfer of such securities. Holder, by acceptance of this Warrant, agrees to be bound by the provisions this Section 6 and to indemnify and hold harmless the Company against any loss or liability arising from the disposition of this Warrant or the

Warrant Shares issuable upon exercise hereof or any interest in either thereof in violation of the provisions of this Warrant.

(b)

Each certificate for the Warrant Shares and any shares of capital stock received in respect thereof, whether by reason of a stock split or share reclassification thereof, a stock dividend thereon or otherwise, and each certificate for any such securities issued to subsequent transferees of any such certificate shall (unless otherwise permitted by the provisions hereof) be stamped or otherwise imprinted with a legend in substantially the following form:

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE SECURITIES ACT), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS.

Section 7.

Miscellaneous.

(a)

The terms of this Warrant shall be binding upon and shall inure to the benefit of any successors or permitted assigns of the Company and Holder.

(b)

Notwithstanding any provision herein to the contrary, no portion of this Warrant may be transferred or assigned unless and until there is a simultaneous transfer or assignment of an equivalent portion of the Promissory Note (including any right to receive interest thereon) by the Holder to the same proposed transferee or assignee. For purposes of this Warrant, an equivalent portion of the Promissory Note shall mean the principal amount of the Promissory Note then convertible into the number of shares of Series B-1 Preferred Stock of the Company equal to the number of shares of Series B-2 Preferred Stock of the Company then subject to this Warrant or the portion of this Warrant that the Holder proposes to transfer or assign to the proposed transferee or assignee.

(c)

Except as otherwise provided herein, this Warrant and all rights hereunder are transferable by Holder in person or by duly authorized attorney on the books of the Company upon surrender of this Warrant, properly endorsed, to the Company. The Company may deem and treat the registered holder of this Warrant at any time as the absolute owner hereof for all purposes and shall not be affected by any notice to the contrary.

E-5

(d)

Notwithstanding any provision herein to the contrary, Holder may not exercise, sell, transfer, or otherwise assign this Warrant unless the Company is provided with an opinion of counsel satisfactory in form and substance to the Company, to the effect that such exercise, sale, transfer, or assignment would not violate the Securities Act or applicable state securities laws.

(e)

Subject to Section 7(b), this Warrant may be divided into separate warrants covering one share of Series B-2 Preferred Stock or any whole multiple thereof, for the total number of shares of Series B-2 Preferred Stock then subject to this Warrant at any time, or from time to time, upon the request of the registered holder of this Warrant and the surrender of the same to the Company for such purpose. Such subdivided Warrants shall be issued promptly by the Company following any such request and shall be of the same form and tenor as this Warrant, except for any requested change in the name of the registered holder stated herein.

(f)

Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be in writing and shall be deemed given and effective on the earliest of (a) the date of transmission, if such notice or communication is delivered via facsimile at the facsimile telephone number specified in this Section prior to 5:30 p.m. (New York City time) on a business day; (b) the business day after the date of transmission, if such notice or communication is delivered via facsimile at the facsimile telephone number specified herein later than 5:30 p.m. (New York City time) on any date and earlier than 11:59 p.m. (New York City time) on such date; (c) the business day following the date of mailing, if sent by nationally recognized overnight courier service; (d) five (5) business days after mailing if sent by certified or registered mail; or (e) actual receipt by the party to whom such notice is required to be given if delivered by hand. COMMON STOCK PURCHASE WARRANT

Warrant No. ____

350,000 shares

Original Issue Date: March 13, 2009

THIS CERTIFIES THAT, FOR VALUE RECEIVED, ROCKPORT VENTURE SECURITIES, LLC or its registered assigns (the **Holder**) is entitled to purchase, on the terms and conditions hereinafter set forth, at any time in whole or in part from the Original Issue Date set forth above until 5:00 p.m., Eastern Time, on the third anniversary of the Original Issue Date, or if such date is not a day on which the Company (as hereinafter defined) is open for business, then the next succeeding day on which the Company is open for business (such date is the **Expiration Date**), but not thereafter, three hundred and fifty thousand (350,000) shares of the Common Stock, \$0.01 par value (the **Common Stock**), of IGI Laboratories, Inc., a Delaware corporation (the **Company**), at \$0.41 per share (the **Exercise Price**), such number of shares and Exercise Price being subject to adjustment upon the occurrence of the contingencies set forth in this Warrant. Each share of Common Stock as to which this Warrant is exercisable is a **Warrant Share** and all such

shares are collectively referred to as the *Warrant Shares*.

Section 1.

Definitions.

- (a) Effective Date shall mean the date on which the Warrant shall be deemed to have been exercised.
- (b) Initial Issuance Date shall mean the date on which shares of Series B-1 Preferred Stock are first purchased pursuant to the Purchase Agreement.
- (c) Liquidation Event shall mean (i) the liquidation, dissolution or winding up of the affairs of the Company, whether voluntary or involuntary, (ii) the consolidation or merger of the Company with or into any other corporation or corporations in which the Company is not the surviving entity, (iii) the sale of all or substantially all of the assets of the Company or (iv) the effectuation by the Company of a transaction or series of transactions in which more than 50% of the voting shares of the Company is disposed of or conveyed.
- (d) Purchase Agreement shall mean the Securities Purchase Agreement by and among the Company and the purchasers set forth on Schedule A thereto, dated March 13, 2009.

(e) Registration Rights Agreement shall mean the Registration Rights Agreement by and among the Company, Rockport Venture Securities, LLC and the purchasers set forth on Schedule A thereto, dated March 13, 2009.

(f) Series B-1 Convertible Note shall mean the secured convertible promissory note convertible into shares of Series B-1 Preferred Stock pursuant to the terms of the Purchase Agreement.

(g) Series B-1 Preferred Stock shall mean the Series B-1 Convertible Preferred Stock of the Company, par value \$0.01 per share.

Section 2.

Exercise of Warrant: Conversion of Warrant.

(a)

Until such time as the Company obtains stockholder approval for (i) the issuance of the Series B-1 Preferred Stock on the Initial Issuance Date and upon conversion of the Series B-1 Convertible Note (and the Common Stock into which such Series B-1 Preferred Stock is convertible) pursuant to the terms of the Purchase Agreement and (ii) any change of control relating from such issuance, each pursuant to the applicable requirements of Section 713 of the NYSE Amex Company Guide (the **Stockholder Approval**), this Warrant shall be exercisable for no more than eighty-eight thousand five hundred fifty (88,550) shares of Common Stock, subject to adjustment upon the occurrence of the contingencies set forth in this Warrant. From and after such time as the Stockholder Approval is obtained, this Warrant may, at the option of the Holder, be exercised in whole or in part. Notwithstanding the foregoing, in the event of a Liquidation Event prior to the Company's receipt of Stockholder Approval, this Warrant shall become exercisable, in whole immediately prior to (and contingent upon) the consummation by the Company of such Liquidation Event.

(b)

Subject to the limitations described in Section 2(a) above, this Warrant may, at the option of the Holder, be exercised in whole or in part from time to time, on or before 5:00 p.m., Eastern Time, on the Expiration Date, by delivery to the Company at its principal office (i) a written notice of such Holder's election to exercise this Warrant (the **Exercise Notice**), which notice may be in the form of the Notice of Exercise attached hereto, properly executed and completed by the Holder or an authorized officer thereof, (ii) a check or other funds (the **Funds**) payable to the order of the Company, in an amount equal to the product of the Exercise Price *multiplied by* the number of Warrant Shares specified in the Exercise Notice, and (iii) this Warrant (the items specified in (i), (ii), and (iii) are collectively the **Exercise Materials**); *provided, however*, that if this Warrant is not exercised in whole immediately prior to the

consummation by the Company of a Liquidation Event, then immediately following the consummation by the Company of such Liquidation Event, this Warrant will not be exercisable and shall be null and void for all purposes. Notwithstanding anything in this Warrant Agreement to the contrary, if this Warrant shall not have been exercised in full immediately prior to a Liquidation Event, then this Warrant shall be automatically exercised pursuant to Section 3 below, without further action on the part of the Holder (and the Holder hereof shall be deemed to be a holder of the Common Stock issued upon such automatic exercise), immediately prior to the Liquidation Event, unless at any time on or before such time, the Holder shall notify the Company in writing that no such automatic exercise is to occur.

(c)

As promptly as practicable, and in any event within five (5) business days after the later of (i) its receipt of the Exercise Materials and (ii) the clearing of the Funds, the Company shall execute or cause to be executed and delivered to the Holder a certificate or certificates representing the number of Warrant Shares specified in the Exercise Notice, together with cash in lieu of any fraction of a share. The stock certificate or certificates shall be registered in the name of the Holder

or such other name or names as shall be designated in the Exercise Notice. The Effective Date and the date the person in whose name any certificate evidencing the Common Stock issued upon the exercise hereof is issued shall be deemed to have become the holder of record of such shares, shall be the date the Company receives the Exercise Materials, irrespective of the date of delivery of a certificate or certificates evidencing the Common Stock issued upon the exercise or conversion hereof, *provided, however*, that if the Exercise Materials are received by the Company on a date on which the stock transfer books of the Company are closed, the Effective Date shall be the next succeeding date on which the stock transfer books are open. If this Warrant shall have been exercised only in part, then, unless this Warrant has expired, the Company shall, at its expense, at the time of delivery of such certificates, deliver to the Warrantholder a new Warrant representing the right to purchase the number of shares with respect to which this Warrant shall not then have been exercised. In the event that this Warrant is exercised, in whole in connection with a Liquidation Event, the Effective Date shall be the date of the consummation by the Company of such Liquidation Event. All shares of Common Stock issued upon the exercise or conversion of this Warrant will, upon issuance, be fully paid and non-assessable and free from all taxes, liens, and charges with respect thereto.

Section 3.

Cashless Exercise. In lieu of exercising this Warrant pursuant to Section 2(c), the Holder may elect to receive, without payment by the Holder of any additional consideration, shares of Common Stock equal to the value of this Warrant (or the portion thereof being cancelled) by surrender of this Warrant at the principal office of the Company together with an Exercise Notice, in which event the Company shall issue to the Holder a number of shares of Common Stock computed using the following formula:

Y (A - B)

X=

A

Where: X =

The number of shares of Common Stock to be issued to the Holder pursuant to this cashless exercise;

Y =

The number of Warrant Shares in respect of which the cashless exercise election is made;

A =

The fair market value of one (1) share of Common Stock at the time the cashless exercise election is made; and

B =

The Exercise Price (as adjusted to the date of the cashless exercise)

For purposes of this Section 3, the fair market value of one (1) share of Common Stock as of a particular date shall be determined as follows: (i) if listed or quoted for trading on a securities market or exchange, the value shall be deemed to be the average closing price of the securities on such exchange over the thirty (30) day period ending three (3) days prior to the cashless exercise election; (ii) if traded over-the-counter, the value shall be deemed to be the average of the closing bid or sale prices (whichever is applicable) over the thirty (30) day period ending three (3) days prior to the cashless exercise election; and (iii) if there is no active public market, the value shall be the fair market value thereof, as jointly determined in good faith by the Holder and the Company's Board of Directors. If the Holder and the Company's Board of Directors are unable to reach such a determination, the Holder and the Company's Board of Directors shall jointly select an appraiser, who is experienced in such matters. The decision of such appraiser shall be final and conclusive, and the cost of such appraiser shall be borne equally by the Holder and the Company.

Section 4.

Adjustments to Warrant Shares. The Exercise Price and number of Warrant Shares issuable upon exercise of this Warrant are subject to adjustment from time to time as set forth in this Section 4.

(a)

Subdivisions, Combinations and Other Issuances. If the Company shall at any time prior to the expiration of this Warrant subdivide its Common Stock, by split-up or otherwise, or combine its Common Stock, or issue additional shares of its Common Stock as a dividend, the number of Warrant Shares issuable on the exercise of this Warrant shall forthwith be proportionately increased in the case of a subdivision or stock dividend, or proportionately decreased in the case of a combination. Appropriate adjustments shall also be made to the Exercise Price, but the aggregate Exercise Price payable for the total number of Warrant Shares purchasable under this Warrant (as adjusted) shall remain the same. Any adjustment under this Section 4(a) shall become effective at the close of business on the date the subdivision or combination becomes effective, or as of the record date of such dividend, or in the event that no record date is fixed, upon the making of such dividend.

(b)

Reclassification, Reorganization and Consolidation. In case of any reclassification, capital reorganization, or change in the Common Stock of the Company (other than as a result of a subdivision, combination, or stock dividend provided for in Section 4(a) above), then, as a condition of such reclassification, reorganization, or change, lawful provision shall be made, and duly executed documents evidencing the same from the Company or its successor shall be delivered to the Holder, so that the Holder shall have the right at any time prior to the expiration of this Warrant to purchase, at a total price equal to that payable upon the exercise of this Warrant, the kind and amount of shares of stock and other securities and property receivable in connection with such reclassification, reorganization, or change by a holder of the same number of shares of Common Stock as were purchasable by the Holder immediately prior to such reclassification, reorganization, or change. In any such case appropriate provisions shall be made with respect to the rights and interest of the Holder so that the provisions hereof shall thereafter be applicable with respect to any shares of stock or other securities and property deliverable upon exercise hereof, and appropriate adjustments shall be made to the Exercise Price payable hereunder, provided the aggregate Exercise Price shall remain the same.

(c)

Calculations. All calculations under this Section 4 shall be made to the nearest cent or the nearest 1/100th of a share, as applicable. The number of shares of Common Stock outstanding at any given time shall not include shares owned or held by or for the account of the Company, and the disposition of any such shares shall be considered an issue or sale of Common Stock.

(d)

The Company covenants and agrees that all Warrant Shares which may be issued will, upon issuance, be validly issued, fully paid, and non-assessable. The Company further covenants and agrees that the Company will at all times have authorized and reserved, free from preemptive rights, a sufficient number of shares of its Common Stock to provide for the exercise of this Warrant in full.

Section 5.

Notice of Adjustments. Upon the occurrence of each adjustment pursuant to Section 4, the Company at its expense will promptly compute such adjustment in accordance with the terms of this Warrant and prepare a certificate setting forth such adjustment, including a statement of the adjusted Exercise Price, describing the transactions giving rise to such adjustments and showing in detail the facts upon which such adjustment is based. When any such adjustment is required to be made, the Company will promptly, but in any event no later than ten (10) days after said adjustment, notify the Holder of the event giving rise to such adjustment and deliver a copy of each such certificate to the Holder.

Section 6.

Registration Rights. The Holder shall be entitled to registration rights with respect to the Warrant Shares as set forth in the Registration Rights Agreement.

Section 7.

No Stockholder Rights. This Warrant shall not entitle Holder to any voting rights or other rights as a stockholder of the Company.

Section 8.

Transfer of Securities.

(a)

This Warrant and the Warrant Shares and any shares of capital stock received in respect thereof, whether by reason of a stock split or share reclassification thereof, a stock dividend thereon, or otherwise, shall not be transferable except upon compliance with the provisions of the Securities Act of 1933, as amended (the *Securities Act*), and applicable state securities laws with respect to the transfer of such securities. The Holder, by acceptance of this Warrant, agrees to be bound by the provisions this Section 8 hereof and to indemnify and hold harmless the Company against any loss or liability arising from the disposition of this Warrant or the Warrant Shares issuable upon exercise hereof or any interest in either thereof in violation of the provisions of this Warrant.

(b)

Each certificate for the Warrant Shares and any shares of capital stock received in respect thereof, whether by reason of a stock split or share reclassification thereof, a stock dividend thereon, or otherwise, and each certificate for any such securities issued to subsequent transferees of any such certificate shall (unless otherwise permitted by the provisions hereof) be stamped or otherwise imprinted with a legend in substantially the following form:

NEITHER THIS WARRANT NOR THE SHARES OF COMMON STOCK ISSUABLE UPON EXERCISE HEREOF HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR ANY APPLICABLE STATE SECURITIES LAW AND NEITHER MAY BE SOLD OR OTHERWISE TRANSFERRED UNTIL (I) A REGISTRATION STATEMENT UNDER SUCH SECURITIES ACT AND SUCH APPLICABLE

STATE SECURITIES LAWS SHALL HAVE BECOME EFFECTIVE WITH REGARD THERETO, OR (II) THE COMPANY SHALL HAVE RECEIVED A WRITTEN OPINION OF COUNSEL ACCEPTABLE TO THE COMPANY TO THE EFFECT THAT REGISTRATION UNDER SUCH SECURITIES ACT AND SUCH APPLICABLE STATE SECURITIES LAWS IS NOT REQUIRED IN CONNECTION WITH SUCH PROPOSED TRANSFER.

Section 9.

Replacement of Warrant. If this Warrant is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation hereof, or in lieu of and substitution for this Warrant, a new warrant (the *New Warrant*), but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction and customary and reasonable bond or indemnity, if requested.

Section 10.

Miscellaneous.

(a)

The terms of this Warrant shall be binding upon and shall inure to the benefit of any successors or permitted assigns of the Company and the Holder.

(b)

Except as otherwise provided herein, this Warrant and all rights hereunder are transferable by the registered holder hereof in person or by duly authorized attorney on the books of the Company upon surrender of this Warrant, properly endorsed, to the Company. The Company may deem and treat the registered holder of this Warrant at any time as the absolute owner hereof for all purposes and shall not be affected by any notice to the contrary.

(c)

Notwithstanding any provision herein to the contrary, the Holder may not exercise, sell, transfer, or otherwise assign this Warrant unless the Company is provided with an opinion of counsel satisfactory in form and substance to the Company, to the effect that such exercise, sale, transfer, or assignment would not violate the Securities Act or applicable state securities laws.

(d)

Any notices, consents, waivers, or other communications required or permitted to be given under the terms of this Warrant must be in writing and will be deemed to have been delivered (a) upon receipt, when delivered personally, (b) upon receipt, when sent by facsimile, *provided* a copy is mailed by U.S. certified mail, return receipt requested, (c) three (3) days after being sent by U.S. certified mail, return receipt requested, or (d) one (1) day after deposit with a nationally recognized overnight delivery service, in each case properly addressed to the party to receive the same.
