In connection with the termination of the Merger Agreement, EPL has determined that certain costs that it incurred and paid in the second and third fiscal quarters of 2006 in connection with the proposed merger with Stone, and capitalized as an asset pending the closing of the merger, should be expensed during the third quarter of 2006 due to the termination of the Merger Agreement, effective October 11, 2006. The Company’s unaudited consolidated balance sheet as of June 30, 2006 included \$44.5 million of merger related costs of which the \$43.5 million payment to Plains Exploration & Production Company (“Plains”), made by EPL in the second quarter in connection with the termination of Stone’s prior merger agreement with Plains, was included in Other Assets and \$1.0 million of advisor fees was in Deferred Financing Costs. The pre-tax impairment expense of \$44.5 million (\$28.5 million after-tax) will be expensed and included in General and Administrative expense in the unaudited consolidated statement of operations for the third quarter of 2006 along with other merger related costs incurred during the third quarter.
