On May 30, 2007, the Compensation Committee approved and, with respect to Mr. Bachmann the Compensation Committee recommended and the Board approved on June 1, 2007, the following grants of cash-settled restricted share units and stock options to the following executive officers under the Company’s 2006 Long Term Stock Incentive Plan (the “Plan”):

| Position | Cash-Settled Restricted Share Units | Stock Options |

Each restricted share unit represents the right to receive in cash the fair market value of one share of Common Stock upon vesting. The restricted share units vest in one-third increments on the first three anniversaries of the date of grant. If any grantee leaves the Company, unvested restricted share units are forfeited. Unvested restricted share units will become fully vested upon a change of control (as defined) of the Company. A copy of the 2006 Long Term Stock Incentive Plan Cash-Settled Restricted Share Unit Agreement is attached hereto as Exhibit 10.1 and incorporated herein by reference.

Stock options have an exercise price equal to the fair market value on the date of grant, and have a ten-year term, vesting in one-third increments on the first three anniversaries of the date of grant. If any grantee voluntarily leaves the Company other than by reason of retirement, unvested options are forfeited and vested options must be exercised within 30 days. Unvested options will become immediately exercisable upon a change of control (as defined) of the Company.

Non-Employee Director Compensation

Commencing with the Company's 2007 Annual Meeting on June 1, 2007, non-employee directors receive an annual retainer of \$40,000 and meeting fees of \$2,000 for each Board meeting, and \$1,500 for each committee meeting, attended (even if held on the same date). The Chairman of the Audit Committee receives an additional \$15,000 per year, each other Audit Committee member receives an additional \$5,000 per year and the Chairman of each of the Compensation Committee and the Nominating & Governance Committee receives an additional \$10,000 per year. Meeting fees are paid in cash. Retainer fees are paid in shares of Common Stock (valued at fair market value); provided that a director may elect to receive up to 50% of such retainer fees in cash. Directors may defer all or a portion of their retainer and meeting fees. Directors are also reimbursed for their reasonable expenses in connection with attending Board of Director meetings and other Company events.

In addition, under the Company's Amended and Restated 2000 Stock Incentive Plan for Non-Employee Directors, non-employee directors received a grant of 6,000 restricted share units on the date of the 2007 Annual Meeting. Restricted share units become 100% vested on the first anniversary of the date of grant provided the eligible director continues as a director of the Company throughout that one-year period. Prior to the first anniversary of the date of grant, an eligible director shall be vested in the pro rata number of restricted share units based on the number of days during that year that the eligible director served.
